CHAPTERS

Chapter - I

Current Economic Scenario

1.1 Introduction:

- As per IMF's World Economic Outlook Report of April 2025, India with a GDP of USD 4.18 trillion had surpassed Japan to become the world's fourth-largest economy and is poised to displace Germany from the third rank in the next 2.5 to 3 years with projected GDP of USD 7.3 trillion by 2030.
- According to the World Bank's Global Economic Prospects report (January-2026) India's GDP growth projection has been raised to 7.2% for financial year 2025-26, citing strong domestic demand and tax reforms. Growth is expected to moderate at 6.5% in financial year 2026-27, even as India remains the fastest-growing major economy.
- As per the National Statistics Office (NSO), Ministry of Statistics and Programme Implementation (MoSPI), real GDP has been estimated to grow by 7.4% in FY 2025-26 against the growth rate of 6.5% during financial year 2024-25, while Nominal GDP is estimated to grow at 8.0% in 2025-26.
- According to Government of India's Economic Survey 2025-26, India's economic growth rate for the next financial year 2026-27 has been projected at 6.8% to 7.2%.
- In Human Development report (HDR) 2025, India ranked 130th out of 193 countries in the year 2025. India's Human Development Index (HDI) value rose from 0.676 to 0.685, indicating progress in education, life expectancy and income measures.
- India secured 38th position in the Global Innovation Index among the top innovative economies globally as per Global Innovation Index (GII) 2025.
- Gross Domestic Product: Nominal GDP or GDP at Current Prices of India in the year 2025-26 is estimated at Rs.357.14 lakh crore, as against the Provisional Estimate of GDP for the year 2024-25 of Rs.330.68 lakh crore. The growth in nominal GDP during 2025-26 is estimated at 8.0% as compared to 9.8% in 2024-25.
- The State of Gujarat is home to 5% of the country's population and contributes nearly 8.3% to the economy, with the highest share (over 18%) in the national industrial output, and around 1.7 times higher per capita income than the national average.

- The state has grown at 12% Compounded Annual Growth Rate (CAGR) (2011-2021), higher than national average of 10.4% (nominal, in INR terms), and is set to become Viksit (developed) ahead of 2047 to bolster the country's path towards development.
- Gujarat's real GSDP has grown at an average rate of 8.5 percent during the period from 2012-13 to 2021-22, which is much higher than the national average growth of 5.6 percent.
- The State's share, both in India's Nominal GDP and India's Nominal Per Capita GDP, has increased over the last three decades. Its nominal per capita income is about 60 percent higher than the national per capita income as of 2021-22.
- Gujarat has consistently been retaining its 1st position among all States in industrial output, fixed capital and 2nd position in Net Value Added (NVA) as per Annual Survey of Industries (ASI) 2023-24.
- Vibrant Gujarat Regional Conference: With the motto "Regional Aspirations, Global Ambitions," at the first Vibrant Gujarat Regional Conference held in Mahesana, the Hon'ble Chief Minister and the Hon'ble Union Minister announced new GIDC estates and Smart GIDC projects.
- During 9th to 10th October-2025, the first Vibrant Gujarat Regional Conference (VGRC) was held at Ganpat University, Mahesana, where 1264 MoUs were signed for investments worth Rs.3.25 lakh crore.
- During 11th and 12th January-2026, the Vibrant Gujarat Regional Conference (Kachchh & Saurashtra) was held at Marwadi University, Rajkot in which 5492 MoUs and investments worth Rs.5.78 lakh crore was signed.
- **Aspirational Blocks Programme:** Under the Aspirational Blocks Programme, the seven talukas-Lakhpat, Rapar, Kukarmunda, Nizar, Tharad, Ghoghamba, and Sayla-have achieved saturation in all six indicators identified by NITI Aayog and have therefore been awarded the Gold Award.
- **Jan Vishwas (Amendment of Provisions) Bill, 2025:** The State Government has prepared the Gujarat Jan Vishwas (Amendment of Provisions) Bill, 2025. The objective of this Bill is to decriminalize 516 provisions under 11 Acts and Rules administered by six departments of the State Government.
- **Commonwealth Games 2030:** Ahmedabad city will host the 24th Commonwealth Games to be held in 2030. This announcement was

made at the General Assembly meeting of Commonwealth Sport held in Glasgow, Scotland.

1.2 Population:

- The population of India as on 1st March 2011 is 121.09 crore comprising 62.33 crore males and 58.76 crore females. The population of Gujarat at the same date and time is 6.04 crore comprising 3.15 crore males and 2.89 crore females. Of this, the rural population stands at 3.47 crore and the urban population 2.57 crore. The rural population has increased by 29.54 lakh and the urban population by 68.15 lakh in the last decade.
- Gujarat stands at 10th rank amongst the States in the country in respect of population and at 14th rank (excluding UTs) in population density. In terms of percentage, Gujarat accounts 5.97 percent of the area of India and 4.99 percent of the population of India.
- In percentage terms, the rural population formed 57.4 percent of the total population of the state with the urban population consisting 42.6 percent.
- As per Census 2001, Population of Gujarat was 5.07 crore. While, as per Census 2011, Gujarat has population of 6.04 crore persons showing a decadal growth rate of 19.3 percent as compared to all India growth rate of 17.7 percent. The growth rate of population in rural and urban areas was 9.3 percent and 36.0 percent respectively.
- The Sex Ratio in the country which was 933 in 2001 has risen by 10 points to 943 in 2011. While the Sex Ratio in the state decreased by 1 point marginally from 920 in 2001 to 919 in 2011. In rural areas sex ratio of the state has increased by 4 points from 945 in 2001 to 949 in 2011, while in urban areas sex ratio has been 880 in 2001 as well as in 2011.
- Out of the Child Population of 77.77 lakh in the age group of 0-6 years in the state, the rural child population stands at 48.25 lakh and urban at 29.52 lakh in 2011.
- The population density of the state is 308 persons per sq.km. in Census 2011, whereas it was 258 persons per sq.km. in Census 2001.
- The literacy rate of Gujarat is 78.0 percent in 2011. In rural areas the literacy rate is 71.7 percent and urban area it is 86.3 percent.
- Schedule Cast and Schedule Tribe Population: As per Census 2011, the population of Scheduled Castes and Scheduled Tribes in the State was reported at 40.74 lakh (6.7 percent) and 89.17 lakh (14.8 percent)

respectively compared to their proportion of 16.6 percent and 8.6 percent respectively in India. About 56.0 percent of the Scheduled Castes population was enumerated in rural areas and the remaining 44.0 percent was enumerated in the urban areas. The corresponding proportions for Scheduled Tribes were 90.0 percent in rural areas and 10.0 percent in urban areas.

1.3 State Domestic Product:

- As per the Quick Estimates, Real GSDP or GSDP at constant (2011-12) prices in 2024-25 has been estimated at Rs.1728693 crore as against Rs.1609376 crore in 2023-24(P), registering a growth of 7.4 percent during the year. Nominal GSDP or GSDP at current prices in 2024-25 has been estimated at Rs.2703518 crore as against Rs.2452736 crore in 2023-24(P), registering a growth of 10.2 percent during the year.
- The share of primary, secondary and tertiary sectors has been reported at 19.5 percent, 43.9 percent and 36.6 percent respectively to the total GSVA in 2024-25 at nominal or at current basic prices.
- **Net State Domestic Product:** Real NSDP (at constant (2011-12) prices) in 2024-25(Q) is estimated at Rs.1522176 crore as against Rs.1415270 crore in 2023-24(P), showing a growth of 7.6 percent during the year. At nominal or at current NSDP in 2024-25(Q) is estimated at Rs.2384203 crore as against Rs.2159266 crore in 2023-24(P), showing a growth of 10.4 percent during the year.
- **Per Capita Income:** The Per Capita Income at nominal NSDP (at current prices) has been estimated at Rs.327195 in 2024-25(Q) as against Rs.299861 in 2023-24(P), showing an increase of 9.1 percent during the year. The Per Capita Income at Real NSDP (at constant (2011-12) prices) has been estimated at Rs.208895 in 2024-25(Q) as against Rs.196541 in 2023-24(P), registering a growth of 6.3 percent during the year.

1.4 Agriculture and Allied Sectors:

- **Agriculture: Year 2023-24 and 2024-25 (As per final estimates):** During the year 2023-24, the production of food grains was 102.65 lakh tonnes, which is increased and estimated at 113.73 lakh tonnes in the year 2024-25. While, the production of cotton was 92.48 lakh bales (bales each of 170 kg.) which decreased and estimated at 71.51 lakh bales and the production of oil seeds was 74.00 lakh tonnes, which has increased and estimated at 77.94 lakh tonnes.
- At the end of the year 2025, 226 Agriculture Produce Market Committees (APMCs), 212 Main Yards of Market Committees and 193 Sub-Market Yards are operational in the 33 districts of the State.

- **Horticulture:** The production of fruits crops has increased from 83.90 lakh tonnes in the year 2023-24 to 85.81 lakh tonnes in the year 2024-25, the production of vegetables has increased from 167.50 lakh tonnes in 2023-24 to 185.02 lakh tonnes in the year 2024-25 and the production of Flowers has decreased from 2.01 lakh tonnes in 2023-24 to 1.97 lakh tonnes in the year 2024-25, while, the production of spices has decreased from 15.70 lakh tonnes in 2023-24 to 12.91 lakh tonnes in the year 2024-25.
- **Animal Husbandry:** As per the results of 20th Livestock Census 2019, total livestock population of Gujarat State is 269.66 lakh (including Dogs and Rabbits). As per the estimates of the Integrated Sample Survey (ISS) of major livestock products, the production of milk has increased to 192.94 lakh tonnes in 2024-25 from 183.12 lakh tonnes in 2023-24. The production of eggs has increased from 18930 lakh nos. in 2023-24 to 20551 lakh nos. in 2024-25, while the production of wool has increased from 20.84 lakh kgs. in the year 2023-24 to 21.50 lakh kgs. in the year 2024-25.
- **Fisheries:** During the year 2024-25, total fish production in the Gujarat State was estimated at 10.43 lakh tonnes worth Rs.19013.54 crore (7.64 lakh tonnes Marine fish production and 2.78 lakh tonnes Inland fish production). The Marine fish production contributes about 73.31 percent of total fish production of the State. During the year 2024-25, through export of 2.82 lakh tonnes of fish and fish products, the State had received foreign exchange earnings of Rs.5889.29 crore.
- During the year 2025-26 (upto September, 2025) (P), the total fish production has been estimated at 3.17 lakh tonnes (2.33 lakh tonnes Marine fish production and 0.84 lakh tonnes Inland fish production) worth of Rs.5250.00 crore.
- **Forests:** The Forest area of Gujarat is approximately 21876.45 sq.km. in the year 2024-25, which is about 11.15 percent of total geographical area of the State. The State has 4 National Parks, 24 wildlife sanctuaries and 1 Conservation Reserve covering about 8.85 percent of the total geographical area of the State.
- **Water Resource Development:** Water Resources management of the state is aimed to provide water efficiently and in equitable and sustainable manner. The state has given due attention to accelerate the pace of water resources development to increase the net water availability by creating additional storage, completion of ongoing projects, improvement in water use efficiency, bridging the gap between the irrigation potential created and its utilization, restoration & modernization of existing irrigation system, conjunctive use of

ground and surface water, promoting participatory irrigation management, large scale people's participation in water conservation programmes and inter-basin transfer of water.

- **Atal Bhujal Yojana (ATAL-JAL):** Atal Bhujal Yojana project was declared in December 2019 with the target of raising ground water level which is under implementation on 6 districts (Banaskantha, Gandhinagar, Kachchh, Mahesana, Patan & Sabarkantha), 36 talukas and 1873 gram panchayats of Gujarat. As of October 2025, the benefits of this project have been extended to an area of 93,301 hectares.
- **Sardar Sarovar Project:** The Sardar Sarovar Project is a multipurpose project, which comprises a concrete-gravity Sardar Sarovar Dam across Narmada river, two power stations with a total installed capacity of 1450 MW, 458 km long main canal at Gujarat-Rajasthan border and a vast canal network of 69829.66 km revised estimated length for water distribution system for irrigation.
- The total cumulative expenditure of Rs.84715.24 crore has been incurred by March-2025. An expenditure of Rs.2412.96 crore incurred during April-2025 to December-2025.
- The project is expected to provide irrigation benefits to about 18.00 lakh hectare command area in 78 talukas of 17 districts in the State. It is also envisaged to provide water in approximately 11951 villages and 199 Towns for domestic and industrial uses. Out of which drinking water is being provided to 10764 villages, 190 cities and 7 Municipal Corporations at present.
- **Sauni Yojana:** Projects which connect 115 reservoirs of Saurashtra with surplus one million acre feet water of Narmada are about to complete. After completion of this work, irrigation facility in 3.34 lakh hectare area will be strengthened and drinking water problem will be solved in Saurashtra. A provision has been given of Rs.813.00 crores for completion of outstanding works in all schemes. Construction of check dams/pond linkages of villages within 3 km from the square valves of Sauni Yojana Link-1, 2, 3 and 4 pipelines. Provision of Rs.170.00 crore has given for water drainage and water irrigation works in Ghed area. 99 reservoirs have been joined with expenditure of Rs. 17990 crores (upto December-2025), 16 reservoirs will be joined soon. Total 1.30 million Cubic Feet Narmada water has been utilized with this project.
- **Participatory Irrigation Management:** The Government has decided to cover maximum possible command area under Participatory Irrigation Management. The Government has also passed "Gujarat Water Users Participatory Irrigation Management Act-2007". Upto

September-2025, under Participatory Irrigation Management scheme, 8.60 lakh hectare area have been covered through 2844 Water Users Associations.

- **Reservoir Level:** As on 31st October-2025, out of total 206 dams with total storage capacity of 15797.56 million cubic meters, 45 dams having storage capacity of 12883.77 million cubic meters are in Gujarat region (south, north and central Gujarat area) 20 dams having storage capacity of 325.26 million cubic meters are in Kachchh region and 141 dams having storage capacity of 2588.53 million cubic meters are in Saurashtra region. As on 31st October-2025, the gross water storage in the reservoirs was 15309.29 million cubic meters, which is 96.91 percent against the total storage capacity.

1.5 Industries and Mines

- **Industrial Investment Scenario:** Gujarat is one of the highly industrialized states in India with its reputation of being a highly investor-friendly state. The state has a proven track record of attracting high volumes of investment becoming the most favored investment destination in India.
- **Micro, Small and Medium Units:** Upto September-2006, 312732 number of units are registered as a SSI units having investment upto Rs. 1.00 crore in plant and machinery. From the year 2006 to September-2015, 376357 number of units are registered as a MSME units under MSMED Act. Vide Notification no. S.O. 2576(E), dated 18/09/2015 of Ministry of MSME, Govt. of India, the system of EM Part-I & Part-II has been discontinued and instead of it, it is notified to file Udyog Aadhar Memorandum (UAM). After implementation of UAM upto the June, 2020 there are total 865826 units registered. With the Notification no.5/2(1)/2020- P&G/Policy, dated 17/07/2020 of Ministry of MSME, Govt. of India, “Udyog Aadhar Memorandum (UAM)” is replaced with “Udyam registration certificate (udyamregistration.gov.in). Under which upto 30th November, 2025, total 2804171 units have been registered.
- **Results of Annual Survey of Industries (ASI):** As per the results of Annual Survey of Industries 2022-23, the number of factories has increased from 31031 in the year 2022-23 to 33311 in the year 2023-24, showing a growth of 7.35 percent over the previous year. The Net Value Added (NVA) by factory sector in the State has increased from Rs.273565 crore in 2022-23 to Rs.290993 crore in 2023-24(P), showing an increase of 6.37 percent over the previous year. The value of output of all registered factories covered under the survey in State has increased from Rs.2567733 crore in 2022-23 to Rs.2639499 crore

in 2023-24(P), showing a growth of 2.79 percent over the previous year. The employment in all factories covered under the survey, inclusive of managerial, supervisory and clerical personnel has increased from 23.35 lakh in 2022-23 to 25.60 lakh in 2023-24. It shows that about 2.25 lakh employees increased in net employment in the organized sector during the year 2023-24.

- **Mineral Production:** As per provisional estimate of the year 2024-25, the production of major minerals was 328.10 lakh M.T. While, the production of minor minerals was 2727.98 lakh M.T. The total production of minerals was 3056.08 lakh M.T. in the State. During the year 2025-26 (upto September-2025), the production of Petroleum (Crude) was 2607 thousand tonnes and Natural Gas (Utilized) was 506 million cubic meters.

1.6 Infrastructure:

- **Electricity:** The total installed capacity of conventional sources of the state is 55138 MW at the end of 31st March-2025 comprising of 6670 MW by Gujarat State Electricity Corporation Ltd. (GSECL), 1896 MW by State IPPs, 7641 MW by Private IPPs and 7528 MW by Central Sector Share.
- The installed capacity of Wind farm in Gujarat State was 12677 MW at the end of 31st March-2025 which increased to 14493 MW as on 31st October-2025. The installed capacity of Solar Power Plant in Gujarat State was 18497 MW (which includes 5105 MW Solar Rooftop capacity) at the end of 31st March-2025, which increased to 24143 MW as on 31st October-2025 (which includes 6185 MW Solar Rooftop capacity). The installed capacity of Bio-Power and Small Hydro Plant in Gujarat State was 229 MW at the end of 31st March-2025 which is 243 MW as on 31st October-2025 respectively. The total installed capacity (Conventional and Non-conventional) of Gujarat State was 48914 MW at the end of 31st March-2024, which increased to 55138 MW at the end of 31st March-2025. While, the total installed capacity as on 31st October-2025 is 62797 MW.
- The total generation of electricity in the state during the year 2024-25 was 156495 MUs. While during the year 2025-26 (upto 31st October, 2025), total generation of electricity in the state is 92850 MUs.
- The total consumption of electricity in the state during the year 2024-25(P) was 121142 MUs as against 121571 MUs in the previous year 2023-24 (including Torrent Power Ltd.).

- The per capita consumption of electricity during the year 2024-25 increases to 2502 units as against 2479 units in the previous year 2023-24.
- **Railways:** The total length of railway lines in the State as on 31st March, 2025 was 4955 route kms. comprising 4187 kms. of Broad Gauge (BG), 438 kms. of Meter Gauge (MG) and 330 kms. of Narrow Gauge (NG) lines.
- **Roads:** At the end of 2024-25, the total length of (Plan+Non-Plan) road was 134367 kms. Out of the total Plan road of length 79312 kms. the length of National Highways was 6323 kms., State Highways was 15778 kms., Major District Roads was 19517 kms., Other District Roads was 9880 kms. and Village Roads was 27814 kms.
- **Motor Vehicles:** The Number of registered Motor Vehicles has increased from 345.46 lakh in the year 2024-25 to 360.37 lakh in the year 2025-26 (upto October, 2025). Out of which 247.89 lakh motor cycles/scooters/mopeds, out of these three and four wheelers 11.00 lakh are Auto-rickshaws, there are 49.55 lakh are motor cars (including Jeeps), 16.09 lakh are goods vehicles (including tempo), 4.16 lakh are trailers and 12.11 lakh are tractors.
- **Port Development:** Gujarat is one of the most progressive, forward-looking and advanced States in the country when it comes to port infrastructure development efforts. In particular, Gujarat's maritime sector is considered to be the most developed among the States of India in the matter of non-major ports. Gujarat Maritime Board (GMB) manages 48 non-major ports. The total cargo handled by the intermediate and minor ports was 4877.26 lakh tonnes in the year 2024-25. Whereas during the year 2025-26 (upto October, 2025) the total cargo handled by non-major ports was 2796.37 lakh tonnes.
- **Deendayal Port Authority (Main Port - Deendayal):** During the year 2024-25, the total cargo handled (including transshipment cargo) by the Kandla Port in quantitative terms was 1501.57 lakh tone, showing an increase of 13.43 percent over the previous year.
- **Post and Telecommunications:** At the end of the year 2024-25, there were 8889 Post offices/branches operational in the state. While, as on 31th October, 2025 there are 8882 Post offices/branches are functional in the state.
- As on 31st October, 2025 there are total 217350 landline connections of BSNL in the state. While as per the data of TRAI there are about 6.67 crore G.S.M. cellular holders (upto October, 2025) in Gujarat.

1.7 BANKING:

- **Branch Expansion:** During the year 2024-25, total 10743 bank branches are there in the state which increased to 10894 bank branches during the year 2025-26 (upto September, 2025).
- **Deposits:** The aggregate deposits of the banks of Gujarat in absolute terms was Rs. 13.26 lakh crore as of March, 2025. During the year 2025-26 (upto September, 2025) the aggregate deposit in all the banks in Gujarat is increased by Rs.36781.00 crore and cumulative deposit is of Rs.13.63 lakh crore, registering a growth of 2.77% over March 2025.
- **Advances:** The aggregate credit in absolute terms was Rs. 11.53 lakh crore as of March, 2025. During the year 2025-26 (upto September, 2025) the aggregate advances in all the banks in Gujarat is increased by Rs.78230.00 crore and cumulative advances is of Rs.12.32 lakh crore, registering a growth of 6.78% over March, 2025.
- **Credit-Deposit Ratio:** The Credit-Deposit Ratio was 86.97 percent as of March, 2025. The Credit-Deposit Ratio is 90.36 percent as of September, 2025 which has increased by 3.39 percent over the March, 2025.

1.8 SOCIAL SECTORS:

- **Human Development approach in Gujarat State:** The State aims to become a model State on all fronts of Human Development. Every single person in the State of Gujarat irrespective of gender, caste or creed would: (1) Be literate and healthy (2) Have shelter and clean environment (3) Have drinking water and sanitation (4) Be gainfully employed (5) Be able to live without fear (6) Have equal opportunities.
- **Sustainable Development Goals (SDGs):**
- **Concept:** The goal of sustainable development is to eliminate poverty, reduce starvation, improve food security and nutritional value and to emphasize sustainable agricultural development. By achieving all these parameters, by the year 2030, to create an equitable, fair and secure world is a robust, universal agreement for its people and its prosperity. The Sustainable Development Goals (SDGs) are the blueprint for achieving a better and Sustainable Future for all.
- **Implementation:** On September 25, 2015, the General Assembly has adopted "Sustainable Development Goal- 2030" (SDGs) agenda at the United Nations Summit, where 17 goals and 169 targets were decided. In India SDGs came into effect from 1st January, 2016.
- **At the National Level:** NITI AAYOG works as a nodal agency for the implementation of National Level SDGs – 2030 agenda. Following this, NITI Aayog has released four edition of the Sustainable Development Goals (SDG) India Index Report. As per Report 1.0 (year: 2018) and

Report 2.0 (year: 2019), Gujarat scored 64. In Report 3.0 (year: 2020), Gujarat's score was 69. In the latest Report 4.0 (year: 2024), Gujarat's score has improved from 69 to 74 compared to the previous report. In the first two reports, Gujarat was in the "Performer" category, while in the third and fourth reports, Gujarat has advanced to the "Front Runner" category.

- **Aspirational Districts Programme:** 117 districts have been identified as Aspirational Districts across the country. Which includes two districts of Gujarat viz. Narmada and Dahod.
- **Aspirational Blocks Programme:** Hon'ble Prime Minister launched Aspirational Blocks Programme on 7th January, 2023 in the second National Conference of Chief Secretaries, the conceptualization of the programme conceived after the success of Aspirational District Programme. In which 500 talukas have been selected from across the country, among which a total of 13 talukas of 10 districts of Gujarat state with different geographical conditions have been selected.
- **Primary Education:** The number of educational institutions imparting primary education in the State were 43968 in the year 2024-25 as against 44288 in the year 2023-24. The number of students enrolled in these schools were 77.60 lakh in 2024-25.
- The process of improving retention rate and decreasing dropout rate for elementary level (Std. I - V) is encouraging. The dropout rate for elementary section has decreased substantially from 22.30 percent in 1999-00 to 1.07 percent in 2023-24. The dropout rate for the standard I to VIII has been recorded at 2.42 percent in 2023-24.
- **Secondary and Higher Secondary Education:** The number of institutions imparting secondary and higher secondary education has increased from 13037 in 2023-24 to 13167 in 2024-25. Whereas, the number of students have decreased from 27.41 lakh in the year 2023-24 to 28.00 lakh in the year 2024-25.
- **Higher Education:** The number of institutions imparting higher education has increased from 3435 in the year 2023-24 to 3576 in the year 2024-25. During the year 2024-25, the number of students in these institutions were 19.57 lakh, in which the number of girls students were 9.07 lakh and the number of teachers were 73334.
- **Technical Education:** During academic year 2025-26(P), the intake capacity was for 79703 in Degree Engineering, 450 in Hotel Management, 1232 in Architecture, 9970 in Pharmacy, 21596 in M.B.A. and 10303 in M.C.A. courses. While the intake capacity was of 69987 Diploma Engineering courses and 2350 in Diploma Pharmacy courses.

- **“Pradhan Mantri Poshan Shakti Nirman Scheme-PM Poshan” Scheme (Formerly Mid-Day Meal Programme):** The total sanctioned budget for the year 2024-25 was Rs.1480.78 crore. In the year 2024-25, total 40.44 lakh students out of total enrollment of 51.55 lakh students from 32265 Government primary schools have benefited from meal and breakfast under PM POSHAN Scheme. In the year 2024-25, 120353 MT food grain was utilized at a total expenditure of Rs.1420.00 crore. The total sanctioned budget outlay for the year 2025-26 is Rs.2947.52 crore.
- **Public Health:** The health infrastructure and services are being constantly improved and enhanced to increase access, availability and affordability of health care and medical treatment in the state. The birth rate has declined from 24.9 (2001) to 17.6(SRS 2023). The death rate has decreased from 7.8 (2001) to 6.4 (SRS 2023) and the Infant Mortality Rate (IMR) has also come down from 60 (2001) to 20 (SRS 2023). The total of 353 Community Health Centres, 1539 Primary Health Centres and 9236 Sub-Centres functioning in the State at the end of January, 2026.
- **Integrated Child Development Services scheme (ICDS):** In Gujarat, the Integrated Child Development Scheme was first introduced in the Chhota Udepur block. The number of blocks gradually increased after that. To improve nutritional levels and maintain health standards among the population, this programme covers pregnant women and lactating mothers as well as children aged 6 months to 6 years. During the year 2025-26 (upto October-2025), 426 Blocks and 53065 Anganwadi centers are functional in the state.
- **Rural Water Supply Programme:** This programme is implemented in the State since 1961. It consists of rural regional water supply schemes, individual rural village water supply schemes, mini pipe scheme, installation of hand pumps, community managed internal rural water supply schemes etc.
- **Drinking water supply Facility to Affected Villages:** During 2024-25, 393 villages were covered with potable drinking water at the rate of 100 Litres per capita per day (LPCD) against the target of 200 villages. During 2025-26 (upto October, 2025) 145 villages are covered with potable drinking water at the rate of 100 LPCD against the target of 200 villages.
- **Rural Regional Water Supply Scheme:** This scheme is meant to cover two or more habitations with a single or multiple Source. At present 15802 villages are connected through State wide Water Supply Grid. During the year 2025-26 (upto October-2025), total 133

major rural regional water supply schemes covering 5250 villages at estimated cost of Rs.11750.00 crore are under progress.

- **Sardar Sarovar Canal Based Water Supply Projects (SSCB):** Government of Gujarat has formulated, sanctioned and implemented Master Plan amounting to Rs.13990 crore (revised) for Sardar Sarovar Canal based drinking water supply project covering 9633 villages and 131 urban centres of Saurashtra, Kachchh, North Gujarat and Panchmahal districts. Implementation of water supply schemes based on Narmada Canal is executed under two different programmes (1) Sardar Sarovar Canal Based project (SSCB) (2) Sujalam Suphalam Yojana (SSY). As per census 2011 and partition and reconstruction of Districts and Blocks, 11777 villages and 194 towns are planned to cover under this programme. The State Government has taken up Bulk Pipeline Packages under Mahi/ Narmada bulk water transmission pipeline. By end of March, 2025 the work of Bulk pipeline of 3268 km. has been completed. During the year 2025-26 (upto October-2025) 30 km. bulk pipeline has been laid. Hence total 3298 km. work of bulk pipeline is completed. Overall total 11777 villages and 194 towns of the state are planned under Narmada canal or reservoir based water supply scheme against which cumulative 10719 villages and 190 towns are covered with water supply facilities based on Narmada.
- **‘Nal Se Jal’ Scheme:** The Ministry of Jalshakti, Government of India launched the “Jal Jeevan Mission” under which ‘Nal Se jal’ scheme was started in the year 2019-20. In Gujarat, all 34 districts, 265 talukas and 18187 villages have been covered by 100% tap connectivity under ‘Nal se Jal’scheme.
- **Rural Development:** Commissionerate of Rural Development, Government of Gujarat is the State Level Nodal Department for the implementation of prestigious flagship programs which are aimed at holistic development of Gram Panchayat and villagers of the state.
- **Mahatma Gandhi National Rural Employment Guarantee Scheme:**
 - Under the scheme, total 49.54 lakh Job cards have been issued to rural families’ upto 25th November, 2025.
 - 100% Wage payment have been processed under DBT platform.
 - Under the scheme, 227.65 lakh man-days employment have been generated and 6.15 lakh families are benefited as of 25th November, 2025.
 - 129855 works have been completed under MGNREGA as on 25th November, 2025.

- **Pradhan Mantri Awaas Yojana-Gramin (PMAY-G):** Under the scheme, a target of 299011 houses was set in September 2024 for the year 2024–25, and 106206 spillover houses were also included. Thus, the total comes to 405217 houses. From the houses allocated in previous years and the current year, including spillover houses, 42178 houses have been completed.
- **Pradhan Mantri Krishi Sinchayi Yojana-(Watershed Component):**
 - From the year 2015-16 the Integrated Watershed Management Programme has been included under the ambit of Pradhan Mantri Krishi Sinchai Yojana (PMKSY) and named as Pradhan Mantri Krishi Sinchai Yojana (PMKSY) – Watershed Development Component. PMKSY-WDC 2.0 started from 2021-22.
 - In the year 2025-26 (upto November, 2025), total 4528 works of soil and moisture conservation, water harvesting and ground Water Recharge works have been completed and total 1443 works have been completed so far under Livelihood growth. Total expenditure of Rs. 47.37 crore has been incurred.
 - Swachhh Bharat Mission (Gramin): Swachhh Bharat Mission (Gramin) Program is running from 2nd October, 2014 for the purpose to construct IHHL for family living in rural areas. Apart from this, it also implements Solid and Liquid Waste Management for the villages.
 - Under the Swachh Bharat Mission (Garmin), more than 44.00 lakhs Toilets have been constructed in rural areas of the state upto November-2025.
 - Phase II of the Swachh Bharat Mission (Gramin) has been approved for implementation for the period from the year 2020–21 to 2024–25.

Under Swachh Bharat Mission (Gramin).

- 554583 Individual soak pits and 148362 Community soak pits have been completed.
- Construction of 51470 Community Compost Pits and 26768 Individual Compost Pits have been completed.
- Door-to- Door Waste collection in 16971 villages.
- 12460 Segregation Sheds have been constructed.

1.9 Employment:

- During the year 2024, 3.57 lakh fresh candidates were registered in the employment exchanges and 2.98 lakh candidates were provided employment. While, during the year 2025 (upto October-2025), 2.89

lakh fresh candidates are registered in the employment exchanges and 2.43 lakh candidates are provided employment. As on 30th September, 2025, total 3.01 lakh job seekers are on the live register of the employment exchanges, out of which 2.90 lakh are educated and 0.11 lakh are uneducated.

1.10 Welfare of Backward Classes:

- **New Gujarat Pattern:** The Government of Gujarat has adopted New Gujarat Pattern Schemes to accelerate the process of tribal development from the first year of the 9th Five Year Plan i.e. the year 1997-98. Under the New Gujarat Pattern, planning of 90 % amount has been carried out by the District Tribal Development Committee, while the planning of 10% amount is carried out at the State level by the State Level Committee.
- During the year 2024-25, the outlay in Tribal Sub Plan (Vanbandhu Kalyan Yojana) was revised to the tune of Rs.22026.00 crore against which an expenditure of Rs.20437.52 crore was incurred.
- During the year 2025-26, Tribal Sub Plan (Vanbandhu Kalyan Yojana) outlay is of Rs.30120.96 crore and expenditure of Rs.9800.27 crore has been incurred upto October-2025.
- Under the different welfare schemes implemented by the Commissioner - Tribal Development, an expenditure of Rs.3373.38 crore was incurred against an outlay of Rs.4373.96 crore during the year 2024-25. During the year 2025-26, an outlay of Rs.5120.03 crore has been made against which an expenditure of Rs.1078.83 crore has been incurred upto October-2025.
- **Schedule Caste Sub Plan (SCSP):** The State Government makes special efforts to bring rapid socio-economic development of the Scheduled Castes. The specific provision made for the Scheduled Castes in all the sectors of development are aggregated into the Scheduled Castes Sub Plan (SCSP). During the year 2024-25, an outlay of Rs.6483.00 crore was provided for the Scheduled Castes Sub Plan, against which, an expenditure of Rs.8371.00 crore (129.12%) was incurred. For the year 2025-26, an outlay of Rs. 8022.00 crore has been made under Scheduled Castes Sub Plan, against which an expenditure of Rs.9005.00 crore (112.24%) has been incurred by the end of November-2025.

1.11 Civil Supply:

- The National Food Security Act, 2013 has been implemented in the State from 01/04/2016. The State has covered 3.24 crore population of 75.50 lakh families under this act. Wheat, Rice, Pulses, Sugar, Double

Fortified Salt and twice in a year Edible Oil are being distributed to the ration card holders at subsidized rate through 16814 fair price shops across the State as per the distribution quantity and price fixed by the State Government.

- **“Ma Annapurna Scheme” in the state under the National Food Security Act-2013:** The State Government has launched “Ma Annapurna Scheme” under the National Food Security Act-2013 effective from 1/4/2016 in the entire State. Under the scheme two types of beneficiaries gets benefit (I) all card holders of the State under the Antyoday Anna Yojana (II) Priority House Hold-PHH.

1.12 Planning and Evaluation:

- **Outcome Budget:** The Finance Ministry, Government of India has initiated the Outcome Budget since 2016, to measure the outputs achieved by the spending of public funds. On similar ground, State Government has started to publish Outcome Budget from the year 2017-18.
- The NITI Aayog, Government of India has put special emphasis on Outcome indicators based monitoring of Government Schemes and Programmes. The Outcome budget is an initiative towards this direction. Also, in this context, the State Government has prepared "Gujarat Sustainable Vision 2030" under Sustainable Development Goals (SDG) defined by UN 2030 agenda.
- The main objective of Outcome Budget is to measure "Outcomes" instead of merely documenting budgetary provisions. The physical Outcomes listed in this budget publication presents Government initiatives and schematic Programmes that can be measured not only in terms of utilization and provision of financial resources but also in terms of physical units and their measurable outcomes.
- **Decentralized District Planning:** Decentralized District Planning Programme has been implemented by the Government of Gujarat since 14th November, 1980. The program includes the following provisions:
 - ❖ Discretionary outlay
 - Taluka level
 - District level
 - Municipal level
 - Incentive outlay
 - Provision of special backward area

- The decentralized district planning program is implemented through the District Planning Board. Prabhari Mantri of the respective district is the Chairperson of District Planning Board and the District Planning Officer is the Member Secretary of the District Planning Board.

For the financial year 2025-26, budget provision of Rs.1308.50 crore has been sanctioned for the decentralized district planning and for the financial year 2025-26.

- **Directorate of Evaluation:** The basic objective of the assessment study is to ascertain the extent to which the various schemes/Programmes implemented by the State Government have been successful in achieving the set targets and the extent to which the benefits have reached the target group and based on the information, to suggest corrective measures to overcome the difficulties and shortcomings in the implementation of the schemes and to further strengthen the implementation of the schemes.
- In the year 2025-26, total 39 evaluation studies of various departments are under progress at various stages. Out of these 36 in progress evaluation studies, 03 Evaluation studies have been completed.

1.13 Public Finance:

Financial Accounts, 2024-25 (P)

- As per the provisional accounts for the year 2024–25, a total income of Rs.270879.59 crore was received during the year. During the year 2024–25, total expenditure amounted to Rs.297717.24 crore.
- As per the provisional accounts for the year 2024–25, the income under the Revenue Account was approximately Rs.218554.38 crore, while the expenditure under the Revenue Account was approximately Rs.199611.45 crore. Under the Capital Account, against an income of Rs.52325.21 crore, capital expenditure of Rs.98105.81 crore was incurred.

Chapter-II

Development Approach

2.1 Introduction:

- Gujarat in Western India has a rich history in culture, civilization and trades. The state had urban planning, monumental architecture and water harvesting structure in Harappa and Dholavira 5000 years back. Dholera and Lothal were major ports in Indus valley civilization.
- Gujarat has geographical diversity with natural advantage of 1600 coast line, plain and fertile land in southern part with all season flowing Narmada River, desert in Kutchh and North Gujarat. The State has adopted a unique and visionary approach to socio economic development with “Sauno Saath Sauno Vikas “as its development motto, this is reflective of the inclusive and progressive spirit towards development.
- The state strives towards harmonious and balanced development with emphasis on agriculture, manufacturing and services sectors and a sharp focus on inclusive human development.
- The State Government has also prepared “Gujarat Sustainable Vision 2030” and prepared a Road Map for meeting the UN 2030 Agenda of Sustainable Development Goals (SDGs) with an objective of reaching to the last mile person.

2.2. Agriculture and rural economy

- The State Government has undertaken comprehensive efforts to strengthen and make the agricultural sector sustainable. As a result of the continuous development of agriculture and allied sectors, Gujarat has established a distinct identity across the country. Today, the State has achieved recognition as a developed and strong emerging state and has become a beacon for other states of the nation.
- Intense focused attention is being given to agricultural policies and programmes aimed at increasing income of farmers by reducing cost of cultivation, enhancing efficiency through mechanization, ensuring adequate availability of essential agricultural inputs such as seeds, fertilizers, and pesticides, and enabling farmers to receive fair returns for their agricultural produce.
- The approach of integrating technology into traditional agriculture is proving to be a transformative change for the State’s agricultural sector. The use of digital technology in agriculture is helping farmers to increase crop production and productivity.

- To promote the use of technology in agriculture, expand digitalization, and make agriculture-related information easily accessible to farmers at their fingertips, the “Krushi Pragati” web portal and the “Krushi Pragati” mobile application have been developed by the Government of Gujarat. Through this application, farmers can get timely and appropriate guidance for agriculture-related issues. More than 5.37 lakh farmers in the State are using the “Krushi Pragati” mobile application. A Command and Control Centre has been established at Gandhinagar for effective management of this entire project.
- To ensure that all agricultural operations—from primary tillage to harvesting and threshing—are completed scientifically and timely, agricultural mechanization is being significantly promoted. As the number of applications of farmers for assistance under agricultural mechanization schemes has been steadily increasing, the State Government has made substantial budgetary provisions to cover all farmers who need assistance. Additionally, assistance for tractor purchase has been increased to Rs.1,00,000. The assistance has been increased from Rs.75,000 to Rs.1,00,000 under the Mukhy Mantri Crop Storage Structure Scheme. Tractor-trailers have also been included as a component under the Kisan Parivahan Scheme. Farm Machinery Hubs have now been established in many villages across the State, that enables small and marginal farmers to make agriculture more modern and profitable by getting benefit from mechanization.
- Constant increase in irrigation and power supply, along with large-scale adoption of micro-irrigation systems, is bringing a revolutionary change in Gujarat’s agriculture. By providing financial assistance to farmers for adopting micro-irrigation systems, an area of 25.16 lakh hectares has been covered under micro-irrigation in the State.
- Farmer welfare schemes provide rural economic security. Farmers receive direct financial assistance under the Pradhan Mantri Kisan Samman Nidhi Yojana. So far, more than 69 lakh farmer families in Gujarat have been benefitted, and over Rs.22,067 crore directly credited to their bank accounts.
- The State Government periodically announces relief packages to compensate farmers for crop losses caused by natural calamities such as excessive rainfall, drought, cyclones, and unseasonal rains. Through agricultural relief packages, farmers receive financial security against losses caused by natural disasters. In the year 2025–26, an agricultural relief package amounting to a substantial Rs.11,138 crore has been declared.

- Under the Farmer Accident Insurance Scheme, financial assistance is provided to the inheritors in case of accidental death or permanent disability of the land holder farmer, any of his/her children (son/daughter), or the spouse. From the year 2025–26 onwards, for incidents occurring on or after 01/04/2025, the State Government has increased the insurance assistance norms, providing insurance coverage up to Rs.4,00,000 as per provision. Farmers and their families are receiving strong financial protection due to these farmer welfare schemes.
- To ensure that the men and women farmers of the state receive agriculture-related training, various training programmes are conducted for them through the Farmers Training Centre functioning in all districts. These FTCs are equipped with residential facilities, training halls, museums, and libraries. Through the Agriculture Department - extension functionaries, training is imparted to more than 8 lakh farmers every year on modern scientific practices related to agriculture and allied activities.

2.3 Gujarat Agro Industries Corporation Limited

- With a view to ensuring timely availability of chemical fertilizers to farmers at reasonable prices during the agricultural season, the corporation has procured and sold 2.19 lakh MT of chemical fertilizers directly from manufacturing companies, involving an estimated financial outlay of Rs.153 crore.
- The Corporation operates an Air Cargo Complex at the International Airport, Ahmedabad. In addition, pack houses have been established at Naroda (Ahmedabad) and Jhagadia (Bharuch). An irradiation plant has also been developed at Bavla, Ahmedabad. These facilitate the export of fruits, vegetables, spices, and medical products.
- In September 2025, the Ministry of Food Processing Industries (MoFPI), Government of India, organized an international-level event, *World Food India*, at Bharat Mandapam, New Delhi, wherein the State of Gujarat participated as a “Partner State.” During the exhibition, free stalls were allotted to farmers practicing natural farming, Farmer Producer Organizations (FPOs), startups, and beneficiaries of the PMFME (Pradhan Mantri Formalization of Micro Food Processing Enterprises) Scheme from Gujarat to enable promotion of their products. Additionally, buyer–seller meetings were also organized to facilitate export opportunities.
- The year 2023 was declared as the international year of Millets. In pursuance of this declaration, Gujarat Agro Industries Corporation

Ltd. organized Millet Festivals in seven Municipal Corporations across the State to create awareness regarding millet-based food products.

- During the current year, exports aggregating to 715 metric tons, comprising mangoes and other products, were undertaken through the USDA-accredited irradiation unit at Bavla. Further, exports of 660 metric tons were facilitated through the Corporation's Air Cargo Complex at the International Airport, Ahmedabad.
- Under the Natural Farming Project implemented in Dang district, handholding support has been extended to more than 10,500 farmers practicing natural farming. The process of third-party certification is presently in progress.
- In order to promote and accelerate the growth of agro-industries, a dedicated cell titled iNDEXT-A has been established under Gujarat Agro Industries Corporation Ltd. with effect from the year 2023-24. The cell undertakes investment facilitation and promotional activities for micro and small enterprises.

2.4. Horticulture:

- In the last five years, the government has significantly emphasized horticultural activities, accompanied by notable provisions. This has led to the development of various sectors of horticulture. Due to this state occupies leading position in production of fruit and vegetable crops in comparison with other states of the country. Horticulture Department has various Assistance Schemes to increase the production of horticultural crops and increase farmers' income, increase employment opportunities and prevent post-harvest losses.
- The development of the horticulture sector in Gujarat is strongly influenced by state and central government policies, the use of modern technology, post-harvest infrastructure, and market systems. In the state, financial assistance ranging from 35 to 75 percent of the unit cost is provided, as per norms, for scheme components such as planting of horticultural crops, protected cultivation (greenhouses, net houses, mulching, crop cover, and fruit cover) and post-harvest management facilities including pack houses, precooling units, cold storages, and ripening chambers.
- Extension and demonstration of the latest technologies are primarily undertaken through the State's Centres of Excellence by means of farmer training, exposure visits, and related programs. Necessary guidance and skill development training are being provided to farmers of horticulture. Strengthening of Horticulture Extension system is done through social media and various materials (Pocket books) for premium crops.

- In addition, the Horticulture Department provides training to urban and rural women for fruit and vegetable preservation for self-employment by canning and kitchen garden Centres. As well as citizens are also trained through the latest emerging concept of kitchen garden as a part of “Urban Horticulture”.

2.5 Agriculture Education, Agriculture Research and Extension Education by State Agricultural Universities:-

- The Primary objective is to strengthen its capabilities to perform the triple functions namely; Agriculture Education, Agriculture Research and Extension Education. It is necessary to meet the growing needs for enhancing productivity in Agriculture and allied field for agro-based industries and also to fulfil the requirement of competitive manpower for public and private sector via education.
- Impart Under-graduate & Post-graduate education in the field of Agriculture, Food Technology, Agricultural Engineering, Renewable Energy & Environmental Engineering, Bio-Technology, Food Nutrition and Dietetics, Community Science, Agricultural Business Management, Agriculture Information Technology, Horticulture and Forestry.
- Bring more professionalism in Agriculture education through Diploma level courses in the field of Agriculture, Horticulture, Agricultural Engineering, Agro-Processing, Food Technology and Nutrition, Nutrition and Community Science
- Make available of technically sound, competitive and skilful manpower for the upliftment of rural community.
- Impart training in agriculture and allied sectors to the farm youths, farmers, farmwomen and extension workers
- Disseminate improved agro technologies to the farming community.
- Conduct research in order to enhance the production and productivity of rural areas for making farming occupation as economically viable
- Value addition and efficient input of agriculture sources for profitable farming

2.6 Gujarat Prakrutik Krushi Vikas Board and ATMA:

- Natural farming is a chemical-free farming system based on traditional Indian agricultural practices. It is integrated with indigenous cow-based farming and is founded on five core principles: 1) Beejamrut, 2) Jeevamrut/Ghan Jeevamrut, 3) Waapasa, 4) Mulching (Acchhadan), and 5) Biodiversity. Natural farming promotes biodiversity and conservation of natural resources. This method enhances soil fertility. In addition, natural farming has proven to be helpful in combating climate change. This sustainable approach reduces dependence on

external inputs. The Government of Gujarat is taking significant steps to align with the global movement towards sustainable agriculture.

- In order to expand the adoption of natural farming in the State, awareness campaigns, Training of Trainers (ToT), farmer trainings, demonstrations, handholding support, and implementation of various incentive- and assistance-oriented schemes related to natural farming are being undertaken. Through these efforts, training and guidance are being provided annually to an average of more than 20 lakh farmers.
- To provide farmers with direct, on-field guidance in natural farming, natural farming model farms are being established on farmers' fields. Financial assistance of Rs.18,500 is provided to farmers for establishing model farms. Approximately 7,100 such model farms have been established in the State. In addition, to enable farmers to prepare Jeevamrut and other required inputs on their own, annual assistance of Rs.10,800 is being provided for the maintenance of indigenous cows. Assistance exceeding Rs.800 crore has been disbursed so far.
- To ensure the availability of essential natural farming inputs such as Jeevamrut, Beejamrut, Dashparni (extract), Neemastra, etc., Bio-Input Resource Centres are being established by providing assistance to Gaushalas, FPOs, and other institutions. At present, around 900 Bio-Input Resource Centres have been established. Farmers of Dang district have been encouraged to adopt natural farming, and Dang has been declared as 100% chemical-free district. About 10,885 farmers of the district have been covered under organic certification, under which assistance of Rs.25.80 crore has been paid to farmers so far.
- During the current year, the Government of India has implemented the National Mission on Natural Farming, under which the scheme is being implemented in 1,015 clusters at the rate of one cluster per three villages. In other villages, implementation is being carried out in 3,875 clusters under the State scheme on the same pattern. In these clusters, training, guidance, issue resolution, and demonstrations related to natural farming are being conducted within the villages through Natural Farming Sakhis and Natural Farming Assistants. As a result, farmers in these clusters have been motivated to adopt natural farming.

2. 7 Animal Husbandry and dairy development :

Gujarat has also leveraged its tradition of animal rearing to become one of the leading milk producing state, with major focus for further enhancing rural income, some of the important interventions have been put in place in this sector are as follows.

Mobile Veterinary Dispensary:

- Under the scheme of establishment of 1 Mobile Veterinary Dispensary for every 10 Villages, 460 Mobile Veterinary Dispensaries have been made operational through EMRI-GHS. Moreover 127 Mobile Veterinary Units have been established with assistance of Government of India.
- Animal Health Camps are successfully organized every year since the year 2002. Excellent animal health services, intensive vaccination and effective disease control programmes have led to marked reduction in number of disease outbreaks. During the year, 2025-26 till December-2025, total 4089 Animal Health Camps were organized wherein 13,65,481 treatments have been provided. It is planned to organize 4497 animal health camps in the year of 2026-27.

Breeding Programme of Indigenous Breed

- The animal breeding activities by Artificial Insemination (AI) with modern frozen semen technology have been an instrumental factor for the genetic improvement of indigenous breeds of Cattle. More emphasis will be given for expansion of Artificial Insemination coverage. At the same time, the livestock owners will be encouraged by providing the incentive for calf born by AI in indigenous cow breed, which will help in the preservation of indigenous breeds of Cattle. Moreover, facility of artificial insemination with sexed semen will be made available at government institutions at cost of Rs. 50/-.

2.8 Cooperative Sector: Rural Upliftment through "Prosperity through Cooperation":**Decentralized Storage Infrastructure:**

- Gujarat is committed to realizing the vision of "Sahkar se Samriddhi" by modernizing and economically empowering the agricultural and cooperative framework. A significant emphasis has been placed on creating Decentralized Storage Capacity to provide scientific storage facilities at the local level. Under the "World's Largest Grain Storage Plan in the Cooperative Sector" and various state schemes, modern godowns are being constructed at Primary Agricultural Credit Societies (PACS), District Purchase-Sale Unions, and Agricultural Produce Market Committees (APMCs). This infrastructure empowers farmers to store their produce safely until they receive remunerative

prices, effectively preventing "distress sales" and ensuring long-term economic security.

COP 34:

- **Interest Subvention for Farmers:** To support farmers in purchasing agricultural inputs, the State Government provides extensive interest relief under the "COP 34" scheme. Farmers are granted a 4% interest subvention on short-term crop loans up to Rs.3 lakh, provided they repay on time. A substantial provision of Rs.1200 crore has been made in the 2025-26 budget for this flagship scheme, which directly reduces the input costs for farmers and progressively improves their financial well-being.
- **Renewable Energy and Self-reliance:** To achieve the goals of environmental sustainability and energy self-sufficiency, the use of renewable energy is being promoted within cooperative institutions. Cooperative milk societies in tribal areas are provided with up to 75% capital assistance for installing solar rooftop plants. This initiative has led to a significant reduction in the operational costs of these institutions while accelerating the achievement of national green energy targets.

Cooperation amongst Cooperatives:

- The initiative of "Cooperation amongst Cooperatives" has successfully integrated cattle breeders and farmers into the cooperative banking fold. Under this mission, all 14,330 Gram Panchayats have been covered, and banking services have reached remote areas through more than 12,000 Micro ATMs. Over 99% of the 19 lakh+ milk producers now have bank accounts in District Central Cooperative Banks (DCCBs) and have been issued RuPay Debit Cards. This modern ecosystem ensures that cooperative funds remain within the cooperative sector, thereby strengthening the entire movement.
- **Diversification and Modernization of PACS:** Primary Agricultural Credit Societies (PACS) are being transformed into robust service hubs for rural areas through diversification. Moving beyond credit services, PACS are now providing essential facilities to the rural populace by Pradhan Mantri Bhartiya Jan Aushadhi Kendras, Common Service Centers (CSC), and Pradhan Mantri Kisan Samriddhi Kendras (PMKSK). This multi-purpose approach has made PACS economically more viable and established a new standard of administrative transparency and service at the village level.

PACS Computerization:

- To enhance transparency and efficiency in the administration of over 10,900 PACS across the state, the "PACS Computerization" project is being implemented in collaboration with the Government of India. This initiative involves bringing all accounting records of these societies onto a digital platform and integrating them with District Central Cooperative Banks (DCCBs), ensuring seamless and secure digital transactions for rural members.

2. 9 Fisheries Sector:

- Gujarat has a coastline of 2,340.62 km. The State has immense potential for the development of the fisheries sector in marine, inland, and brackish water areas. During the year 2024–25, marine fish production was 7.64 lakh metric tonnes, while inland fish production was 2.78 lakh metric tonnes. Thus, the total fish production of Gujarat State reached 10.42 lakh metric tonnes, valued at Rs.19,013.54 crore. Fish exports during 2024–25 stood at 2.82 lakh metric tonnes, valued at Rs.5,889.29 crore. In order to realize the vast development potential of this sector, the following planning is proposed for the coming year:

Development of Infrastructure

- Apart from being an important source of livelihood and employment, the fisheries sector is a major contributor to foreign exchange earnings for Gujarat. A total of 27,830 fishing boats are registered in the State.
- Considering the increasing number of fishing boats, development works of Madhwad, Navabandar, Veraval, Sutrapada, and Mangrol fishing harbors, along with 30 fish landing Centres, are underway at various stages at an estimated cost of Rs.1,700 crore. These works aim to ensure smooth movement of boats, safe parking during cyclones, prevention of damage to fishing boats, and improvement in fish quality, thereby enhancing market value.

Diesel VAT Relief Scheme

- Under the Diesel VAT Relief Scheme, fishermen owning boats of less than 20 meters length are provided assistance up to Rs.15 per liter. At present, approximately 18,000 boat owner fishermen are owning this benefit through an online software system.
- To provide VAT relief against fuel expenses incurred in fishing activities, a provision of Rs.300.00 crore has been proposed for the coming year.

Pradhan Mantri Matsya Sampada Yojana (PMMSY)

- Under the Government of India's flagship scheme "Pradhan Mantri Matsya Sampada Yojana (PMMSY)", a provision of Rs.231.16 crore has been proposed for various components. This scheme will enable the fisheries sector of Gujarat to achieve new heights of development.

Marine Fisheries

- To enhance exports and improve quality in the marine fisheries sector, targets have been set for the establishment of 4 fish processing units, 6 ice plants and cold storages, 3 value-added machinery units, and upgradation of 4 fish processing plants.
- A total provision of Rs.126.11 crore has been proposed for various components under the marine fisheries sector.

Inland Fisheries

- The main objective is to increase production through the use of modern technology and advanced culture practices in inland fisheries. Under inland fisheries, financial assistance is proposed for components such as cage culture, biofloc-RAS, input support, and fish seed storage, etc. for beneficiaries belonging to the General category, Scheduled Castes, and Scheduled Tribes. A total amount of Rs.111.95 crore has been proposed.

Brackish Water Fisheries

- Out of the available saline land in the State, approximately 89,000 hectares are suitable for aquaculture. To promote shrimp farming on suitable government saline wastelands, generate livelihoods, and develop brackish water fisheries, assistance is provided for Training programmes, Aerators (including IoT-based aerators), IoT-based auto feeders, Probiotics, Cage culture units, Bird and dog fencing, Purchase of shrimp seed and feed, financial assistance for shrimp farm improvement, Establishment of shrimp seed hatcheries, Establishment of ETS and by-product processing plants
- Since shrimp farms are often located in interior areas near the coastline, the State Government provides infrastructure facilities to ensure remunerative prices and economic benefits to shrimp farmers. Additionally, brackish water farm holders are provided electricity duty exemption and subsidy on power consumption units. For all the above components, a total provision of Rs.120.00 crore has been proposed.

Group Accident Insurance Scheme for Fishermen under PMMSY

- Under the Pradhan Mantri Matsya Sampada Yojana, provisions have been made to cover fishermen of the State under a Group Accident Insurance Scheme.
- The scheme provides assistance in cases of permanent partial disability, total disability, accidental death, and medical treatment.
- Under this scheme, 1,10,000 fishermen of the State will be covered with insurance protection.\

2.10 Primary Education

The office of the Director of Primary Education has been established since December 1986. Primary education has been made compulsory, universal and free in the state. The state government aims to universalize primary education. We are committed to implement the Right of Children to Free and Compulsory Education Act-2009. The state government aims to increase enrollment to 100 percent through incentive schemes like the School Entrance Festival (Shala Praveshotsav), Kanya Kelavani Rath Yatra, Vidhyadeep Bima Yojana, Vidhya Sahayak Recruitment, Computer-Based Advanced Education, Separate Sanitation Facility for Girls, etc. Due to the commitment towards quality education, the drop-out ratio has also reduced significantly. Due to the commitment of the state government, there has been effective and significant implementation of the Right of Children to Free and Compulsory Education Act-2009, due to which 25% of students from weaker and stranded groups are admitted to self-reliant private primary schools. The fee reimbursement is done by the state government up to the limit of Rs. 13675. In addition, Rs. 3000 is paid per student per year for uniforms, school bags, shoes and other ancillary educational materials.

2.11 Samagra Shiksha

The Ministry of Education, Government of India, has started Samagra Shiksha in Gujarat since 2018. This program is dedicated to achieving the universalization of education across the state, ensuring that every child has access to quality education.

- Under the Samagra Shiksha various activities like transport/escort, 25% reimbursement of fees paid to children studying in government schools under Section 12(1) (C) of RTE Act 2009, special training for out-of-school children, free text book, teachers' salary, BRC-CRC Salary, Teachers Training, School Grant, Maintenance Grant, Grant allocated to Districts under Innovation Head, Management and LEP and State Component, Other Administrative Expenses and SMC PRI Training and Ksturba Gandhi Vidyalaya Student development activities like Vidyalaya Residential Hostel cum Schools are undertaken. Apart from

this, infrastructure facilities have to be provided to schools as per Right to Education Act (RTE) 2009. According to which activities like construction of classrooms, girls' toilet, boys' toilet, CWSN toilet, BRC building, school repair, toilet repair, ramp, girls hostel etc. are carried out.

- Under the Samagra Shiksha various initiatives of Mission School of Excellence under external aided project (EAP) such as residential arrangement for girls, internet connectivity in primary schools, Gyankunj Project, I.E.C. Community Mobilization, School Library Equipment, Smart School, School Sanitation Kit, Pragya Classroom Equipment, School Equipment, Miniature Sports Equipment, Therapy Facility at Block Resource Center, Equipment Assistance to Special Need Children, Residential Hostel - Recurring Expenses, Computer Literacy Center for Students, Biometric Attendance System etc. activities are carried out at school level.
- Quality based activity in Primary School, Motivation of Girls Education and Quality based education by use of technology, student development activities are undertaken under Samagra Shiksha.

2.12 Directorate of schools (Secondary Education)

Namo Laxmi Scheme:- To reduce the dropout rate of girls studying in Standards 9 to 12 in government, non-government and self-financed schools of the state and to ensure adequate nutrition along with education for adolescent girls so that they are empowered, this scheme aims to ensure that every girl admitted in Standard 9 completes her education up to Standard 12. Under the Namolakshmi Scheme, subject to prescribed rules, financial assistance of Rs.10,000 per student per year is provided for Standards 9 and 10, and Rs.15,000 per student per year for Standards 11 and 12. An estimated 12 lakh girl students will benefit under this scheme.

- Namol Saraswati Vigyan Sadhana Scheme:- Students studying in government, non-government and self-financed schools who opt for the science stream are provided scholarships under this scheme, subject to rules. Students of Standard 11 receive Rs.10,000 per year and students of Standard 12 receive Rs.15,000 per year, total Rs.25,000 per student. An estimated 2.50 lakh students will benefit under this scheme.
- Mukhyamantri Gyan Sadhana Merit Scholarship:- To enable approximately 1,00,000 meritorious students studying in schools affiliated with the Secondary or Higher Secondary Education Board or other boards to complete education up to Standard 12 without financial obstacles. Students studying in government and grant-in-aid

schools receive Rs.6,000 per year for Standards 9–10 and Rs.7,000 per year for Standards 11–12, total Rs.13,000 per student. Meritorious students studying in private schools receive Rs.22,000 per year for Standards 9–10 and Rs.25,000 per year for Standards 11–12, total Rs.47,000 per student.

- **Transport Voucher Scheme:-** To enable students of Standards 9 to 12 studying in government and grant-in-aid secondary and higher secondary schools to commute safely and easily between home and school, transportation facilities are provided to reduce dropout rates. Approximately 1,40,000 students will benefit.
- **GSOS Free Text book:-** Students who studied in government schools up to Standard 8 and are studying in Standards 9 to 12 under the Gujarat State Open School Society are provided free textbooks. Approximately 7,000 students will benefit.
- **Sanskrit Shakti Gurukul Scheme:-** To strengthen Sanskrit language, Sanskrit literature, Indian philosophy and Indian culture, and to expand the use of Sanskrit, this scheme supports traditional Gurukuls, schools, and institutions imparting Sanskrit education. Approximately 1,080 students will benefit.
- **Board Exam Fee:-** From the financial year 2018–19, the Gujarat Government bears the board examination fees for girl students and differently-abled students appearing for Standard 10 and 12 board examinations. Approximately 9,00,804 girl students and 8,303 differently-abled candidates, total 9,09,107 students, will benefit.
- **Sea Scout:** A scheme has been implemented to organize Scout-Guide camps for approximately 300 students in coastal talukas of the state.
- **Vidhyadeep Insurance Scheme:-** Under this scheme, all students studying in registered secondary and higher secondary schools in the state are covered under an accidental insurance policy. In cases of death due to earthquake, flood, cyclone, riots, accidental fire, scorpion or snake bite, road accident, fall, drowning, food poisoning, dog bite or poisonous animal bite, an immediate insurance amount of Rs.2,00,000 is paid to the student's parents/guardians..
- **Student Initiative Scheme:-** To promote student development activities in government secondary schools, Rs.1 lakh per school is provided for democratic and student-oriented utilization.
- **S.T. Bus Pass Concession:-** Students traveling for education using State Transport (ST) buses receive 82.5% fare concession. Girl students from rural areas traveling from villages to taluka centers for education receive 100%concession.Approximately 14 lakh students will benefit.

- **MYSY Book Bank:-** Under this scheme, free textbooks are provided to students of all castes studying in Standards 9 to 12 in government and grant-in-aid secondary and higher secondary schools, without considering parents' income limits. Approximately 24 lakh students will benefit.
- **Incentive Award scheme:-** Subject teachers in government secondary schools who achieve 100% subject results in Gujarati (first language), English (first language), Mathematics, Science & Technology and Social Science are given an incentive award of Rs.2,500 per teacher.
- **Free Education for Girls:-** Girls studying in Standards 9 to 12 in grant-in-aid secondary and higher secondary schools under non-salary grant and fee-option schemes are provided free education.
- **Educational Tour scheme:-** To promote personality development, observation skills, curiosity and joyful learning, students of government secondary and higher secondary schools are encouraged to visit various cultural, religious, historical, industrial and scientific places within the state. An amount of Rs.500 per student per year is provided.
- **Raksha Shakti School Scheme:-** Under a government resolution dated 11/10/2022, Raksha Shakti Schools have been started through social participation. Out of these, 3 schools are exclusively for girls. A total of 5,000 students from Standards 6 to 12 will receive high-quality residential education to pursue careers in defense forces, paramilitary services, and police services. Under this scheme, approximately 1,900 students will benefit.

2.13 PM Poshan Scheme (Formerly known as the Mid-Day Meal Scheme)

- The Government of India has named the Mid Day Meal scheme as "PM POSHAN Shakti Nirman Yojana" PM POSHAN Yojana. Under the PM POSHAN Scheme, fresh and hot cooked midday meals are provided to students studying in Classes 1 to 8 in Government and Grant-in-aid primary schools

Objectives:

- (1) To increase school attendance
- (2) To reduce the number of children dropping out of school.
- (3) To improve nutritional status and enhance the quality of education.

2.14 Pradhan Mantri Poshan Shakti Nirman Scheme

Students from Balvatika to Std 8 in 32,230 Government primary schools have benefited from meals under PM POSHAN Scheme.

2.15 Sukhadi Yojana

- To increase the utilization of food grain and enhance calorie and protein intake by students to enhance the coverage, Sukhadi is being served once a week. "Sukhadi" recipe is approved by the CFTRI & nutrition experts. It is prepared using wheat, jaggery and oil.
- Under Suposhit Gujrat mission, it has been decided to give 10-gram oil per student to enhance the nutrition value of "Sukhadi" by the government of Gujrat. Moreover, cost of fuel and jaggery is increased that is earlier decided in the year of 2013.

2.16 Dudh Sanjivani Scheme

- In addition to hot meals under PM Poshan Scheme, 200 ml. flavored Milk 5 days in a week is given under Dudh Sanjivani Scheme for the mental physical development of students
- Dudh Sanjeevani Yojana is implemented in government and grant-in-aid primary schools in a total of 81 talukas, including 52 talukas of all tribal areas of the state, all aspirational blocks, 2 non-tribal developing talukas and 2 aspirational districts. Out of which, the PM Poshan Scheme is implementing this scheme in 29 non-tribal developing Taluka.

2.17 Mukhymantri Paushtik Alpahar Yojana

- In addition to providing quality meals to students from Balvatika to standard-8 of 32230 government and grant-in-aid schools currently covered under the PM Poshan Yojana in the state, it has been decided to provide Paushtik Alpahar of uniform quantity and calories to all students under the Mukhymantri Paushtik Alpahar Yojana. The implementation of which has been started from 11/12/2024.
- The daily food items prescribed quantity for the Mukhymantri Paushtik Alpahar Yojana are purchased at the local level by the PM Poshan CCH in the school. For which a fixed amount of Rs. 5/- per student per day is given as advance to the PM Poshan administrator cum cook.

2.18 Centralized Kitchen

- With a view to bringing qualitative improvements in the implementation of the PM Poshan Scheme in the state, the State Government has decided to undertake a program for the expansion of modern centralized kitchen facilities.

- For providing quality and nutritious meals to students of government and grant-in-aid primary schools located in 52 tribal talukas and 22 non-tribal developing talukas of the state, a new scheme has been approved in the year 2025–26 for the expansion of centralized kitchen facilities (Centralized Kitchens).

2.19 GCERT-Gandhinagar

Details of GCERT office regarding Chapter 02 Development Approach to be included in Part-1 of Development Report 2026-27:

- To bring about qualitative improvement in the fields of pre-primary, primary, secondary and higher secondary education in the State, to ensure the holistic development of children and to enhance the professional preparedness of teachers, several initiatives are being undertaken by GCERT. It is an important institution for educational research and training at the primary and secondary levels. It functions as the Academic Authority for curriculum revision and development.
- GCERT functions are based on four major pillars. Education, Training, Research and Extension Activities. For providing academic and professional support for educational improvement in the State, various departments of GCERT such as Teacher Education, Curriculum and Evaluation, Publication and Library, Research and Innovation, Science and Mathematics, Planning and Management, Information and Communication Technology, etc., are actively functioning.
- At present, in the context of the implementation of the National Education Policy (NEP)–2020, activities such as the preparation of the State Curriculum, 50-hour teachers' training, school accreditation and the introduction of a new evaluation system (HPC – Holistic Progress Report Card) among others are in progress.

2.20 Details of Activities Undertaken in the State under the National Education Policy – 2020

- 10 – Bagless Day – Activities have been initiated in schools to develop pre-vocational skills as part of the Bagless Day programme. Joyful Bagless Saturday – Planning of various student-friendly and enjoyable activities such as yoga, Surya Namaskar, sports, different activities, book reading, conducting experiments, etc. All schools have been informed in this regard through a circular. Training for teachers related to this initiative has also been conducted in the coming period.
- Pre-vocational classes from 6th to 8th – Site visits regarding local professions, inviting professionals to the school to understand different professions and visits to natural places in the district will be organized. Teacher training related to these activities has been conducted and will continue.

- In accordance with NEP-2020 and NCF-2023, changes have been made in teaching-learning methods from Standards 1 to 10. Teacher manuals have been prepared using innovative pedagogical approaches.
- As part of career guidance, psychometric tests will be conducted for students of Standards 6 to 8 to assess students' interests, aptitude, attitude, learning styles, and personality traits.
- Innovative programmes such as induction training mainly focusing on teaching skills have been conducted for newly appointed teachers.
- Based on NEP 2020 and NCF-SE 2023, a draft of the State Curriculum Framework for School Education (SCF-SE) has been prepared in the context of Gujarat State. For this draft, revisions were made in coordination with and under the guidance of Ms. Anita Karwal, Hon'ble Chairperson of the NEP 2020 Implementation Committee in Gujarat. Further action will be taken to implement across the school education in Gujarat.
- To empower principals of primary and secondary schools, training programmes on school leadership have been conducted.
- Under 360-degree holistic evaluation, holistic progress cards have been prepared for Balvatika Std 1 and 2. This is in effect from the current year 2025-26. Holistic progress cards are being prepared for Std 3 to 5 and Std 6 to 8.
- From the academic year 2023–24, Balvatika classes have been initiated in primary schools for children aged 5 years and above. The enrollment process for Balvatika has been undertaken.
- Under the NIPUN Bharat Mission, baseline surveys have been conducted for all students from Balvatika to Standard 2 during the academic years 2023–24 and 2024–25, followed by remedial interventions. This work is also ongoing during the current academic year.
- To integrate the Indian Knowledge System into the curriculum, literature presenting the essence of the Bhagavad Gita in an engaging manner for students of Standards 6 to 10 has been distributed to schools.
- Vedic Mathematics textbooks for Standards 6 to 9 have been made available in all schools.
- A need analysis was conducted to identify the professional requirements of teachers in the State and training programmes were organized based on the findings. All government primary and secondary teachers were provided online and offline training on innovative pedagogical approaches as envisaged in NEP-2020.

- Based on NCF-FS and NCF-SE, the State Curriculum Framework has been prepared in the form of SCF-FS for the Foundational Stage and SCF-SE for School Education.
- In the Standard 12 Board Examination, the question paper pattern has been revised as follows:
- General Stream: 30% objective-type questions and 70% descriptive questions
- Science Stream: 50% objective-type questions and 50% descriptive questions
- A general option has also been introduced in the Standard 12 Science stream Board Examination.
- To support meritorious and talented students, financial assistance schemes such as Chief Minister Gyan Setu Merit Scholarship, Chief Minister Gyan Sadhana Merit Scholarship, Namo Lakshmi Scheme and Namo Saraswati Vigyan Sadhana Scheme have been launched.
- For the recruitment of teachers for Standards 9 to 12, the Teacher Aptitude Test (TAT) is conducted in two stages: Preliminary Examination and Main Examination.
- Examinations for the recruitment of Special Teachers (for CP, HI/SI, MD, SLD, ID/MR, TB/LV, ASD and other categories of children with special needs) have been conducted for Standards 1 to 5 and Standards 6 to 8.
- In accordance with NEP-2020, GCERT has organized 50 hours of Continuous Professional Development (CPD) trainings for all teachers in the State. For this purpose, online courses were developed through two modules and teachers were professionally supported using a trainer catboat. Additionally, all teachers in the State were trained through face-to-face training programmes. This initiatives continued during the current academic year as well.
- In addition to the above, as part of the holistic development of students and teachers, various extension activities such as Bal Mela, Life Skills Mela, Science-Mathematics and Environment Exhibitions, Kala Utsav, Educational Innovation Festivals, Sports Meet, Story Competitions and the development of educational dissemination literature are organized at different levels.

Commissionerate of Higher Education

2.21 Mukhyamantri Yuva Swavalamban Yojana (MYSY)

- The Mukhyamantri Yuva Swavalamban Yojana (MYSY) has been implemented in Gujarat since the academic year 2015–16 with the objective of providing financial assistance for higher education to meritorious and economically needy students from all sections of society. Under this scheme, students who have secured 80 percentile

or above in Standard 10th or 12th and obtained admission to a diploma or undergraduate (degree) course, or those who have passed a diploma course with 65% or above and obtained admission to the first or second year of a degree course or students who have obtained admission to the MBBS course based on NEET, are eligible for assistance, provided that the annual income of the parent or guardian does not exceed Rs. 6 lakh. The scheme provides annual tuition fee assistance ranging from Rs.10,000 to Rs.2,00,000 depending on the course, along with Rs.12,000 per year towards accommodation and food expenses, and book assistance ranging from Rs.3,000 to Rs.10,000 in the first year as per the respective course. Under this scheme Rs.2840.93 Crore has been disbursed to 6,23,080 students till date.

- **Finishing School Initiative:** The Finishing School Initiative has been initiated by the Higher Education Department of Gujarat State at KCG Office, Ahmedabad, from the year 2016-17. Under the Finishing School Initiative, a total of 80 hours of skill development training in soft skill training, employability skills, functional and spoken English are provided free of cost to the final year students of Government, Grant in Aid, Technical (Government) colleges and Gram Vidyapith of higher education in the state of Gujarat. This helps in enhancing their employability.
- **UDISHA** The UDISHA (Universal Development of Integrated Skills through Higher Education Agencies) Project is being implemented with the objective of enhancing employability and improving the skills of students studying in higher education institutions of the state. Under this project, programs are organized at the college level to provide guidance for competitive examinations, develop students' soft skills and enhance their overall skill capabilities.
- **Saptadhara** Under the extension activities, the Saptadhara initiative is being implemented. The objective of this project is to ensure the holistic development of students studying in higher education in the state of Gujarat, enhance creativity, bring out the latent potential of students and develop their hidden talents and skills by providing proper guidance.

2.22 Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA)

- The centrally sponsored scheme Rashtriya Uchchatar Shiksha Abhiyan (RUSA) was launched on 3rd October 2013 by the Ministry of Human Resource Development (MHRD) with the aim of promoting Equity, Access and Quality in higher education. Under this scheme, the funding pattern consists of a 60% contribution from the Central Government and a 40% contribution from the State Government.

- In line with the vision of the National Education Policy 2020, after the completion of two phases of RUSA, the Central Government has launched the Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA), to be implemented up to 31st March 2026.
- SCHEME OF DEVELOPING HIGH QUALITY RESEARCH (SHODH) :
Scheme (SHODH) has been implemented by the Education Department to provide financial assistance for qualitative research to students pursuing PhD courses in various universities of the state since 2019. Under this scheme of Rs. 122.66 Cr. has been disbursed to 4398 students till date. Thus, this scheme has proven to be important for research scholars. Students who have secured 55% in post-graduation and enrolled for Ph.D. in recognized State/ Private/ Sectorial University of Gujarat State on regular full-time mode only and are not employed/availing other Scholarship are eligible to apply under the scheme. Approved beneficiaries will receive Stipend of Rs. 15,000 per month and Contingency expense of Rs. 20,000 per Annum for two years. Hence, at the end of 2 years a research scholar will get total assistance of Rs. 4,00,000
- NEP-2020 Implementation in Gujarat In line with the National Education Policy (NEP)-2020, the Government of Gujarat has undertaken multiple reforms to transform the higher education ecosystem with a focus on access, equity, quality, and employability. A common curriculum and credit framework has been introduced in 2023, with defined credits for three- and four-year undergraduate programmes. Standard Operating Procedures have also been issued to ensure smooth and uniform implementation of NEP provisions. The Gujarat Public Universities Act, 2023 and Uniform Statutes have brought consistency in academic and administrative governance. Capacity building has been strengthened through Vice Chancellors' Conferences, faculty development programmes and promotion of Indian Knowledge Systems. Student-centric initiatives such as Student Wellness Clubs and internship- and apprenticeship-based programmes focus on holistic development and employability. Simultaneously, efforts are being made to improve quality and governance, particularly in NAAC, NIRF and international rankings. Flagship initiatives like the IKS Compendium and the NEP Dashboard highlight the state's commitment to transparency and preservation of Indian Knowledge in higher education.
- Training for Excellence, Efficiency and Research towards Higher education (TEERTH): scheme was launched in the year 2021-22. Under the this scheme, training is provided through Faculty Development Program, Research Methodology Workshop, Webinars

and Sangoshti to expose the world to multiple dimensions from Vedas to Web through Excellence, Efficiency and Research. Under the TEERTH scheme, quality and streamlined training is provided to the principals, professors, researchers and administrators of state universities, colleges and stakeholders related to higher education on various subjects.

- National Assessment and Accreditation Council (NAAC) and State Assessment and Accreditation Council (SAAC) The aim is to achieve 100% NAAC accreditation of colleges/universities and to improve the educational quality of government and grant-in-aid colleges and universities of the Gujarat state and making them stand at the national and international level. Under Mission NAAC, 49 government colleges, 23 Grant in Aid colleges and 8 universities have achieved NAAC accreditation in the year 2024-25. Out of the 80 eligible government colleges, 70 government colleges are NAAC accredited, reflecting a strong commitment towards quality assurance. Out of 356 eligible aided colleges, 324 aided colleges have achieved NAAC accreditation. Out of the 83 eligible universities in the state, 44 universities are NAAC accredited, out of which 27 universities have received a grade A or above. A total of 11 one-day workshops have been organized under the SAAC framework for government colleges, aided colleges and universities of the state.
- State Quality Assurance Cell (SQAC) To ensure that higher education institutions meet globally recognized standards of quality, the National Assessment and Accreditation Council (NAAC) implements a comprehensive quality assurance framework operating at three distinct levels. One of these three levels is the State Quality Assurance Cell, a state-level organization. Under SQAC, a uniform website has been created in a total of 116 government colleges in the state of Gujarat. A total of 7 two-day workshops have been organized under SQAC.
- Digital Education and Development Fund (DEDF): With the objective of bridging the digital gap in higher education institutions across the State, this scheme has been launched to establish campus Wi-Fi, digital classrooms, and e-libraries; to provide academic software such as MATLAB; to strengthen linkages between industry and academic institutions; to support innovation and startups through procurement of required equipment; and to facilitate research and innovation. The scheme also supports the procurement of computers and IT equipment, operating systems, application and management software, hardware, CCTV systems, projectors, printers, photocopiers, web

cameras, speakers, digital writing pads, firewalls and other related infrastructure.

- Under the NaMo Wi-Fi Project, free internet services have been provided to 526 institutions across the State since the year 2017–18.
- Under technical education, software such as ANSYS, MATLAB and similar applications have also been provided to various institutions.
- To meet classroom requirements in government colleges and to facilitate smoother and faster academic operations, the process has been initiated to provide ICT-based smart classroom facilities in 243 colleges.
- Research Fellowship Scheme (Major and Minor Projects) in Higher Education To encourage research among regular faculty members of government and grant-in-aid colleges as well as government and private universities in Gujarat, fellowships are provided for a total of 94 research projects, including both major and minor projects.
- Research Aid for Faculties in Higher Education To motivate regular faculty members of government and grant-in-aid colleges as well as government and private universities in Gujarat to publish their research in reputed journals or conferences, financial assistance is provided for a total of 575 research papers at international, national, and state levels.
- Graduate Intern and Apprentice in Higher Education: Under this scheme, grants are provided to 125 government colleges, 300 grant-in-aid colleges, and 14 government universities for the appointment of interns in their institutions.
- Under the scheme, an intern receives a total monthly assistance of Rs.12,000, comprising:
 - Rs.4,500 per month under the National Apprenticeship Training Scheme (NATS), Government of India
 - Rs.3,000 per month under the Mukhyamantri Apprentice Scheme (MAY), Government of Gujarat
 - Rs.4,500 per month under the Graduate Intern and Apprentice in Higher Education scheme
- Learning and Exposure-cum-Study Tour for Faculty in Higher Education Financial assistance is provided to all 10 government universities and all 125 government colleges under the Higher Education Department for exposure visits and study tours to national and international level educational institutions, research centers, etc. The objective is to visit top institutions ranked by NIRF and accredited with NAAC grades A++ and A+, learn from them, and implement institutional reforms to improve academic and administrative quality within their own institutions.

- Promotion of Research and Facilities in Higher Education Financial assistance is provided to government universities and government and grant-in-aid colleges in Gujarat to organize a total of 150 international, national, and state-level workshops, seminars, and conferences for the promotion of research.
- Swami Vivekananda Competitive Examination Study Centre With the objective of providing quality education, guidance, and necessary resources for competitive examinations such as UPSC and GPSC to economically weaker students who have completed their graduation, IAS Study Centres have been established in 7 government universities and 3 government colleges across educational institutions in Gujarat.

2.23 Commissionerate of Technical Education

Student Startup and Innovation Policy (SSIP 2.0)

- A total provision of Rs.300 crore has been made for the implementation period of 5 years (2022-27) of SSIP 2.0.

Achievements of Student Startup and Innovation Policy 2.0 (SSIP 2.0)

- 339 institutions/universities of the state have been included as SSIP grantee institutions.
- Till date, 827 startups started by students have been supported.
- Till date, 2,265 patents have been filed by students.
- Till date, 4,841 proof- of -concept projects (POCs/prototypes) have been created by students.
- Under SSIP 2.0, more than 8,50,939 students have been provided with basic awareness information about the innovation process and startups across the state.
- A total of 6,038 awareness programs have been conducted under SSIP across the state to sensitize students.
- Under SSIP 2.0, Seven Policy Implementation Committee meetings have been conducted to date, resulting in the approval of 339 educational institutions, including higher and technical education PMU, as grantees. Notably, 336 of these institutions have successfully completed the MoU process.

Objectives of Student Startup and Innovation Policy (SSIP 2.0):

- Outreach and sensitize 5 million students for innovation and entrepreneurship, covering at least 1000 Higher Educational Institutions (HE Is) and 10,000 Schools of the State.
- Support to 10,000 student-led Proof-of-Concepts (PoCs/Prototype).
- Assistance to 5000 IP filings.
- Build capacity for at least 500 educational institutions and universities in the State to have a robust pre incubation support system for beneficiaries.
- Nurture 1000 school student led innovations.

- Groom 1500 student Start-ups and upscale existing Start-ups.
- Incubate 500 Start-up (physical and virtual).
- Support to 500 Start-up under Start-up Srujan Seed Support (Up to INR 10Lac).

2.24 Integrated Module for Placement Apprenticeship cum Training (IMPACT)

- Under the IMPACT Scheme, technical skill development training programs are offered to government degree engineering and diploma engineering students through collaborations with renowned private and public sector training partners. Backed by an annual funding of Rs.2 crore from the state government, the initiative has collaborated with 17 training partners to deliver extensive skill development programs.
- A total of 206 training programs (79 offline, 114 online and 13 Hybrid) are provided by Gujarat Knowledge Society (G.K.S.) through its 17 training partners across various engineering disciplines as per industry demand. A total of 57,966 students have completed the training, from government degree engineering colleges and polytechnic colleges benefited.
- Under the IMPACT scheme, MoUs have been signed with several reputed organizations, including LG Electronics, SAC–Ahmedabad, IN-SPACE Ahmedabad, IGTR Ahmedabad, CIPET Ahmedabad, NSIC Rajkot, iACE Gandhinagar, IBM, NASSCOM, Shell Edunet Foundation, ADS Foundation, Elixir Foundation, Nandi Foundation (Mahindra Pride Classroom), Spoken Tutorial, IIT Bombay, and BSNL.
- The training program like IGTR, Ahmedabad, CIPET, Ahmedabad, NSIC, Rajkot, iACE, Gandhinagar and CGCRI, Ahmedabad offers offline training courses mainly Digital Marketing, Robotics, 3D Printing, CNC Programming - Milling, EV & HV Technology, Autotronics, Project Work using Ansys, Operation & Programming of EDM & WEDM, and Rapid Prototyping using FDM, EV & HV Technology and many more and online courses like AI & ML, Cyber Security, Data Science are offered to the students.
- Training program is considered under the 2-week Summer Internship Program of Gujarat Technical University, and 2 credits are awarded to the students who successfully complete the training. Under this initiative, Over 1800 students have secured placements in prestigious companies such as L&T, Tata Group, Arcelor Mittal, Reliance, and Maruti Suzuki, demonstrating the scheme's success.

2.25 Employability Skill Training

- The Gujarat Knowledge Society (GKS) has been signed an MOU with the Wadhvani Foundation. They provide students with training in "21st Century Employability Skills." Total 2564 students have benefited.
- The Nandi Foundation's Mahindra Pride Classroom (MPC), a CSR initiative of the Mahindra Group, has conducted an employment-oriented training program exclusively for female students. A total of 372 participants have successfully completed the program.
- Total 5367 students have completed the training

2.26 Skill Development Training CoE (GKS as Nodal Agency)

- CoE in Electronics at G.P. Ahmedabad with support from LG Electronics Ltd.
- CoE in Semi-Conductor at LDCE with support from MetiY and SAC-Ahmedabad.
- CoE in Electrical Engineering at LDCE with support from BOSCH India Foundation.
- CoE in Solar Technology at GP, Bhuj by ADS Foundation
- CoE Mineral Testing at GP, Bhuj by Local Industries Support
- CoE at GGP, Ahmedabad by Elixir foundation for AutoCAD & Revit Architecture Training
- CoE in "AI and Green" Skill by Shell and Edunet Foundation at LDCE-Ahmedabad, VGEC-Chandkheda and GEC-Surat AI & Green Skill Training

2.27 Way Forward

- IMPACT aims to complete training for a total of 40,000 students. In addition, internship and employment opportunities will be made available to students through training partners.
- MOUs will be signed with the following training partners to provide future technology technical training programs to students :(1) TCS, (2) Hyundai, (3) Adani, (4) Waaree Energy & Microsoft
- Under the IMPACT Scheme the aim is to train 35,000 students. In addition, internship and employment opportunities will be made available to students through training partners.

2. 28 Finishing School

- Through the Finishing School Scheme implemented from the year 2018-19, skill capacity is being created through special trainings like communication skills, life skills, personality development etc. in order to increase various employability skills in students in addition to studies. As many as 2424 students have been trained under the Finishing School Scheme in the current year 2025-26.

2.29 Research Promotion under Technical Education (STEM)

- Research Promotion under Technical Education” scheme has been implemented from 2019-20 for collaborative research with national and international institutions to make the existing research in Government Engineering Colleges and Polytechnics stronger and world class and to significantly improve research output with patents and publications. Verification of various aspects of 01 research projects in the year 2025-26 under this scheme is in progress. According to which a budget provision of Rs.60.00 lakh has been made.

2.30 IIT-Gandhinagar

- External Students Programme” is in operation from the year 2020-21 to provide merit-based admission to IIT-Gandhinagar from the students studying in state government engineering colleges and to provide tuition fee to the admitted students. Under this scheme, 11 students have been admitted to IIT-Gandhinagar for the year 2025-26. According to which a budget provision of Rs.10.00 lakh has been made.

2.31 NATIONAL FOOD SECURITY ACT-2013:

- National Food Security Act, 2013 has been implemented from 1st April, 2016 in the entire state. Under this Act there are two types of Families (1) Antyodaya Anna Yojana Families (AAY) (2) Priority House Holds Families (PHH).
- Under the National Food Security Act, 2013, a target of a total of 3.82 crore population of the State has been identified as beneficiary. It has been decided to cover population of 2.58 crore rural area and 1.24 crore in urban areas. Under the act for determining "Priority Households" of the State, the eligibility criteria have been established through resolutions dated 13/10/2020, 17/10/2020, 21/10/2020, 14/03/2023 and 22/08/2024 on the basis of the Government of India's SECC-2011 data.
- Under this Act, families of “Antyodaya Anna Yojna” (AAY) will get 35 kg per card and "Priority Households" (PHH) will get 5 kg per head food grains per month free of cost which shall be distributed through a fair price shop.
- The government of India and the state governments bear total expenditure up to Rs. 177 in the ratio of 50:50 which includes Rs.70 for per quintal expenditure of distribution of food grain, expenditure of intra-state transportation and handling for the distribution of food grain with subsidy under the National food Security Act-2013, Rs.90 for commission expenditure of ration shop dealer and Rs.17 for special commission of sales through PoS. Expenses addition to this subsidy expenses are 100% borne by state government.

2.32 ANNAPURNA YOJANA :-

- "Annapurna Yojana" has been launched to provide food security to above 65 years older and destitute people who are not covered under the national or state old age pensions scheme. The Beneficiaries- persons covered under this scheme are distributed food grains free of cost.

2.33 e-FPS :-

- In the state, all the Fair Price Shops -Pandit Dindayal Grahak Bhandar shops all 16704 shops are e-FPS. There are computer, printer and fingerprint device available with the Fair Price Shop holders. The Fair Price Shop holders distributes food grain on the bases of aadhaar Authentication.

2.34 Proposed new items of under Wildlife Schemes:

- **Establishment of a new zoo / safari park at Deesa (Rs.30.00 cr)**
A provision of Rs.30.00 crore is proposed for the construction of a new zoo/safari park on government wasteland at Deesa.
- **Breeding centres for herbivorous animals (Rs.10.00 cr)**
Due to the lack of prey base in natural habitats, predators are increasingly moving towards human settlements where prey is easily available. Except for the lion landscape, forests in Gujarat suffer from prey scarcity. Therefore, to enhance the population of certain herbivorous species, it is proposed to establish a total of five breeding centres in Banaskantha, Dahod, Bhavnagar, and Amreli districts, with a provision of Rs.10.00 crore.
- **Coastal tourism development in Kutch and Saurashtra region (Rs.20.00 cr)**
With the objective of conserving marine species such as turtles, dolphins, and whale sharks, generating local employment, creating awareness about marine biodiversity, and promoting tourism activities, a provision of Rs.20.00 crore is proposed for coastal tourism development in the Kutch and Saurashtra regions.

2.35 Proposed new items under Management and Development Schemes:

- **Grass plantation, grass collection and construction of 10 new grass godowns (Rs.68.00 cr)**
Grass plantation over 5,000 hectares in the Banni area, with provision of Rs.35.00 crore, Collection of 150 million kilograms of grass, with provision of Rs.24.00 crore, Construction of 10 new grass godowns and allied works with provision of Rs.9.00 crore. Total provision proposed is Rs.68.00 crore.

- **Riverine landscape restoration and development – forest area (Rs.10.00 cr)**

To prevent riverbank erosion, reduce flood risks, and rehabilitate degraded areas through intensive plantation, a provision of Rs.10.00 crore is proposed under Riverine Landscape Restoration and Development for forest areas.

- **Green Wall of Aravalli (Rs.12.00 cr)**

Under the Green Wall of Aravalli initiative, a provision of Rs.12.00 crore is proposed for undertaking 70% of advance plantation works over 2,000 hectares during the year 2027–28.

- **Establishment of Forest Science Centre (Rs.4.61 cr)**

Considering the crucial role of local communities in forest management, and to integrate traditional knowledge with appropriate technology for sustainable use of forest resources, it is proposed to establish a Forest Science Centre at Waghai in Dang district. The centre will provide training, handholding support, and pilot/demonstration activities. A provision of Rs.4.61 crore is proposed.

2.36 Proposed new items under Social Forestry Schemes:

- **Riverine landscape restoration and development – non forest area (Rs.10.00 cr)**

To prevent erosion, reduce flood risks, and rehabilitate degraded areas along Luni, Narmada, Vishwamitri, Barda Sagar, and Tapi rivers through intensive plantation, a provision of Rs.10.00 crore is proposed for non forest areas.

- **Assistance to farmers to increase green cover and income under “Agro Forestry” (Rs.23.90 cr)**

To increase tree cover outside forest areas, enhance farmers’ income and employment opportunities, ensure availability of tree-based raw material, and promote environmental and ecological development, a provision of Rs.23.90 crore is proposed to provide assistance to farmers for plantation under agro-forestry.

- **Raising of tall seedlings (Rs.50.00 cr)**

To promote long-lasting, multipurpose indigenous tree species, tall seedlings will be raised in departmental nurseries and High tech nurseries over a period of three years and used for plantation activities. A provision of Rs.50.00 crore is proposed.

- **Incentive for heritage trees to farmers (Rs.2.50 cr)**

To encourage maintenance of heritage trees (with a girth of 3.5 meters) located on farmers’ land, an incentive of Rs.5,000 per tree will be provided. For 5,000 heritage trees across the state, a provision of Rs.2.50 crore is proposed.

- **“Van Kavach” plantation in “Gandhinagar Parliamentary Constituency”**
Green Parliamentary Constituency” (Rs.25.00 cr) To increase tree cover outside forest areas, a provision of Rs.25.00 crore is proposed for Van Kavach plantation over 500 hectares in the Gandhinagar parliamentary constituency.
- **Loghut at Ambaji (Rs.3.00 cr)**
For capacity building and skill development training of field and administrative staff of the Forest Department, and to provide awareness and training on forest conservation, biodiversity, wildlife, and modern nursery techniques, as well as accommodation for visitors in the Mangalyavan area, a provision of Rs.3.00 crore is proposed for construction of log huts at Ambaji.
- **Establishment of 5 new “Van Chetna Kendra-VCK” (Rs.10.00 cr)**
To establish Forest Awareness Centres in newly formed districts and districts where such centres do not exist, five new Van Chetna Kendra are proposed at Vav–Tharad, Porbandar, Morbi, Aravalli, and Navsari. A provision of Rs.10.00 crore is proposed.
- **Environmental education, awareness and training in Mission Schools of Excellence (Rs.0.5 cr)**
To promote social forestry, environmental awareness, and student participation in environmental conservation, environmental education, awareness, and training activities will be conducted in approximately 500 schools declared as Mission Schools of Excellence by the State Government. A provision of Rs.0.5 crore is proposed.

2.37 Proposed new item for research and training

- **All India Forest Sports Meet – AIFSM 2026 (Rs.7.25 cr.)**
For hosting the 29th All India Forest Sports Meet, a provision of Rs.7.25 crore is proposed.
- **Construction of building for Snake Research Institute (Rs.2.00 cr)**
The institute will conduct public awareness on snakes, provide immediate treatment for snake bite cases, take preventive measures, capture venomous snakes, extract venom, process it in laboratories to convert it into powder form and collaborate with pharmaceutical companies for preparation of Anti-Venom Serum (AVS). For construction of the institute building at Village Vankal, Survey No. 779 (New Survey No. 1912), on 2.2549 hectares of land, a provision of Rs.2.00 crore is proposed.

2.38 Proposed new construction works

- **Construction of transit hostels (Rs.4.50 cr)**

For staff posted in remote areas, construction of transit hostels at Porbandar and Ahwa (Dangs) is proposed with a provision of Rs.4.50 crore.

- **Construction of forest rest houses (Rs.4.40 cr)**

Construction of forest rest houses at Kutch-Bhuj and Porbandar is proposed with a provision of Rs.4.40 crore.

- **Construction of various buildings (Rs.137.80 cr)**

Construction of various offices under the Wildlife wing: Rs.3.65 crore.

Construction of offices and residential quarters for officers/staff under the territorial forest Wing: Rs.55.78 crore.

Construction of offices and residential quarters for officers/staff under the Social Forestry wing: Rs.75.87 crore

Construction of residential quarters for officers/staff under the Research and Training wing: Rs.2.50 crore,

Total provision proposed is Rs.137.80 crore.

2.39 Vehicle purchase

- **Purchase new vehicle against write-off vehicle**

Provision of Rs.0.25 crore has been proposed for the 2026-27 for purchase of new vehicle against write-off vehicle as it is necessary to strengthen forest and wildlife conservation.

2.40 Public Health and Family Welfare

Pradhan Mantri Jan Arogya Yojana – Mukhyamantri Amrutam Yojana(“PMJAY-MA” Yojana)

- Mukhyamantri Amrutam (MA) Yojana was implemented on September 4, 2012, in all districts of Gujarat for families living below the poverty line.

- To extend the benefits to middle-class families, the state government launched Mukhyamantri Amrutam “MA Vatsalya” Yojana on August 15, 2014.

- Under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana covering households listed in Socio, Economic and Caste census 2011 with prescribed criteria for rural areas as well as urban areas is implemented from 23/09/2018.

- To implement the MA and PMJAY schemes in Gujarat, the government established the Gujarat Health Protection Society (GHPS).

- As per the resolution dated August 5, 2021, the combined name for the MA, MA Vatsalya and Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana is now “PMJAY-MA” Yojana.

Benefits:

- Cashless treatment up to Rs.10,00,000/- per family per annum.
- Coverage includes day-care, secondary and tertiary care procedures.
- No cap on the number of family members; all individuals in the family are eligible.
- A total of 2,065 hospitals (940 private, 1,125 government hospitals) are empaneled under the scheme.

Beneficiaries:

- Families under the MA Yojana (Below Poverty Line), MA Vatsalya Yojana (Middle-Class Families), PMJAY-SECC 2011 Families and beneficiaries of the National Food Security Act (NFSA).

Eligible Benefits:

- Rs.10 lakh cashless treatment per family annually.
- Hybrid model of implementation: Treatment up to Rs.1 lakh covered by insurance companies. Beyond Rs.1 lakh up to Rs.10 lakh covered on assurance mode.
- Policy Period: From 26th November 2025 to 25th November, 2026. Coverage includes 2,299 + 50 S.R.S (Sex Reassignment Surgeries) Procedures (as per state-specific updates to HBP 2022).
- Online software ensures direct payment to hospitals.
- Portability benefits allow beneficiaries to avail of treatment at empaneled hospitals in other states.

Achievements:

- Since the launch in 2018, a total of 2.69 crore Ayushman cards have been issued to beneficiaries. Gujarat ranks 6th nationally in Ayushman card registration.
- FY 2025-26 (as of January 6, 2026): Rs.3,118.75 crore worth of claims processed for 11.94 lakh beneficiaries.

2.41 Urban Health

- According to the 2011 census, the total population of Gujarat is 6.04 crores. Out of which 2.5 crore people (42.6%) of the total population are urban population. And currently around 50% of the population is urban population.
- A major objective of urban health to provide quality health services to the urban population, especially the urban poor and other backward sections of the society such as the homeless, scavengers, beggars, porters, sex

workers, hand lorries operators, construction workers, brick kiln workers, migrants in collaboration with urban local bodies.

- The state government has sanctioned regular establishment from the state budget for urban primary health centers and urban community health centers in urban areas as per the structure of rural areas in order to provide timely quality health services to the people in urban areas as well. At present more than 13,000 posts of various categories have been sanctioned from the regular budget for the entire state. The process of appointment of which is currently underway. Building and other facilities of new urban health centers in the state are also made available.
- At present in the state of Gujarat, all primary health care services are provided through a total of 429 urban primary health centers and 28 urban community health centers across the state in urban areas.
- To strengthen health systems to deliver comprehensive primary healthcare through Ayushman Bharat-Health and Wellness Centers (AB-HWCs) in urban areas, health grants under the 15th Finance Commission have been recommended for Urban Health and Wellness Centers. A total of 760 urban health and wellness centers (an urban health and wellness center with a population of 15,000 to 20,000) will be operationalized across the state. To bring these services closer to the people of the community, arrangements have also been made to provide selected specialist services under 'Polyclinics' under the 15th Finance Commission grant.

2.42 Medical Services

- The Medical Services is providing secondary health care services through 18 District Hospitals, 69 Sub District Hospitals, 4 Hospital for Mental Health, 1 Eye Diseases Hospital, 01-Infectious Diseases Hospital and Police Hospital Shahibag-
- In the State total 80 Hospitals and Dispensaries are run by the NGO's as Grant in Aid institutions as per prescribed norms of Government of Gujarat.

2.43 Medical Education and Research

Objectives:

- The approach of the state government is to provide a healthy and well-being life to the citizens of the state. Hence, the main objective of all the activities of the government is to be a leader in human development indicators. For this reason, it is essential to plan, coordinate and manage the basic manpower to arrange the tertiary care services for the purpose of improving the physical and mental health and making the modern and global level of treatment available

to the people. Medical education and research programs play a key role in realizing this noble goal. Training of graduate, post-graduate medical/dental students, paramedical faculty, staff, capacity building, promotion of research activities in health, medical services in the medical field. Establishment of well-equipped teaching institutes, modern treatment in hospitals (Specialists, Super Specialists) are made available through this department. Government, private as well as corporate hospitals within the state are aimed to provide quality world class training to MBBS, Dentists, BSc Nursing, Physiotherapy and Nursing students and provide competent manpower in the state and the country.

Strategy to achieve objectives:

- Medical education and research play an important role in meeting the demand for physicians and super specialist doctors in government, private as well as corporate hospitals within the state.
- At present there are 6 Government Medical Colleges with 1400 MBBS seats and 1467 post graduate seats in the state of Gujarat. And (1) AIIMS Medical College, Rajkot has a seat intake capacity of 75 graduates (2) ESIC, Bapunagar, Ahmedabad has a seat intake capacity of 50 graduate students.
- There are 13 GMERS medical colleges and 22 autonomous medical colleges with 6000 graduate seats.
- The State Government announced a Health Policy-2016 to encourage setting up of hospitals with green field and brown field medical colleges by the government, private and semi-government and autonomous organizations. And the government, private, semi-Govt organizations are also given financial assistance as an incentive by the government to build up advanced equipment so that the public can get advanced facilities in the health sector. The Health Policy-2016 prepared by the Health and Family Welfare Department is in force in the state of Gujarat. The main objective of which is to ensure that bright students do not have to go outside the state for higher medical education, After the implementation of this policy, 4- Brownfield and 6- Greenfield Medical Colleges have been opened. Accordingly, the number of seats in Brownfield Medical Colleges has increased to 700- UG and 95- PG and the number of seats in Greenfield Medical Colleges has increased to 950- UG and 222- PG. Under this policy, more medical colleges are going to be established in the future, and the students of Gujarat state will get the benefit of this.

- Hospitals affiliated to medical colleges in the state have a good infrastructure of diagnostic laboratories. And the state government has decided to upgrade the laboratory services of international standards to enhance the quality of treatment.
- Civil Hospital, Ahmadabad is going to be completely renovated under the Master Plan Project.
- Also 5 other Civil Hospitals affiliated to Medical Colleges of Medical Education and Research Department are going to be completely renovated.
- Incentives are also provided by the state government to the public for organ donation.
- The State Government has also enacted a Human Organ Transplantation Act. In the last three years, a total of 1325 organs (kidneys-738, livers-363, hearts-99, lungs-84, pancreas-12, small intestines-08 and hands-21) have been donated from a total of 417 deceased organ donors. Currently, work is underway to make more hospitals in the state functional as organ retrieval centres. So that organ donation gets a boost in the state. Grants in aid institutions are also given grant in aid by the state government to make cancer/kidney/heart essential treatment available to the public.
- MEDICITY CAMPUS: - Master Plan based Medicity Campus at Vadodara, Surat and Jamnagar for the patients of Central Gujarat, South Gujarat and Saurashtra like Civil Hospital, Ahmadabad to realize the idea of "All in one under one roof". is being made. Medicity campuses are going to be equipped with all types of treatment facilities to patients from specialists and super specialists (neurosurgeon, cardiology, nephrology, cancer etc.) and state of the art equipment.

2.44 Ayush

- Directorate of AYUSH, Gandhinagar, provides services in AYUSH education, AYUSH treatment, training and promotion in the fields of Ayurveda, Homeopathy, and Yoga to the people of the state. Various activities are undertaken to ensure steady development in this sector. Under this office, 580 Ayurvedic dispensaries, 42 Ayurvedic hospitals, 5 Ayurvedic colleges, 277 Homeopathic dispensaries, 1 Homeopathic college and its affiliated hospital and 2 Ayurvedic pharmacies are operational.
- On September 23, 2025, the 10th National Ayurveda Day was celebrated enthusiastically under the Ministry of AYUSH's theme "Ayurveda for People and Planet." As part of this celebration, various

activities such as webinars, diagnostic camps and media promotion were organized in different districts. The celebration of Ayurveda Day was very successful due to the large-scale participation of people in all these programs.

- Under the Government of India's National AYUSH Mission, guidance on healthy lifestyles and nutrition was provided to the elderly, children, nursing mothers, school students, and citizens through various AYUSH programs such as Vayomitra, Supraja, Ayurvedya, and Mobile Medical Units. The National AYUSH Mission also carries out the upgradation of Ayurvedic hospitals and dispensaries in the state. Furthermore, essential Ayurvedic medicines are supplied to the state's hospitals and dispensaries.
- By November 6, 2025, more than 28,000 beneficiaries had benefited from 15 AYUSH fairs organized at various locations under AYUSH promotion. These fairs feature free diagnostic camps and consultations by expert doctors, through which the general public receives direct information about AYUSH treatment. In addition, awareness about the health benefits of AYUSH, proper diet and daily routines is spread through various exhibition stalls, live demonstrations and informative seminars. Moreover, the conservation and use of local medicinal plants are encouraged by organizing exhibitions on Ayurvedic herbs and their uses.
- In coordination with the Tribal Development Department, traditional healing methods are being promoted, and the availability of AYUSH treatment in tribal areas has been increased.
- The work for Ayurvedic colleges in Narol-Ahmedabad and Surendranagar and new Ayurvedic hospitals in Mehsana, Palanpur, and Veraval, is in progress.

2.45 Food & Drugs Control Administration

- As a part of which, this system is responsible for controlling the quality of drugs manufactured and sold in the state & taking samples of food to ensure that hygiene food is provided to the public which is handled by the Food & Drugs Administration. The function of health maintenance is carried out by this system as a part of Health & Family Welfare Department of the State Government. Food & Drug Control Administration is responsible for providing the safe drugs & safe food to the people of state by implementing the central Acts like “Drugs & Cosmetics Act 1940 Rules and Regulations” and “Food Safety and Standards Act. 2006.”

- Software developed in collaboration with N.I.C. for cosmetics manufacturers (COSMLA) <https://cosmla.gujarat.gov.in> was launched on 25/12/2022 by Hon'ble Chief Minister on the occasion of "Good Governance Day." And with this software, all the operations regarding the new license of the cosmetic manufacturing have been made completely online.
- As part of "M-Governance" a mobile application has been launched Dt. - 25/12/2023 on the occasion of "Good Governance Day" by Hon'ble Chief Minister for the manufacturers and distributors of drugs and cosmetics of the state so that they can apply and obtain the licenses online from anywhere & any place.
- The Central Government provided 32 modern Vehicles with the equipment's setup under the title "Food Safety on Wheels (FSW)" to Gujarat State for the onsite testing of food samples.
- To spread awareness of food adulteration to the public, Gujarat State has developed "Primary testing kit" which was distributed to educational institutes, public sector working organizations for "Self - Awareness to protect Health" Gujarat is the first state in the country to introduce such kit. Considering the same Food Safety & Standard Authority of India (FSSAI) has developed "Magic Box" which can test up to 110 types of tests on the spot.

2.46 Employees' State Insurance Scheme

- Employees' State Insurance Scheme functioning as per the norms, Policy decisions of Employees' State Insurance Corporation, New Delhi under the Parliamentary Act (ESI Act-1948). The scheme is working to provide only medical treatment to the insured beneficiaries in the implemented areas (limited centers) of the Scheme. Thus, the scope of the scheme is to provide medical treatment to the insured beneficiaries.
- With the intention of improving the quality of facilities available to the beneficiaries at the hospitals under the scheme, the process of purchasing medical equipment is in progress.
- Considering the interests of the beneficiaries, in the current financial year, new dispensaries have been started under the Scheme at Sarigam in Valsad district on dt.16/09/2025 and at Manjur-Savli in Vadodara district on dt.25/12/2025.
- Considering the interests of the beneficiaries, 18 new posts will be created in the next financial year at the hospitals/dispensaries under the schemes.

2.47 Per drop More crop-Micro Irrigation:

- The Micro Irrigation under Per Drop More Crop Component in Gujarat is being implemented, in a uniform manner, by the Gujarat Green Revolution Company (GGRC), on behalf of the Government of Gujarat and the Government of India, since May-2005. The scheme is implemented in an integrated manner, with the provision of financial assistance to beneficiary farmers for adopting Micro Irrigation Systems viz. Drip/ Sprinkler/ Rain guns/ Porous pipes.

The main objective of the Micro Irrigation Scheme is to increase agricultural production through the adoption of scientific water management techniques by farmers and thereby to usher in the Second Green Revolution in Gujarat, as the State of Gujarat has a limited sources of irrigation facilities. In pursuance of this objective Jal Sanchay Abhiyan (Drive for Storage of Water), the State Government has embarked upon Micro Irrigation Scheme which is an integral part of this Per drop More crop Programme implemented by Government of India.

- Pattern of assistance(subsidy) to beneficiary farmers of the State is as under :

Sr. No	Category of Farmer	Non Dark Zone (Per Hectare)	Dark Zone area for 57 talukas (Per Hectare)
1	General Farmer: (Land holders of 2 or More than 2 hectares)	Upto 70% of MIS Unit Cost per hectare	Upto 70% of MIS Unit Cost per hectare
2	General Farmer: Small and Marginal farmer (Landholders of Less than 2 hectares)	Upto 70% of MIS Unit Cost per hectare	Upto 80% of MIS Unit Cost per hectare
3	Scheduled Caste (SC) /Scheduled Tribes (ST) Farmers	Upto 85% of MIS Unit Cost per hectare	Upto 90% of MIS Unit per hectare

- The unique feature of the Scheme is the beneficiary farmer of the land holders are provided bank loan as per need and insurance coverage for system as well as for the beneficiary farmers for a period of one

year. The strength of the Scheme is its flexibility and transparency, wherein the farmer has the discretion to choose the type of Micro Irrigation (MIS) as per need whereby a single design that can cater to various crops. The farmer also has the liberty to choose the extent of area to be covered under MIS and farmer also has the liberty to choose the registered supplier who would install the Micro Irrigation System on the farmer's field among registered suppliers of MIS at GGRC.

- The Scheme is being implemented with the assistance of reputed registered MIS suppliers, appointed by GGRC. These MIS, manufacturers and install the Micro Irrigation System on the farmers' field, which is inspected through third party inspection agencies. The MIS supplier besides providing the requisite equipment and agro-inputs also renders Agronomical advisory services to the farmer to enhance agricultural productivity and also provide guidance to maintain the system for a period of five years. With the implementation of the Micro Irrigation Scheme there has been a considerable enhancement in crop productivity, besides savings in the use of water, energy, fertilizers and other agricultural Inputs. There is provision of insurance of beneficiary farmer as well as MI System for one year.
- Since the implementation of the Scheme by GGRC w.e.f. 2005-2006, to 2025-26 (up to November-25), a total number of 16.28 Lakhs beneficiary farmers have adopted Micro Irrigation Systems (MIS) in a total area of 25.05 Lakh hectares and an amount of Rs.5740.71 crore has been disbursed as subsidy (State Share) and Rs.3483.56 Crore subsidy (Centre share).
- Out of the total area of 25.05 Lakh hectares covered under the Micro Irrigation Scheme, 13.95 Lakh hectares has been covered under drip Irrigation and 11.10 Lakh Hectares under sprinkler Irrigation. The major agriculture crops covered under the Micro Irrigation are groundnut, cotton, sugarcane & castor while the major horticulture crops covered under the Scheme are potato, banana, mango, papaya and vegetables.
- For current financial year (2025-26), total budget provision is Rs. 1250.00 crores with a target to bring 2.00 lakh hectares under Micro Irrigation which was revised in line with grant allocation by GoI to Rs. 715.00 crores with a target to cover 1.18 lakh hectares.
- During current financial year till November -2025, total grant of Rs. 283.67 crores (Centre share: Rs. 121.79 crores and State share Rs.161.88 crores) received against which Rs. 360.02 crores (Centre share: Rs. 158.09 crores and State share Rs. 201.93 crores)

expenditure is booked covering 52,108 farmers who have adopted Micro Irrigation in 70,688 hectares area.

- In the financial year 2026-27 a proposed financial outlay for Per Drop More Crop - Micro Irrigation is Rs.1250.00 crore. It is likely to cover 2.00 Lakh hectares under the Scheme. Centre and State government share (Centre 60% and State 40%) apart from State Top-up (100 %) assistance has also been extended.
- The proposed budgetary provision for the financial year 2026-27 is Rs. 1250.00 crores in which Centre share (60%) will be Rs. 527.43 crores and state share (40%) will be Rs. 351.62 crores along with 100% state top up grant of Rs. 370.95 crores which tunes to total state share of Rs. 722.57 crores. Out of total budget provision of Rs. 1250.00 crores, Rs. 76.57 crores (Centre's share: Rs. 37.15 crore and State share: Rs. 39.42 crore) are allocated for scheduled caste farmers and Rs. 176.42 crores (Centre's share Rs.79.48 crore and state share Rs.96.94 crores) are allocated for tribal farmers.

2.48 Viksit Gujarat @ 2047:

- By the year 2047, it is envisioned to cover more and more area under micro irrigation through the implementation of a cluster-based integrated project connecting village ponds or check dams-based surface water sources with micro-irrigation across the state. The target is to cover a total area of 50 lakh hectares under micro irrigation by the year 2047.
- As part of Digital India, by use of SMS, voice calls and Doordarshan medium and through information technology implementation is carried out to ensure that farmers get agricultural information and services through digital medium, so that transparency is maintained in the implementation of the scheme. Apart from this, biometric identification of the beneficiary farmer is being done and the site where micro irrigation system has been installed is verified through GPS.
- The entire process from registration of beneficiary farmer's application for micro irrigation to final payment is online. The complete information about the status of the application is received by the farmer through the internet sitting at home.

2.49 Khedut Shakti Portal:

- Farmers can pre-register to adopt micro-irrigation from their homes through any of the following options.
 1. Farmer can send SMS through their mobile on 9763322211.
 2. Farmer can visit GGRC website "khedut.ggrc.co.in"

- Farmer can pre-register by sending details “Full Name-District-taluka-village” on GGRC mobile no. 9763322211.
- Farmer can also pre-register by entering above mentioned details on website “khedut.ggrc.co.in”.
- After pre-registration, GGRC registered MIS Suppliers will contact farmers for further assistance/guidance about adoption of Micro Irrigation.

2.50 Sardar Sarovar Project:

- The Sardar Sarovar Project is an inter-state multi-purpose project constructed on the Narmada river in the state of Gujarat. Through this scheme about 18 lakh hectare area of 77 talukas of 17 districts of the state get the benefit of irrigation. In addition, water is provided for household use to 10453 villages and 190 towns at present. This mainly covers the villages and urban centers in the arid region of Saurashtra and Kachchh and also the “no source” villages and villages affected by salinity and fluoride in North Gujarat. Water supply requirement of several Industries is also being met from this Project giving a fillip to the overall industrial production. Total expenditure of Rs.86272.21 crore has been incurred on the project till September 2025.
- Construction of the 1210 m. long and 163 m. high (from foundation) concrete gravity dam is completed along with 30 Nos. of Radial gates for spillway and was dedicated to the Nation by the worthy hands of Hon’ble Prime Minister on 17/09/2017. The water stored in Sardar Sarovar Reservoir is being efficiently utilized for irrigation, domestic and industrial usages. The construction of Garudeshwar Weir and High Level Gora Bridge in the downstream of Sardar Sarovar Dam is completed.
- Two power houses on the Dam site, having total installed capacity of 1450 MW have been commissioned. By the end of December-2025, a total of 6941.5 crore units of hydropower has been generated.
- 35 MW Canal Top and Canal Bank Solar Power Plant is operational on Vadodara Branch Canal and a total of 44.72 crore units of electricity has been generated up to December-2025.
- Small hydro power stations are completed with anticipated power generation potential of 85.46 MW on various branch canals viz Miyagam Branch Canal (MBC), Vadodara Branch Canal (VBC), Saurashtra Branch Canal (SBC) and Kachchh Branch Canal (KBC). The total power generation up to December-2025 is 68.53 crore units.
- 5 pumping stations constructed on Saurashtra branch canal and 3 pumping stations constructed on Kutch branch canal are operational.

- Out of total canal network comprising of Main Canal, Branch Canals, Distributaries, Minors and Sub Minors, total length of 63938 km has been completed up to Dec-2025, which includes 458 km Main Canal, 2689 km of Branch Canal, 4475 km of Distributary, 14628 km of Minors and 41,688 km of sub minors.
- Distribution system works up to the minor canals have been completed across 17.26 lakh hectares, with irrigated area development reaching 15.55 lakh hectares up to the sub-minor canals as of December-2025. It is planned to continue the execution of balance works of canal network up to sub-minor during 2026-27. The proposed Budgetary provision for the Project for the financial year 2026-27 is Rs. 3317.33 crore (Capital + Revenue) and Rs. 1560 crore as NBR (Non Budgetary Resource).

2.51 Sujlam Suflam Yojana (SSY):

- The Gujarat Government had decided to implement the Sujlam Suflam Yojana in the year 2004-05 to rejuvenate the arid areas of North Gujarat with the additional flood water of Kadana Dam on Mahi River in Panchmahal (currently Mahisagar) district. The project includes 337 km. long Sujlam Suflam spreading canal between Kadana reservoir to Banaskantha district and 14 lifting pipeline projects based on Narmada main canal. The extra water from the Kadana Reservoir and the Narmada Main Canal has benefitted thousands of farmers directly or indirectly in irrigation and recharged the groundwater.
- To utilize the additional flood water of Narmada River in North Gujarat Region, 13 works of lift irrigation schemes out of 14 have been completed under Sujlam Suflam Yojana. Approx. 1.03 lakh hectares of land is getting direct or indirect irrigation benefits. Total 5.07 lakh million cubic feet of water has been delivered for irrigation and drinking water purposes by these 13 pipelines. The work of lift irrigation scheme of Kasara-Dantiwada pipeline is under progress. Total 33700-hectare area of land will get direct and indirect irrigation benefits from this.

2.52 Participatory Irrigation Management:

- The State Government has decided to cover maximum possible command area under Participatory Irrigation Management. The State Government has also passed "Gujarat Water Users Participatory Irrigation Management Act-2007". Under participatory irrigation management scheme, 8.6 lakh hectare area have been covered through registration of 2844 Water Users Associations up to September-2025.

2.53 Vanbandhu Kalyan Yojana:

During the period April-2007 to March-2021 following works have been carried out under this scheme.

- In Tribal areas, total 1.01 lakh Ha. area have given benefit of irrigation which includes: 0.59 lakh Ha. area through 14352 small check dams, 0.25 lakh Ha. area through 521 big check dams and 0.17 lakh Ha. area by deepening of 3548 ponds.
- Total 1346 Lift Irrigation schemes covering 0.50 lakh Ha. area of Tribal area have been completed.
- Moreover, all farmers have started getting benefit of irrigation water due to extension, renovation and modernization of canal network in 1.64 lakh Ha. area and participatory irrigation management works in 0.88 lakh Ha. area.
- After March 2021 Vanbandhu Kalyan Yojana II was planned to cover more area under irrigation in near future. Due to this scheme in last 3 years 745 small and big check dams, 648 canal repairing works, 418 works of repairing of existing check dams and 1064 lake deepening works were carried out under Vanbandhu Kalyan Scheme 2. Additionally, under this scheme there are 9 lift irrigation scheme costing amount of Rs 2,845 crore which are still under progress. Through this scheme 99, 962 Ha. area of 476 villages of 21 talukas and 10 districts will get benefited. Apart from this there is planning of total 13 Lift Irrigation scheme costing expenditure of Rs 9,154 crore through which 81,056 Ha. area will get irrigation facilities

Work Completed:

- Project of filling total 26 ponds of Khanpur taluka of Mahisagar district having benefitted area of 800 Ha. of North Gujarat at the cost of Rs. 53.91 crore is completed.
- Kadana reservoir based Kadana-Dahod lift irrigation Pipeline project is commissioned at the cost of Rs. 1380.00 crore. Through which 54 ponds of 61 villages of 4 talukas have been filled and irrigation benefits is available to about 10000-hectare area.
- Work of Kakrapar-Gordha-Vad Lift Irrigation Pipeline project having cost of Rs.571.00 crore is completed. About 20000-hectare area from 2 taluka (Mandvi & Mangrol) of Surat district is getting irrigation benefits from this scheme.
- The works of filling of 15 Ponds from PS-2 near Vada pond via pipeline by interlinking Village Ponds of Santrampur Taluka and the Moralnaka and Babri M.I. pond of Santrampur Taluka is completed

having cost of Rs. 18.01 Crores. About 2200-hectare area is getting irrigation benefits from this scheme.

- Project based on Kadana Left Bank High Level Canal for works of filling of 35 ponds of Shamana of Lunawada taluka & Shiyal ponds of Kadana Taluka of Mahisagar district and Kadana, Santrampur and Lunawada Taluka via pipelines is completed having cost of Rs. 67.49 Crores. About 1224-hectare area of 35 villages of 3 taluka (Kadana, Santrampur, Lunawada) of Mahisagar district is getting irrigation benefit from this scheme.
- Shehra, Kalol, Godhra and Goghama talukas of Panchmahal district and Mahisagar district, a total 70 lakes based on panam high level canal is completed at a cost of Rs.137.00 crore. About 8500-hectare area is getting irrigation benefits.
- Work of Karjan reservoir-based Karjan Dam to Vaadi and Kapat village lift irrigation pipeline project having estimated cost of Rs.418.00 crore work is completed. About 7500-hectare area of Surat, Bharuch and Narmada district will get irrigation benefits from this scheme.
- The extension of the Kadana Dahod Lift Irrigation Pipeline Project based on Kadana reservoir having estimated cost of Rs.223.00 crore is completed. About 4500-hectare unirrigated area of Sanjeli, Singwad, Dhanpur, Devgadhbharla talukas of Dahod district is getting irrigation benefits from this scheme.
- 1811 ha. area from 3 villages of Mangrol taluka of Surat district is getting irrigation benefit by completion of Dinoh-Boreedra lift irrigation pipeline project having cost of 28.34 crores.
- A Panam Dam-based lift irrigation project has been completed at a cost of ₹315 crore to benefit the eastern tribal belt of the Panchmahal district. This scheme provides irrigation to approximately 35,000 hectares of area across 85 villages in the Shehra, Kalol, Godhra, and Ghoghamba talukas of Panchmahal and Mahisagar districts by filling 126 local ponds/lakes.

Work under Progress:

- Work of Songadh-Uchchhal-Nizar Lift Irrigation Pipeline project, having total cost of Rs.1022.00 crore is under progress. About 28000-hectare area of Songadh, Uchchhal, Nizar and Kukarmunda taluka of Tapi district will get irrigation benefits from this scheme. 404 check-dams will be filled with this project.
- Work of Tapi-Karjan Lift Irrigation Pipeline project having estimated cost of Rs.711.00 crore is under progress. About 21,760-hectare area

of Umarpada taluka of Surat district and Dediapada taluka of Narmada district will get irrigation benefits from this scheme.

- Project of water filling by linking of pipeline From Sarasadi of Kadana Taluka to Northern Region of Lift Irrigation Scheme and Village Ponds of Kadana Taluka having estimated cost of Rs.75.52 crore is under progress. About 3500-hectare area of 27 villages of Kadana taluka of Mahisagar district will get irrigation benefits from this scheme.
- Project of filling of 26 ponds based on Meshwo Lift Irrigation Scheme having estimated cost Rs.75.32 crore is under progress. About 1416-hectare area of 26 villages of Bhiloda and Meghraj taluka of Arvali district will get irrigation benefits from this scheme.

2.54 SAUNI Yojana:

- Project named Saurashtra Narmada Avataram Sinchai Yojana (SAUNI Yojana) which connect 115 reservoirs of Saurashtra with surplus one-million-acre feet water of Narmada is about to complete. Upon the completion of this project, irrigation facilities will be strengthened across an area of more than 8.24 lakh acres, and the water problem in Saurashtra will be resolved.
- By December 2025, Narmada water amounting to approximately 1.30 lakh million cubic feet has been filled into 99 reservoirs, 234 village ponds, and 1,616 check dams at a cost of ₹17,990 crore. Through this initiative, irrigation facilities have been strengthened across approximately 6.50 lakh acres. The initiative has also consolidated the drinking water supply for several key cities, notably Rajkot, Gondal, Jamnagar, Bhavnagar, Botad, Ranpur, and Morbi."
- In the Saurashtra region, four (4) strategic schemes are currently in progress to extend Narmada-based irrigation benefits to various villages within the Surendranagar, Rajkot, and Morbi districts that were previously underserved. Upon the successful integration of approximately 182 water bodies—including village ponds/check dams—irrigation capabilities will be fortified across an estimated 20,700 acres. This expansion ensures more robust agricultural support for the targeted districts through enhanced water resource management.

2.55 Pradhan Mantri Krishi Sinchai Yojana (Under Flagship Program):

Proposals of following schemes are submitted to Government of India to include in Pradhan Mantri Krishi Sinchai Yojana.

- Repair, Renovation & Restoration of Waterbodies (RRR of Waterbodies)

- Schemes of Saurashtra Region: Works of Repair, Renovation & Restoration of 33 Minor Irrigation schemes in scarcity area of Saurashtra region with an estimated cost of Rs. 58.95 crore are under progress which will restore 6358-hectare irrigation potential in scarcity area.

2.56 Atal Bhujal Yojana (ATAL-JAL):

Atal Bhujal Yojana project was declared in December 2019 with a view of raising ground water level which is under implementation on 6 districts (Banaskantha, Gandhinagar, Kachchh, Mahesana, Patan and Sabarkantha), 36 talukas and 1873-gram panchayats of Gujarat.

- Up to September 2025, a total of 93,301 Hectare area has taken advantage of this project.
- Under Atal Bhujal Yojana, a special scheme was implemented in December 2022 for implementation of micro-irrigation for the beneficiary farmers including Atal Bhujal Incentive money in addition to subsidy provided by GGRC (Gujarat Green Revolution Company). About 90,442-hectare area covered under micro-irrigation.
- From the Atal Bhujal incentive fund, construction of 423 recharge tubewells and filter point wells has been completed at a cost of ₹66.97 crore.
- Construction of 774 water conservation structures like Tanks & Check dams has been done at a cost of Rs. 55.98 crores.

2.57 One (1) MAFt-Million acre feet surplus water of Narmada allotted for Kachchh District

The Gujarat government has decided to allocate additional 1-million-acre feet of flood water of Narmada to the water-scarce areas of Kutch. Various link/pipeline schemes based on Kutch branch canal have been planned for the utilization of 1-million-acre feet of water allocated for Kutch district. Under which the works under Phase-1 and Phase-2 are in progress. The details of which are as follows.

✧ Phase-I :

1. Southern Link & High Contour Storage Link:

The work of Southern Link and High Contour Storage Link worth Rs. 2010.99 crore will fill water in 25 irrigation schemes of Anjar, Mundra, Mandvi and Bhuj talukas, which will benefit 38,824 hectares of area in 47 villages of the said taluka.

2. Northern Link (Phase-I):

The work of Northern Link (Phase-I) worth Rs.1394.11 crore will fill water in 12 irrigation schemes of Anjar, Bhuj and Nakhatrana talukas, which will benefit 36,392 hectares of area in 22 villages of the said taluka.

3. Saran Link:

The work of Saran Link worth Rs.720.14 crore will fill water in Saran reservoir of Rapar taluka, which will benefit 29,000 hectares of area in 8 villages of the said taluka.

Thus, in Phase-1, water will be supplied to 38 irrigation schemes in a total of 6 talukas of Kutch district with works worth Rs. 4125.24 crore, which will benefit 1,04,216 hectares of area in 77 villages.

Phase-II:

1. Southern Link (Phase-II):

The work of Southern Link (Phase-II) worth Rs.1405.49 crore will fill water in 28 irrigation schemes of Mandavi, Nakhatrana, Lakhpat and Abdasa talukas, which will benefit 36,514 hectares of area in 28 villages of the said taluka.

2. Northern Link (Phase-II):

The work of Northern Link (Phase-II) worth Rs.900.90 crore will fill water in 13 irrigation schemes of Nakhatrana and Lakhpat talukas, which will benefit 31,681 hectares of area in 25 villages of the said taluka.

Thus, in Phase-II, water will be supplied to 41 irrigation schemes in a total of 4 talukas of Kutch district with works worth Rs.2306.39 crore, which will benefit 68,195 hectares of area in 53 villages.

2.58 Water supply schemes for Saurashtra, Kachchh & Panchmahal based on Sardar Sarovar Narmada Canal.

Government of Gujarat has implemented drinking water supply schemes based on Sardar Sarovar Narmada Canals from July'1999.

- In consideration to 2011 census and formation of 7 new districts in Gujarat State, now the Master Plan stands to supply Narmada water to 11777 villages and 194 towns of 26 districts viz: Amreli, Bhavnagar, Botad, Junagadh, Gir Somnath, Porbandar, Jamnagar, Devbhoomi Dwarka, Surendranagar, Rajkot, Morbi, Kachchh, Ahmedabad, Gandhinagar, Mehsana, Patan, Banaskantha, Sabarkantha, Arvalli, Panchmahal, Kheda, Narmada, Vadodara, Chhotaudepur, Dahod and Bharuch districts.

- Total 227 projects are planned under the Sardar Sarovar Canal Based Drinking Water Supply Master Plan covering 3139.26 km. Bulk pipeline and Distribution Groups to supply Narmada water to 11777 villages and 194 towns of the State under Narmada Canal/Reservoir based water supply schemes. Total 3290 km. bulk pipeline is completed and cumulative 10719 villages and 190 towns are connected with water supply schemes based on Narmada water.

Under this scheme,

- (1) The works of 97 Km of Dhanki to Navda Bulk Pipeline at Estimated Cost of Rs 1044 crores are under progress. On completion of this bulk pipeline Bhavnagar, Botad, Amreli, Gir Somnath, Rajkot, Junagadh and Porbandar Districts will be benefited.
- (2) The works of 63 Km of Dharai to Bhesan Bulk Pipeline at Estimated Cost of Rs 392 crores are at completion. On completion of this bulk pipeline Rajkot and Junagadh Districts will be benefited.
- (3) Works of 120 km new bulk pipeline project from Dhanki to Maliya with an estimated cost of Rs. 1200 crore are under planning. After completion of these works in next three years, additional 50 crore liter per day Narmada water will be made available to 60 lakh future beneficiaries in 1386 villages and 20 cities of Morbi, Jamnagar, Rajkot and Kutch districts.

2.59 Community Participation and Empowerment of Panchayati Raj Institutions by WASMO

- Water and Sanitation Management Organization (WASMO) was established by the Government of Gujarat in May-2002, with a mandate to promote decentralization in the rural drinking water and sanitation sector. WASMO's strategy includes development and strengthening of local institutions (Pani Samiti) and active involvement and participation of communities. WASMO performs the role of facilitator by empowerment and capacity building of the PRIs at the grass root level.
- Concept of decentralized planning adopted includes Planning, Implementation, Management, Operation & Maintenance of pipe lines and other components. "Augmentation in tap connectivity in rural areas" scheme is being implemented by the Government in which assistance to the tune of 90% of estimated cost is given

by the government and 10% of the estimated cost is to be borne by the beneficiaries by way of people's contribution. Implementation of this programme is executed by people's participation and Pani Samities.

- However, this programme was not getting enough response in tribal areas owing to the poor awareness and economic conditions of the community which resulted in lesser implementation of the programme than envisaged. Due to these circumstances, Exemption from payment 10% Community Contribution for In-Village Water Supply Schemes in Tribal Areas is granted from year 2015-16.
- At present, 31007 schemes are approved, out of which 30213 schemes (Out of which 11950 schemes in Tribal areas) are completed and 794 schemes (out of which 285 schemes are in Tribal areas) are in progress.

2.60 e-Gram Vishwa Gram Yojana:

- Under the e-Gram Vishvagram Project, a total of 14,181 Gram Panchayats in the state have been provided with computers and related equipment. All 14,181 Gram Panchayats have also been connected through e-connectivity.
- Through this, important services such as Aadhaar card, birth and death certificates, income certificate, character certificate, caste certificate, assessment, BPL list, 7/12 extract, 8-A extract, receipt of tax payment, e-Shram registration, Ayushman card, electricity bill payment, GSPC gas bill payment, application forms for various schemes, Standard 10 and 12 results, mobile recharge, etc., totaling 321 services, are being provided. Up to now (as of December 2025), a total of 5.75 crore certificates have been issued through e-Gram.
- For the year 2025–26, against a provision of Rs.160.00 crore, an expenditure of Rs.110.00 crore has been incurred up to December 2025.
- For the year 2026–27, a total provision of Rs.160.00 crore has been proposed.

2.61 15 th Finance Commission

- This scheme has been implemented by the Government of India since the year 2020–21, under which 100% grant is provided by the Government of India. Under this scheme, 60% tied grant and 40% untied grant are allocated. The scheme focuses on carrying out works under basic facilities such as drinking water, sanitation, internal roads, primary education, etc., in order to enhance convenience for people in

rural areas. Under this scheme, so far, a total of 579,056 works have been completed at an expenditure of Rs.100,987.75 crore.

- In the year 2025–26, out of the total provision of Rs.2,555.00 crore, a grant of Rs.1,236.50 crore has been allocated to Gram Panchayats up to December 2025.
- For the year 2026–27, a provision of Rs.1,277.50 crore has been proposed.

2.62 Gram Panchayat Building

- In the Panchayati Raj system, the Gram Panchayat is the basic unit. Through the Gram Panchayat, basic facilities and various services are provided to the people.
- With the objective of making Gram Panchayat offices well-equipped and functional, Gram Panchayats have been classified on the basis of population, and accordingly, the designs and cost estimates of Gram Panchayat office buildings have been determined.
- As per this classification, grants are provided for construction of office buildings as follows:
 - 40.00 lakh to Gram Panchayats with a population of more than 10,000
 - 35.83 lakh to Gram Panchayats with a population between 5,000 and 10,000
 - 25.00 lakh to Gram Panchayats with a population of less than 5,000
- For repairing dilapidated Gram Panchayat buildings, the State Government provides a grant of Rs.5.00 lakh.
- So far (up to December 2025), construction of 3,039 new Gram Panchayat buildings and repair works of 1,796 dilapidated Gram Panchayat buildings have been completed.
- For the year 2025–26, against a provision of Rs.5,619.50 lakh, grants amounting to Rs.1,557.40 lakh have been allocated up to December 2025.
- For the year 2026–27, a provision of Rs.7,200.00 lakh has been proposed.

2.63 Vatan Prem

- With effect from 30/06/2025, as per the new amendment resolution, a new scheme titled “Vatan Prem Yojana” has been implemented.
- It allows any resident of villages in the state to participate in the village development process by contributing 40% as a donation toward selected works such as primary school classrooms, smart rooms, primary health centres, libraries, ST bus stands, etc. The remaining 60% share is provided by the State Government through budgetary provisions.

- During the financial year 2025–26, a provision of Rs.500.00 lakh was made, out of which no expenditure has been incurred up to the end of December 2025.
- For the financial year 2026–27, a provision of Rs.1,000.00 lakh has been proposed under CDP-17.

2.64 Rurban

- The State Government is committed to providing modern urban-like facilities in rural areas. In the initial phase, it has been decided to include villages having a population of 10,000 or more and 7,000 or more in tribal areas.
- Out of 255 villages, it has been planned in the first phase to provide underground drainage facilities in 82 taluka headquarters and 3 selected villages.
- Administrative approval has been granted for 80 drainage schemes. So far, 75 projects have been completed and the remaining 5 works are under progress.
- In the financial year 2025–26, against a provision of Rs.100.00 lakh, no expenditure has been incurred up to December 2025.
- For the year 2026–27, a provision of Rs.100.00 lakh has been made.

2.65 Garib Kalyan Mela

- To ensure that beneficiaries of various individual-oriented assistance schemes of different departments of the State Government receive all the eligible assistance and amounts under government schemes on a single day, Garib Kalyan Melas are organized in every district.
- This ensures the elimination of middlemen and provides 100% direct benefit to the beneficiaries.
- During the period from the financial year 2009–10 to 2025–26 (up to December 2025), a total of 1,639 Garib Kalyan Melas have been organized taluka-wise, covering all talukas. Through these, 191.12 lakh beneficiaries have been covered and financial assistance amounting to Rs.41,368.97 crore has been disbursed.
- For the year 2026–27, a provision of Rs.800.00 lakh has been made.

2.66 Tirth Gam/ Pavan Gam Yojana

- The Tirthgram Scheme was launched in the year 2004–05. The scheme has been implemented with the objective of promoting mutual harmony, strengthening the spirit of collective unity, maintaining social cohesion and fostering a sense of brotherhood among people living in rural areas of the state.
- From the year 2008–09, the Pavan Gam Scheme has been included under this scheme.

- In the year 2012–13, the grant amount provided to Gram Panchayats declared as Tirthgram / Pavan Gam was doubled. Accordingly, a grant of Rs.5.00 lakh is provided for Tirthgram and Rs.2.50 lakh for Pavan Gam.
- Under this scheme, up to December 2025, a total of 1,560 villages have been declared as Tirthgram and Pavan Gam.
- In the financial year 2025–26, against a financial provision of Rs.100.00 lakh, an expenditure of Rs.68.00 lakh has been incurred up to December 2025.
- For the financial year 2026–27, a provision of Rs.100.00 lakh has been proposed.

2.67 Panchvati Yojna

- The Panchvati Scheme was launched in the year 2004–05. The objective of the scheme is to promote the development of well-equipped gardens and parks in villages and to make recreational facilities easily available in rural areas.
- At present, a financial provision of Rs.5.00 lakh has been made for developing a Panchvati. Out of this, Rs.4.00 lakh is sourced from MGNREGA, Finance Commission and self-generated funds, and Rs.1.00 lakh is provided as assistance by the State Government through the concerned department.
- So far (up to December 2025), 5,776 villages have implemented the Panchvati Scheme.
- In the financial year 2025–26, against a provision of Rs.190.00 lakh, an expenditure of Rs.102.00 lakh has been incurred up to December 2025.
- The budget provision for the financial year 2026–27 has been kept at zero and the matter is under consideration.

2.68 Swachh Gam Swasth Gam

- With the objective of ensuring proper cleanliness in villages, fostering awareness and consciousness about sanitation, raising the level of cleanliness, and thereby improving the quality of rural life, a new scheme has been implemented since the year 2007–08. Under this scheme, financial assistance for cleanliness and sanitation is provided as an incentive so that villagers remain committed to using the assistance for the maintenance of village cleanliness and for procuring sanitation-related equipment.
- In the financial year 2025–26, against a provision of Rs.6,600.00 lakh, a grant of Rs.2,359.97 lakh has been allocated up to December 2025.
- For the financial year 2026–27, a provision of Rs.6,600.00 lakh has been proposed.

2.69 Mahatma Gandhi Swachhata Mission

- Since the year 2016–17, in all Gram Panchayats of the state, door-to-door collection of solid waste has been carried out and the collected waste is transported to landfill sites. Initially, a grant of Rs.4.00 per person per month was provided for this purpose. The Panchayat Department has decided, from 1st August 2025, to increase the assistance to Rs.8.00 per person per month.
- In the financial year 2025–26, against a provision of Rs.175.20 crore, an expenditure of Rs.141.91 crore has been incurred up to December-2025.
- For the financial year 2026–27, a provision of Rs.350.00 crore has been proposed.

2.70 Samras Gram Panchayat yojana

- This scheme, which promotes the spirit of harmony, discourages conflict and prevents enmity in villages, has been in operation since 2001.
- So far, up to December-2025, out of a total of 15,554 Samras Gram Panchayats, 828 women Samras Gram Panchayats have been declared and Rs.351.55 crore grant has been allocated.
- Incentive grants for Gram Panchayats with population up to 5,000:
- For the 1st, 2nd, 3rd, 4th, and 5th time being declared Samras, the grants are respectively: Rs.3.00 lakh, Rs.3.75 lakh, Rs.4.75 lakh, Rs.5.25 lakh, Rs.5.50 lakh.
- If it is a women Samras Gram Panchayat, the grants are: Rs.4.50 lakh, Rs.5.75 lakh, Rs.7.00 lakh, Rs.7.50 lakh, Rs.8.00 lakh.
- Incentive grants for Gram Panchayats with population 5,001 to 25,000
- For the 1st, 2nd, 3rd, 4th, and 5th time being declared Samras, the grants are: Rs. 4.50 lakh, Rs. 5.75 lakh, Rs.7.00 lakh, Rs.7.50 lakh, Rs.8.00 lakh.
- If it is a women Samras Gram Panchayat, the grants are: Rs.7.50 lakh, Rs.9.50 lakh, Rs.11.75 lakh, Rs.12.00 lakh, Rs.13.00 lakh.
- Additional grants:
- For a first-time declared Samras Gram Panchayat, facilities for up to Standard 8 education are provided, for the second-time, Rs.2.00 lakh is provided for CC roads, for the third, fourth and fifth-time, Rs.3.00 lakh is provided for development works.
- In the financial year 2025–26, under CDP-11, against a total provision of Rs.2,400.00 lakh, an expenditure of Rs.3,766.50 lakh has been incurred up to December 2025.

- For the financial year 2026–27, a total provision of Rs.6,600.00 lakh has been proposed under CDP-11.

2.71 Pradhan Mantri Awas Yojana (Gramin)

- Pradhan Mantri Awas Yojana (Gramin) has been implemented with effect from 20-11-2016. The primary objective of this scheme is to provide “a home of one’s own” to homeless families and those living in kachacha houses in rural areas, thereby improving their standard of living. Pradhan Mantri Awas Yojana (Gramin) is a centrally sponsored scheme implemented with a cost-sharing ratio of 60:40 between the Central Government and the State Government.
- Under Pradhan Mantri Awas Yojana (Gramin), financial assistance is provided for the construction of new houses to eligible homeless families and families living in kachacha houses in rural areas who are included in the Socio-Economic and Caste Census (SECC) 2011 and the Awas Plus Survey database. Furthermore, with effect from December 2024, the Awas Plus Survey 2024 has been undertaken with the objective of covering homeless families and families living in kutcha houses who were not included in SECC 2011 or the earlier Awas Plus Survey.
- Under this scheme, beneficiaries are provided financial assistance of Rs. 1,20,000 per house in a phased manner. In addition, the State Government provides an extra assistance of Rs. 50,000 per beneficiary at the roof-cast stage of house construction. The assistance amount is transferred directly to the beneficiary’s bank account in installments.
- Financial Assistance Admissible to Beneficiaries under Pradhan Mantri Awas Yojana (Gramin)

Sr. No.	Stage of Construction	Installment	Amount of Assistance	Ratio (%) Central: State
1	At the time of house sanction	First	Rs. 30,000/-	60 : 40
2	Plinth level	Second	Rs. 80,000/-	60 : 40
3	Roof-cast level	Third	Rs. 50,000/-	100% State
4	After completion of house	Fourth	Rs. 10,000/-	60 : 40
Total			Rs. 1,70,000/-	

- Under this scheme, no target has been allocated by the Government of India for the year 2025–26. However, against the spill-over targets allocated in previous years, construction of 1,00,870 houses was completed by beneficiaries during the financial year 2025–26, incurring an expenditure of Rs. 1008.73 crore (as on 31/12/2025).

2.72 Swachh Bharat Mission (Gramin)

- The Swachh Bharat Mission (Gramin) was launched across the country on dt. 02/10/2014 with the objective of promoting cleanliness and awareness in both urban and rural areas. Significant progress has been made in rural areas through the construction of individual household toilets.
- As per the directions of the Government of India to ensure that no household remains without a toilet, information received from districts revealed that more than 44 lakh beneficiaries across the state were without individual household toilets. All such households have been covered under toilet facilities. the Swachh Bharat Mission(Gramin)
- Under Swachh Bharat Mission (Gramin) Phase–II, a major challenge is to sustain the Open Defecation Free (ODF) status of districts over the long term. Accordingly, the Government of India has emphasized ODF-Sustainability (ODF-S) and ODF+, including safe disposal of solid and liquid waste, during the current year.
- Under Swachh Bharat Mission (Gramin) for the year 2025–26, up to December 2025, works related to liquid waste disposal and management through construction of individual and community soak pits have been undertaken. As a result, 3,031 individual soak pits and 28,912 community soak pits have been completed.
- Under Swachh Bharat Mission (Gramin) Phase–II, during 2025–26, to declare villages as ODF+, solid waste management works were carried out. A total of 7,011 community compost pits and 3,643 individual compost pits have been completed for biodegradable waste disposal. Additionally, door-to-door waste collection is currently operational in 16,971 villages, and 1,560 segregation sheds have been constructed for solid waste management works. The total expenditure incurred is Rs. 219.55 crore (as on December 2025).

2.73 Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS)

- The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) was implemented in various districts of Gujarat in three phases between 2006 and 2008. The Act guarantees up to 100 days of

wage employment per household per financial year to rural households willing to do unskilled manual work, thereby enhancing livelihood security. More than 266 types of individual and community works are permissible under MGNREGA, which can be implemented by Gram Panchayats or SHG Federations.

- During the year 2025–26, the daily wage rate for unskilled labourers is Rs. 288 per day.
- During the year 2025–26, against a target of 500 lakh person-days, 260.01 lakh person-days of employment have been generated. A total of 6.57 lakh rural households have been provided employment under the MGNREGA scheme in the state (as on December 2025).
- During the year 2025–26, a total of 3.82 lakh works were undertaken under MGNREGA, of which 1.29 lakh works have been completed and 2.52 lakh works are in progress. The total expenditure incurred is Rs. 853.17 crore.
- Due to focused efforts on enhancing women's participation under MGNREGA, participation of women workers has increased significantly.
- During the year 2025–26, women's participation stood at 46.91%. Participation of Scheduled Castes (SC) and Scheduled Tribes (ST) in employment under MGNREGA has been recorded at 5.09% (SC) and 46.91% (ST) respectively (as on December 2025).

2.74 Pradhan Mantri Krishi Sinchai Yojana (PMKSY)

- The Integrated Watershed Management Programme (IWMP) was launched in the year 2009–10 with the primary objective of scientific management of natural resources such as land, water and vegetation to maintain ecological balance.
- In the year 2015–16, the IWMP was subsumed under the Pradhan Mantri Krishi Sinchai Yojana and is known as the Watershed Development Component (WDC). From the year 2021–22 onwards, it is being implemented as PMKSY–Watershed Development Component 2.0.
- During the year 2025–26, a total of 5,907 works related to land and moisture conservation, water harvesting and groundwater recharge, along with 1,443 works related to productivity enhancement, have been completed. A total expenditure of Rs. 52.93 crore has been incurred (as on December 2025).

2.75 National Rural Livelihood Mission (NRLM)

- The objective of the National Rural Livelihood Mission (NRLM) is to reduce poverty by enabling rural poor women to access self-employment and skilled wage employment opportunities. The mission focuses on building strong grassroots institutions of poor women and empowering them to achieve sustainable livelihoods through these institutions.
- Under the scheme, Self-Help Groups (SHGs) are formed and rural poor households—especially women—are mobilized into SHGs, Village Organizations, and Cluster Level Federations to promote savings and collective action. Training and continuous support are provided to SHGs and their federations.
- SHGs are linked with banks by providing Revolving Fund, Community Investment Fund and Cash Credit facilities, along with support for skill development, entrepreneurship, diversified livelihood activities and market linkages as per local needs.
- During the year 2025–26, a total of 7,966 SHGs were formed. 4,405 SHGs were provided Revolving Fund amounting to Rs. 13.18 crore and 5,966 SHGs received Community Investment Fund amounting to Rs. 75.85 crore. (as on December 2025).
- Against a target of 30,200 trainees, 14,823 SHG members and rural youth were provided skill development training through RSETIs during 2025–26 (as on December 2025).
- Under the Deen Dayal Upadhyaya–Grameen Kaushalya Yojana (DDU-GKY), against the consolidated target of 17,324 (right-sized) for the period 2019–2025, 15,918 beneficiaries were trained, out of which 15,048 trainees were placed in employment (as on December 2025).

2.76. Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana:

- As part of the celebration of 50 years of the State's formation, and to address the rapid pace of urbanization in Gujarat and the challenges arising from it, the Swarnim Jayanti Mukhyamantri Urban Development Scheme has been implemented since 2009 for the overall development of the cities of the State. As per the Government Resolution dated 18-10-2023 of the Department, the scheme has been extended for another three years from 2025–26 to 2027–28. A budget provision of Rs.14,421.94 crore has been allocated for the year 2025–26.

Under the scheme, works like,

- Water Supply, under Ground Drainage (sewerage), Infrastructural works (Roads, Traffic Management, Fly Over bridge, Anganwadi, etc.) Unique identity works, (Parks/Garden, Swimming Pool, Town Hall, Heritage Works, Pond/lake Development, Riverfront Development etc.) Works like internal road, water supply pipeline, streetlight in Private society with public participation, works related to Nagar Seva sadan (new & renovation) are included.

A detail of progress under this scheme is mentioned below (January - 2026)

- (A) Municipal Corporations :- (Infrastructural works)
Grant of Rs.4687.00 Crore have been sanctioned. Against administrative approval of total number of 2054 works of Rs.9692.83 crore given, 298 works have been completed and 1565 works are in progress and Rs.2400.64 crore Expenditure incurred by Municipal Corporations.
- (B) Municipalities: (Infrastructural works)
Grant of Rs.1265.00 Crore has been sanctioned. Against administrative approval of total number of 5382 works of Rs.1104.69 crore, 397 works have been completed and 2931 works are in progress and total Rs.42.96 crore Expenditure has been incurred by Municipalities.
- (C) Water Supply Scheme:
Administrative approvals were given to various water supply schemes amounting Rs.1537 crore to provide potable, clean and sufficient water at 140 LPCD in municipalities of the state. At present, all 159 works related to water supply are completed.
- (D) Underground Drainage Scheme (Sewerage):
Administrative approvals were given to various underground drainage (sewerage) (Phase-1) schemes amounting Rs.5785 crore for safe disposal of waste water in the municipalities of the state. Total 181 works have been approved. All 177 works are completed.
- Administrative approvals were given to various Underground Drainage (sewerage) (Phase-2) schemes amounting Rs.2525 crore for safe disposal of waste water in the municipalities of the state. Total 116 works of 116 ULBs have been approved.
- For treatment of waste water, 176 STPs have been planned to be constructed in 152 ULBs, 145 projects of Rs.2000.00 crore has been approved and among them 107 projects have been completed, and

work of 29 projects is ongoing. Remaining 9 projects are at various stages of sanction progress

2.77 Atal Mission for Rejuvenation and Urban Transformation (AMRUT 2.0 Mission)

- The Government of India launched the 'AMRUT 2.0 Mission' on 1st October 2021. All urban local bodies of the state have been included.
- With the objective of improving the quality of life in urban areas, under the AMRUT 2.0 Mission, work is being undertaken on urban infrastructure facilities such as water supply, underground sewerage, storm water drainage, urban transport and the development/renovation of gardens and lakes, etc.
- Total 927 works of Rs.16316 Cr. have taken up under AMRUT 2.0 Mission.

2.78 SMART CITIES MISSION:

- The Ministry of Housing & Urban Development, Government of India launched, the Smart Cities Mission (SCM) on 25 June 2015 with objective to provide core infrastructure and give a decent quality of life to its citizens, a clean and sustainable environment and application of 'Smart' solutions. In Gujarat total 6 cities have been selected namely Ahmedabad, Surat, Vadodara, Rajkot, Gandhinagar & Dahod. The time limit of this scheme has been extended to 31st March 2025.
- In Gujarat, total 359 projects amounting more than Rs.11,507 Cr. have been taken up by 06 smart cities amongst which 356 projects worth Rs.11,268 Cr. have been completed and 03 projects worth Rs.239 Cr. are in progress and at advance stage of completion.
- The implementation of the Mission at City level is by a Special Purpose Vehicle (SPV) created for the purpose.

2.79 e-Nagar:

- Government of Gujarat has launched e-Nagar project to bring all the Urban Local Bodies at par on a common platform with regard to e-governance and m-governance. A centralized solution e-Nagar web portal (enagar.gujarat.gov.in) is anticipated to bring citizen centric services and solution for ULBs along with tailoring of existing applications of various Municipal corporations/ULBs to this centralized platform.
- In this context, Urban Development & Urban Housing Department has appointed Gujarat Urban Development Mission as a Nodal Agency for e-Nagar Project. Total 169 locations (152 Municipalities and 17 Municipal Corporations) are covered in eNagar Project.

- e-Nagar Project covers 10 modules with 44 services as mention below:

(1) Property Tax	(6) Professional Tax
(2) Water & Drainage / Hall Booking	(7) Welfare Scheme
(3) Building Permission	(8) Complaint Module/ Grievance redressal
(4) Registration of Birth, Death & Marriage	(9) Fire & Emergency Services
(5) License Module	(10) Land & Estate

2.80 Railway Over Bridge / Railway Under Bridge (ROB/RUB)

- Under the Swarnim Jayanti Mukhya Mantri Shehari Vikas Scheme to solve the increasing traffic problem due to closure of busy railway gates in urban areas, 106 works of Railway Over bridge/Railway Under bridge of total estimated amount of Rs.3223.58 crores have been sanctioned, under 50% cost sharing with railways and 100% state assistance in special cases. According to which,
 - (1) Works to be implemented by the Urban Local Bodies/Road & Building Department.
 - 30 works costing of Rs. 694.51 crore are completed which are; Jamnagar Municipal Corporation ROB (4 works), Jamnagar Municipal Corporation RUB, Ahmedabad Municipal Corporation ROB (2 works), Ahmedabad Municipal Corporation RUB (5 works), Surat Municipal Corporation ROB, Vadodara Municipal Corporation ROB, Surendranagar ROB, Surendranagar RUB, Navsari RUB, Unjha RUB, Botad RUB, Viramgam ROB, Kadi RUB, Patan ROB, Siddhpur RUB, Himmatnagar RUB, Gondal ROB Bilimora ROB (2 works), Gandhinagar Municipal Corporation ROB, Jetpur ROB and Thangadh ROB.
 - 14 works costing Rs. 606.04 crore are in Progress which are; Ahmedabad Municipal Corporation ROB (4 works), Ahmedabad Municipal Corporation RUB (2 works), Jamnagar Municipal Corporation ROB, Junagadh Municipal Corporation ROB , Vejalpur ROB, Gandhidham ROB, Godhra RUB, Jetpur ROB, Khambhat ROB, and Morbi ROB.

- 10 works costing of Rs. 269.94 crore are at DPR/Administrative/Technical Approval which are; Bhavnagar RUB, Junagadh ROB, Junagadh RUB, Ahmedabad ROB, Ahmedabad RUB (2 works), Jamnagar RUB, Rajkot RUB (2 works) and Mehsana RUB.
- 12 works costing Rs. 166.32 crore are cancelled which are; Ahmedabad Municipal Corporation (3 works), Bavla (2 works), Ankleshwar, Palanpur, Siddhpur, Himmatnagar, Talod, Vijalpor and Porbandar.

Works to be implemented by GUDC

- 25 works costing Rs. 858.50 crore, works are in progress, which are; Palitana LC-31B ROB, Petlad L.C. 29, Patan LC-41A ROB, Himmatnagar L.C.-82 ROB, Okha LC-313 ROB +LHS, Veraval – Patan L.C.-1 & 130 ROB, Keshod L.C. 101-C-RUB, Umreth L.C.23-ROB, Bardoli L.C.-25 ROB, Vapi RUB, Gondal L.C.38 ROB, shihor 205/B ROB, Khmbhaliya 233 ROB, Ankav 13/A-ROB, Dhoraji 67/B-ROB, Visnagar 18 X-ROB, Savarkundla Nr. Market Yard ROB, Anand L.C. 04 ROB, Bopal-Ghuma L.C. 15-B RUB, Nadidad Nr. Vaishali Cinema RUB, Sikka L.C.7-C RUB, Damnagar 11/C ROB, Gandhidham L.C. 5 SPL-RUB and Talod 53-T ROB.
- 15 ROB/ RUB works are planned to be brought under progress.
- 03 work costing Rs. 132.10 crore, are at Tender stage which are; Morbi 34/B-ROB, Dhangadhra ROB 48-A, Kalol 232.
- 12 works costing of Rs. 496.17 crore are at DPR preparation stage which are; Vadnagar L.C. 36 C ROB, Anjar 12 SPL - ROB, Halvad 65-ROB, Keshod 100-X ROB, Lathi 3B ROB, Himmatnagar L.C. 10 SPL-ROB, Dwarka L.C. 209-C, Gandhidham L.C. 4-C RUB, Amreli ROB LC 19-B, Siddhpur RUB L.C. 190, Siddhpur RUB and Radhanpur ROB LC 100-2E.

2.81 Solar Power Project (SJMMSVY):

- Gujarat Urban Development Company Ltd. (A Government of Gujarat Undertaking) is a nodal agency for Implementation of Solar Power Project under Swarnim Jayanti Mukhya Mantri Shehari Vikas Yojna (SJMMSVY) in STPs / WTPs / Pumping Stations/ own building areas of other ULB of State municipalities under GOG's ambitious "Atmanirbhar Gujarat Mission"
- Electricity consumption plays a major role in all municipalities. Gujarat Government has undertaken a novel experiment of using and managing green energy(solar) to reduce financial burden of local bodies. In order to make Water supply and Underground Drainage schemes of ULBs of Gujarat self-sustainable and to deliver the duties

towards betterment of Environment and reducing financial burdens of ULBs, Solar Projects have been introduced at various locations (STP, WTP and pumping station) in the ULBs of Gujarat. GUDC Ltd. has been designated as the nodal agency under phase – I to VII by the State Government for implementation of solar projects in 220 locations with 24.9 MW installation capacity of Rs.163.87 Cr.

- Out of total 220 solar projects for which in principal approval has been given, details of 185 feasible solar projects are as under.
 - ❖ For 125 solar projects with 15332.17 kw capacity costing Rs. 110.94 cr.- projects are commissioned & power generation has started.
 - ❖ For 8 solar projects with 1132.56 Kw capacity costing Rs. 7.81 cr. - work under progress.
 - ❖ For 52 solar projects with 4884 kW capacity costing 33.74 cr. - Projects work under Tender processing Stage.
- By commissioning of all above projects, there will be an estimated annual saving of more than Rs.23 Crore.
- Further, In-Principal approval has been granted for the installation of solar plants of 400 MW under the captive use, with an estimated cost of Rs.2,996.56 crore, to extend benefits in the electricity bills of Municipalities / Municipal Corporations. The work of preparing the DPR is currently in progress.

2.82 Gujarat Metro Rail Corporation Limited:

- Gujarat Metro Rail Corporation (GMRC) Limited, a joint venture between the Government of India and the Government of Gujarat, is diligently executing the Ahmedabad Metro Rail Project Phase-I, Ahmedabad Metro Rail Project Phase-II, and Surat Metro Rail Project Phase-I and implementation of Metro Rail Project is also planned in Rajkot and Vadodara City. The corporation's aim is to establish, manage, operate, and maintain a comprehensive rail-based mass rapid transport system in Gujarat, ensuring fast, reliable, convenient, efficient, modern, and economical public transportation services.
- The main object of Gujarat Metro Rail Corporation is to cope the increase of traffic in Gujarat by expanding the mass rapid transportation system and thereby promoting Regional Economic Development and improving urban environment through mitigation of traffic congestion and decrease of automobile pollution caused by increased traffic.
- The total Length of the Ahmedabad Metro Rail Project Phase-1 is 40.03 km of which 6.35 km is underground section and 33.68 km is elevated

section. The whole city of Ahmedabad will be connected through two corridors and 32 stations. This project was sanctioned on 17th of November 2014 at a cost of Rs.10,773 Cr.

- Commercial Operation of Ahmedabad Metro Rail Project Phase-I has commenced on the entire route length from 1st October, 2022.
- Hon'ble Prime Minister of India has inaugurated 20.8 km from Motera to Gandhinagar Sector-1 of Ahmedabad Metro Rail Phase II on 16th September, 2024 and connectivity upto Sachivalaya Metro Station is established on 27 April 2025. Further, Juna Koba & Koba Gam Stations were commissioned in September 2025. Remaining 5.5 km stretch from Akshardham to Mahatma Mandir has been inaugurated by Hon'ble Prime Minister of India on 11-01-2026.
- External loan of Rs.2739.38 Crore for Ahmedabad Metro Rail Project Phase-2 has been sanctioned and agreements are signed with AFD (AGENCE FRANCAISE DE DEVELOPPMENT) and KFW (KREDITANSTALT FUR WIEDERAUFBAU).
- Company has also commenced construction activities of Surat Metro Rail Project Phase-I having length of 40.35 KM comprises of 32 Elevated Stations & 6 Underground Stations in 2 Corridors. Around 72.65% of work has been completed. The project completion of full stretch is planned to be completed in Oct'2025.
- External loan of Rs.5434.25 Crore for Surat Metro Rail Project has been sanctioned and agreements are signed with AFD (AGENCE FRANCAISE DE DEVELOPMENT) and KFW (KREDITANSTALT FUR WIEDERAUFBAU).
- Budget provision of Rs.676.40 Crore for Ahmedabad Metro Rail Project Phase I, Rs.21.12 Crore for Ahmedabad Metro Rail Project Phase II and Rs.67.98 Crore for Surat Metro Rail Project Phase-1 and Rs.262.79 Crore for Operation and Maintenance of Ahmedabad Metro Rail Project Phase-I have been proposed to the State Government in budget Estimate 2026-27.

2.83. Swachhh Bharat Mission-Urban

- Swachhh Bharat Mission Urban has been started since 2014. Hon. Prime Minister on 2nd October 2019 declared the whole of India as open defecation free and said to continue to strive to maintain this situation. The Hon'ble Prime Minister spoke about the damage caused by single-use plastic and has called to stop the use of single-use plastic by 2022. Hon'ble Prime Minister also launched Swachhh Bharat Mission Urban-2.0 on 1st October 2021 from New Delhi. Government of India has extended the period of Swachhh Bharat Mission Urban 2.0

for five years from 2021 to 2026 with new components Sustainable Sanitation, Solid Waste Management, Waste Water Management, IEC, and Capacity Building.

Solid Waste Management:

- 100% door-to-door collection of solid waste is done in 166 urban local bodies of the state. Continuous monitoring has been planned by Swachh Bharat Mission Urban in the Municipal Corporation/Municipality to maintain this operation.
- About 90.35 percent (10244 metric tons per day) out of the 11338 metric tons per day waste collected from urban bodies institutions is processed. This processing is planned to be done up to 100%.
- Detailed Project Report of all Municipal Corporations and Municipalities under Solid Waste Management has been approved. Rs.593.13 crore grant for Municipalities and Rs.705.54 crore grant have been allocated for Municipal Corporations thus a total of Rs.1298.67 crore grants have been allocated.
- Sanitation Policy was published on 31st July 2018 with 10 key objectives.
- Public Health Bylaws have been promulgated and implemented in 17 Municipal Corporations and 149 Municipalities of the State.
- Plastic waste management bylaws have been promulgated and implemented in 17 municipal corporations and 149 municipalities of the state.
- Planned to prepare a policy for Construction and Demolition Waste (C&D) Waste. The policy Facilitate utilization of C & D waste in other necessary places.

2.84 Rag Pickers, Economic Development Scheme for Workers.

- Scheme for social & economic development of Rag pickers through engaging them in plastic waste management to raise their standard of living was launched on 08-02-2021 by Urban Development and Urban Housing Development.
- According to the record of plastic waste collected by Rag pickers, for every 15 days, for the quantity of plastic collected by Rag pickers additional assistance subsidy of Rs.3/- per kg within the limit of 10 kg per person per day is provided by state government under this scheme.
- A special camp will be held for rag pickers to connect with the government's National Safai Karamcharis Finance and Development Corporation (NSKFDC), Ayushman Bharat, Pradhan Mantri Awas

Yojana, Ujjwala, Ration Card and MAA Card etc. schemes to provide benefit from various schemes of the State/Board/Corporations.

- ULBs will provide health kits like fluorescent jackets, hand gloves, raincoats, shoes/boots and masks to the registered rag pickers-workers for health protection as well as Training will be given by conducting a Training Camp.
- ULBs will provide subsidy assistance of Rag pickers-workers which will be deposited every 15 days to Aadhar seeded bank account of Rag pickers through Direct Benefit Transfer (DBT).

In the Swachh Survey 2024-25, the state of Gujarat has received the following awards.

- Ahmedabad Municipal Corporation has secured the first rank in the category of clean cities with a population of more than 10 lakhs (in the category of Million Plus Cities).
 - Surat Municipal Corporation has secured the award in the category of cities with a population of more than 10 lakhs under the "Super Swachh League" cities.
 - Gandhinagar Municipal Corporation has secured the award in the category of cities with a population between 3 and 10 lakhs under the "Super Swachh League" cities.
 - Vadodara Municipal Corporation has secured the award under the "Promising Swachh Shehar Award" category.
 - In the Garbage Free City (GFC) certification in the Swachh Survekshan 2024-25
 - Surat and Ahmedabad Municipal Corporations got 7 stars,
 - Vadodara, Rajkot, Gandhinagar, Bhavnagar and Vapi Municipal Corporations got 3 stars,
 - 3 Municipal Corporations and 16 Municipalities got 1 star.
 - Thus, out of a total of 162 Urban Local Bodies, 26 Urban Local Bodies have received Garbage Free City (GFC) certification.
- In the Open Defecation Free (ODF) certification in the Swachh Survekshan 2024-25
- 15 Municipal Corporations and 30 Municipalities of the state have received WATER+,
 - 01 Municipal Corporation and 94 Municipalities have received ODF++,
 - 09 Municipalities have received ODF+ and

- 01 Municipal Corporations and 12 Municipalities have received ODF certification
- Thus, out of the total 162 Urban Local Bodies of the state, all 162 Urban Local Bodies have received Open Defecation Free (ODF) certification.

2.85 Swachh Bharat Mission-Urban-2.0:

- Under Swachh Bharat Mission-Urban 2.0, the office of Swachh Bharat Mission has prepared a five-year plan for solid waste management sanitation, personal toilets, and public toilets in urban areas in the state. Apart from this, publicity is planned through IEC so that the said operation can reach the people and remain effective; also, a five-year plan has been planned for the training to be given to the officers/employees and elected members of the Municipality and Municipal Corporation to get information about the ongoing operations under Swachh Bharat Mission-Urban.

(1) City Solid Waste Action Plan of Rs.1909.62 crore has been sanctioned by the Ministry of Housing and Urban affairs, Government of India.

(2) City Sanitation Action Plan of Rs.297.39 crore (Individual Household Toilet Community Toilet/Public Toilet- Rs.141.84 crore for Used Water Urinal Management -Rs.155.55 crore)

(3) Information Education communication (IEC) Rs.363.33 crore

(4) Capacity Building Rs.182.67 crores

2.86. National Urban Livelihood Mission

- The Ministry of Housing and Urban Affairs, Government of India, had discontinued the Urban Poverty Alleviation and Livelihood Mission, Deendayal Antyodaya Yojana – National Urban Livelihoods Mission (DAY-NULM), from September 2014. Now, with a focus on specific vulnerable groups in urban areas by addressing the distinct challenges of urban poverty and for urban poverty alleviation, the Ministry of Housing and Urban Affairs (MoHUA) has launched a new scheme called Deendayal Jan Aajeevika Yojana (D-JAY).
- Accordingly, the Ministry of Housing and Urban Affairs, Government of India, has recently launched a new mission for urban poverty alleviation. For the pilot phase starting from 01/10/2024, the Ministry of Housing and Urban Affairs (MoHUA) has selected 25 cities. Among these, the cities of Ahmedabad, Surat, and Dahod in the state of Gujarat have been included by the Government of India. After the three-month pilot phase, the mission will be implemented across all states in the country

- Components covered under this scheme, which are as under
FINANCIAL INCLUSION & ENTERPRISE DEVELOPMENT (FI&ED)
- This component will focus on providing financial assistance to individuals /groups of urban poor for setting up profitable self-employment suited to their skills, training special aptitude and local conditions. The focus is on financial Inclusion and support for micro enterprises through subsidized credit. In this component Up to Rs.4 lakh is given to Individual micro entrepreneurs, Up to Rs.20 lakh is given for (Groups/ collective of Individuals) and loan will be given 1:6 times of corpus or Rs.1 lakh, whichever is higher in SHG Bank linkage based on saving corpus. Interest subvention will be to the extent of 8% (additional 1% for women) payable to the banks. (Effective r.o.i chargeable to male beneficiaries will be fixed at 5% and for Women it is 4%). Credit guarantee will be given to promote for loan to micro-enterprises & SHGs. A total of 523 beneficiaries has been disbursed self-employment loan assistance under this component.

COMMUNITY LED INSTITUTION DEVELOPMENT (CLID)

- The objective is to form Self-Help Groups (SHGs) / Common Interest Groups consisting of 10 to 20 men or women, so that they can save money and take loans to improve their standard of living. For this purpose, a one-time revolving fund assistance of Rs.25,000 will be provided to them. Additionally, assistance of Rs.2,00,000 will be provided to the Area Level Federation (ALF). A provision has also been made to provide a start-up fund of up to Rs.1,00,000 to the City Level Federation (CLC). Under this component, a total of 328 groups have been formed.

SOCIAL INFRASTRUCTURE

Shelter for Urban Homeless (SUH)

- The main objective of Scheme of Shelter for Urban Homeless (SUH) is to provide all-weather 24/7 permanent shelters with all basic facilities to the urban homeless. Shelters will be set up in all million pulse cities. A total of 84 shelter homes have been made operational for the urban homeless in 38 cities of the state.

Labor Chowks

- Creating labor chowks equipped with basic facilities like clean drinking water, sheds and seating to link workers and their services with potential employers in an organized manner.

City Livelihoods Centres (CLCs)

- City Livelihood Centres (CLCs) will serve as a resource centre for the urban poor & their federations to access information & awareness related to employment, skill training & social welfare schemes, and be a single stop platform for SHGs to market their goods & services.

Care Infrastructure

- Taking care of recipients such as children, the elderly and the disabled, and fostering acceptance and growth of the care workers in job.
- In New Scheme Total 26,740 beneficiaries have been identified.

2.87 Future-oriented urban planning and Implementation (Town Planning):

- As a part of using advanced technology in urban planning operations in the state, it is also aimed to make well-planned development in the state by GIS and Amrit Yojana through computerization in the offices involved in various operations of city planning. In addition, a single platform has been created for the public to view the Town Planning Scheme online. Currently, 400 Town Planning Schemes with Google Image are available on the department's website and by the end of the year, there is an aim to digitize more 600 Town Planning Schemes and place them on the web portal.
- The of cities/towns in the state the Municipalities, Gram Panchayats, and various Urban/Area Development Authorities of the state are encouraged by providing grants-in-aid up to 75 percent of the establishment expenses of Development schemes and city planning scheme proposals for well-planned development. Keeping in view the urban development of the State, Comprehensive General Development Control Regulation - 2017 (CGDCR-2017) was prepared and implemented with effect from 12/10/2017 as integrated regulations for planned development. At present, the Regulations of "Tall Building" have been incorporated in the CGDCR-2017, in pursuance of which the Residential Township Policy-2009 has also been recently amended to include the provision of "Tall Building" Regulations to facilitate the construction of iconic buildings in the Residential Township area.
- Officers/employees serving in the Town Planning and Evaluation Department are sent to participate in training related to various administrative subjects organized by Sardar Patel Lok Prasasan Sansthan (SPIPA) as well as training related to technical subjects organized by The Gujarat Institute of Disaster Management (GIDM).
- The Online Development Permission System- (ODPS) has come into force on dt.01.05.2018 in the State. To ensure that construction

permissions are available in a reasonable time with speedy and transparent way Online Development Permission System-2.0 (ODPS-2.0) has come into force on 03.12.2020. In the year 2025 31 draft TP Scheme, 38 Preliminary TP Scheme and 41 final TP Scheme have been prepared.

- URBAN HOUSING

2.88 Pradhan Mantri Awas Yojana-(Urban)

Inception of the scheme:

- Government of India has launched the Pradhan Mantri Awas Yojana - Housing for All Mission in June 2015 with the aim of ensuring that every homeless person gets a permanent home of their own with infrastructure facilities. After the grand success of Pradhan Mantri Awas Yojana (Urban), Government of India has announced Pradhan Mantri Awas Yojana (Urban) 2.0 in September 2024. State Government has implemented the scheme in the state vide resolution dated 24/03/2025.

Purpose of the Scheme:

- The objective of the scheme is to have slum free city/towns and provide affordable housing to the beneficiaries of urban poor and urban middle income group in urban areas.

Eligibility of Beneficiary

- Families (Husband, wife and unmarried children) belonging to EWS category whose annual family income is up to Rs.3.00 lakh and who do not have self-owned house anywhere in India are eligible to apply under the scheme.

Four Major Components of Housing for All Mission:

- (1) Affordable Housing in Partnership (AHP)
- (2) Beneficiary-led Individual House Construction or Enhancement (BLC)
- (3) Interest Subsidy Scheme (CLSS)
- (4) Affordable Rental Housing (ARH)

Achievements under the Scheme:

- 78,856 houses have been approved under Pradhan Mantri Awas Yojana (Urban) 2.0 in till December 2025 in 2025-26 year. With new target of sanctioning 65000 houses in 2026-27, budget provision of Rs.952.58 Cr. has been approved. The works of 9.13 lakh houses have been completed out of 9.57 lakh houses approved under Pradhan Mantri Awas Yojana (Urban).

2.89 Roads:

- At the end of the year 2023-24, the total length of roads in the State was 80706 Kms. (except Non-plan, Community, Urban and Project roads) which is 79725 Kms. at the end of 2024-2025. The reduction in the planned road length was due to transfer of the road to municipal corporation, municipalities etc. Out of the total road length of 79725 km the length of surfaced road was 78984 Kms. (99.07 percent), and unsurfaced road was 741 Kms. (0.93 percent).
- At the end of the year 2023-24, Non-Plan length of roads in the State was 52224 Kms. during the year 2024-25 additional 2831 Kms. length was completed under yojanas like Mukhya Mantri Gram Sadak Yojana (MMGSY), kisanpath yojana etc. So Non-Plan length of roads had increased to 55055 Kms. at the end of the year 2024-25. Out of the total road length of 55055 Kms. (Non-Plan), the length of surfaced roads was 50131 Kms. (91.06 %) and unsurfaced roads was 4924 Kms. (8.94%).
- Total road length (Plan + Non-Plan) in the State at the end of the year 2024-25 was 134780 Kms. Out of which, the length of surfaced roads was 129115 Kms. (95.80 %) and unsurfaced roads was 5665 Kms. (4.20 %).
- At the end of the year 2024-25, out of the total planned road length of 79725 Kms. the length of National Highways was 6742 Kms, State Highways was 15772 Kms., Major District Roads was 19513 Kms., Other District Roads was 9880 Kms. and Village Roads was 27818 Kms.
- Total road (Plan) length equivalent to length of Standard Single Lane (SSL) (1 SSL=3.75 m) was 129945 Kms. at the end of the year 2023-24. While, due to widening of road (Plan) during the year 2024-25, this equivalent length was 134936 Kms. at the end of the year 2024-25.
- Total road (Non-Plan) length equivalent to length of Standard Single Lane (SSL) (SSL=3.75 m) in the State was 51813 Kms. at the end of the year 2023-24. While, due to widening of road (Non-Plan) during the year 2024-25 this equivalent length was 55307 Kms. at the end of the year 2024-25.
- Hence, Total road length (Plan + Non-Plan) is 134780 Kms., whereas length of Standard Single Lane (SSL) (SSL=3.75 m) in the State is 190243 Kms. at the end of the year 2024-25.
- Note: F1 and F2 statistics booklet ending March, 2025 is under preparation. So All data shown here are provisional.

2.90 Electrification of Agriculture Wells and Petaparas (TASP)

- Electrification of Agriculture Wells and Petaparas in Tribal Areas under the Tribal Area Sub-Plan Scheme is being carried out by DISCOMs.
- For electrification of AG Wells under Tribal Area, the State Government is providing Share capital for HT/LT lines, Transformer Centres.
- Applicant has to pay Registration Charge, Security deposit, Agreement fee and test report fee only.
- Vanbandhu Kalyan Yojana-II (VKY-2) was announced in the FY 2021-22 to provide better facilities to the Tribal area people in addition to the electrification work of Ag Wells & Petapara. The existing scheme has been expanded to provide more reliable and quality power supply in Tribal area by using better voltage profile with modern technology. The following activities are included in VKY-2.
 - Install/replace medium voltage cover conductor
 - replacing the old / deteriorated conductors along with associated materials
 - Install Aerial Bunch Cable (ABC) in place of bare conductor
 - Work of High Voltage Distribution System (HVDS)
 - Work of feeder bifurcation
 - Strengthening work of Transmission network and Sub-stations

A Financial Provision of Rs. 500.00 Cr. is made for the FY 2026-27, under this scheme.

2.91 Schedule Caste Sub Plan scheme

- Household electrification of SC beneficiaries is done under the Scheduled Cast Sub - Plan (SCSP) grant, received from the State Government.
- Free household connection is provided to the schedule caste family in any area across the state.
- The beneficiary has to apply with the caste certificate from Social Welfare Department. Beneficiary has to pay electricity bill for electricity consumption.
- The allocated funds are also used for the system strengthening work in electrified area.
- A financial Provision of Rs. 3.31 Cr. is made for the FY 2026-27, under this scheme.

2.92 AG Wells electrification of Schedule Caste farmers

- The Central Government as well as the State Government is recommended to use the budget provision of at least 7.09% of the total annual plan of the State only for the beneficiaries of Scheduled Castes of the State.
- In order to differentiate some of the provisions of the Annual Plan for the Scheduled Castes, the State Government is providing financial allocation under the Scheduled Caste Sub- plan (SCSP) to provide agricultural connection to the Scheduled Caste farmers in the State on priority basis from the year 2015-16.
- The cast certificate issued by Social Welfare Department must be submitted with the application.
- The expenditure of HT/LT line, and Transformer Centers is not borne by the applicant under this scheme.
- The applicant has to pay only Registration Charge, Security Deposit, Agreement Fee and Test report fee.
- A Financial Provision of Rs. 13.26 Cr. is made for the FY 2026-27, under this scheme.

2.93 Agriculture Well electrification Scheme for Normal & Dark Zone (Capital)

- From the FY 2012-13, State Govt. is providing Share Capital with aim to electrify more wells to clear back log of huge pending Ag. Applications under Normal scheme in non tribal areas.
- The expenditure of HT/LT lines, Transformer Centers are not borne by the applicant under this scheme.
- The applicant has to pay Registration Charge, Security deposit, Agreement fee, fix service connection charge and Test report fee only.
- As per the norms, applicant has to compulsory adopt drip irrigation system under Dark zone area.
- A Financial Provision of Rs. 728.65 Cr. is made for the FY 2026-27 under this scheme. Out of which, Rs. 6.10 Cr. is allocated for Ag feeder bifurcation work.

2.94 Zupada Vijalikaran Yojana (Hutments)

- The Gujarat Government has implemented Zupada Vijalikaran scheme for providing single phase Connections with single point wiring at free of cost to poor beneficiaries of urban and rural areas of the state.
- BPL beneficiaries whose names are published on website of Rural Development for all castes in Rural and urban areas or poor families

which are not in BPL list but whose maximum annual income is Rs. 1,50,000 for urban area and Rs.1,20,000 for Rural area are eligible to avail Single phase Electricity connection.

- The list of beneficiaries including the forms is provided to the concerned DISCOMs by the Municipal Commissioner / Chief Officer for the urban area and by the Taluka Panchayat for the rural area.
- 100% Grant is provided by State Government under Zupada Vijalikaran scheme.
- Under this scheme free of cost household connection with single point wiring is provided. Beneficiary has to pay electricity bill for electricity consumption.
- Financial Provision of Rs. 14.67 Cr. is made for the FY 2026-27 for this scheme.

2.95 Kutir Jyoti Scheme

- The Tribal beneficiaries shown on website of Rural Development Department or Tribal family whose maximum annual income is Rs.1,50,000 for urban area and Rs.1,20,000 for Rural area are all covered under this scheme.
- List of beneficiaries will be provided by Prayojana Adhikari to DISCOMs. Beneficiary has to pay electricity bill for electricity consumption.
- 100% Grant is provided by State Government under Kutir Jyoti Scheme.
- Under this scheme free of cost household connection with single point wiring is provided.
- Financial Provision of Rs. 4.45 Cr. is made for the FY 2026-27 for this scheme.

2.96 Sagarkhedu Sarvangi Vikas Yojna

- Humidity and the saline atmosphere of the Coastal area cause corrosion of Conductors, Poles, Distribution Boxes & service lines, failure of Disc and Pin insulators, etc. which in turn affect the quality of power supply. Due to insufficient power supply Industries suffered and fatal accidents of people and animals took place. To improve the infrastructure and uplift the life of the people living in the coastal belt, State Government has declared “Sagarkhedu Sarvangi Vikas Yojana” on 6th March, 2007 This Scheme is a 12 point programme, Energy Development is one of them.

- This Scheme covers 15 Coastal Districts namely Valsad, Navsari, Surat, Bharuch, Anand, Ahmedabad, Jamnagar, Junagadh, Kutchh, Bhavnagar, Porbandar, Amreli, Gir somnath, Devbhumi Dwaraka & Morbi includes 39 Coastal Talukas.
- Following activities are carried out under this scheme activities
 - (1) Strengthening of Distribution line
 - (2) Strengthening of Transmission Line with Replacement of Conductors,
 - (3) Erection of new 66 KV Substations
- Further, under this scheme, Agriculture wells are also being electrified in coastal area of PGVCL.
- Financial Provision of Rs. 51.30 Cr. is made under Revenue Head and Rs. 382.00 Cr. is made under Capital Head for the FY 2026-27.

2.97 Kisan Hit Urja SHakti Yojana- KHUSHY

- KHUSHY is conversion of Low Voltage Distribution System into High Voltage Distribution System in rural areas for agricultural feeders by installing smaller size of Distribution Transformers near to load thereby reducing LT Lines up to negligible level by converting it into HT Line.
- In order to improve voltage profile and to ensure pilferage free system, one of the several remedial measures is reducing LT line (System). The whole idea is to have Less LT system and gradually move on to LT Less system.
- A Financial Provision of Rs. 55.00 Cr. is made for the FY 2026-27 for this scheme.

2.98 TASP Sub-stations & Lines

- For establishing infrastructure in Tribal rural area. The Transmission Company (GETCO), the subsidiary company of GUVNL, executes the Transmission infrastructure work for development of the Tribal Area by creation of new substations with associated lines and addition of installed capacity of existing substations under TASP Schemes.
- A Financial Provision of Rs. 100.00 Cr. is made for the FY 2026-27 for this scheme.

2.99 Distribution Infrastructure Shifting Scheme (DISS)

- Objectives/Aims of the Scheme: - It is essential to shift/replace the distribution lines & related infrastructure in Municipal Corporation, Municipality areas and areas covered under Urban Development Authority (UDA)/Rural Development Authority, if it is obstructing during road widening or obstructing to the existing roads in order to

provide the essential service of continuous & reliable power supply to the citizens.

- Financial Provision of Rs. 100.00 Cr. as Share capital is made for the FY 2026-27 for this scheme.

2.100 Assistance to GUVNL for Research and Development in Power Distribution System

- Looking to the rate of overall development of the state, demand for the energy is rising exponentially. In view of this, State needs to develop critical capacities and capabilities in new energy research.
- By carrying out various kinds of experiments for updating or further improving the designs of different types of materials/devices & working style presently used by DISCOMs, the reliable and quality power in the state could be served.
- Apart from this, R&D work is being carried out to make the power distribution sector adaptable to the situation of Gujarat by in-depth study of the innovations and new technologies used in different regions of the other countries.
- To achieve this, financial provision has been provided by GoG to establish the R &D Cell during the FY 2016-17.
- A Financial Provision of Rs. 6.00 Cr. is made for the FY 2026-27 under this scheme.

2.101 Sardar Krushi Jyoti Yojana.

- The Project Objective is to improve and enhance public services and facilities through reliable & quality power supply by replacing the old / deteriorated conductors along with associated materials and feeder bifurcation wherever required in Agriculture Feeders in the State.
- A Financial Provision of Rs. 70.00 Cr. is made for the FY 2026-27 under this scheme.

2.102 Revamped Distribution Sector Scheme (RDSS)

- Revamped Distribution Sector Scheme (RDSS) has been launched by Ministry of Power, New Delhi across India with National level financial outlay of Rs. 3,03,758 Cr. with an estimated Gross Budgetary Support (GBS) of Rs. 97,631 Cr. (dtd. 20.07.21) to provide reliable and quality power supply. The plan is to reduce AT & C losses to 12-15% at the national level and reduce the ACS-ARR gap to zero. The main parts covered under the scheme are as follows.
- Parts of the Scheme:
 - Part-A
 - Component I: Metering
 - Component II: Work related to Distribution Infrastructure
 - Component III: Project Management

- Part-B
Training, Capacity Building and other Enabling & Supporting Activities.
- The scheme includes the installation of prepaid smart meters on electricity installations other than agricultural consumers under smart metering, communicable meters on transformers and distribution infrastructure works for loss reduction and system strengthening, including feeder segregation, HVDS/transformers, aerial bundled cables/MVCC, feeder reconfiguration, earthing, reconductoring, SCADA/DMS, ERP and billing solutions, smart feeder monitoring systems, new substations/augmentation capacity and related works, including project management activities.
- Financial Provision of Rs. 500.00 Cr. is made for the FY 2026-27 under this scheme.

2.103 Overhead to Under Ground network in the State

- State Government share capital assistance has been provided for conversion of existing overhead distribution network into underground cable network (distribution infrastructure) in important religious / historical / tourist places, places of pilgrimage, metropolitan municipalities, municipalities, special investment zones (SIRs), industrial hubs, areas with high power distribution losses, densely populated areas across the state & New infrastructure as per requirement.
- Financial Provision of Rs. 100.00 Cr. is made for the FY 2026-27 under this scheme.

2.104 Cyclone Resilient Network

- In coastal areas that are frequently affected by heavy rains, cyclones, etc., provision has been made to ensure continuous power supply by establishing a cyclone-resistant power network through the work of converting overhead transmission and distribution power network into underground power network and installing related equipment and all necessary works related to it.
- Financial Provision of Rs. 100.00 Cr. is made for the FY 2026-27 under this scheme.

2.105 Kisan Suryodaya Yojana (KSY)

- The farmers have been requesting for a long time to give power supply during daytime. To meet the demand of the farmers, the Gujarat Government has adopted an innovative approach to provide daytime Electricity to the farmers by implementing the "Kisan Suryodaya Yojana". Under this scheme, Day time electricity is planned to be provided to farmers on agricultural feeders during

5.00 am to 9.00 pm for 8 hours.

- Further, in view of the increasing prevalence of solar generation in the state, it is planned to supply electricity to agricultural feeders in one shift from 7.00 am to 5.00 pm during the day. There is a need to enhance the transmission infrastructure in the state to provide daytime power supply to agricultural consumers.
- Financial Provision of Rs.500.00 Cr. is made for the FY 2026-27 under this scheme.

2.106 Energy Conservation Scheme

- Under Energy conservation scheme seminars, rally, slogan / competitions etc., public awareness activities are carried out for purpose of public awareness for Energy Conservation., at various places across the state.
- Various activities like replacement of water pump sets, motors, lighting, fans, installation of VFDs etc. are being undertaken in GUVNL and its subsidiaries to improve energy efficiency.
- Moreover, Conversion of Low Voltage Distribution System (LVDS) into High Voltage Distribution System (HVDS) is being done for redressal off low voltage complaints.
- In addition, seminars, energy conservation related exhibitions, advertisement in newspapers, banners/posters/pamphlet, Short documentary films etc., activities are carried out at regular interval in different District of the state. Moreover, under this scheme, participations in different exhibitions like Enersia, Vibrant Gujarat within & outside Gujarat are also carried out.
- Moreover Energy audits are also being conducted.
- Financial Provision of Rs. 100.00 Cr. is made for the FY 2026-27 for this scheme.

2.107 Centrally Sponsored PM KUSUM Scheme Component –B (CSS)

Objective:

Individual farmers will be supported with subsidy to install standalone Solar Agriculture pumps or replacement of existing diesel Agriculture pumps/ irrigation systems in off-grid areas, where grid supply is not available. CFA will be limited to the CFA applicable for pump of 7.5 HP.

Beneficiaries: Farmers who are not having conventional electricity connection on their farm.

- **Financial mechanism:** 30% CFA (of the benchmark cost or tender cost, whichever is lower) from MNRE up to 7.5 HP, 30% Subsidy in line with MNRE from State Government and 40% Contribution along with difference of CFA by farmers.

- Special Provision for the Applicants for which line passes through the Forest Area:-
GoG has issued GR to provide 40% of farmer's contribution by subsidy, against the additional expenditure incurred towards Compensatory afforestation charges and N.P.V (Net Present Value) charges.
 - Fixed charges as per conventional Ag. connection to be paid by farmer under non-tribal area.
 - No contribution by the farmers under tribal area.
- Sunset date of PM KUSUM Scheme is 31-03-2026. In anticipation of further extension of PM KUSUM Scheme or PM KUSUM 2.0, financial provision of Rs. 200.00 Cr. is made for the FY 2026-27 under this scheme.

2.108 Assistance to GUVNL for waiver of regulatory charges for new rooftop solar up to 6 KW to residential consumers under PM Surya Ghar : Muft Bijli Yojana

- PM Surya Ghar: Free Electricity Scheme was announced by the Hon'ble Prime Minister on 13th February 2024, which aims to benefit one crore families by providing free electricity up to 300 units. Under this scheme, the state government provides relief of Rs. 2950 (meter, meter testing, meter box and connectivity charges) to residential electricity consumers for installing new solar systems up to 6 KW.
- A financial provision of Rs. 50.00 crore has been made under this scheme for the financial year 2026-27.

2.109 The Government of Gujarat has established a separate Climate Change Department in 2009 to take precise actions on climate change. This department is the first of its kind in Asia. The department was formed to coordinate and collaborate among different departments of the state as well as to provide support, advice and guidance to tackle global temperature issues and prevent climate change effect.

2.110 Activities carried out by Gujarat Energy Development Agency:

- Under the Gujarat Renewable Energy Policy – 2023 announced by the state government to promote clean and green power generation in the state, a total of 6297.35 MW solar power capacity has been have been commissioned state by November, 2025 during the current year. Thus, the total solar generation capacity of the state has increased to 24,794.01 MW
- Under the Gujarat Renewable Energy Policy – 2023 announced by the state government to promote clean and green power generation in the

state, wind farms of 1960.5 MW more have been commissioned in the state by November-2025 during the current year. Thus, the total wind power generation capacity of the state has increased to 14637.98 MW.

2.111 Gujarat Climate Action Tracker Dashboard

- India's first Climate Action Tracker dashboard created by any state, which shows district-wise carbon emission information. It was launched on 05/06/2025 by Hon'ble Chief Minister Shri Bhupendrabhai Patel.
- This portal monitors greenhouse gas emissions and climate-related activities taking place across in districts. This platform includes data received from sectors such as energy, agriculture, industry, waste, etc., so that information-based climate action is encouraged and district-wise decarbonization plans can be prepared, which will help in achieving net-zero target for both the state and the country.
- The dashboard also provides important insights regarding the adoption of renewable energy, the spread of electric vehicles and future climate predictions.

2.112 Startup Acceleration program:

- Climate Tech Accelerator 2025, which has been jointly started by AIC – GUSEC and the Indian Institute of Sustainability with the support of the Climate Change Department, has today become a prestigious platform at the national level. Out of the 152 applications received from across the country, 25 high-potential startups have been selected and guided to create innovation, scalability and impactful influence on the climate. These startups are providing advanced solutions for critical environmental challenges such as solar and wind energy, circular economy, waste-to-value creation, EV charging, green mobility, water and air purification and modern energy storage.

2.113 Measures to Mitigate the Effects of Climate Change in Districts and Promotion of Mission LiFE (LiFE) Activities:

- To bring Mission LiFE into the mainstream across the state, guidance has been provided for various activities at institutional and community levels. To ensure that people can remember easily and the message of behaviour change reaches people more effectively, the introduction of a mascot named "Prakruti" was ensured. Through close coordination with districts, various line departments and educational institutions, lifestyle-based activities such as energy saving, water conservation, waste reduction and sustainable consumption were widely expanded.

2.114 Climate Change Fund of Gujarat:

- With the aim of promoting advanced climate change technology, research, and innovation, the state government has established the “Climate Change Fund of Gujarat (CCFG)” with a budget provision of Rs. 25 crore. This fund provides financial support for research, technology development and pilot projects related to climate change in the state and enables researchers, startups and educational institutions to develop next-generation climate solutions.

2.115 Scheme for Installation of solar systems on government buildings:

- Under this scheme, solar rooftop systems with a capacity of 4.40 MW have been installed on 409 government buildings at an expense of Rs.32.04 crore on various government buildings with 100% full government assistance, during the current year up to December 2025. Also, so far, a total of 5046 government buildings have been equipped with solar rooftop systems of 82.42 MW at an expense of Rs.378.51 crore. Due to this, annual carbon emissions have been reduced by a total of 70,810 tons (194 tons/day). Furthermore, through this scheme, for every one rupee spent, there is an annual saving of 15 paise in electricity.

2.116 Installation of improved Crematory Furnaces in State Crematoriums:

- Under this scheme, in the crematoriums owned by Gram Panchayats, Taluka Panchayats, Municipalities, Municipal Corporations, during the year of 2025-26 up to December -2025, 551 improved crematoria have been installed at a cost of Rs. 1.93 crores. As on date a total of 10103 improved crematoria have been installed at a cost of Rs. 48.78 crores.

2.117 Subsidy (Assistance) for Institutional Biogas Plant:

- Under this scheme, Rs. 7.66 crores assistance has been provided to Gaushalas/Pinjrappoles/Educational Institutions/Charitable and Religious Trusts/ Cooperative Sugar Industries etc. for setting up of 24 plants with a total capacity of 1785 cubic meters per day by December -2025 during the current year. As on, date total assistance of Rs. 61.87 crores has been provided for the establishment of 661 plants, with a total capacity of 41,560 cubic meters per day.

2.118 Subsidy (Assistance) on Battery Operated Two Wheelers:

- Under this scheme, during the year of 2025-26 up to December -2025 subsidy (assistance) of Rs.1.66 crore has been provided to 1336 students studying in schools from standards 11&12 and in colleges

through DBT for battery Operated Two Wheelers. As on date total subsidy (assistance) of Rs. 61.71 crore has been provided to 55,086 students through DBT.

2.119 Scheme for Installation of Solar Water Heating System at Government Hostels / Adarsh Residential Schools:

- Under this scheme, solar water heating systems have been installed on government hostels, Adarsh Residential Schools, residential schools and rest houses at pilgrimage. During the year of 2025-26 up to December -2025 solar water heating systems were installed on 9 government buildings with capacity of 44,500 litres per day at a cost of Rs. 0.77 crore. As on date, solar water heating systems have been installed on total 611 government buildings with capacity of 22.29 lakh liters per day at a cost of Rs. 36.03 crore.

2.120 For forensic examination of HDD, Cell phone, DVR, Computer CPU, Laptop cases; recovering, analyzing and copying the data contained in digital evidence using precise forensic methods is a complex process and the size of the data contained in the digital device is also very large. Therefore, there is a need for a digital forensic lab station to quickly and accurately examine this digital evidence and make the forensic examination of cases faster and more accurate.

2.121 All types of forensic tests can be performed by installing all the tools used in forensics in the digital forensic lab station. Thus, the digital forensic lab station is a primary requirement for testing digital evidence. This lab station has the feature of connecting all types of digital devices. Write blocking devices are connected to this lab station. So, the evidence found in the digital devices for forensic investigation in the crime can be obtained in whatever condition it is.

Chapter - III

Employment and Skill Development

3.1 Employment Wing:

- Unemployment Rate is calculated vide the Periodic Labour Force Survey of Ministry of Statistics and Programme Implementation (MOSPI), Govt. of India in which four different age groups - (1) 15-29 years (2) 15-59 years (3) 15 years & above (4) all age groups are covered. Unemployment Rate is calculated by UPPS (Usual Principal & Subsidiary Status Approach). UPPS means a person is associated with economic activities for more than 30 days during the survey period.
- According to the Annual Report of the Periodic Labour Force Survey published in September 2024, based on the survey conducted across all age groups during the period from July 2023 to June 2024, Gujarat has the lowest unemployment rate among all the states in the country.
- As per state employment exchanges data, till the year 2024-25, total 3,56,321 candidates were registered and 2,99,828 candidates were provided employment. During the year 2025-26 (till December-2025), 2,53,659 candidates have been registered in the employment exchange office and 2,14,313 candidates have been provided employment.

3.2 Directorate of Employment & Training:

- Directorate of Employment & Training is functioning under the Labour, Skill Development and Employment Department, Government of Gujarat. Main function of department is to provide vocational guidance and employment services. To achieve this, employment exchanges sponsor names of candidates registered to Private and Public Sector employers as per vacancies notified by them. 46 employment exchanges are functioning under Directorate of Employment and Training to assist candidates registered with employment exchanges.

3.3 New Employment Policy-1995:

- New employment policy-1995 is in force from 1/4/1995. According to policy, all manufacturing industries in the state should employ minimum 85% of employees of worker category and a minimum of 60% of employees of managerial and supervisor category and overall 85% of employees from the local persons. The scheme is implemented

since its inception across all types of industrial units of the public sector as well as private sector.

- The persons staying in Gujarat minimum for last 15 Years should be considered as local residents. Review of local employment policy is done at the end of June and December in every year. The implementation of the said policy for the private sector industries which do not receive incentives as well as public sector undertaking units of Central/State Government is done by the Labour and Employment Department. The implementation of the said policy for the Industries which receive incentives is done by the Industries Commissioner. List of Private Sector Industries who do not maintain percentage of local employment as prescribed is sent to the Industry commissioner for implementation of Local Employment Policy.

3.4 Gujarat Ranked first in providing jobs:

- As per the report published by the Directorate General of Employment, Ministry of Labour & Employment, New Delhi, Gujarat stands first in providing jobs to the candidates through Employment Exchanges. Out of total placement of 6,44,600 of all states of India in the year 2022, contribution of Gujarat was 2,74,800 which accounts to 43 %.

3.5 Industrial Job Fairs:

- As a result of huge investment and industrial development in the state, more job opportunities are created. The Directorate of Employment & Training, Gujarat started a novel idea of organizing Industrial Job Fairs with the objective to provide skilled manpower to the industrial units of private sector. Vacancies from the private sector are collected and the Exchange acts as a facilitator between industries & job seekers.
- In the Year 2025-26 (till Dec-2025), 967 industrial job fairs were organized, By employment exchanges 1,55,931 vacancies were obtained from private sector employers. 4,120 employers participated in these job fairs and 82,262 candidates were selected.

3.6 Defence Recruitment Rallies and Residential Training Scheme:

- To increase the representation of Gujarat's youth in defence forces, free residential training scheme is under implementation since 2012. In the year 2025-26 (till Dec-25), 01 Army Recruitment Rally was organized at Himmatnagar.
- To increase the representation of Gujarat's youth in defence forces, 30 days pre recruitment training scheme is in force which imparts training to candidates by organizing training classes. In the year 2025-26, 30 days pre-recruitment training was imparted to 1394

candidates in 47 classes for recruitment in Army/Air force/Navy/Para Military forces and police forces.

3.7 Training before recruitment in Army/Air force/Navy / Paramilitary and Police:

- Training is imparted to the candidates of bordering districts at BSF-Headquarters Dantivada, Gandhidham, Bhuj and Gandhinagar by organizing training classes in co-ordination with BSF before recruitment in Army/Air force/Navy / Paramilitary and Police Force. In the year of 2024-25, 177 candidates trained in 06 classes for recruitment in Army/Air force/Navy/Para Military forces and police forces.

3.8 Self-employment Camps:

- Career progression through self-employment is a promising alternative to wage employment. To motivate jobseekers for self-employment, motivational camps are arranged by Employment Exchanges at district and taluka levels.
- 640 self-employment camps were organized in the year 2025-26 (till Dec-2025) in which 86,707 candidates were motivated.

3.9 eMPEX-b:

- To enhance employment services, eMPEX-b was registered under the Society Act, 1960 in the F.Y.2014-15. Counseling and Vocational guidance is provided by career counselors appointed in 28 Employment Exchanges.

3.10 Establishment of Model Career Centre under National Career Service Scheme:

- By Director General, Employment of Ministry of Labour and Employment Government of India under National Career Service project for Employment Exchanges, employment offices are to be converted into Model Career Centers.
- In the first phase of setting up 100 model career centers in the country, Vadodara & Surat of Gujarat are selected by the Central Government. Model career centers at Bhavnagar, Rajkot, Sardar Patel University-Anand, Mehsana, Gandhinagar, Nadiyad, Himmatnagar, Dang, Bharuch, Jamnagar and Ahmedabad are also approved. Thus, thirteen model career centers are approved. The state Government has started Career Centers in the remaining districts. Career counselling and vocational guidance is provided in these centers. Model Career

Centers, whereas 02 career counsellors have been appointed in each District Employment office by the state Government.

- These Center works for enhancing the employability of the candidates by organizing Programmes like career counselling, career guidance, job fairs, etc. with the help of National Career Service portal and I.T. Platforms.

3.11 Overseas Employment & Career Information Centre:

- With an objective to provide valuable information to the youths regarding education and/or employment abroad, Overseas Employment & Career Information Centers are operational at Ahmedabad, Vadodara and Rajkot.
- 33,123 candidates were guided in state-wide 228 guidance seminars organized during the year 2025-26(till Dec-2025).

3.12 Anubandham web portal:

- “Anubandham” web portal and “Mobile App” was launched in order to provide job opportunities to the youth of the state and skilled manpower to the employers. As of 20/01/2026, a total of 486,723 candidates and 54,157 employers have registered on the Anubandham web portal.

3.13 SAKSHAM (KVK 2.0):

- The main objective of the “SAKSHAM” (KVK 2.0) scheme is to establish skill and entrepreneurship development programs at the block/rural level for various groups of rural and peri-urban beneficiaries in the State. The primary aim of the scheme is to empower beneficiaries with skills for employment and entrepreneurship by enabling various skill programs at the block/rural level, establishing KVKs at the district/block level and increasing access to skill programs. Additionally, entrepreneurship is promoted through startup creation support for aspiring beneficiaries.

3.14 NSQF-Level Short-Term Courses:

- In line with the National Policy of the Government of India on skill development, the Gujarat Skill Development Mission, Gandhinagar, functioning under the Labour, Skill Development and Employment Department of the State Government, continuously undertakes innovative initiatives for skill development of the youth of the State. Accordingly, to strengthen skill development in the State, various Industrial Training Institutes (ITIs) have started industry-need-based short-term courses at different NSQF levels. The main objective of this

scheme is to provide meaningful, industry-oriented skill training to the youth of the State, help them earn livelihoods in their areas of interest and create opportunities for self-employment.

3.15 Mukhyamantri Bhavishyalakshi Kaushalya Vikas Yojana (MBKVY):

- The Gujarat Skill Development Mission under the Labour, Skill Development and Employment Department implements various skill development programs. Under these programs, short-term New Age Courses based on current skill requirements have been introduced across the State.
- In accordance with the national policy on skill development, the Government of Gujarat remains committed to introducing innovative initiatives for youth skill development. With the objective of creating a skilled workforce, the Mukhyamantri Bhavishyalakshi Kaushalya Vikas Yojana (MBKVY) has been implemented to ensure that trainees receive quality training aligned with current technologies.

3.16 Project Sankalp:

- Under the Labour, Skill Development and Employment Department, the Gujarat Skill Development Mission, Gandhinagar, continuously undertakes innovative initiatives for the skill development of the youth of the State. In this context, to provide industry-demand-based skill training and employment opportunities, short-term skill-oriented training programs are being conducted directly at industrial establishments by industries themselves. The main objective of this scheme is to create employment opportunities by providing training at industrial premises themselves as per industry demand and requirements.

3.17 Cluster-Based Local Institute of Vocational Education (LIVE):

- In the year 2023-24, a new scheme titled Cluster-Based Local Institute of Vocational Education (LIVE) was launched by the Labour, Skill Development and Employment Department.
- Under this scheme, to ensure holistic social development, LIVE centers are being established at Government ITIs based on local demand, in collaboration with district-level GIDC, industry associations and industries in informal and formal courses. The primary objective is to skill, re-skill and up-skill local candidates and generate local employment/self-employment opportunities in collaboration with district-level GIDC, industry associations/Govt Industrial Training

Institute by organizing training sessions. The scheme also aims to strengthen Government ITI infrastructure and ensure the availability of skilled manpower for GIDC units and small-scale industries, enabling youth of Gujarat to become employable through skill enhancement. Beneficiaries from rural, semi-urban, and urban areas of respective districts can avail benefits under this scheme.

- Under the LIVE scheme, trainees will receive a stipend equivalent to 50% of the minimum wage, paid through Direct Benefit Transfer (DBT).
- Short-term courses based on local demand such as Food Packer, PCB Assembly Operator, Edible Oil Packaging Operation, Agricultural Equipment, Organic Farming, Checker Inline and Measurement, Jigger Machine Operator, etc., will be conducted to skill the youth of the State.

Chapter – IV

Tribal Development Program

4.1 A Historical Perspective:

- Tribal families in Gujarat are marginalized as in other parts of India. The reasons for this include low levels of education, inadequate nutrition and lack of basic amenities. Tribal population covers 18% of the geographical area of Gujarat. They live predominantly in isolated pockets, hilly and forested areas.

4.2 Development framework:

- To ensure a better quality of life for the tribal population, the Constitution of India has advocated the policy of positive discrimination and affirmative action. For instance, there is affirmative action for reservations in the legislature, government jobs and educational institutions in proportion to the tribal population. Special protection is also given to Scheduled Areas that are predominantly populated by Scheduled Tribes.
- Recognizing that constitutional safeguards to improve the quality of life of the tribal population need to be backed with financial provisions, the concept of Tribal Area Sub Plan (TASP) was introduced in 1974 in which financial allocations at the Central and State level are made in proportion to the population of tribal communities. The Tribal Development Department in each state is entrusted with the planning and budgetary powers for TASP funds. The Integrated Tribal Development Projects (ITDP) also began to be implemented in the 1970s through specially empowered Project Administrator. These officials have considerable powers over activities of other agencies working in the field and they monitor the work of other departments.
- To facilitate participatory and decentralized planning in Gujarat, a unique programme known as 'Gujarat Pattern of Financial Allocation' was launched in tribal areas in 1998. The Gujarat Pattern funds are specially intended for bridging the missing links in interventions and aim at economic development and creation of local infrastructure. The initiative also earmarks necessary of the funds to support major inter-district projects.
- The progress made on the ground has been encouraging, especially in agriculture and horticulture-based Programmes; dairying; water harvesting; irrigation; skill upgrading; and provision of basic amenities such as roads and electricity. Considerable attention has

been given to the development of tribal areas in Gujarat during the last two decades and streamlined machinery for providing necessary inputs to the target population was created. Due to these efforts, the poverty levels have declined, literacy levels have improved and a reasonable infrastructure (both social and civil) has been created. These efforts have improved the physical quality of life in these areas. However, some analysis shows that the State's poverty is concentrated in these areas, gaps between tribal and non-tribal areas in terms of social indicators have remained the same and quality of outcomes between these areas is not uniform. In the light of this disparity, the present strategy and approaches were re-examined and it is now being felt that outcome based, high quality interventions with the help of experts & stakeholders is to be initiated to quickly bridge the gap between these areas.

4.3 An introduction to CM's Ten Point Programme:

- The Government of Gujarat has launched a bold and unprecedented initiative-the 'Chief Minister's Ten Point Programme for the Development of Tribal Areas'. This programme, announced in the Assembly by the Chief Minister on February 27, 2007, seeks to enable the tribal regions to leapfrog into mainstream development by bridging the gap between ITDP blocks and other parts of Gujarat. Approval of Rs.1,00,003.55 Cr was announced for 2021-22 to 2025-26 Five years for tribal development at the state level. So, we can eliminate poverty permanently and develop social and infrastructural facilities in tribal area.
- Hon. Chief Minister's Ten Point Programme (Vanbandhu Kalyan Yojana) is a quality-oriented programme, which is aimed to improve the quality of social infrastructure and civil infrastructure in ITDP areas and thereby create a positive environment for doubling of income in these areas by creating quality employment for the ST families.
- The Programmes strategy includes the harnessing of private initiative, technology, infrastructure, training and modern facilities to lead tribal communities into the new age of global linkages, information technology and value addition.

The following 10 points are included in the Vanbandhu Kalyan Yojana:

- Quality and sustainable employment for 5 lakh tribal families
- Emphasis on quality education and higher education
- Accelerated economic development of tribal areas
- Health for all

- Housing for all
- Safe drinking water to all
- Irrigation
- All weather roads
- Universal availability of electricity
- Urban development

4.4 Key features of the Ten Point Programme:

a. Focus on the individual family and the ITDP areas:

- The families covered in the program receive an annual income, full-time employment, and a whole generation of skill builders so that they do not fall into the trap of poverty again.
- Every family assisted and their status thereafter will be monitored by using the BPL database. The software for Dairy Projects and Gujarat Pattern is ready. Work on other schemes is under discussion.
- A series of technical institutions are being set up in the focus areas to develop the required manpower and to support the major interventions like dairy, Wadi and skill training.
- Standards of civil works are being re-examined-
 - Water supply: hand pump to tap water
 - Roads- 5 year maintenance
 - Electricity- coverage of households
 - Irrigation- covering whole of high rainfall talukas & augmenting water through MIS

b. Result oriented interventions:

- In skill training, the concerned training provider will also have to guarantee that the trainee will earn the expenditure made on him within the first 6-9 months after completing the training and the training provider will have to follow up the individual till this time.
- Computerized monitoring systems are being developed for every intervention.

c. Involvement of local people in planning and monitoring:

- It is realized that such major shifts will not succeed unless the participants are equal partners.
- Separate interventions are being planned to increase the awareness levels of Panchayati Raj Institution representatives and participating families. Satcom facility will also be used to increase the coverage in the shortest possible time.

- Highest funds were provided under Gujarat Pattern this year to ensure that needs perceived at local levels are realized.

d. Involvement of every implementing Department in the programme:

- In order to ensure that every government department takes full ownership of this new package, no separate budgetary provision has been made for this programme.
- The existing scheme of every department is being improved to achieve the goals.
- The Chief Minister's Ten Point Programme is being funded under TASP.

Strategy

- The strategy for the Ten Point Programme is outcome-oriented, with time-bound interventions and people's participation. The Programme will be implemented in the mission-mode through strengthened ITDP machinery with a review of progress by the Minister (TD). Experts and professionals, including the private sector, will be closely involved in the Programme for capacity building, project development and implementation, service delivery and other aspects. An empowered society has been created in the name of Development Support Agency of Gujarat (DSAG) for smooth functioning and effective implementation of Vanbandhu Kalyan Yojana.
- An amount of Rs.30,120.96 crore has been provided for the year 2025-26.

4.5 The achievement under Vanbandhu Kalyan Yojana

Livelihood Programme:

- Under this scheme, initiatives such as the Agriculture Diversification Project, Integrated Dairy Development Project, and Skill Development Training programs have been undertaken to double the income of five lakh families for poverty alleviation. This scheme has resulted in a significant increase in their annual income.
- A plan is to establish 39 Haat Bazars (rural markets), where all shops will be provided with infrastructural facilities including roads, electricity, compound walls, and clean drinking water. Out of these, 13 Haat Bazars have been operationalized as of the end of December 2025.

Quality Education:

- 44 Eklavya Model Residential Schools Government of India

Sponsored & 10 Eklavya Model Residential Schools Government of Gujarat Sponsored, 43 Girls Residential Schools, 12 Model Schools, 2 Sainik Schools run by Gujarat State Tribal Development Residential Educational Institutional Society and 36,227 students covered.

- In the year 2025-26, the provision of Rs.607.42 cr has been made for the Eklavya Model Trustee Schools.
- In the academic year 2025-26, a provision of Rs.20.49 crores have been made under the "Vidya Sadhana Yojana" to provide cycles as a gift to girls studying in 9th standard in secondary schools.
- In Narmada district, the Adijati University "Birsa Munda Tribal University" is operational. Under this, a provision of Rs.15.24 crores have been made for the year 2025-26.

Housing:

- Under the Housing Scheme, a provision of Rs.98.89 crore has been approved for the year 2025-26. Out of this, under the Individual Housing Scheme, 2,960 beneficiaries have been benefited against a target of 5,241. Additionally, for Halpati beneficiaries, assistance has been approved for 3,000 beneficiaries against a target of 1,898 for the year 2025-26.

4.6 Forest Rights Act-2006

- Gujarat has been in the forefront in successfully implementing the Forest Rights Act, 2006. All eligible claimants are conferred with rights over land for residential and agriculture purpose. 98,732 individual applications have been approved so far and rights given to them for usage of 68,169 hectares as on 31/12/2025. The Government has also approved claims of tribals to collect and use Minor Forest Produce (MFP), fishing, grazing, and use of water bodies. 4,792 community applications have been approved so far and usage rights given to them for 5,02,068 hectares. As well as approving 2486 applications for infrastructure facilities and recognizing the rights of 1015 hector of land.

4.7 Border Village:

- In order to improve the infrastructure facilities and various amenities in 495 Border Villages of Gujarat, various interventions total Rs.100.00 cr has been provided in 2025-26. It has sanctioned 1710 works till decmber-2025.

4.8 Schemes for PVTGs and Halpati:

- In order to provide amenities like Housing, Drinking Water, Roads, and Livelihoods to Primitive Tribe Groups & Halpati community and

improve the quality of life, various schemes totaling Rs.125.00 cr has been provided. It has sanctioned 3315 works till december-2025.

4.9 New Gujarat Pattern

- The State Government has been implementing the Tribal Area Sub Plan as a part of its obligation to implement the Directive Principle of State Policy enshrined in the Constitution of India. The present strategy for development of Tribal Area was initiated early in the year 1975-76 with the commencement of the Fifth Five Year Plan.
- The Tribal Sub-Plan is an area development plan. There were special development schemes like Scheduled Tribes Development Project for Scheduled Areas, which have a large concentration of tribes. For this project area, the tribal sub-scheme has been started for the year. Since 1986, the plans aim to cover family-oriented programs and beneficiary programs have been changed. These programs were also implemented for tribal populations living outside the Scheduled Tribal Areas and were included within the Tribal Sub-Plan (TSP). Thus, the provisions made under the development plans encompassed both the tribal individuals living within scheduled areas as well as those living outside of them.
- The Government decided to earmark 17.57% of the outlay of the State's Annual Development Plan every year for the TASP in September 1997 and adopted "Gujarat Pattern" under the Special Tribal Sub Plan.
- The concerned administrative departments formulate the schemes under TSP for the sectors/sub-sectors. The needs of the tribal community are given due importance.

4.10 A New Approach to Planning: Need-Based, Outcome-Oriented Participatory Planning

Jilla Adijati Vikas Mandal

- The administration in Gujarat has been geared up to undertake activities to bring about overall tribal development and bridge the gap that exists between the tribal community and the mainstream community. Institutional arrangement for need based outcome oriented participatory planning has been made in the administrative structure. A new framework has been developed in the State of Gujarat, modeled after the administrative structure of the State of Maharashtra.
- The Jilla Adijati Vikas Mandal has been constituted under the Chairmanship of the Prabhari Ministers of the District in Tribal Areas. Public Representatives of the area i.e. Member of Parliament,

Member of legislative Assembly and Jilla/Taluka Panchayat President are members of the committee. Two members working for tribal welfare institution at district level, two experts from the field of education and two women tribal leaders of the district are also members of the committee. The committee periodically reviews, monitors and evaluates all Tribal Sub Plan schemes of the area. This strategy has significantly effective implementation of schemes.

Taluka Adijati Vikas Samiti

- Under the Chairmanship of project administrator and Co-Chairmanship of A.T.V.T. Prant Officer, Taluka Tribal Development Committees have been constituted. The committee is entrusted with the responsibility of area specific need based planning. In this Committee due representation has been given to prominent NGOs of the area, women, subject level experts, District Level & Taluka Level Officers. The plans formulated at the level of the Committee are discussed and deliberated at the level of District Adivasi Vikas Mandal. This integrated participatory review, execution and need based planning of various schemes catering to the needs of the taluka has brought significant changes in the tribal areas. It has improved penetration of schemes in the area.

A State Level Committee

- A State-Level Committee has been constituted under the Chairmanship of the Hon'ble Minister of Tribal Development to oversee the planning of the 10% allocation under the New Gujarat Pattern. The Committee comprises the Secretary (Tribal Development Department), the Director (Tribal Development), and the Principal Secretary, (exp.) (Finance Department) as members, while the Deputy Secretary, Budget (Tribal Development) serves as the Member Secretary. The Committee deliberates upon the proposals received from various dignitaries, departments, project administrators, and institutions before taking final decisions.
- Under the New Gujarat Pattern, significant works have been implemented in tribal areas over the last five years, including irrigation facilities, hand pumps, community well schemes, lift irrigation, check dams, and the construction of rural roads and school rooms. Furthermore, activities such as agricultural assistance, land leveling, aid for milch animals, distribution of seed kits and oil engines, various vocational training programmes, provision of hospital equipment, construction of hospital wards, supply of ambulances, and implementation of diverse horticultural schemes have been undertaken.

Details of the outlay under New Gujarat Pattern in the last five years are as follows.

(Rs. in crore)

Year	Provision	Grant	Expenditure	% against grant	Works completed
2021-22	424.08	422.02	420.93	99.74	10457
2022-23	344.11	343.98	343.94	99.98	6310
2023-24	337.29	335.86	324.75	96.69	676
2024-25	556.84	553.02	553.02	100.00	4536
2025-26 (As on December-25)	1059.00	419.91	100.77	25.20	84

- For the year 2025-26, Rs.5120.03 crore is provided for the schemes of Tribal Welfare.

CHAPTER-V

SOCIAL DEVELOPMENT

5.1 INTRODUCTION:

- The Social Justice and Empowerment Department is working for the welfare of Scheduled Castes (SC), Socially and Educationally Backward Classes (SEBC), Minorities, Economically Backward Classes, specially abled and Child Protection. The main objective of this department is to support and assist each class of the above-mentioned categories. The department is intensively working for the equality and social harmony of all classes of people. According to Census 2011 the SC population is 6.74 % of the state. The literacy rate of these castes is 79.18% which is higher than the general class. The population of SEBC is approximately 52%, Nomadic and de-notified is approximately 11% and minorities is approximately 11.33%. These figures imply that major portion of the state's population is covered by this department under various welfare schemes.

5.2 EDUCATIONAL SCHEMES:

- Loan for higher studies in foreign countries: This scheme provides loan of Rs.15 lakhs at 4% interest to students from Scheduled Castes and SEBC section. In the last 10 years, loan of Rs.585.94 crores has been disbursed to 3913 SC candidates and loan of Rs. 395.95 crores has been given to 3794 SEBC students.
- Pre-matric and post-matric Scholarships are given to SC students by the State and Central Government. The annual scholarship amount ranges between Rs.750 to Rs. 13,500. SEBC students are given Rs.750/- to Rs.20,000/- scholarship.
- Students studying in Medical and Engineering field are provided with instrument assistance from Rs.5000/- to Rs.15,000/-.
- With the support provided by the Education Department, students of Scheduled Castes and SEBC studying in Standard 12 can get a refund of the token amount paid for the purchase of a tablet.

- Students belonging to SC and SEBC are provided with the facilities of lodging, boarding, studying and living in the Hostels/Residential Schools free of costs. Altogether there are 271 ashram schools, 1298 GIA Hostels and 60 Ideal Residential Schools and 147 government Hostels through which about 1,28,000 students are benefitted.
- SAMRAS Hostels were constructed and are operational at Ahmedabad, Vadodara, Surat, Bhavnagar, Rajkot, Anand, Bhuj, Jamnagar, Patan, Modasa, Gandhinagar and Himmatnagar for students of SC, ST, SEBC and economically backward class. The state government has set up 23 hostels to facilitate approximately 14,000 students who are availing the benefits of lodging and boarding in the hostel- free of cost. Out of this, 7250 boys and 6750 girls are availing the benefits.

5.3 ECONOMIC UPLIFTMENT SCHEME:

- Highly skilled Trainings for employment and placements have been given to 17,798 candidates with the expenses of Rs.123.03 crores.
- Loan assistance is provided to candidates belonging to the Scheduled Castes for pursuing studies in law and medical.
- Altogether there are 10 Corporations working under this Department which are working for the economic upliftment of SC, SEBC, Minority, NT/DNT, etc. by providing loan and aid.

5.4 HOUSING SCHEME:

Chapter – VI

Gender Focus

6.1 Nutrition: -

- Integrated child development scheme is a beneficiary oriented nutrition programme. The following services are provided in this scheme.
 - Supplementary Nutrition
 - Immunization
 - Health Check-up
 - Referral Services
 - Pre-School Education
 - Nutrition Health Education

6.2 The Government has adopted revised norms for increasing in daily expenditure and calories-protein content for supplementary Nutrition as follows.

- (1) For children under 6 months to 6 years of age, supplementary nutrition is given as per the requirement of 500 kilo calories and 10-12 grams of protein at Rs. 8 /per beneficiary per day. According to the 50% -50% sharing pattern for supplementary nutrition scheme Rs.4 contributed by the state government and Rs.4 contributed by the Central Government.
- (2) Severely Underweight Children under 6 months to 6 years of age are given 800 k calories and 20-25 grams of protein per day per beneficiary per day. At present, the expenditure has been sanctioned for a limit of Rs.12. According to the 50% -50% sharing pattern for supplementary nutrition scheme Rs. 6 contributed by the state government and Rs.6 contributed by the Central Government.
- (3) Pregnant and lactating mothers are given 600 Kilo Calories and 18-20 grams of protein at Rs. 9.5 per day per beneficiary. According to the 50% -50% sharing pattern for supplementary nutrition scheme Rs.4.75 contributed by the state government and Rs.4.75 contributed by the Central Government.

6.3 Following are some other initiatives taken by Government of Gujarat,

Supplementary nutrition:

- Under ICDS scheme, Take Home Ration (THR)- Bal Shakti, Matrushakti and Purnashakti as supplementary nutrition are given to the children between 6 months to 3 years, severe acute malnourished children between 3 years and 6 years, pregnant women, lactating mothers and adolescent girls.
- All 3 to 6-year-old children coming to the Anganwadi centre are given 50 grams of hot cooked meal in the morning and 80 grams in the afternoon.
- Suposhan Samvad Day is celebrated every month at Anganwadi level.
- Under the spot feeding scheme, one full meal is given to the pregnant and lactating mothers at Anganwadi centre in 106 blocks of 14 tribal districts.
- From the year 2022-23 under the Mukhyamantri Matrushakti Yojana (1000 days) from registration of the first pregnancy at the Anganwadi centre to the date of probable delivery and from the birth of the first child up to 2 years, raw ration of 1 kg tuverdal, 2 kg gram, 1 kg groundnut oil are given to mothers per month.
- Under Dudh Sanjeevni Yojana, 100 ml pasteurized fortified flavoured milk is given to the children of 6 months to 6 years five days a week and 200 ml pasteurized fortified flavoured milk is given to the pregnant, lactating mothers 2 days a week in 83 blocks of 50 tribal talukas and 26 blocks of 22 developing talukas of 20 districts.
- Use of Ayurvedic herbs in take home ration for use of value added THR in 7 districts (Narmada, Dahod, Bhavnagar Rural and Urban, Dang, Jamnagar and Devbhumi dwarka), children are given Bal Shakti+ and Matrushakti+ to pregnant and lactating mothers as a pilot project (a new item in the year 2021-22).
- Fortification of wheat is done by linking district milk producer cooperative unions through Gujarat Cooperative Milk Marketing Federation and Fortified flour is provided to all Anganwadi Centres of the State.
- Fortified rice is given to all the Anganwadi Centres of the State for preparation of hot cook meals for all registered children from 3 to 6 years of age to the Anganwadi Centre.
- Groundnut Oil which is fortified with Vitamin A and Vitamin D is supplied by Gujarat State Civil Supply Corporation in all Anganwadi Centres of the State.

6.4 Pre-Primary Education:

- As per National Education Policy-2020, to strengthen pre-primary education in Anganwadi's, ICDS, Women and Child Development Department, Gujarat State has implemented Project "Pa Pa Pagli"

under 100% State level budget provision in all 53065 Anganwadi's of the state. A provision of Rs. 13.00 crore has been suggested as a continuous item in the year 2026-27 under Project "Pa Pa Pagli".

- Through this scheme, children aged 3 to 6 years coming to Anganwadi are given a strong foundation for their quality of life in the important years of their lives. The Government of Gujarat has set an ambitious goal that the children of this age should have all-round development and be ready for school education.

6.5 Pa Pa Pagli Scheme

- **Objective of the scheme:**
Overall development and school readiness of all the children of Anganwadi aged 3 to 6 years.
- **Targets of the scheme**
Increase in the attendance of registered children.
- Evaluation of development of 3- to 6-year-old children in Anganwadi.
- Readiness of 4- to 5-year-old children for entry into kindergarten.
- Parent participation and community programs to increase the popularity of Anganwadi.
- **Other facilities**
Providing pre-primary education equipment in Anganwadi centres.
- It has been planned to provide two pairs of uniforms free of cost annually to children coming to Anganwadi between the ages of 3 and 6 years.
- Pre-primary education is provided through digital technology for the all-round development of children coming to Anganwadi.
- As per the National Early Childhood Care and Education (E.C.C.E.) curriculum- ECCE (Early Childhood Care and Education) curriculum has been prepared and implemented for Anganwadi in Gujarat.
- In the year 2025-26, Ramat Gamat part -1, Ramat Gamat part -2, drawing Book and a development assessment booklet have been provided to children in the age group of 3-6 years in all 53065 Anganwadi centres in the state.
- For monitoring the overall development of children, "Mari Vikas Yatra Book"(Tool) has also been given to children coming to Anganwadi in the age group of 3-6 years, in which the overall development of all children is recorded.
- To explain the role of Anganwadi workers, daycare workers, parents and community members in child rearing for the overall development of children and to create public awareness about pre-primary education, "Shixanmaa Sarjnatmkta" - Bhulaka Mela was organized at

the state level, zone level and district level in the year 2025-26 under the project "Pa Pa Pagli".

- A Balak-Palak Sarjan program was organized for parent awareness before Anganwadi Praveshotsav - June-2025. This programme was organized in 52919 Anganwadi's, in which 1612158 parents and 1804631 children participated.
- In the year 2025-26 the number of children admitted to Anganwadi in the Anganwadi Praveshotsav is 141935. Admissions are made on completion of 3 years in Anganwadi so that children can get admission every month.
- To further strengthen pre-school education and parental awareness in the development of children, digital platforms like WCD YouTube channel are used for weekly digital pre-school education activity calendar as well as pre-primary education curriculum-based SATCOM and TV program "Umbare Anganwadi".
- For effective implementation of ECCE curriculum, all field staff of ICDS Women and Child Development and Anganwadi workers are trained

6.6 Training, I.E.C.:

- A total of Rs. 1049.39 lakh has been proposed as a continuous item in the budget for the financial year 2026-27 to provide trainings like job training, orientation training, refresher training, breastfeeding (IYCF) training, cooking training, 'Poshan bhi Padhai bhi' training to enhance the capacity of the Supervisors, Anganwadi workers and Anganwadi Helpers sisters working under the ICDS Service Scheme from time to time.
- In the financial year 2025-26, till date, a total of 30,063 Anganwadi workers have been given "Poshan Bhi Padhai Bhi" training, a total of 5570 Anganwadi workers and Helpers have been given "Refresher Training", a total of 2165 Anganwadi workers and Helpers have been given job and orientation training, and 650 Anganwadi Helpers have been given cooking training. Also, the work of providing the above training is in progress.
- In the financial year 2026-27, a total of Rs. 1000.00 lakhs have been proposed as a continuous item for the purpose of promoting the ICDS scheme at the state level as well as the district level.

6.7 To Encourage Anganwadi workers and helpers:

- Provision of Sarees for Anganwadi worker/helpers has been increased to Rs. 500/- per piece and by resolution dated 16/09/2025 of

Department of Women and Child Development, the amount of per one blouse has been fixed at Rs. 150.

- Honorarium for Anganwadi Workers and helpers has been increased. Now the Anganwadi workers will get Rs. 10000/month and helpers will get Rs. 5500/month.
- As per the judgment of Honourable Supreme Court dated 25/04/2022, a resolution dated 25/01/2023 of the Department of Women and Child Development has also been passed to provide gratuity to the Anganwadi workers and helpers who retire and all Program Officers, District Corp. have been instructed to process the payment of gratuity in accordance with the provisions of Gratuity Act-1972. Since 2022, approximately more than 30000 Anganwadi workers and helpers have been paid gratuity.

1. Mata Yashoda Award

The award is provided to Anganwadi workers and helper for their contribution to build children's good character and take care of their health. To acknowledge their contribution Mata Yashoda Awards are given to Anganwadi Workers & Anganwadi Helpers

- State Level Award: Rs. 61,000/- to Supervisor, Rs. 51,000/- to Anganwadi workers and Rs. 31,000/- to Anganwadi Helper.
- District/Municipal Corpo. level award: Rs.41000/- to Supervisor, Rs.31000/- to Anganwadi worker and Rs.21000/- to Anganwadi Helper.
- Block Level Award: Rs.21000/- to Anganwadi worker and Rs.11000/- to Anganwadi helper.

Thus State Level Awards, District/Municipal Corpo. level awards and Block Level Awards are incorporated.

2. Mata Yashoda Gaurav Nidhi

Under this scheme to provide insurance cover, every month a premium of Rs. 100 is paid out of which Rs. 50 is paid by Gujarat Government and Rs. 50 is paid by the beneficiary that is the AWW or AWH. Out of the total amount of Rs.100, Rs.17 is paid towards premium for the scheme and the remaining Rs. 83 is kept as savings.

On maturity of the insurance, after retirement, the Anganwadi worker or the helper receives the amount of money saved along with interest earned on the saved amount and in case of death of the worker or helper during the tenure, the nominee of the insured receives an amount of Rs. 50,000.

6.8 Infrastructural facility of Anganwadi Centre:

(1) Construction of Anganwadi Centre:

Out of the total 53065 Anganwadi centres in the state, the construction of those without their own buildings was being carried out under the MGNREGA scheme. However, due to issues such as unavailability of grants under the MGNREGA scheme, labor shortages, cost-sharing ratios for materials and labour, etc., the progress of construction had slowed significantly. Considering this, the government has taken a sensitive decision to adopt non-conventional methods for the construction of Anganwadi centres from the year 2024-25, to ensure faster and higher-quality construction. Additionally, the state government also undertakes the construction of Anganwadi centres under various other schemes. Administrative approval has been given for a total budget provision of Rs. 270.00 crores at the rate of Rs. 18.00 lakhs per Anganwadi for the construction of a total of 1500 Anganwadi centres in the year 2025-26.

(2) Repairing of Anganwadi Centre:

Out of the total 53065 Anganwadi centres in the state, Rs.3000.00 (Rupees Three Thousand) per Anganwadi is provided by the Government of India for minor repairs of the Anganwadi centres having their own houses. In which the share of Central and State government is 60:40.

(3) House Rent of Anganwadi Centre:

Nutrition and health services are provided by running Anganwadi in a rented house where there is no arrangement of any type of house among the Anganwadi centres functioning in the state. Rs.2000/- per month for Rural and Tribal, Rs.6000/- per month for Urban (Corporation and Municipal Corporation) and Rs. 8000/- per month for Metropolitan (Ahmedabad Municipal Corporation) is paid as house rent.

(4) Electricity, Water and Sanitation facility in Anganwadi Centres: Rs.5000/- for electricity connection, drinking water facility and sanitation in the Anganwadis in the state are covered under the new guidelines of the Government of India "Saksham Anganwadi's and Nutrition 2.0" under the "Swachh Bharat Mission".

(5) Maintenance and Renovation of Anganwadi Centres:

Anganwadi centres have their own buildings in the state, which are facing dilapidation. The Anganwadi centre building can be prevented from becoming dilapidated through maintenance and renovation, the State Government gives Rs.2.00 lakh per Anganwadi Centre (100%

State) for major civil works, re-colouring and upgradation of the Anganwadi centres.

(6) Repairing of Anganwadi Centre:

For the Anganwadi centres those have their own buildings, the State government provides Rs.8500.00 per Anganwadi Centres (100% State) as per Rs. 153.00 per Sq.m for the purpose of timely repair and long-term maintenance of the Anganwadi Centres in State.

6.9: Schemes

Revised Scheme for Adolescent Girls (RSAG):

- Since January 2023, the Revised SAG (Scheme for Adolescent Girls) has been implemented in the aspirational districts of Dahod and Narmada for all adolescent girls aged 14 to 18, with a 50:50 cost-sharing ratio between the Centre and the State. Under this scheme, both nutritional and non-nutritional services are provided. In terms of supplementary nutrition services, girls are provided with nutrition at a rate of ₹9.5 per day for 300 days annually. Non-nutritional services include life skills training, health check-ups, and visits to public places, which are provided in coordination with other departments. According to the April 2025 data from the Poshan Tracker, a total of 58,178 Aadhaar-verified adolescent girls aged 14 to 18 are registered in the Dahod and Narmada districts.
- For the financial year 2026-27, a total budget provision of ₹16.58 crore has been proposed, comprising ₹8.29 crore under the Tribal State Head and ₹8.29 crore under the Tribal CSS Head.

Purna Scheme:

- Since April 2018, the 100% State-sponsored PURNA Yojana has been implemented in the state. Under this scheme, nutritional and non-nutritional services are provided. In terms of supplementary nutrition services, adolescent girls are provided with nutrition at a rate of ₹9.5 per day for 300 days annually. Currently, all adolescent girls aged 15 to 18 (both school-going and out-of-school) in all districts and corporation areas of the state, except for Dahod and Narmada districts, are receiving benefits under the PURNA Yojana. Regarding non-nutritional services, a provision of ₹140 per Anganwadi is made for the celebration of 'PURNA Day' on every fourth Tuesday. Under this, services such as vocational training, life skills training, and visits to public places are provided. To ensure proper monitoring of the PURNA Yojana, PURNA manpower is recruited. According to the August 2025 Monthly Progress Report of the PURNA Yojana, a total of 9,24,514

adolescent girls aged 15 to 18 (excluding Dahod and Narmada districts) are registered.

- For the financial year 2026-27, a total budget provision of ₹361.97 crore has been proposed as a Continue Item under the "PURNA" scheme.

6.10 - Aadhaar Enrolment (English)

- Women and Child Development Department has been working for Aadhaar enrolment of beneficiaries under Anganwadi level.
- Under the Integrated Child Development Service Scheme, an "Aadhaar Enrolment Kit" has been provided at the block level for Aadhaar enrolment of children aged 0 to 5 years, adolescents, pregnant/lactating mothers (except for new Aadhaar registrations above 18 years) associated with Anganwadi functioning at the rural level, under which a laptop base kits and a desktop base kits have been provided.
- A total of 426 kits has been procured for 426 blocks and distribution has been completed.
- Aadhaar registration has also been started at the block level. In which Aadhaar enrolment is being done in block level on desktop-based kit and in Anganwadi on camp mode from laptop based kit.
- In Camp mode, operators work based on route plans made by the district Program officers. Operators inform the Anganwadi workers and helpers about the Aadhaar registration camp in its Anganwadi in advance.
- According to the O.M of UIDAI charges to be applicable to the Residents for various Aadhaar services at enrolment centres

Services	Rate of fee to be collected from Residents by Registrar/EA (incl. GST)
New Aadhaar Enrolment	Free of Cost
Mandatory Biometric Update 5 to 17 Year (MBU)/MBU along with demographic update	Free of Cost
Biometric Update with or without Demographic update	Rs. 125.00
Demographic Update	Rs. 75.00

- A Total of 75.85 lakh (Approx) Aadhaar generated under WCD through ECMP KIT during Year-2017 to Year-2025.

Integrated Child Development Services (ICDS):

- Under this scheme in the year 2025-26 total no.of Blocks were 426 and total no. of sanctioned Anganwadi centres were 53065. Out of sanctioned 53065 Anganwadi centres, 12879 in tribal areas, 3725 Anganwadi centres in SC area, 4592 Anganwadi centres in urban areas and remaining 31869 Anganwadi centres in rural area. As on December-2025, there are 426 Block and 53065 Anganwadi centres. In the year: In 2025-26, approximately more than 9000 Anganwadi Workers and Anganwadi helpers have been selected through online e-HRMS web portal.

6.11 The office of Commissioner of women and child Development, Gandhinagar

- The office of Commissioner of women and child Development was set up in October 1988 and is involved in women development activities.

Main objectives

- To provide guidance and counselling to women in problems related to social, economic, family and legal matters.
- To provide information on employment opportunities available in Government, Non- government and Industrial Sectors and to make efforts for availing the employment opportunities for women.
- To provide legal aid, counselling and guidance to women in matters related to dowry, harassment, alimony, family problems, husband wife feuds and other social matters in co-ordination with state legal service authorities.

6.12 Mahila Mandal:

- Women are imparted training for tailoring, knitting and embroidery by women's club. At present 9 Women's Club are functioning in the 5 districts of the State.

6.13 Family counselling:

- Family Counselling Centres are functional for counselling and redressal of grievances related to family and social disputes. At present 2 family counselling centres are functioning in the state.

- Unlawful Trade Detention Act-1956 (Revised-1986) is under implementation in Gujarat. As present, there are 4 Government Women Protection Homes, 6 Women Protection Centres and 5 Preventive Rescue Centres operational in the state. In which women who are victim of Domestic violence, orphan and socially ostracized in need of shelter or forcefully engaged in prostitution and morally endangered women above the age of 18 are provided shelter, food, training for economic self-sufficiency, legal advice, education, etc. Asylum is given to women along with their daughter upto 14 years age and a son upto 6 years age. Maximum 6 months shelter is provided. The main objective of Nari Sanrakshan Gruh/Kendra is to motivate the residents for empowerment as well as to help them in rehabilitation. In the year 2024-25, expenditure of Rs.402.00 lakh was incurred against the budget provision of Rs.462.00 lakh. While during the year 2025-26 (upto December-2025), expenditure of Rs.284.00 lakh has been incurred against the budget provision of Rs.496.00 lakh.

6.21 Shakti Sadan :

- To cater the primary needs and shelter to take care of women who are without any social and economic support, Swadhar Gruh Yojana had been implemented as a Central and State sponsored scheme (at 60:40 cost sharing ratio). Shakti Sadan has been implemented by integrating Swadhar Gruha and Ujjwala scheme. At present there is no Shakti Sadan functional in the state. During the year 2025-26, budget provision (Token provision) of Rs. 2.00 lakh has been made.

6.22 Ganga Swarupa Remarriage Financial Assistance Scheme:

- The "Ganga Swarupa Remarriage Financial Assistance Scheme" has been started since the year 2021 to provide financial assistance to the women between the ages of 18 to 50 years and who want to remarry. The purpose of this scheme is to bring change in the social mindset of Ganga Swarupa women (Widows) and to rehabilitate them in the current stream of society who wants to get married. Under this scheme, Rs.25000 will be deposited in the savings account through DBT and National Savings Certificates (NSC) worth Rs.25000 will be given to beneficiary woman. During the year 2025-26 (upto December-2025) expenditure of Rs.48.00 lakh has been incurred against the budget provision of Rs.108 lakh.

6.23 Police Station Based Support Centre:

- The main objective of the scheme is to provide counselling, guidance and institutional support to women who come to the police station for help in cases of domestic violence and other problems such as drunken violence, rape, child abuse, dowry, child custody, cybercrime, sexual harassment of women and witchcraft.
- This support centre has been started in the designated police station in the state of Gujarat under the co-ordination of the Home Department. Under this scheme, a total of 80 support centres are currently functioning in the state of Gujarat at the district and taluka levels. In which two counsellors have been appointed per centre. Currently, 160 counsellors are working at the district level under the scheme.
- As of December 2025, the scheme has provided long-term feminist-oriented counselling services to 82,222 women. In addition, it has extended support in cases of domestic violence through co-ordinated efforts with the police, protection officers, legal services and other

relevant service providers as required. The centre has also offered legal guidance to 107,576 women as of December 2025.

- In the year 2025-26, an expenditure of Rs. 268 lakhs has been incurred against a provision of Rs. 462.00 lakhs.

6.24 Beti Bachao Beti Padhao Yojana:

- Beti Bachao Beti Padhao Yojana was launched on January 22, 2015 jointly by three Ministries - Ministry of Women and Child Development, Ministry of Education and Ministry of Health Family and Family Welfare. Henceforth the Ministry of Skill Development and Entrepreneurship and Ministry of Minority Affairs have also joined. Appropriate awareness program will be conducted to increase participation of girls in sports fields, to promote higher education and skill development. To identify sports talent among girls and connect them with suitable trainers as well as develop their skills under "Khelo India" or any other scheme or program of Central/State Governments to develop sports talent.
- Beti Bachao Beti Padhao Yojana has been made part of the sub-scheme "Sambal" of Mission Shakti Scheme. Under the Beti Bachao Beti Padhao Yojana, a total budget provision of Rs 106.00 lakhs is to be made by the Central Government (CSS) with 100% ratio. Under the scheme, a total of 2820 awareness programs were conducted during the year 2025-26 (ended December- 2025) and a total of 329013 participants attended.

6.25 One Stop Centre:

- The Ministry of Women and Child Development, Government of India, launched the One Stop Centre (OSC) Sakhi Scheme in August 2016 across all States to provide immediate shelter and integrated services at a single location to women affected by violence. The objective of this scheme is to ensure that any adolescent girl or woman affected by violence receives all the necessary facilities at one place.
- Through Sakhi Centres, adolescent girls and women affected by violence are provided with services such as immediate medical assistance, shelter, legal advice/guidance, police assistance and counselling on an urgent basis. Sakhi One Stop Centres are operational 24x7 in every district. At present, 35 centres are functional across 33 districts. Out of these 33 districts, 23 districts have received approval from the Government of India for construction.
- For the One Stop Centre scheme, the Government of India had allocated ₹1,354.00 lakh for the year 2024-25. For the year 2025-26,

an allocation of ₹1,393.00 lakh has been made. During the year 2024–25, a total of 7,123 women affected by violence were provided integrated services through One Stop Centres. During 2025–26 (up to the end of December), a total of 6046 women affected by violence have been provided integrated services through One Stop Centres.

6.26 Gujarat State Women Commission

- The State Commission for women has been operationalized since 2005 under the Act “The Gujarat State Women Commission Act-2002”.The Commission’s main function is to safeguard the constitutional rights of Women and it works for improvement of economic, social and educational status of women.
- The role of the Women State Commission, is to enhance, develop and highlight the situation of women by development, in each and every sphere of the eco-social level. The Commission constantly strives to protect women, from injustice. The Commission tries to uphold the constitutions rights of women. An outlay of Rs. 2.67 Crore is proposed for the year 2026-27.
- Under the women empowerment programme, the Commission arranges law summit for the elected women of panchayat and municipalities, to make them conversant with "woman related" Laws. Till now the 150 Mahila Sibir organised, Commission has Covered more than 82,000 Women till now and is making efforts to extend the program down to the grass root levels. Till now More Than 450 Naree Sammelan organised, Commission has Covered more than 2,00,000 Women.

6.27 Nari Adalat:

- Nari Adalat "is informal judicial structure run off by women, for women and of the Woman. It provides an alternate grievance redressal mechanism for woman to resolve their individual and family related problem and disputes in simple and non expensive way.
- As a milestone to this development programme, the state government decided to extend Nari Adalat to entire state. The Government made provision for 42 Nari Adalat in F.Y 2012-13, 50 Nari Adalat in 2013-14 and 50 Nari Adalat in F.Y-2014-15. 20 Nari Adalat in F.Y-2015-16, 75 Nari Adalat for F.Y.2016-17 and 33 Nari Adalat Directed by Mahila Samkhaya.

- For this, in the financial year 2026-27 the government has made provision of Rs.4.90 crore as continues Item.
- There are 270 Nari Adalat operational in the State.

Chapter – VII

Human Development Approach to Decentralized Development

7.1 Introduction

- The concept of human development emerged in the 1980s as a counterpoint to the growing reliance on economic growth indicators, such as Gross Domestic Product (GDP), as the sole measure of progress. This approach repositioned human beings at the heart of development efforts, viewing people not just as beneficiaries but as the core purpose of advancement. At its essence, human development seeks to broaden individuals' options, empowering them to lead complete, innovative lives marked by autonomy and respect. Its foundational pillars include civil liberties, which support essential rights such as living a long and healthy life, acquiring knowledge through education, and actively participating in community life.
- The Human Development Index (HDI) aggregates three core dimensions into a single metric:
 - **Longevity**, measured by life expectancy at birth;
 - **Education**, encompassing expected years of schooling and mean years of schooling; and
 - **Standard of living**, reflected in per capita income.

Each of these components is assigned equal weight to ensure a balanced evaluation of overall well-being.

- According to Human Development Report released in 2020 by the United Nations Development Programme (UNDP), India ranked 131st among 189 countries with an HDI value of 0.645 for the year 2019. As per the latest Human Development Report released by UNDP, in 2025, India ranked 130th among 193 countries, and its HDI value improved to 0.685 for the year 2023.
- According to the 'India Human Development Report-2011' published by the Planning Commission of India, Gujarat's Human Development Index stood at 0.466 in 1999–2000, which increased to 0.527 in 2007–08, indicating a growth of 13% during this period. Compared to the HDI components of 1999-2000, the growth in Income, Health and Education sectors increased by 15%, 13% and 13% respectively by 2007-08.

7.2 HUMAN DEVELOPMENT APPROACH IN GUJARAT STATE

- The state aspires to emerge as a leading model in every aspect of human development. The vision ensures that every single person in the State of Gujarat, irrespective of gender, caste or creed will -

- Be literate and healthy
- Have shelter and clean environment
- Have drinking water and sanitation
- Be gainfully employed
- Be able to live without fear
- Have equal opportunities
- To foster comprehensive progress among underprivileged sections of society and enhance the State's Human Development Index (HDI), the Government has rolled out numerous flagship initiatives and mission-mode programmes.
- In this context, the State Government has established an autonomous body known as the "Gujarat Social Infrastructure Development Society" (GSIDS) with the objective of monitoring improvements in the standard of living of the population. It is a 10-member Governing Body which has been constituted for the Society, with the Secretary (Planning), General Administration Department, serving as the Chairperson.

7.3 SUSTAINABLE DEVELOPMENT GOALS (SDGs)

- **Concept:** The Sustainable Development Goals aim to eradicate poverty, reduce hunger, ensure food security, improve nutrition, and promote sustainable agricultural development. By achieving progress across these dimensions by the year 2030, the overarching objective is to create a more equal, just, and secure world. The SDGs represent a strong global commitment to people and their prosperity and provide a comprehensive framework for achieving a better and more sustainable future for all.
- **Principle:** "Sustainable Development Goals 2030" (SDGs) are based on the core principle that no person should be left out. This principle is conveyed as "leaving no one behind."
- **Implementation:** At the United Nations Summit held on 25th September 2015, the General Assembly adopted the "Sustainable Development Goals 2030" (SDGs) agenda, which defined 17 goals and 169 targets. In India, the Sustainable Development Goals have been implemented since 1st January, 2016.
- **National Level:** At the national level, NITI Aayog acts as the nodal agency for the implementation of the SDGs 2030 agenda. In this regard, NITI Aayog has published four editions of the SDG India Index Report. Among these four reports, Gujarat received a score of 64 in the first two reports-Report 1.0(2018) and Report 2.0(2019), and 69 in the Report 3.0(2020). In the final Report 4.0(2024), Gujarat's score

increased to 74, indicating improvements over the last few years. In the first two reports, Gujarat was placed in the “Performer” category, while in the third and fourth reports, it progressed to the “Front Runner” category.

- **State Level:** To prepare the SDGs roadmap in Gujarat, seven Thematic Working Groups (TWGs) were constituted in September 2016, and their reports were approved by a High-Power Committee chaired by the Hon’ble Chief Secretary. Based on TWGs reports, the General Administration Department (Planning Division) published the *Gujarat Sustainable Vision 2030* in four parts, providing a structured framework for SDG implementation in the State and covering 328 indicators under the State Indicator Framework (SIF).
- A three day state level workshop was organized in January 2025 for officers and staff handling SDG related work of various state level departments.
- A one day state level workshop was organized in January 2026 for Senior Project Associate-cum-Consultants (SPAC) and Senior Project Associates (SPA) working in all districts for SDG related work.
- Based on data from the GSWIFT portal, the state’s first State SDG Report has been published in October 2024. As it is necessary to sensitize officers and staff at all administrative levels state, district, taluka, and village regarding SDGs, GSIDS has prepared “નિરંતર વિકાસના ધ્યેયો” (SDGs) Information Booklet.”
- **Implementation of the SDGs Road Map:** The General Administration Department (Planning Division) is the state nodal agency for coordinating and monitoring the progress of SDGs in the state and also responsible for the implementation of SDGs at the state level.
- **SDGs at various levels:** For the implementation of SDGs at the state and district levels, institutional mechanisms have been constituted. At the state level, these include the State Empowered Committee, and the State SDG Cell. At the district level, the District SDG Committee and District SDG Cell have been established. These bodies provide guidance toward achieving the “State Sustainable Development Goals 2030.”
- Under this framework, the following activities have been undertaken:
 - Based on the study of the United Nations’ global targets, NIF, SIF, metadata, and the availability of district level data, the District Indicator Framework (DIF) was finalized with 14 goals and 127 indicators for the purpose of SDG localization.
 - For effective monitoring of SDGs in the State, the progress of state and district level indicators is monitored through the Gujarat State Wide Indicator Framework Tool (GSWIFT).

- The main objective of GSWIFT is to ensure easy access to data for state and district authorities and to bridge data gaps to achieve the SDG targets by 2030.
- The GSWIFT portal is updated with information on 127 indicators across 14 goals, based on which state and district scores are determined, and district rankings are prepared.
- The revamping work of the GSWIFT portal has been completed by GIL. By revamping the GSWIFT portal with further improvements, under the SDG based Scheme Monitoring Framework, 132 schemes covering 127 indicators are evaluated on a monthly basis.
- Based on the time series data of SDGs, a Data Snapshot of Gujarat has been prepared, and SDG based Comics Book has been developed to provide knowledge in an engaging manner for children.
- By March 2025, all 33 districts approved the fourth edition of the District SDG Report through the District SDG Committee under the chairmanship of the District Collector. All 33 districts will prepare and approve the fifth edition of the District SDG Report through the District SDG Committee by March 2026. These reports will support monitoring of progress against state targets and preparation of action plans to achieve the SDGs.
- All districts will prepare SDG action plans to improve performance in indicators where they are performing below the state average.
- After studying the aspects such as uniformity in the number of indicators across goals, identification of similar and achieved indicators, and mapping with United Nations targets, the fourth edition of the District Indicator Framework has been finalized with 14 goals and 127 indicators.

7.4 DISTRICT INDICATORS ANALYSIS (DIA)

- A module has been prepared on the Gujarat Integrated Statistical System (GISS) portal to ensure that the information related to human development is made available through a single portal and can be analysed efficiently.
- For this module, the indicators used for District Human Development Report (DHDR) and District Human Development Profile (DHDP) were analysed and a total of 246 indicators from 6 sectors were finalized. In this module, data of 246 indicators are updated at the end of March every year.

7.5 TALUKA DEVELOPMENT PLAN (TDP)

- Initially, it was planned to prepare the Taluka Development Plan (TDP) for one taluka from each district (out of 33 districts) to encourage a Taluka Centric Approach as well as grass root level planning. As a part of this initiative, 250 TDPs have been prepared for the year 2025–26. Similarly, during the year 2026–27, new TDPs for an additional 17 talukas will be prepared, and the existing plans will be updated.

7.6 ASPIRATIONAL DISTRICTS PROGRAMME (ADP)

- The Hon'ble Prime Minister launched the Aspirational Districts Programme (ADP) in January 2018. The programme aims to bring about quick and effective transformation in some of the most underdeveloped districts of the country. Under ADP, selected districts across the country are focused on key sectors for holistic district development.
 - Health and Nutrition
 - Education
 - Agriculture and Water Resources
 - Financial Inclusion & Skill Development
 - Basic Infrastructure
- A total of 117 districts have been identified as Aspirational Districts across the country which includes two districts from Gujarat viz. Narmada and Dahod. As per baseline ranking, the composite score of Narmada District was 41.4 in March 2018, which increased to 64.36 in June 2025, reflecting an improvement of 22.96 points. Similarly, the composite score of Dahod district increased from 41.6 in March 2018 to 63.72 by June 2025, registering an improvement of 22.12 points.

7.7 ASPIRATIONAL BLOCKS PROGRAMME (ABP)

- The Hon'ble Prime Minister launched the Aspirational Blocks Programme on 7th January 2023 during the Second National Conference of Chief Secretaries. The programme was conceptualized following the success of the Aspirational Districts Programme.
- Under this programme, 500 talukas have been selected across the country. In Gujarat, 13 talukas namely Kukarmunda, Nizar, Lakhpat, Rapar, Kavant, Nasvadi, Tharad, Sayla, Subir, Ghoghamba, Santalpur, Nandod, and Garbada across 10 districts, representing diverse geographical conditions, have been identified as Aspirational Blocks.
- This programme will monitor the progress in the following sectors:

- Health and nutrition
- Education
- Agriculture and allied services
- Social development
- Basic infrastructure
- **State Government Initiative:** Infant mortality, maternal mortality, malnutrition and anemia are four critical challenges of public health. To address these issues, the State Government has focused on enhancing community participation and accelerating improvements in health and nutrition outcomes. As per the provisions of the Panchayat Department resolution dated 03/08/2023 and 08/07/2024, self-help groups have been involved in all 13 Aspirational Blocks of the state to strengthen the community participation at the rural level.
- Under the SHGs Incentive Scheme, a financial provision of ₹1.00 crore per Aspirational Block is made every year from 2023–24 onwards. Accordingly, a total annual financial provision of ₹13.00 crore has been allocated to the Aspirational Blocks of the State.

7.8 ALL DISTRICTS RANKING OF GUJARAT:

- In line with NITI Aayog's Aspirational Districts Programme the General Administration Department (Planning) performs monthly ranking for all 33 districts in Gujarat. The ranking is based on 49 indicators covering key sectors such as health and nutrition, education, agriculture and water resources, financial inclusion and skill development and basic infrastructure. Since August 2018, this ranking is prepared every month and the details are uploaded regularly on the CM Dashboard.

7.9 DEVELOPING TALUKA RANKING:

- In accordance with Aspirational Districts Programme of NITI Aayog, ranking of 51 developing talukas is undertaken by GAD (Planning). From July 2019 onwards, monthly ranking is carried out based on 45 indicators covering fundamental sectors like; health & nutrition, education, employment & skill development, rural development and basic infrastructure. This ranking is prepared every month and the details are uploaded regularly on the CM Dashboard.

7.10 Gujarat Projects Monitoring Center (GPMC)

(Gujarat Projects and Schemes – IT Management System)

- Gujarat is one of the fastest-growing economies in the country and contributes significantly to India's GDP. Industries and infrastructure

facilities form the foundation of Gujarat's economic growth, which has earned the State recognition as India's "Growth Engine."

- Every year, significant expenditure is incurred for the implementation of various schemes and development works across different departments of the State Government. Along with major projects, numerous small yet impactful infrastructure initiatives are undertaken at the district, taluka and village levels. These projects play an important role in directly improving the quality of life of citizens which are implemented under various schemes such as Decentralized District Planning, Tribal sub-plan – New Gujarat Pattern, Finance Commission grants, DMF, and several important state and centrally sponsored projects.
- Currently, the monitoring of these projects is carried out through portals/web applications developed by respective departments or through monthly progress reports. These projects are supervised and monitored at various levels across different platforms.
- To ensure real time monitoring of projects, the Government of Gujarat has decided to establish an integrated Real Time Project Monitoring Center, thereby eliminating the reliance on separate department wise portals, web applications, and progress reports. Under the General Administration Department (Planning), the Gujarat Social Infrastructure Development Society (GSIDS) has undertaken a project titled **"Gujarat Projects and Schemes – IT Management System."** Through this system, real-time monitoring of all infrastructure projects will be possible on a single unified platform.
- This work is mainly divided into the following four stages:
 - Phase-1: Preliminary Study ("As-is")
 - Phase-2: Preparation of the "To-be" document.
 - Phase-3: On boarding of System Integrator (SI)
 - Phase-4: PMU during Development and Operationalization of Gujarat Projects & Schemes IT Management System Dashboard
- The newly developed system will seamlessly integrate with various applications of other departments such as e-Sarkar, IFMS, PMRef, PM-Gati Shakti, and iOJN for Planning, among others. The system will enable real-time collection of information related to project budgets, administrative approvals, project progress, and other relevant data.
- As of December 2025, the work related to the development of the portal and mobile application for asset mapping under this project is nearing completion. Subsequently, the development of the planning, implementation, and real-time monitoring dashboard will be completed.

Chapter - VIII

e-Governance

- 8.1** The Gujarat State Data Center (GSDC) is the common IT Infrastructure for the comprehensive IT use of the State Government. GSDC provides services such as web/application hosting, email, storage, backup and cybersecurity to all departments/offices of the State Government. Currently, GSDC hosts more than 780 websites and applications related to all State Government departments.
- 8.2** Work is currently in progress to operationalize the GSDC's Far Disaster Recovery (DR) site with computing capabilities at Faridabad. This will ensure uninterrupted continuity of the government's critical IT services in the event of an emergency.
- 8.3** To meet the growing IT requirements fueled by the continuous expansion of e-Governance and the inclusion of new technologies around the State, the establishment of a Tier-4 ready Greenfield Data Center has been approved. For this purpose, the State Government has allocated 6700 sq. meters of land for the new Greenfield Data Center. This new Data Center will be equipped with state-of-the-art IT equipment and infrastructural facilities featuring modern technology.
- 8.4** The Gujarat Security Operations Center (GSOC) functions as the centralized, 24×7 facility actively monitoring various cybersecurity-related matters of the Government of Gujarat. It is designed to protect, detect, respond to and recover from cyber threats targeting the State's critical IT infrastructure.
- 8.5** Operating on a unified framework of People, Process and Technology, GSOC actively monitors cybersecurity events across government critical IT infrastructure and provides real-time incident response through advanced security tools.
- 8.6** The Center also conducts periodic security audits of government websites and applications hosted at the Gujarat State Data Center, supported by an in-house Website Audit Cycle Management Portal for systematic audit tracking and compliance. To mitigate vulnerabilities, necessary security patches and system upgrades are regularly implemented and timely action is taken based on advisories issued by CERT-In and other national cybersecurity agencies.
- 8.7** In addition, GSOC undertakes extensive cyber security awareness and capacity-building initiatives, including cyber awareness programs for district and state-level government employees and officers, as well as

advanced cybersecurity training for CISOs and IT Cadre Officers, thereby strengthening the overall cyber resilience of the State under the e-Governance framework.

- 8.8** The aim of the Digital Gujarat project is to make various citizen-centric services easily available to the citizens of the state through a single platform. Many services have been made accessible at the village as well as taluka levels. The primary objective of this project is to provide services to every citizen of Gujarat in a simple, transparent and fast manner through a digital platform.
- 8.9** Under this project, more than 800 services are provided to citizens. Additionally, the facility for issuing e-signed certificates and receiving them directly via WhatsApp through the Digital Gujarat portal has been operationalized.
- 8.10** The Digital Seva Setu program, implemented by the Department of Science and Technology to extends district and taluka-level services to the village level through e-Gram centers. This program has been running successfully since 2020. Under Digital Seva Setu, approximately 321 services are provided through e-Gram centers across 14,193 Gram Panchayats.
- 8.11** Digital Scholarship Portal providing students with easy and fast access to various government scholarship schemes. Through this portal, students can apply online, upload necessary documents and track their application status in real-time. Scholarship amounts are deposited directly into students' bank accounts via Direct Benefit Transfer (DBT), ensuring transparency. The portal caters to both pre-matric and post-matric students, with eligibility based on income, academic performance and social categories (SC/ST/OBC). It is integrated with Aadhaar details and educational databases to verify information and prevent duplication, serving students in both rural and urban areas.
- 8.12** All Secretariat departments, Heads of Departments/ Boards/Corporations, as well as all Collector offices, Mamlatdar offices and district and taluka-level offices amounting to more than 9,450 offices in total have been brought under e-Sarkar. Various modules of e-Sarkar, such as e-Post, e-File, RTI, Meeting Management, and Court Case Management will help government officers and employees carry out their day-to-day work more quickly and efficiently.

Chapter – IX

Twenty Point Programme

Introduction

- 9.1** The Twenty Point Programme (TPP) was launched by the Government of India in 1975. The Programme was revised in 1982, 1986 and 2006. Gujarat has been among the front ranking states in the country for implementation of the Twenty Point Programme. Government of India has been implementing the revised Twenty Point Programme-2006 since 1st April, 2007. The State ranked first in the country with 96% achievement during the year 2008-09. During the year 2010-11, Gujarat State has been ranked 1st in the implementation of Twenty Point Programme in July-2010 ending monthly report. The Government of India has discontinued providing rankings to the States after July-2010. The State has achieved 96.49 % in the year 2013-14. As a result of effective monitoring, Gujarat has achieved 100% of the targets set for the year 2014-15 and 2015-16. The quarterly progress report for 2025-26 (up to Dec-2025) has been sent to Government of India
- 9.2** The thrust of the Twenty- Point programme is to eradicate poverty and improve the quality of life of the poor and the under-privileged people across the country. The programme covers various socio-economic aspects like poverty, employment, education, housing, health, agriculture, land reforms, irrigation, drinking water, protection and empowerment of weaker sections, consumer protection, environment, e-Governance, etc.
- 9.3** The restructured TPP-2006 is comprised of 20 Points and 65 items. The items covered are administered by the concerned Administrative Ministries under their respective programmes implemented by the State Governments and Union Territories Administrations. Out of the 65 items, 25 items are monitored on a quarterly basis.

The information of items of Twenty Point Programme–2006 that are monitored on quarterly basis is as under:

- 1 A To provide wage employment under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA): (Panchayats, Rural Housing and Rural Development Department)**
- 9.4** The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) was implemented in various districts of Gujarat in three phases between 2006 and 2008. The Act guarantees up to 100 days of wage employment per household per financial year to rural

households willing to undertake unskilled manual work, thereby enhancing livelihood security. More than 266 types of individual and community works are permissible under the scheme and can be implemented by Gram Panchayats or SHG Federations.

- 9.5 During 2025–26, the daily wage rate for unskilled workers was Rs. 288 per day.
- 9.6 Against a target of 500 lakh person-days, 260.01 lakh person-days of employment were generated during 2025–26, and 6.57 lakh rural households were provided employment under the scheme (as on Dec-2025).
- 9.7 During the same year, a total of 3.82 lakh works were taken up under MGNREGA, of which 1.29 lakh works were completed, and 2.52 lakh works were in progress. The total expenditure incurred was Rs. 853.17 cr. (as on Dec-2025).
- 9.8 For the year 2026–27, a budget provision of Rs. 1800.67 cr. has been proposed, with a target of generating 355 lakh person-days of employment.

1B 01 Deendayal Antyodaya Yojana- National Rural Livelihood Mission (DAY-NRLM): - Panchayats, Rural Housing and Rural Development Department)

- 9.9 The National Rural Livelihood Mission (NRLM) aims to reduce poverty by providing self-employment and skilled wage employment opportunities to rural poor women. The mission focuses on building strong grassroots institutions of poor women and empowering them to achieve sustainable livelihoods through these institutions.
- 9.10 During 2025–26, a total of 7,966 Self-Help Groups (SHGs) were formed. 4,405 SHGs were provided Revolving Fund amounting to Rs. 13.18 cr., and 5,966 SHGs received Community Investment Fund amounting to Rs. 75.85 cr.. In addition, Cash Credit loans worth Rs. 1072.69 cr. were disbursed (as on Dec- 2025).
- 9.11 Against a target of 30,200 trainees, 14,823 SHG members and rural youth were provided skill development training through RSETIs during 2025–26 (as on Dec-2025).
- 9.12 Under the Deen Dayal Upadhyaya–Grameen Kaushalya Yojana (DDU-GKY), against a consolidated target of 17,324 beneficiaries (2019–2025), 15,918 beneficiaries were trained, out of which 15,048 trainees were provided employment (as on Dec-2025).
- 9.13 For the year 2026–27, a budget provision of Rs. 546.64 cr. has been proposed, comprising of a Central share of Rs. 327.98 cr. and a State share of Rs. 218.66 cr.

3E Distribution of Wasteland to the Landless (Revenue Department)

9.14 There is an existing policy and procedure for the distribution of government wasteland to Landless Agricultural Laborers, Small farmers, Ex-Serviceman and Co-operative societies of the backward class, since 1960. According to this policy, the government wasteland in every village is listed and after setting aside necessary required land for future public purpose, the remaining land is identified for distribution amongst the above category for the Schedule Caste, Schedule Tribe and others. This procedure is called "SANTHANI". Once the land identified for Santhani is finalized, it is advertised, applications are invited and processed and as per the eligibility criteria, eligible beneficiaries are allotted the land. The entire activity is done at the District Magistrate's level.

4B Minimum Wages Enforcement (Including Farm Labour) - (Labour, Skill Development and Employment Department)

9.15 The Code on Wages, 2019 has been implemented by the Government of India with effect from 21/11/2025. The Gujarat Rules under the said Code have been finalized. As per the provision of Rule 1(3) of the Gujarat Rules under the Code on Wages, the said Code has come into force in Gujarat with effect from 21/11/2025. Under Section 9 of the Code on Wages, the Central Government is empowered to fix the floor wage, and under Section 6 of the said Code, the State Government is empowered to fix the minimum wages. Since the implementation of the Code on Wages, 2019 is being carried out by the officers of the office of the Labour Commissioner, no separate provision has been made for this purpose in the Annual Development Plan for the year 2025-26.

5A Food Security (Food, Civil Supplies and Consumer Affairs Department) NFSA-2013 under Targeted Public Distribution System (APL+BPL+AAY)

9.16 "National Food Security Act-2013" has been implemented across the state from 1st April 2016. There are two types of families under NFSA-2013: (1) Antyodaya Anna Yojana (AAY) and (2) Priority Households (PHH). The criteria for selection of "Antyodaya Anna Yojana" families has been determined by the Central Government while criteria for selection of "Priority Households" has been determined by the State Government. Target of total 382.84 lakh population of Gujarat has been set to be covered under NFSA. As on January 2026, 324.22 lakh population have been covered under NFSA.

9.17 Antyodaya Anna Yojana (AAY):

Under this scheme, the target set by the central government is to include 8.12 lakh Antyodaya families. As of January 2026, 7.59 lakh

families with a population of 30.14 lakh, falling under the Antyodaya Anna Yojana (AAY) category, are receiving 35 kg of food grains free of cost per card, monthly.

9.18 Priority Household Families (PHH):

Beneficiaries meeting the income and other criteria set by the government are classified under the "Priority Household Families" (PHH) category. As of January 2026, 67.69 lakh families with a population of 2.94 cr. are receiving 5 kg of food grains free of cost per person every month under the National Food Security Act (N.F.S.A.).

9.19 According to the announcement made by the Government of India, for the period of January 2024 to December 2028, beneficiaries included under the National Food Security Act 2013 will continue to receive the above-mentioned distribution of food grains free of cost.

5B NFSA-2013 under Targeted Public Distribution System (Only AAY)-Food and Civil Supply Department

9.20 Monthly 1 kg of Tur daal per ration card is distributed at a fixed subsidized rate of Rs.50/- per kg to provide protein rich food to approx. 75.50 lakh NFSA cardholders of the state.

9.21 Monthly 1 kg of Gram (Chana) per ration card is distributed at a fixed subsidized rate of Rs. 30/- per kg to provide protein rich food to approx. 75.50 lakh NFSA cardholders of the state.

9.22 1 litre edible oil is distributed during Janmashtami and Diwali festival at subsidized rate of Rs.100 per card to all 75.50 lakh N.F.S.A. cardholders.

9.23 To protect 75.50 lakh NFSA beneficiaries of the state from diseases like Goiter and Anemia, monthly 1 kg Double Fortified Salt per card is distributed at very subsidized rate of Rs.1.00 per kg.

9.24 The state government distributes 1 kg sugar per card to the Antyodaya card holders for a family having up to 3 members and 350 grams per person for a family of more than 3 members at a subsidized rate of Rs.15.00 per kg per month and 350 grams sugar at subsidized rate of Rs.22.00 per kg per person to BPL card holders per month. In addition, 1 kg extra sugar per card is distributed during Janmashtami and Diwali festivals at above subsidized rate. Sugar is distributed at subsidized rate to about 30.00 lakh Antyodaya and BPL card holders of the state every month.

Ration Card:

9.25 The state government has implemented barcoded ration cards instead of manual (hand written) ration cards after digitization since 2010. Ration Card Management System (RCMS) has been integrated with

Government of India's DigiLocker Application. Hence, citizens can download latest copy of their Ration card anytime from their mobile phone. Self-declaration of the applicant are being taken whenever required in Ration card related services instead of affidavits. The same has been conveyed to district officials. All the services related to Ration card are now provided online through Digital Gujarat Portal as well as via VCE at e-Gram Vishvagram centres at village level within reduced timelines under RCPS Act,2013.

“My Ration” Mobile Application :-

9.26 "My Ration" Mobile App is a revolutionary administrative reform to make the Public Distribution System more transparent and effective and to make ration card related services easily available to the citizens. Various information related to Public Distribution System and ration card is made available in Gujarati as well as English language. Through the "My Ration" Mobile Application, NFSA ration cardholder can complete e-KYC of family members from home using Face Authentication. As on 28-01-2026, a total of 2.03 cr. NFSA ration cardholders across the State have completed e-KYC through the "My Ration" Mobile Application. Ration card holders can get all the information related to their ration cards like details of family members, quantity entitled, price of commodities, distribution details of last 6 months, bill receipt etc. Citizen can easily get details of their fair price shop and other nearest fair price shops by using this application.

6A Rural Housing - Pradhanmantri Awas Yojana-Grameen: - (Panchayats Rural Housing and Rural Development Department)

9.27 The Pradhan Mantri Awas Yojana (Gramin) has been implemented with effect from 20 November 2016. The main objective of this scheme is to provide “a house of one’s own” to homeless families and families living in kutcha houses in rural areas, thereby improving their standard of living. The scheme is implemented with a cost-sharing ratio of 60:40 between the Central Government and the State Government.

9.28 Under the scheme, financial assistance is provided for construction of new houses to eligible homeless families and families living in kutcha houses who are included in the Socio-Economic Caste Census (SECC) 2011 and the Awas Plus Survey database. Further, with effect from December 2024, the Awas Plus Survey 2024 has been conducted to include homeless families and families living in kutcha houses who were not covered under SECC 2011 or earlier Awas Plus Surveys.

- 9.29** For the year 2025–26, no target was allocated by the Government of India. However, against the spill-over targets of previous years, construction of 1,00,870 houses was completed by beneficiaries during the financial year 2025–26, with an expenditure of Rs. 1008.73 cr. (as on 31st Dec-2025).
- 9.30** For the year 2026–27, a budget provision of Rs. 988.83 cr. has been proposed under the scheme, comprising a Central share of Rs. 593.30 cr. (60%) and a State share of Rs. 395.53 cr. (40%).

6B EWS/LIG Houses in Urban Areas: (Urban Development and Urban Housing Department)

- 9.31** Housing for Economically Weaker Sections, Low Income Groups in Urban Areas Department to make cities/ towns of the State Slum free and with objective to provide affordable housing to Urban Poor and Middle-Class beneficiaries living in urban areas. To achieve the target of Housing for All, State Government has adopted a policy in accordance with Central Government's Pradhan Mantri Awas Yojana (Urban). Under Pradhan Mantri Awas Yojana (Urban), total 9,57,960 Houses are sanctioned. Out of which, 9,13,009 houses are completed, and the rest are under progress at various stages.

7A Rural Areas-Accelerated Rural Water Supply Programme Habitations covered (Partially covered & Slipped back: - (Narmada Water Resources, Water Supply and Kalpasar Department (WS))

- 9.32** Under Jal Jeevan Mission (erstwhile -National Rural Drinking Water Programme-NRDWP) various activities for implementation of Partially covered and Quality Problem villages and Water Quality and Monitoring Surveillance are being taken up.
- 9.33** Rural regional water supply schemes are being implemented in all parts of the state. All rural households (100%) were provided tap connections under Nal se Jal Programme. Since, no habitation has been identified under PC category, no target was given under PC category in year 2025-26.

Quality Problem Habitations-

- 9.34** Under this programme water supply schemes are being taken up to cover the quality affected habitations. As the entire quality problem habitations have been covered upto March-2017. Hence no target was given under Quality Problem category in year 2025-26.

JAN JAN KA SWASTHY (HEALTH FOR ALL) (Health & Family Welfare Department)

8 (23) Control and prevention of major diseases:

(a) HIV/AIDS (b) TB (c) Malaria (d) Leprosy (e) Blindness

(a) HIV/AIDS Programs of Gujarat State AIDS Control Society,
Ahmedabad

9.35 Targeted Intervention (TI) Program: Under this program, HIV prevention services are provided to high-risk groups (sex workers, homosexual men, drug users) and migrant workers. Information about sexually transmitted diseases, prevention skills and necessary treatment services are provided under this program.

Sexually Transmitted Disease Control Program: STI/RTI diseases are diagnosed and treated through 'Suraksha Clinic' in government hospitals and medical colleges of the state. Facilities like HIV and syphilis testing, laboratory tests and counselling of patients and pregnant mothers are available here.

Basic Services Department (ICTC): This department provides confidential HIV testing and counselling through trained staff at ICTC centres. Special emphasis is placed on screening pregnant mothers and protecting the child from infection and those found positive in the initial test are sent for further diagnosis.

Care, Support and Treatment (CST) Department: Free medicines (ART) and comprehensive care are provided to HIV-infected persons through ART centres in Gujarat. This includes services like free laboratory tests, regular supply of medicines and monitoring of treatment of patients.

Information, Education and Communication (IEC) Department: GSACS spreads public awareness about HIV/AIDS through social media, outdoor media and in collaboration with various government departments. Through these activities, awareness is created in the society and people are encouraged to make maximum use of treatment services.

(b) National Tuberculosis Elimination Program (TB) TB Free India

9.36 Objectives:

- To reduce the mortality rate of TB patients by 90% compared to the year 2015 (36 deaths per one lakh population in the year 2015)
 - To reduce the registration rate of new TB patients by 80% compared to the year 2015. (217 new TB cases per lakh population in 2015)
- Reduce the catastrophic costs of TB to zero

Strategies – Interventions

Detect: To detect all TB cases in the community

Treat: To treat all detected patients and make them free from the disease

Prevent: To make necessary efforts to stop the spread of TB disease and to implement TB preventive treatment properly
Build: To make efforts for TB awareness

Goal :

- Reduce TB mortality rate by 90% to 3 per lakh population by 2025.
- Reduce the rate of new TB patients to 44 per lakh population by 2025

Current situation:

- TB mortality rate per lakh population in the year 2024 – 9
- TB new patients registered per lakh population in the year 2024 – 157

National Tuberculosis Elimination Program Gujarat State

Sr. No.	Name of the Items	Parameters/ Indicators/ Scheme to be Monitored	Unit	Target	
				Annual Tentative	ELA for period under Report
1	2	3	4	5	6
1	National Tuberculosis Elimination Program	TB Notification	Nos.	140000	35000
		TB Treatment Success Rate	%	90%	90%
		Nikshay Poshan Yojana (Beneficiaries paid at least one incentive)	%	100%	100%

(c) Malaria - National Vector-Borne Disease Control Programme

9.37 The National Vector-Borne Disease Control Programme implements activities for the control and prevention of malaria, dengue, chikungunya and filarial diseases.

- To collect blood samples of at least 18% fever cases covering the entire population of the state through fortnightly surveillance by

health workers and provide complete treatment to the malaria cases detected through its testing.

- To maintain the malaria case rate below 1% per 1000 population in the state.
- To cover the villages susceptible to malaria disease under the prescribed 2 rounds of insecticide.
- To conduct free testing at 42 Centres functioning for the diagnosis of dengue and chikungunya disease in the state.
- To place porcupine fish for mosquito breeding control in places where water remains stagnant for a long time under vector-borne disease control activities.

(d) Leprosy - National Leprosy Eradication Programme - Gujarat State

9.38 The National Leprosy Control Programme was implemented in the state of Gujarat since 1955. With the introduction of multi-drug treatment, it was implemented as the National Leprosy Eradication Programme from 1983.

National Leprosy Eradication Programme:-

- In October 2004, the leprosy incidence rate per 10,000 population has been achieved by bringing it below 1 (0.96). It is proposed to achieve a rate of about 0.30 during April 2026 to March 2027.
- Elimination at the district level: It is proposed to achieve the goal of elimination by bringing the disease incidence rate below 1 in 12 high endemic districts.
- By December 2026, approximately 3200 new cases of leprosy will be detected and put under treatment.

Disability Prevention and Medical Rehabilitation:

9.39 Microcellular Rubber Shoes (MCR): During April 2026 to March 2027, approximately 12,000 Microcellular Rubber Shoes (MCR) will be provided free of cost.

Reconstructive Surgery: During April 2026 to March 2027, approximately 30 reconstructive surgeries will be performed free of cost.

Ulcer Kits: During April 2026 to March 2027, approximately 3,000 ulcer kits will be provided free of cost.

(e)Blindness- National Blindness and Vision Impairment Control Programme

9.40 The aim is to reduce the rate of preventable blindness by providing comprehensive and quality eye services

Objectives:

- Disease Control** - Cataract, refractive error and other diseases
- Childhood Blindness** - Retinopathy of Prematurity and School Health Vision Screening
- Service Expansion** - Partnership with Voluntary and Private Institutions
- Resource Expansion** - Human Resources and Infrastructure

Strategies:

- To provide treatment to all blind patients due to cataract by maintaining a rate of 800 cataract operations per lakh population.
- Increase the coverage of modern facilities required to prevent blindness due to diabetic retinopathy, glaucoma, childhood blindness and cataracts by 25% in the next 2 years.
Provide necessary facilities to increase eye donation and cataract transplantation

Target: Reduce the preventable blindness rate to 0.20% by the year 2030, The current blindness rate is 0.33%

Next Plan:

- Provide infrastructure facilities for diagnosis and treatment of cataract and cataract diseases at district and taluka level hospitals.
- Coordinate with experts from voluntary organizations and private institutions to provide services for diagnosis and treatment of cataract and cataract diseases.
- Strengthen coordination with RBSK and RKSK programs to provide vision screening and necessary treatment to all children under the School Health Program.

Achievement: Under the National Eye Light Campaign launched by the Central Government in the year 2022, Gujarat State has achieved first place in the entire country in the performance of cataract surgeries every year.

8(24) National Rural Health Mission

9.41 Components and Activities: The National Health Mission has the following programmes.

- Part-01 RMNCH +A and NRHM Flexipool
- Part-02 NUHM Flexipool
- Part-03 Flexipool for Communicable Diseases

Part-04 Flexipool for Non Communicable Diseases

Part-05 Infrastructure Maintenance

Potential Beneficiaries: All citizens

Assistance: Centrally Sponsored Scheme (60:40)

Expected Outcome: To provide equitable access to affordable and quality health care services to the people, to meet the health needs of the people through effective inter-sectoral hub-based interventions.

8(28) Prevention of Female Foeticide

9.42 Major activities for effective implementation of the PC & PNDT Act included for the year 2026-27:

1. Prevention of sex determination and sex-selective abortion through strict enforcement of the provisions of the PC & PNDT Act, 1994
2. Registration and renewal of each and every imaging equipment's capable of detecting sex of the foetus i.e Sonography clinic, genetic counseling center, genetic clinic and radiology centers
3. Regular monitoring and supervision of the registered facilities through Appropriate Authorities at Sub District and district level
4. Legal action and prosecution in case of violations of the Rules of the PC&PNDT Act, 1994
5. Public awareness campaigns promoting the message of 'Beti Bachao' in remote areas
6. Regular inspections, decoy operations and surprise checks to be arranged in periodical mode as per norms of the Act.
7. Registration, tracking and sealing of ultrasound machines as per law and taking stringent actions by the DAA and CDHO of concern district
8. FIRs, court cases and penal action against offending institutions to be taken if found any non-compliance with the act
9. District-level review meetings and District Advisory committee review meetings of the Appropriate Authorities to be conducted at District level
10. Public awareness through media posters banners and IEC material
11. Strengthening online registration and reporting systems through web portal
12. Capacity building and training of inspection teams for thorough inspection of the facilities
13. Coordination with concerned departments for fast-tracking court cases registered under the PC & PNDT Act, 1994
14. Long-term awareness programmes to improve sex ratio

8C Immunization of children:

9.43 Vaccination: The vaccines given to children under this program are as follows.

Vaccine	When to give	Disease prevented
For Pregnant Women		
TD-1 (Tetanus and Diphtheria)	Early in pregnancy	Neonatal tetanus
TD-2 (Tetanus and Diphtheria)	4 weeks after TD-1	
TD- Booster (Tetanus and Diphtheria)	As early as possible during pregnancy (Only if two doses of tetanus vaccine have been taken within the last three years, as an alternative to Td 1/2)	
For Infant		
BCG	At birth or as early as possible by the time the child is one-year-old.	Tuberculosis
Hepatitis B - Birth dose	At birth or as soon as possible within 24 hours of birth.	Hepatitis B
OPV-0 (Oral Polio Vaccine)	At birth or during the first 14 days.	Poliomyelitis
OPV 1, 2 & 3 (Oral Polio Vaccine)	At 6, 10 & 14 weeks	
FIPV (Inactivated Polio Vaccine) 1,2 & 3	At 6 weeks, 14 weeks & 9 months	

Pentavalent 1, 2 & 3	At 6, 10 & 14 weeks	Diphtheria, Pertussis, Tetanus, Hepatitis B and Human Influenza B
RVV 1, 2 & 3 (Rotavirus Vaccine)	At 6, 10 & 14 weeks	Rota Virus (Diarrheal infections)
Pneumococcal Conjugate Vaccine 1,2 & 3 (PCV Booster)	At 6 and 14 weeks and 9 completed months	Pneumonia
MR-1st Dose (Measles and Rubella)	9-12 completed months	Measles and Rubella
Vitamin A – First dose	after 9 months.	Boosts Immunity
For Children		
DPT booster-1	16-24 months	Diphtheria, Pertussis, Tetanus
MR 2nd dose	16-24 months	Measles and Rubella
OPV Booster	16-24 months	Poliomyelitis
Vitamin A (2nd to 9th dose)	16 months. Then, one dose every 6 months	Boosts immunity
DPT Booster-2	5-6 years	Diphtheria, Pertussis, Tetanus
For Adolescent		

Tetanus and Diphtheria Vaccine(Td)	10 years & 16 years	Tetanus and Diphtheria
------------------------------------	---------------------	------------------------

9.44 Immunization programs are key to protecting children against life-threatening conditions and achieving Sustainable Development Goal-3.2 the goal of reducing infant mortality and child mortality (0 – 5 years). Under this program scheduled vaccines as per National Immunization Schedule are administered to children at scheduled times, against 11 vaccine preventable diseases like tetanus, tuberculosis, polio, diphtheria, tetanus, Hib, Rota/virus diarrhea, measles and rubella and pneumonia. Protection is provided. Till the current year 2025-26(up to Dec-25); 99% of children have been fully immunized.

9.45 Along with this, till now, Intensive Mission Indradhanush (IMI 5.0) has been implemented to cover all children and pregnant mothers coming under all districts/corporations in three phases. Under this scheme (IMI 5.0), 85,279 children and 11,940 pregnant mothers were covered under the vaccination program in the months of August/September/October in 2023. A total of 100% work has been done during IMI 5.0.

Pulse Polio Immunization Programme Infants Immunized

9.46 Due to the effective implementation of the program, not a single case of polio was reported in the state from 2007 to 2024. Last case was registered in Amreli, Savarkundala in 2007. In the year 2025, Sub national Immunization Day was held in 14 districts/corporation areas on 12th October 2025 under Pulse Polio Immunization Program. Under this program, 24.65 lakh children of the age of 0 to 5 years of the state were covered.

8D Sanitation Programme in Rural Areas

(Panchayats Rural Housing and Rural Development Department (RDD)) (Swachhha Bharat Mission-Gramin: (SBM-G))

9.47 The Swachh Bharat Mission (Gramin) was launched across the country on 2nd October 2014 with the objective of promoting cleanliness and sanitation in both urban and rural areas. Significant work has been carried out in rural areas through the construction of individual household toilets.

- 9.48** Under Swachh Bharat Mission (Gramin) Phase-II, the key challenge is to sustain the Open Defecation Free (ODF) status of districts over the long term. Accordingly, the Government of India has emphasized ODF-Sustainability (ODF-S) and ODF+, including safe disposal of solid and liquid waste, during the current year.
- 9.49** During the year 2025-26, works related to liquid waste disposal and management were undertaken through construction of individual and community soak pits in villages. As a result, 3,031 individual soak pits and 28,912 community soak pits have been completed (as on Dec-2025).
- 9.50** Further, under Swachh Bharat Mission (Gramin) Phase-II during 2025-26, for declaring villages as ODF+, works related to solid waste management were completed. These include construction of 7,011 community compost pits and 3,643 individual compost pits for biodegradable waste disposal. In addition, door-to-door waste collection is currently being carried out in 16,971 villages, and 1,560 segregation sheds have been constructed. The total expenditure incurred is Rs. 219.55 cr. (as on Dec-2025).
- 9.51** For the year 2026-27, a budget provision of Rs. 560.72 cr. has been proposed, including a Central share of Rs. 336.43 cr. and a State share of Rs. 224.29 cr. A total target of 64,008 assets has been set, comprising 50,000 individual toilets, 100 community toilets, 8,670 solid waste management assets, and 5,238 liquid waste management assets.

8E Institutional Delivery- (Health & Family Welfare Department):

- 9.52** During the year 2021-22, total 10.94 lakh deliveries were registered, out of which 10.92 lakh deliveries (99.8 %) are registered in health facilities. During the year 2022-23, total 11.62 lakh deliveries were registered, out of which 11.61 lakh deliveries (99.9 %) are registered in health facilities. During the year 2023-24, total 11.55 lakh deliveries were registered, out of which 11.54 lakh deliveries (99.9%) are registered in health facilities. During the year 2024-25, total 10.718 lakh deliveries were registered, out of which 10.715 lakh deliveries (99.99 %) are registered in health facilities. During the year 2025-26 total 7.98 lakh deliveries were registered, out of which 7.98 lakh deliveries (100 %) are registered in health facilities.

10A SC Families Assisted :- (Social Justice and Empowerment Department)

- 9.53** The Bankable Scheme has been successfully implemented by Gujarat Scheduled Caste Development Corporation, Gandhinagar since its inception. In which Rs.1,50,000/- in urban area and Rs.1,20,000/- in

9.54 As per 2011 census, the population of Scheduled Tribes in the State is 89.17 lakhs i.e.14.76% of the total population of Gujarat. In order to bring ST families above poverty line, to generate more employment and additional income, economic assistance is provided to S.T. families. Under Twenty- Point programme, various family oriented schemes are implemented by different agencies for Schedule Tribes are as under:

(1) Director, Tribal Development (GTDC), (2) Director, Tribal Development (ITDP), (3) Commissioner, Rural Development, (4) Commissioner, Fisheries, (5) Commissioner, Cottage & Rural Industries, (6) Director, Employment & Training, (7) Principal Chief Conservator of Forest, (8) Director, Agriculture, (9) Registrar, Co-operative Societies and (10) Director, Centre for Entrepreneurship Development.

12A Universalization of ICDS Scheme and Functional Anganwadis- (Women and Child Development Department)-

9.55 Supplementary Nutrition – Supplementary Nutrition Supplementary Nutrition Program is one of the important services of ICDS. Nutritious food consisting of 500 calories & 10-12-gram protein is provided to the children in 6 to 72 months of age under this program. Nutritious food with 800 calories & 20-25 gram protein is given to malnourished children falling in nutritional grade severely underweight. Food with 600 kg calories & 18-20-gram protein is provided to pregnant/lactating mother and adolescent girls. An average of 34,36,251 (34 lakh) beneficiaries have been covered (up to Dec-25). in the year 2025-26, a budget provision of 973.26 Cr. was approved.

Out of which Rs.278.69 Cr. have been spent. In addition, in the year 2026-27. A proposed provision of Rs. 888.42 Cr. has been made.

9.56 Under the Integrated Child Development Services (ICDS) Scheme, a total of 426 projects and 53,065 Anganwadi Centres have been sanctioned. Out of the total 53,065 Anganwadi Centres, 13,875 centres are located in tribal areas, 10,024 centres are in urban areas (Municipal Corporations and Municipalities), and 29,166 centres are in rural areas. As of Dec-2025, all 426 projects and 53,065 Anganwadi Centres are operational.

9.57 For the year 2026-27, a proposed allocation of ₹3741.76 cr. has been made under this scheme.

DOODH SANJEEVANI YOJANA

9.58 Doodh Sanjeevani Yojna is functional in State's 20 district, 105 tribal blocks of 55 talukas and 36 blocks of 24 vikasshil talukas wherein, 100ml fortified, flavored, pasteurized milk is provided to children of 6 months to 6 years 5 days a week and 200ml pasteurized fortified milk to pregnant and lactating women twice a week coming at AWCs. An average of 9,80,637 lakh beneficiaries have been covered in the year 2025-26 (up to Dec-25). In the year 2025-26 budget provision of Rs.133.26 Cr. was approved. Out of which Rs.74.25 Cr. has been spent. In addition, a proposed provision of Rs. 133.66 Cr. has been made for the year 2026-27.

GANGA SWARUPA ARTHIK SAHAY YOJANA:

9.59 Under this Ganga Swaroopa Arthik Sahay Yojana, the applicant is currently applying online through Digital Gujarat Portal. The application is kept with the applicant's post/nationalized bank account details then the application is verified by the Deputy Mamlatdar and then an online approval order is issued by the Mamlatdar and monthly assistance is paid to the applicant of Rs. 1250/- through Direct Benefit Transfer (DBT). Provision of Rs. 3014.67 cr. in F.Y-2025-26 was made in which assistance of Rs. 2061.51 cr. has been given to a total of 17,32,708 beneficiaries till Dec-2025.

14A Number of Urban Poor Families Assisted under Seven point Charter (viz. Land Tenure, Housing at affordable cost, Water, sanitation, Health, Education and Social Security) (Urban Development and Urban Housing Department)

9.60 The Central Government has announced Pradhan Mantri Awas Yojana (Urban) 2.0 for the next 5 years with the aim of providing housing to

families living in urban areas and improving their standard of living. The State Government has started the implementation of the scheme post framing the relevant state policy in line with the policy of the Central Government. Currently, a total of 78,856 houses have been sanctioned under the Pradhan Mantri Awas Yojana (Urban) 2.0.

15A Afforestation (Public and Forest Lands -Forest and Environment Department)

- 9.61** For the year 2024-25, the target allotted by Government of India under Twenty-Point Programme item No. 51(A), the area was 2,47,122.00 Ha. 2,62,661.90 Ha. (106.29%) was achieved against the target by the March 2025 and under the item No. 51(B), target was 1606.29 lakhs seedling for plantation, and 1937.50 lakhs (120.62%) was achieved against the target.
- 9.62** For the year 2025-26, the target allotted by GOI under 20 Point Programme item No. 51 (A) the area was 2,47,122.00 Ha., and 2,50,997.59 Ha (101.57%) was achieved against target (up to Dec-2025). Under the item No. 51(B), target was 1606.29 lakhs seedling for plantation, and 1881.75 lakh (117.15 %) was achieved. For the year 2025-26, Dec-2025 ending expenditure of Rs. 1,27,089.00 Lakhs was incurred against the financial provision of Rs. 2,17,577.00 Lakhs for afforestation under this programme.

17 A Rural Roads -Pradhan Mantri Gram Sadak Yojana (PMGSY) – (Roads and Building Department)

- 9.63** The Pradhan Mantri Gram Sadak Yojana was announced by the Government of India to provide connectivity to the unconnected habitation. The primary objective of the scheme is to provide connectivity, by way of an All-weather Road with necessary culverts and cross drainage structures, which can be operated throughout the year to the eligible unconnected habitation in the rural areas having population 250 in tribal areas and more than 500 in non-tribal areas(as per Census-2001). 3,069 habitations were sanctioned to provide first-time all-weather connectivity in this scheme from the Government of India till March-2019.
- 9.64** In the month of August 2013, Government of India had launched Pradhan Mantri Gram Sadak Yojana-II for the upgradation and widening of ODR and VR category roads, up to 5.5 m of carriage way, falling under the PMGSY-II, criterion from District Rural Road Network. As per PMGSY- II guidelines, 109 road works of 1,181 km length and 40 bridge works were sanctioned by MoRD, GoI. All these

works have been completed and an expenditure of Rs.609 Cr. has already been booked.

- 9.65** In year 2020-21, Government of India had sanctioned 298 rural roads of 2,955 km length at an estimated amount of Rs.1,471.10 cr., under Pradhan Mantri Gram Sadak Yojana Phase-III, to widen the existing 3.75 mt. to 5.50 mt. Out of these 298 works, 289 road works of 2800.17 kms are already completed as on January 2026, while 09 works are under progress. Out of 191 sanctioned bridge work, 135 works are under progress, 51 works are completed & 05 works are under administrative process.
- 9.66** The Pradhan Mantri Gram Sadak Yojana-4 (PMGSY-4) has been launched in December 2024 by the Ministry of Rural Development, Government of India to provide connectivity to the unconnected Habitations as per the census of 2011. The main objective of this scheme is to provide all weather road connectivity to unconnected habitation as per Census 2011, the survey work of which is currently in progress.

18D Energizing Pump Sets- (Energy & Petro-Chemical Department)

- 9.67** Pump electrification on wells in Tribal Area carried out under Tribal Area Sub Plan from Share Capital of Government of Gujarat and in Non Tribal Area under Normal Scheme and Dark Zone Scheme from share capital from GOG.
- 9.68** For the year 2025-26, 44,500 no. of Ag (Agriculture) wells' electrification has been subject to approved by the Central Government. Out of this, 5,790 nos. of Ag wells will be covered under Tribal Area Sub Plan and 38,710 nos. of Ag wells will be covered under Normal Scheme (including Dark Zone). Against this, 11,531 nos. of Ag wells electrified under Tribal Area Sub Plan and 39,211 nos. of Ag wells electrified under Normal Scheme (at the end of Dec-25). Thus, total 50,742 Ag wells were electrified.
- 9.69** For the year 2026-27, electrification of 44,500 no. of Ag wells has been proposed. Out of this, 5790 nos. of Ag wells will be covered under Tribal Area Sub Plan and 38,710 nos. of Ag wells will be covered under Normal Scheme (including Dark Zone). The proposal of Twenty-point program for 2026-27 is subject to approval by the Department of Statistics and Programme Implementation, Government of India. For electrification of 44,500 Ag wells, fund will be available from GOG.

18 E Supply of Electricity- (Energy & Petrochemical Department)

9.70 The main objective of the Government of India's power policy is to provide continuous quality electricity to all levels of power consumers and protect the interest of consumers, along with the rapid development of the power sector. The main goal of the policy is the availability and growth of electricity, and it fulfils the matter in accordance with "supply of electricity" which is included in Twenty Point Program - 2006.

9.71 For the financial year 2026-27, it is intended to supply 1,74,355 million units against the demand of 1,74,380 million units i.e. 99.90% of power demand.

Achievement under Twenty Point Programme

9.72 Thus, Gujarat has been among the front ranking States in our Country in implementation of the Twenty Point Programme-2006. Moreover, for effective implementation of the TPP-2006, the State Government has constituted Twenty Point Programme High Level Implementation Committee.

A statement showing achievement at the end of December-2025 during the year 2025-2026

Chapter-X

Externally Aided Projects in The State

10.1 'External assistance' is an important financial source to accelerate the development of the state. Under the External Assistance Schemes of GOI, from 01/04/2005 onwards, External Assistance has been provided by the Government of India to the State Governments on a "Back to Back" basis (i.e. the Government of India will pass on external assistance to the State Governments on the same terms and condition on which it has availed such assistance as the principal borrower.) Normally, the rate of interest on external assistance is linked with the present SOFR (Secured Overnight Financing Rate).

10.2 At present the State Government has the following Externally Aided Projects sanctioned by external multilateral financial institutions. Summary of these projects are as below:

Planning for the year: 2026-27

Sr. No	External Financial Institutions	Name of the projects	Number of Projects	Planning for the year: 2026-27 (Rs. in Cr.)
1.	World Bank And AIIB	Mission School of Excellence	1	1930.95
2.	World Bank And AIIB	DRIP Phase-II	1	68.40
3.	Japan International Co-Operation Agency (JICA)	Project for Eco-System Restoration in Gujarat (PERG)	1	266.03
4.	New Development Bank	Mukya-Mantri Gram Sadak Yojana(MMGSY)	1	1833.00

5.	World Bank	Systems Reform Endeavors for Transformed Health Achievements in Gujarat (SRESTHA-G)	1	500.00
6.	Asian Development Bank	Promoting Research Innovation and Development of FinTech Skill in GIFT City	1	45.00
7.	World Bank	Gujarat Resilient City Development Program	1	400.00
8.	Asian Development Bank	Ahmedabad Peri-Urban Infrastructure Development Project (APIDP)	1	400.00
9.	World Bank	Tapi Riverfront and Rejuvenation Project	1	0.02
10.	Japan International Co-Operation Agency (JICA)	Upgradation of Environmental management for ship recycling in Alang and Sosiya in Gujarat	1	1.00

12.	World Bank	Viksit	1	1.00

		Gujarat@2047 aims to modernize state capacity		
Total				5445.41

The State Government has provided Budget Estimates of **Rs. 5445.41/- Crore** for the Year 2026-27.

10.3 Information of the aims and objectives of the schemes are given below.

1. Mission School of Excellence:

- Under this scheme, World Bank and AIIB funded government schools will be developed in the state. Under EDN-2 there is a plan for civil construction and infrastructural facilities in primary schools. Therefore, State government schools can be made competitively superior to private schools.

2. Dam Rehabilitation and Improvement Project (DRIP Phase-II):

- Total 7 dams in the state will be repaired and improved under the World Bank and AIIB loan aided project. These dams are monitored by an expert and the necessary updates are made so that the existing old dams can be utilized in the long run.

3. Project for Eco-System Restoration in Gujarat (PERG):

- Japan International Co-Operation Loan-assisted “Project for Eco-System Restoration in Gujarat” aims to rehabilitate and improve the livelihoods of forest dependent people by promoting sustainable forest management, including JFM cultivation and tribal community development.

4. Mukhya-Mantri Gram Sadak Yojana (MMGSY):

The aim of MMGSY (Mukhya Mantri Gram Sadak Yojana) is:

- To provide or improve state-wide all-weather roads
- Improve connectivity and connect the villages with population of less than 500, and more than 250 in the plains, and less than 250 in hilly tribal areas, and which are not covered under PMGSY (Pradhan Mantri Gram Sadak Yojana).

5. System Reforms Endeavors for Transformed Health

Achievements in Gujarat (SRESTHA-G): -

- With the aim of accelerating the strengthening of Gujarat's health system, the SRESTHA- Gujarat (SRESTHA-G Systems Reform Endeavors for Transformed Health Achievements in Gujarat) project, in collaboration with the World Bank, has been implemented. Under this scheme, the aim is to strengthen the state's health system and ensure that every citizen, even the most underserved, receives high-quality, skilled, and economically affordable health services/treatments. The primary objective of the SRESTHA-Gujarat project is to further strengthen the state's health services and their monitoring to ensure that people in both rural and urban areas are benefited from primary and basic health services.

6. Promoting Research Innovation and Development of FinTech Skill in GIFT City:

- This is the first such scheme in India with the assistance of Asian Development Bank. Under this, Fintech Institutes will be established, and Fintech Talent Pool will be developed and the potential to develop Gujarat as a leading international fintech destination shall be maximized. The institute will (i) pioneer evidence-based research in Fintech technologies and solutions for industry application (with focus on MSMEs); (ii) Promote startup & incubation in Fintech; (iii) Deliver multi-disciplinary training courses in Fintech applicable across different economic sectors.

7. Gujarat Resilient City Development Program:

- World Bank assisted project is to provide technical assistance by the Ahmedabad Municipal Corporation to support a strategic approach to "urban infrastructure investment" in urban areas, to increase the city's funding base and to expand its reach to commercial financing, water resource conservation in Ahmedabad. There are plans to make proposed investments to improve municipal service delivery as well as to increase institutional capacity for technical assistance service delivery.

8. Ahmedabad Peri-Urban Infrastructure Development Project (APIDP):

- Asian Development Bank assisted scheme includes infrastructure such as drinking water, pipeline and pumping stations in Bopal, Ghuma, Shela, Manipur, Godhavi, Kathwada, Singarwa, Bhat, Sughad, Kalol, Sanand, Mahemdavad and Dahegam in the urban areas around Ahmedabad.

9. Tapi Riverfront and Rejuvenation Project:

- The "Tapi Riverfront and Rejuvenation Project" funded by the World Bank is for support establishment and operationalization of Tapi RFD SPV in Surat (100% owned by SMC) with strong institutional capacity and professional expertise to plan design, finance and implement.

10. Upgradation of Environmental management for ship recycling in Alang and Sosiya in Gujarat:

- Alang and Sosiya Shipyards have been planned to be modernized into world-class environmental facilities with the assistance of Japan International Cooperation's Loan. This will allow ships from every country in the world to use separate ship recycling yards so that international environmental regulations can be followed.

11. Gujarat Skill Development Project:

- The Asian Development Bank assisted project will create a transformative industry-relevant skill training system to achieve excellence in manufacturing, design, emerging technologies through skill building. The service sectors of Gujarat which can provide various skill opportunities to about 3 million youth in the next 10 years, so that every youth gets skill education, training, entrepreneurship development and technology based promotion to provide "Education with Skills".

12. Viksit Gujarat@2047 aims to modernize state capacity

- The Finance Department has initiated the development of IFMS 3.0 to support future PFM reform needs and modernize the technology architecture. Project's overall objective is to modernize integrated finance management systems, processes and capacity with the help of strengthening the IFM systems and institutional capacity through IT/digital and functional improvements (IFMS 3.0).

10.4 Proceedings are underway to submit proposals for various projects of the departments of the State Government to obtain funding at low interest rate from multilateral and other external financial institutions with approval of the Government of India.

PART-II
DEPARTMENTWISE OBJECTIVES,
STRATEGY AND IMPORTANT
SCHEMES

Agriculture, Farmers' Welfare and Co-operation Department

Directorate of Agriculture

Objective:

The primary objective of the Directorate of Agriculture is to increase agricultural productivity and production by imparting knowledge of modern scientific farming practices to farmers and by implementing various developmental schemes. These efforts aim to reduce the cost of cultivation, to enhance farmers' income, and to promote efficient utilization of available irrigation water through the wider adoption of micro-irrigation systems. Emphasis is also placed on the balanced and judicious use of agricultural inputs based on Soil Health Card recommendations.

Additionally, this Directorate seeks to strengthen food security among the rural population, ensure optimum utilization of available resources, and improve the agriculture-based livelihood and standard of living of farmers. To accelerate agricultural growth, various subsidy and welfare schemes are implemented, along with initiatives that encourage the use of information technology in the agricultural sector.

Strategies:

Adoption of crop specific agricultural practices, promotion to water use efficiency and soil health management, focus on farm mechanization for improving efficacy in crop production, crop harvesting and post-harvest handling practices as well as promotion to value addition and agro processing through assistance and incentives.

Directorate of Horticulture

Objectives

- Provide holistic growth of horticulture sector through area based regionally differentiated strategies, which include research, technology

promotion, extension, post-harvest management, processing and marketing.

- Enhance horticulture production, improve nutritional security and create employment generation opportunities and supplement farm incomes.
- Promote and disseminate new technologies for horticulture development in the state.

Strategy

- Ensure availability of quality planting material
- Promote Integrated Nutrient and Integrated Pest management.
- Promote hi-tech horticulture, export and provide post-harvest facilities.
- Skill development and training to farmers.

Agricultural Technology Management Agency (ATMA)

The Agricultural Technology Management Agency (ATMA) is a registered society functioning at the district level. It works in coordination with all agriculture-related institutions in the district for sustainable agricultural development and the overall development of farmers. The main objective of this scheme is to coordinate all research and extension activities at the district level and to decentralize the public agricultural technology system.

Objectives of the Scheme:

1. To disseminate agricultural extension education activities and the latest research outcomes to farmers as per their needs.
2. To decentralize powers so that farmers can participate actively and take decisions according to their own requirements.
3. To ensure coordination among all government, semi-government, non-government, and private farmer organizations associated with agricultural development, including departments such as Agriculture, Horticulture, Animal Husbandry, and Fisheries.

State Agricultural Universities Objectives

- To impart higher education in Agriculture, Food Technology, Agricultural Engineering, Renewable Energy & Environmental Engineering, Bio-Technology, Food Nutrition and Dietetics, Community Science, Agricultural Business Management, Agriculture Information Technology, Horticulture, Forestry and Allied sciences.
- To produce high quality seed and planting material for important crops of the Gujarat and provide technological solutions for improving agriculture.

Strategy

- Impart training in agriculture and allied sciences to the farm youths, farmers and farm women and extension workers and disseminate new practices.
- Make available of technically sound, competitive and skilful man power for the up liftmen of rural community.
- Conduct research in order to enhance the production and productivity for making farming occupation as economically viable.
- Value addition and input use efficiency for profitable farming.

Animal Husbandry

1. Objectives of Sector:

- To provide health-care and disease prevention services to livestock and poultry sector of the state by developing appropriate infrastructure.
- Enhancement of livestock productivity through appropriate breeding strategies, fodder production strategy and thereby increasing the income of livestock owners.
- To provide opportunities to weaker section of the society for earning through livestock and poultry keeping by implementing suitable schemes with incentives.

2. Strategy adopted to achieve the above mentioned objectives:

- Focus on improving the intrinsic (genetic potential) and extrinsic (management related) factors to increase production and productivity of livestock and poultry.
- Focus on extension activities in order to transfer knowledge of latest technological advancement in livestock and poultry sector.

Dairy Development

1. Objectives of Sector:

- To produce and supply wholesome milk and milk products in hygienic condition at reasonable price to the consumers.
- To uplift socio-economic condition of members of village dairy cooperative societies.

2. Strategy adopted to achieve the above mentioned objectives:

- Focus on providing assistance to members of Village Dairy Co-Operative Societies, Livestock owners, District Cooperative Milk Producers' Unions and Village Dairy Cooperative Societies.

Registrar Co-operative Societies

1. Kisan Kulpvriksh Yojana

Objectives:

To provide primary infrastructure like auction platform, office building, rest house, canteen, etc. to the farmers for getting substantial price of agricultural produces in 224 APMC's of the State.

Provide assistance to create infrastructure facilities like auction shed, parking shed, compound wall, RCC road, Way Bridge cleaning, grading facilities, cold storage, Ripening chamber, farmer training center and sanitation. 25% assistance to "A" & "B" Class APMCs & 50% assistance to "C" & "D" class APMCs other than tribal area. Assistance of Rs 20.0 Cr is provided for this scheme and maximum assistance for one APMC is Rs. 500 lakhs.

Strategy:

Development of farmers, traders, and APMCs is possible by the implementation of KKVY.

2. Construction of large scale ware- housing go-downs

Objectives:

Under the large scale storage and warehousing godown scheme, the Gujarat Agricultural Marketing Board, Gujarat state, Gandhinagar, will have to pay 50% of the project cost to all the market committees and the remaining 50% will have to be paid by the market committee. There is provision for construction of godowns with storage capacity of 2500 MT in A and B class market committees and for construction of godowns with storage capacity of 1000 MT for class C and D market committees. For this scheme Rs. 5.0 Cr. assistance is provided.

Strategy:

The implementation of this scheme will help the farmers to store in the godown of the market committee during the farm production season and reduce the transportation cost.

3. COP-34 Financial Assistant to Farmers for Interest Subvention**Objectives:**

Due to interest subvention to co-operative structure who provides crop loan @7% interest rate, they are encouraged to provide more crop loans. 3% interest subvention is given by Central Government to the farmers who repay crop loan up to Rs.3 lacs in time limit. State Government also provides 4% interest subvention to the farmers who repay loan availed between April to September. Thus farmers get crop loan @ 0% interest.

Strategy:

By this Scheme recovery increase and burden of interest reduces on farmers. It will help in increase income of farmers and doubling the farmer's income.

4. COP-37 To increase storage capacity, scheme for construction of new godown by PACS in the Gujarat State.**Objectives:**

Capital Assistance given to PACS @ Rs.3784/- per M.T. and 25 % capital subsidy to farmers, Co-operative institutions and APMCs, for construction of new godown of 100 M.T. to 500 M.T. Increase in storage capacity of farm products allows farmers to store their farm produce and sell when they get competitive prices. In addition, credit will be available to farmers on farm produce stored in the warehouse. Thus, the income of the farmers will increase.

Strategy:

This scheme will help to increase the income by increase storage facility of farm produce, for the farmers and cooperatives of the farmers. Farmers can sell the farm produce when the demand and price is higher in the market.

Director of Sugar:

- **COP- 16. Share capital contribution to sugar cooperative mills (Tribal).**

The newly formed Sugar Co. operatives are given 30% of the total project cost as share capital contribution by the Government, 10 % contribution from Grower members/Promoter's Share Capital and 60% amount of the project cost is to be raised by the society as term loan from Central Financial Institutions/Banks.

- **COP: Package for Strengthening to Sugar Co-operatives as may be decided by the State Government.**

Sugar industry of Gujarat is run by farmers on co-operative basis. Due to liquidity short fall with the sugar co-operatives in the larger interest of farmers and sugar industries State Government may give subsidy under this package for electric motor installation against turbine, new storage tank for molasses/ rectified spirit, mechanization in sugar harvesting, distillery capacity up-gradation, capacity up gradation for ethanol storage, for new storage Godown, steam economy project, Boiler modification, 3- Mega vote turbine and also to increase & productivity of sugar cane as per the policy to be decided by the state Government.

Commissioner of Fisheries**Objectives:**

- Conservation of rapidly depleting fish resources and marine environment.
- Providing security to fishermen.
- Providing maximum international facilities for the sustainable development of the fisheries industry.
- Development of marine fisheries.
- Development of inland fisheries.

- Development of brackish water fisheries.
- Fishermen welfare programs.

Strategic Framework:-

- Promoting modern, safe, and sustainable fishing activities through the effective implementation of fisheries laws.
- Increasing fish productivity through the use of advanced technologies, which will raise income and subsequently improve the standard of living of fishermen.
- Providing world-class infrastructure facilities at fish harbors and fish landing centres.
- Implementing systems like boat registration, licensing, and boat movement token systems for active fishermen.
- Enhancing the value of fish products to global standards through effective implementation of post-harvest technology.
- Providing health-compliant infrastructure facilities for fish sales.
- Promoting the development of inland fisheries by adopting advanced methods in fish seed production and farming and by providing necessary infrastructure facilities.
- Developing brackish water fisheries through advanced fish seed farming techniques and providing easy access to related infrastructure.
- Implementing fishermen welfare schemes.

Scheme:

Name of Scheme:	AGR-1 Administration, Extension & Infrastructure Facilities For Agriculture Development (Krushi Mahotsav)		
Components & Activities :	(1) State-wide farmer outreach programme conducted at village level (2) Demonstrations on improved agricultural practices and new technologies (3) Promotion of crop diversification, horticulture, and organic farming (4)Awareness on government schemes related to agriculture and allied sectors (5) Farmer interaction with experts from Agriculture, Animal Husbandry, Horticulture, Fisheries, and allied departments (6) Distribution of agricultural inputs, literature, and advisory services		
Intended Beneficiaries :	All the farmers of Gujarat State		
Scale of Assistance :	Not Applicable		
Implementing Agency	Director of Agriculture		
Funding Pattern(in %) :	GOG : 100	GOI : 00	Others : 00

Expected Outcome :	Krishi Mahotsav is expected to strengthen the agricultural extension system by ensuring direct interaction between farmers and subject matter experts at the village level. Through focused awareness campaigns, demonstrations, and field-level guidance, farmers gain practical knowledge about improved crop production techniques, soil health management, water conservation, use of quality seeds, balanced fertiliser application, and adoption of modern agricultural technologies. The scheme aims to increase farm productivity and income by encouraging scientific farming practices and diversification towards high-value crops, horticulture, and allied activities such as animal husbandry and fisheries. Improved awareness of government welfare schemes enables farmers to access subsidies, training programmes, and institutional support effectively. Krishi Mahotsav also promotes sustainable agriculture by educating farmers on soil testing, organic farming, integrated pest management, and climate-resilient practices. Regular interaction with officials builds trust, improves grievance redressal, and ensures better implementation of agricultural policies at the grassroots level. Overall, the scheme contributes to enhanced agricultural growth, improved livelihoods of farmers, and long-term sustainability of the agriculture sector in Gujarat.
--------------------	---

Name of Scheme:	Promoting farmers for Post Harvesting & Management (value addition).
Components & Activities :	Project Based Processing unit
Intended Beneficiaries :	The beneficiaries of this scheme are all categories of farmers, farmer groups, women farmers, any diploma/graduate/postgraduate/BARS/ from State Agricultural University, women farmers' association (rural area), farmers' producer group; farmers' interested group; cooperative society (rural level), project based processing unit at rural level.

Scale of Assistance :	For processing units Govt give assistance on machinery cost only. 50 % or Rs. 10.00 Lakh whichever is less subsidy is given on project base. under which individual, women, SC, ST, Sakhi Mandal groups, farmer producer groups (SHGs), FPOs, FIGs are included.
Implementing Agency:	Director of Agriculture, Gujarat State, Gandhinagar
Funding Pattern (in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	Individual farmers' income will be increased, by increasing in value addition of the crops.

Name of Scheme:	Millet Development Scheme
Components & Activities :	Millet Demonstration, Taluka level mela, Millet Expo, Millet Processing Unit etc.
Intended Beneficiaries :	All farmers of the state
Scale of Assistance :	Millet Demonstration - Rs. 6000/ha Taluka Level Mela- Rs. 2.00 lakh/Mela Millet Processing Unit-Rs. 10.00 lakh/Processing unit
Implementing Agency:	Director of Agriculture
Funding Pattern(in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	Under the International Year of Millets 2023, the State Government has taken into account the vision of the Government of India to encourage the farmers of Gujarat state to increase the area of millets and to increase their income by increasing the value of millets.

Name of Scheme:	AGR-2 Agri. support programme for other than S.C and S.T Farmers
Components & Activities :	PP Equipment, Tarpaulin, Pump set-oil engine pump sets, electric motor pump set, Submersible pump set, water carrying pipeline, Pesticide, Field Demonstration, Secondary & micro nutrient, 100% water soluble fertilizer, Castor cake/Neem cake/ Organic Fertiliser,

	Nano Fertilizer, Cultivator, Rotavator, Thresher, Handtools kit, Assistance for on farm storage structure and Smart Phone purchase.
Intended Beneficiaries :	All the farmers of the state other than SC/ ST farmers
Scale of Assistance :	1. P.P.EQUIPMENT - Crop Protection Equipment Material - Maximum one piece per account On power/machine driven equipment 50% of the purchase price of the equipment or Rs. 3000/- whichever is less. Maximum one number per account 2. TARPAULIN - 50% of purchase price of tarpaulin or Rs.1250/- whichever is less. Maximum of two numbers per account 3. FIELD DEMONSTRATION – For demonstration of 0.4 hectare Rs. 4000/- within the limit. One demonstration per account 4. PUMPSET - A. OIL ENGINE: (1) 3.0-3.5 HP 75% of the purchase price or Rs.8,700/- whichever is less (2) 5.0 H.P.A. 75% of the purchase price or Rs.12,000/- whichever is less (3) 7.5-8.0 H.P. 75% of the purchase price or Rs.13,500/- whichever is less (4) 10.0 Ho.Pa. 75% of the purchase price or Rs.13,875/- whichever is less B. ELE. MOTOR / PUMPSET: (1) 3 HP 75% of the purchase price or Rs. 8600/- whichever is less (2) 5.0 H.P. 75% of the purchase price or Rs. 9,750/- whichever is less (3) 7.5 H.P. 75% of the purchase price or Rs.12,900/- whichever is less C SUBMERSIBLE PUMPSET: (1) 3.0 H.Pa. 75% of the purchase price or Rs.15,750/- whichever is less (2) 5.0 H.P.A. 75% of the purchase price or Rs.22,350/- whichever is less (3) 7.5 H.P. 75% of the purchase price or Rs.27,975/- whichever is less (4) 10.0 H.P. 75% of the purchase price or Rs.33,525/- whichever is less 5. SECONDARY AND MICRO NUTRIENTS_- 50% of the purchase price per hectare for government approved grades of secondary and micro nutrients or Rs. 500/- whichever is less, for a maximum of two hectares per account

	6. WATER CARRYING PIPELINE_- 50% of purchase price or Rs. 15000/- per beneficiary whichever is less for HDPE laminated woven flat tube pipe /PVC/HDPE Pipe 7. NEEM CAKE/ CASTOR CAKE/LIQUID FERMENTED ORGANIC MANURES 7.1 50% of unit cost/purchase price per hectare for FCO 1985- SCHEDULE-IV & V or Rs.6000/- whichever is less. Maximum of two hectares per account 7.2 OR For green manure: 50% of the unit cost/purchase price of hemp (60 kg) or Ikkad (50 kg) per hectare of seeds or Rs. 2000/- whichever is less and mixing green manure into the soil, Rs. 2000/- per hectare, subject to a total limit of Rs. 4000/- per hectare, whichever is less. Maximum of three hectares per account 8. 100% WATER SOLUBLE FERTILIZER - 50% of the purchase price per hectare for government approved 100% water soluble fertilizer or Rs. 750/- whichever is less, for a maximum of four hectares per account 9. PLANT PROTECTION CHEMICALS_- 50% of purchase price per hectare or Rs.500/- whichever is less, for a maximum of two hectares per account 10. NANO FERTILIZER_- 50% of the purchase price per hectare for FCO approved or Rs. 750/- whichever is less, for a maximum of four hectares per account 11. VERMI COMPOST UNIT_- Rs.50,000/- per unit assistance for individual farmers (Rs.2000/- per square meter, for a maximum of 25 square meters) and for registered institutions associated with Panjara Pol, Dairy/Animal Husbandry, assistance of Rs. 2,00,000/- per unit (Rs. 2000/- per square meter, for a maximum of 100 square meters) 12. Farm Mechanization: As per scheme G.R. 13.On Farm Storage Structure: 50% of total cost or Rs 1,00,000/- whichever is less. 14. SMART PHONE: 40% assistance per purchase price of smartphone or Rs. 6000 / - whichever is less
Implementing Agency	Director of Agriculture

Funding Pattern(in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	The Government of Gujarat provides subsidies on agricultural inputs and equipment—such as plant protection tools, organic manures, water pipelines, pump sets, fertilizers, and on-farm storage structures—to enhance crop production, ensure quality storage, and increase farmers' income. Agricultural mechanization is essential to reduce difficulties in farm operations, enable economical use of inputs, efficiently utilize natural resources, and improve overall farm productivity. . Smartphones further support farmers by delivering timely information on weather, pest management, farming practices, and government schemes, helping them make informed decisions efficiently.

Name of Scheme:	Scheme to provide assistance to the farmers of the state for the promotion of organic farming (LFOM)
Components & Activities :	Registration/Certification, Inputs, Residue Testing, Liquid Fermented Organic Manure (LFOM) and Fermented Organic Manure (FOM) or Oil Cake or PROM
Intended Beneficiaries :	All farmers of the state
Scale of Assistance :	<u>Registration / Certification</u>- For registration, inspection, certification, and transportation charges/fees as fixed by APEDA, when certification is done through the Gujarat Organic Products Certification Agency (GOPCA), assistance at the rate of 75% of the prescribed cost will be provided. For certification through APEDA-recognized organic certification agencies other than GOPCA, assistance of 50% of the cost or up to Rs.2,000 per hectare, whichever is lower, will be provided towards registration, inspection, certification, and prescribed transportation charges/fees. <u>Inputs</u>- Assistance of Rs.5,000 per hectare per year, subject to a maximum limit of 2 hectares per holding. <u>Residue Testing</u>- For residue testing of organic farm produce, assistance equal to the actual expenditure

	incurred or up to a maximum of Rs.10,000 per sample, whichever is lower. (Residue testing must be carried out only in NABL-accredited laboratories.) LFOM and FOM or Castor Cake or PROM For Liquid Fermented Organic Manure (LFOM) and Fermented Organic Manure (FOM) as per Schedule IV and V under FCO, 1985, or castor cake or PROM, assistance will be provided up to Rs.4,000 per acre, based on the prescribed unit cost or the actual expenditure incurred, whichever is lower, subject to a maximum limit of 2 hectares (5 acres) per holding.
Implementing Agency :	Director of Agriculture
Funding Pattern(in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	Under the Scheme for Providing Assistance to Promote Organic Farming among Farmers of the State, through four components, namely Registration/Certification, Agricultural Inputs, Residue Testing, and Liquid Fermented Organic Manure (LFOM) and Fermented Organic Manure (FOM) or Castor Cake or PROM. Under these four components, approximately 15,000 farmers will benefited.

Name of Scheme:	Financial assistance to farmers to erect barbed wire fencing surrounding their farms to protect the crop from the wild animals 02 2401 00 107 14
Components & Activities :	1. Scheme subsidy provide for making wire fencing 2. Subsidy provide for purchase of solar power unit/kit 1. Wire fencing Rs43,000/ ha area, 2. 2.Solar power unit/kit-8,000 no.
Intended Beneficiaries :	All farmers of the state
Scale of Assistance :	1. Wire fencing- Per Running Meter Rs. 200/- or 50% of the actual expenditure incurred whichever is less 2.Solar power unit/kit- Assistance will be available at 50% of the total cost or Rs.15,000/- whichever is less.

Implementing Agency:	Director of Agriculture
Funding Pattern (in %) :	GOG : 100% GOI : 00 Others : 00
Expected Outcome :	To provide scheme benefits to farmers for protecting their crops from wild Animals.

Name of Scheme:	Agriculture Skill Development Training Programme for Farmers and Women
Components & Activities :	Organization of training programmes, agricultural fairs and educational exposure visits to disseminate modern agricultural technologies among farmers, Provision of agricultural extension training to farmers, farm women and Gram Sevaks through Farmer Training Centres functioning in all 28 districts of the State, Conduct of three-day short-term institutional training programmes separately for male and female farmers, Organization of specialized institutional training programmes for young farmers (18 to 35 years), conducted separately for men and women, Organization of Precision Camps prior to Rabi and Kharif seasons to provide on-site guidance and resolve field-level problems faced by farmers, Conduct of Sharing and Follow-up Camps for trained farmers to assess adoption of learned practices and provide additional technical guidance and Organisation of two Krushi Mela every year in each district.
Intended Beneficiaries :	All Farmers of Gujarat
Scale of Assistance :	No direct financial assistance is provided under the scheme. Benefits are provided in the form of training, guidance, demonstrations, educational exposure visits and technical knowledge
Implementing Agency	All Farmer Training Centres of the State.
Funding Pattern (in %) :	GoG- 100% GoI: 0 Others:0

Expected Outcome :	The Agriculture-Oriented Skill Development Training Programme for farmers and women aims to enhance their capacity to adopt modern, scientific, and practical farming practices. Institutional and follow-up training provided through Farmer Training Centres strengthens technology-based farming, efficient crop management, and the optimal utilization of agricultural resources. Precision Camps and Agricultural Fairs ensure timely technical guidance, on-the-spot resolution of farmers' problems, and the exchange of experiences, while educational exposure visits enable farmers to gain first-hand experience of progressive farming models. Special training programmes for women farmers and rural youth promote self-reliance, self-employment, and income generation. Overall, the scheme significantly contributes to increased agricultural productivity, higher farm income, and the sustainable development of the agricultural sector in the State.
--------------------	--

Name of Scheme:	Agro Service Provider Unit
Components & Activities :	Assistance will be provided for the establishment of agro service provider unit
Intended Beneficiaries :	"1) Primary Agricultural Co-operative Society (PACS), Farmer Group/Farmer Producer Company 2) Cooperative organization/Sakhi Mandal/Self Help Group engaged in agricultural activities and having farmer members 3) Farmer entrepreneur with Diploma in Agriculture/Bachelor of Agriculture/ANU/B.R.S. Degree"
Scale of Assistance :	Under this scheme, the service provider will get 40% assistance in the initial year in the general area and 10% in the first two year and 7.5% in the next two years and 7.5% in the next two years, a total of 75% in five years (in the limit of Rs.7, 50,000) and 50% in the initial year in the tribal area then 10% in the first two years and 7.5% in the next two years. (In the limit of Rs.8, 50,000) assistance will be given.

Implementing Agency	Director of Agriculture
Funding Pattern (in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	Agricultural mechanization services will be easily available to the farmers of the state.

Name of Scheme:	02 2401 00 110 01 Crop Estimation through satellite Image and Staff for Crop Insurance Scheme
Components & Activities :	1. Accurate and timely acreage and crop production estimates of 14 agricultural crops in Kharif season, 12 in Rabi season and 6 in summer season, as well as 4 horticultural crops will be obtained. 2. Use of web portal 3. Use of mobile application 4. Management through command and control centre
Intended Beneficiaries :	All the Farmers of the state
Scale of Assistance :	NA
Implementing Agency	Director of Agriculture
Funding Pattern (in %) :	100% State
Expected Outcome :	1. Useful decisions related to farming can be possible due to accurately and timely estimating acreage and crop production. Identifying the damaged area can be done quickly and accurately during heavy rain, flood, or drought conditions. 2. Through the web portal, officials will get information about the crop area, production, crop conditions, crop health, disease and pest infestation, soil moisture content, weather conditions etc. 3. Through the mobile application, the registered farmers will be provided an advisory regarding crop conditions, disease and pest infestation, soil moisture content and irrigation etc. of various crops grown on their farm.

	4. The command and control centre set up at Krushi Bhavan, Gandhinagar will have facilities including a video wall, control room, conference room, and team room. AOCC Experts team will help farmers regarding farming related crop problems received through mobile application.
--	--

Name of Scheme:	Farmers Accidental Death/Permanent Disability Insurance Scheme normal Farmer (002 2401 00 110 06)
Components & Activities :	To assist the successor of the registered farmer, all child (son/daughter) of the registered farmer and the husband/wife of the registered farmer in case of death or disability due to accident. Deceased or Permanent disability person should be registered farmer (Have Individual or Joint name land) or child of registered farmer (son or daughter) or the husband/wife Death or permanent disability must be due to accident Suicide or Natural death are not covered in this scheme. Deceased or Permanent disability person having age of 5 to 70 years. Application should be made within 150 days to the office of concerned District Agriculture Officer
Intended Beneficiaries :	All registered farmers, all child (son/ daughter) of the registered farmers and the husband/ wife of the registered farmers of the state.
Scale of Assistance :	In case of accidental death or permanent disability 100% assistance of Rs. 4.00 lakh. In case of accidental loss of two eyes/ two legs /hands and legs/ one eye and one hand or leg 100% assistance of Rs. 4.00 lakh. In case of accidental loss of one eye and one hand and a limb 50% assistance of Rs. 2.00 lakh.
Implementing Agency:	Director of Insurance, Gandhinagar through Director of Agriculture, Gujarat state , Gandhinagar
Funding Pattern (in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	To assist the successor of the registered farmer, all child (son/ daughter) of the registered farmer and the

	husband / wife of the registered farmer in case of death or disability due to accident.
--	---

Name of Scheme:	Crop Input Subsidy to the Farmers for Crop Loss Due to Natural Calamities
Components & Activities :	Crop Input Subsidy is paid to the affected farmers for Crop Loss due to various Natural Calamities declared under Revenue Department, Government of Gujarat, Resolution No: CLS/102012/253/S.3 Dt.27/04/2015 norms
Intended Beneficiaries :	All farmers of the state
Scale of Assistance :	Norms of assistance prescribed by State government at the time of crop loss due to Natural Calamities.
Implementing Agency:	Directorate of Agriculture
Funding Pattern (in %) :	GOG : 100 % GOI : 00 Others : 00
Expected Outcome :	To Support the farmers affected by crop loss due to Natural Calamities by proving financial assistance

Name of Scheme:	AGR-50 Assistance to farmers to purchasing heavy farm equipment's-Tractors
Components & Activities :	Assistance on purchase of tractor Tractor
Intended Beneficiaries :	All the Farmers of the state
Scale of Assistance :	25% of tractor price or Rs. 100000/-whichever is less, for models above 20 PTO horsepower and up to 60 PTO horsepower.
Implementing Agency	Director of Agriculture
Funding Pattern (in %) :	GOG : 100 % GOI : 00 Others : 00
Expected Outcome :	Promotion of farm mechanization. Farm labour problem may be decrease.

Name of Scheme:	Kisan Parivahan Yojanaa (02 00 2401 113 08)
Components & Activities :	Assistance is given to the farmer for purchase of Goods Carriage Vehicle, Sanedo Agricultural equipment and Tractor Trailer
Intended Beneficiaries :	All Farmers of the state.
Scale of Assistance :	Good Carriage Vehicle:- General farmers : 25% of actual expense or Rs. 50,000/- whichever is less Small/Marginal/SC/ST/Women Farmers : 35% of actual expense or Rs. 75,000/- whichever is less For Tractor Trailer : 20% of actual expense or Rs. 30,000/- whichever is less For Sanedo Agricultural equipment :25% of actual expense or Rs. 25,000/- whichever is less
Implementing Agency	Director of Agriculture
Funding Pattern (in %) :	GOG : 100 GOI : 00 Others : 00
Expected Outcome :	Due to assistance on the purchase of medium size Goods Carriage Vehicles, Tractor Trailer and Sanedo it will make transportation easier, transport sooner, and get supplemental employment to farmers in the off-season.

Name of Scheme:	2401 114 02 Use of advanced drone technology (agricultural aircraft) in the field of agriculture and Increase SRR (100% State)
Components & Activities :	Crop protection chemicals/FCO approved liquid fertilizer/bio fertilizers Spraying in Agricultural Crops through Advanced Drone Technology Components: (1) i-khedut portal method (2) At source method. Assistance on certified seed distribution
Intended Beneficiaries :	All Farmers of the state.

Scale of Assistance :	(1)The standard of assistance under this scheme is 90% of the cost or maximum of Rs. 500/- whichever is less will be admissible per acre/per spraying. (2) Assistance shall be admissible A maximum of 5 acres per sprinkler per account will be eligible for assistance. Given Assistance on Purchase of Certified Seed
Implementing Agency:	Director of Agriculture
Funding Pattern (in %) :	GOG : 100 % GOI : 00 Others : 00
Expected Outcome :	Use of this technology will enable quick and easy spraying of crop protection chemicals/FCO approved liquid fertilizer/bio fertilizers which will help in increasing crop production. Increase the Production of Field Crop Availability of quality certified seeds as per requirement of improved/high yielding varieties of various agricultural crops in the state and distribution to the beneficiary farmers at subsidized rates will increase the penetration of new and improved varieties among the farmers. Due to which the farmers will increasingly adopt quality seeds of new improved varieties instead of seeds of traditional varieties and the seed replacement rate will increase.

Name of Scheme:	AGR-4 Distribution of Seeds and Fertilizers input Kits at Subsidized rates to S.C. cultivators
Components & Activities :	PP Equipment, Tarpaulin, Pumpset-oil engine pump sets, electric motor pump set, Submersible pump set, water carrying pipeline, Pesticide, Field Demonstration, Secondary & micro nutrient, 100% water soluble fertilizer, Castor cake/Neem cake/ Organic Fertiliser, Cultivator, Rotavator, Thresher, Handtools kit, Assistance for on farm storage structure,
Intended Beneficiaries :	All the SC farmers of the state
Scale of Assistance :	1. Power Operated Crop Protection Equipment: 75% of the unit cost/purchase price of the approved model/equipment or Rs. 4,500/-, whichever is less. Maximum one item per account. 2. Tarpaulin: 75% of the unit cost/purchase price of tarpaulin or Rs. 1,875/-, whichever is less. Maximum two numbers per account. 3. Pumpset A. Oil Engine 3.0 to 3.5 HP – 75% of unit cost/purchase price or Rs. 8,700/-, whichever is less. 5.0 HP – 75% of unit cost/purchase price or Rs. 12,000/-, whichever is less. 7.5 to 8.0 HP – 75% of unit cost/purchase price or Rs. 13,000/-, whichever is less. 10.0 HP – 75% of unit cost/purchase price or Rs. 13,875/-, whichever is less. B. Electric Motor 1.0 to 3.0 HP – 75% of unit cost/purchase price or Rs. 8,600/-, whichever is less. 5.0 HP – 75% of unit cost/purchase price or Rs. 9,750/-, whichever is less.

	7.5 HP – 75% of unit cost/purchase price or Rs. 12,900/-, whichever is less. C. Submersible Pump set 3.0 HP – 75% of unit cost/purchase price or Rs. 15,750/-, whichever is less. 5.0 HP – 75% of unit cost/purchase price or Rs. 22,350/-, whichever is less. 7.5 HP – 75% of unit cost/purchase price or Rs. 27,975/-, whichever is less. 10.0 HP – 75% of unit cost/purchase price or Rs. 33,975/-, whichever is less. 4. Water Carrying Pipeline: Unit cost/purchase price or Rs. 22,500/- per beneficiary, whichever is less. 5. Field Demonstration: Financial limit of Rs. 4,000/- for demonstration of one acre (0.40 ha). One demonstration per account. 6. Liquid Fermented Organic Manure/Liquid Fermented Organic Manure/Green Manure (for seed/soil application): (Schedule-N & V of FCO, 1985):75% of the unit cost/purchase price or Rs. 9,000/-, whichever is less. Green Manuring: Seeds: 75% of unit cost or Rs. 3,000/- per hectare, whichever is less. Buried in soil: Rs. 3,000/- per hectare. Maximum limit Rs. 6,000/- for up to three hectares per account. 7. 100% Soluble Chemical Fertilizer / Nano Fertilizer: 75% of the unit cost/purchase price or Rs. 750/- per hectare, whichever is less. Maximum four hectares per account. 8. Farm Mechanization: As per scheme G.R. 9. On Farm Storage Structure: 50% of total cost or Rs 1,00,000/- whichever is less.		
Implementing Agency	Director of Agriculture		
Funding Pattern (in %) :	GOG : 100%	GOI : 00	Others : 00

Expected Outcome :	The Scheme is operated with an objective to provide assistance to SC Farmers for agricultural inputs for upliftment of the SC farmer by increasing their agricultural productivity, productions and standard of livings. Agricultural mechanization is essential to reduce difficulties in farm operations, enable economical use of inputs, efficiently utilize natural resources, and improve overall farm productivity With On Farm Storage Structure farmers have a storage facility for proper storage, they can maintain the quality of the agricultural crops produced by them, at the right time and for the purpose of achieving economic benefits, for that purpose farmers are encouraged to protect agricultural crop produce.
--------------------	---

Name of Scheme:	Scheme for incentive assistance to schedule caste farmers to increase production and productivity of sugarcane crop
Components & Activities :	(1) For the purpose of increasing the area, production and productivity of sugarcane by given a assistance of Rs. 10,000/- per hectare for the use high quality seeds, Other inputs, Latest package of practices, Agriculture mechanization/ technology and other expenses to the Small, Marginal and Female farmers of General Category of the state. (Rs. 15.00 Lakh assistance) (2) Assist a farmers for more production of sugarcane, 10% per MT assistance can be given to the farmers as per the sale price of sugarcane against more than 70.00 MT production per hectare. (Rs.5.00 Lakh assistance)
Intended Beneficiaries :	All the SC farmers of the state
Scale of Assistance :	(1) For, the purpose of increase a cropping area, production and productivity of sugarcane crops of scheduled Tribal caste farmers of the state, assistance of Rs. 10,000/- per hectare can be given for the use of high Quality of Seeds, Other inputs, Latest package of practices, Agriculture mechanization/ technology used in sugarcane farming

	(2) Assist a farmers for more production of sugarcane, assistance of 10% per MT can be given to the farmers as per the sale price for more than 70.00 MT production
Implementing Agency	Directorate of Agriculture
Funding Pattern (in %) :	GOG : 100% GOI : 00 Others : 00
Expected Outcome :	Increase a cropping area, production and productivity of Sugarcane crops

Name of Scheme:	AGR-3 Distribution of Seeds of more productions varieties/Hybrids varieties Seeds and fertilizer at subsidies etc. to Adivasi farmers in Tribal Area (TASP) 096 2401 00 796 03
Components & Activities :	Power operated Plant protection equipment's, Tadpatri, Field Demonstration, Water Carrying, Pipeline, Organic Fertilizer, Pump set, Krushi mela/farmer Training, Plant Protection pesticide, 100 % Water soluble Fertilizer, Cultivator, Rotavator, Thresher, Handtools kit., Establishment, Khedut Suvidha rath
Intended Beneficiaries :	Tribal Farmers of the state

Scale of Assistance :	1. Power operated plant protection equipment – 75% of cost or Rs.4,500 (whichever is less)2. Tadpatri – 75% of cost or Rs.1,875 (Maximum 2 Nos.)3. Field Demonstration – 100% input cost for 0.4 hectare (Maximum Rs.4,000)4. Water Carrying Pipeline – 75% of cost or Rs.22,500 (whichever is less)5. Agriculture Fair / Exhibition / Farmers Training – Maximum up to Rs.1,00,000 6. Pump Set: a) Oil Engine – 75% of cost or Rs.8,700 to Rs.13,875 (according to HP, whichever is less) b) Electric Motor – 75% of cost or Rs.8,600 to Rs.12,900 (according to HP, whichever is less) c) Submersible Pump Set – 75% of cost or Rs.15,750 to Rs.33,525 (according to HP) 7. Castor Cake / Neem Cake / LFOM / Green Manures – 75% of cost or Rs.9,000 per ha. (Maximum 2 ha.)8. Plant Protection Pesticide – 75% of cost or Rs.750 per ha. (Maximum 2 ha.)9. 100% Water Soluble Fertilizer / Nano Fertilizer – 75% of cost or Rs.750 per ha. (Maximum 4 ha.)10. Farm Mechanization: As per scheme G.R.11.On Farm Storage Structure: 50% of total cost or Rs 1,00,000/- whichever is less. 12.Vanbandhu Tractor: 25% of the cost or Rs. 1,00,000/-, whichever is less, for models above 20 PTO horsepower and up to 60 PTO horsepower. 13.khedut Suvidha Rath for Advise tribal farmers, collect samples, organize training, and promote improved agricultural practices
Implementing Agency	Directorate of Agriculture
Funding Pattern (in %) :	GOG : 100% GOI : 00 Others : 00
Expected Outcome :	To increase production and productivity of Tribal farmers, Uplift economic social status of In Side tribal farmers. Farmers have a storage facility for proper storage, they can maintain the quality of the agricultural crops produced by them, at the right time and for the purpose of achieving economic benefits, and for that purpose farmers are encouraged to protect agricultural crop produce. Agricultural mechanization is essential to reduce difficulties in farm operations, enable

	economical use of inputs, efficiently utilize natural resources, and improve overall farm productivity. Farmers have a storage facility for proper storage, they can maintain the quality of the agricultural crops produced by them, at the right time and for the purpose of achieving economic benefits, and for that purpose farmers are encouraged to protect agricultural crop produce. Similarly, through the Khedut Suvidha Rath, accurate solutions for pests and diseases will be provided directly in the fields, and farmers will be informed about outbreaks through surveys to enable effective control.
--	---

Name of Scheme:	National Food Security and Nutrition Mission (NFSNM)		
Components & Activities :	Subsidy on the purchase of Demonstration, Cropping System based Demostration, Distribution of Certified seeds, IPM, INM etc.		
Intended Beneficiaries :	All farmers of the state		
Scale of Assistance :	Distribution of certified seeds(Qtl.) Rs.1800 to 6000/Qtl. IPM (Ha)-/INM (Ha)-50 of the Cost or Rs500 to Rs.2500/ha whichever less cluster demonstration (ha)-Rs7500 TO Rs.10000/ha Cropping system demonstration (Ha.)- Rs.15000/ha		
Implementing Agency	Directorate of Agriculture, Gandhinagar		
Funding Pattern (in %) :	GOG : 40%	GOI : 60%	Others : 00

Expected Outcome :	The Scheme was Started during year 2007-08 as per the 11th five year plan Guide line has been improved in the years 2014-15, rice, wheat, pulses and course cereals in addition to cash crops like cotton and sugarcane crops NFSM Guideline has been revamped from 2018-19 and advised to NFSM- Num cereals crop Increasing production of rice, wheat, pulses und course cereals through area expansion and productivity enhancement in sustainable manner in the identified districts of the country Restoring soil fertility and productivity at the individual farm level Enhancing farm level economy (i.e. farm profits) to restore confidence amongst the farmers
--------------------	--

Name of Scheme:	Sub Mission on Seeds and Planting Material (SMSP)		
Components & Activities :	Seed Village Programme, Farmers Training, Creation of infrastructure facility and Storage Godowns		
Intended Beneficiaries :	Farmers, SAU's, State Laboratories		
Scale of Assistance :	As per Guideline		
Implementing Agency	Director of Agriculture		
Funding Pattern (in %) :	GOG : 40%	GOI : 60%	Others : 00
Expected Outcome :	SMSP will cover the entire gamut of seed production chain, from production of nucleus seed to supply of certified seeds to the farmers to provide support for creation of infrastructure conducive for development of the seed sector, support to the public seed producing organizations for improving their capacity and quality of seed production, create dedicated seed bank to meet unforeseen circumstances of natural calamities etc. for the implementation of this scheme.		

Name of Scheme:	PM RKVY SOIL HEALTH AND FERTILITY SCHEME
Components & Activities :	1. Soil Sample Collection 2. Static Soil Testing Lab 3. Village Level Soil Testing Lab 4. School Soil Health Programme
Intended Beneficiaries :	All Farmers
Scale of Assistance :	Rupees 300 Per Soil Sample (Free of Cost SHC Distribute to Farmers)
Implementing Agency	Directorate of Agriculture
Funding Pattern (in %) :	GOG : 40% GOI : 60% Others : 00
Expected Outcome :	By using Soil Health Card, farmers use the required amount of fertilizer. This prevents soil degradation due to excessive use of fertilizer. Efficient use of fertilizer reduces farming costs. • To issue soil health cards every years, to all farmers of the state. • To develop and promote soil test based nutrient management in the districts for enhancing nutrient use efficiency. • To build capacities of district and state level staff and of progressive farmers for promotion of nutrient management practices through demonstration & training.

Name of Scheme:	PMRKVY-Paramparagat Krushi Vikas Yojana
Components & Activities :	1. Capacity Building 2. Deployment of Manpower 3. Service charges to RCs and Residue analysis 4. Incentive to Farmers 5. Supporting for Marketing and branding , Value Addition
Intended Beneficiaries :	All Farmers
Scale of Assistance :	First Year: Rs.10000 per Hector, Second Year: Rs. 10500 per Hector, Third Year: Rs. 11000 per Hector

Implementing Agency:	Directorate of Agriculture
Funding Pattern (in %) :	GOG : 40% GOI : 60% Others : 00
Expected Outcome :	Aims at development of sustainable models of organic farming through a mix of traditional wisdom and modern science to ensure long term soil fertility buildup, resource conservation and helps in climate change adaptation and mitigation. It primarily aims to increase soil fertility and thereby helps in production of healthy food through organic practices without the use of agro - chemicals.

Name of Scheme:	National e Governance Plan in Agriculture (NeGP-A) B.H - Central: 2401 00 111 14, State: 2401 00 111 15
Components & Activities :	(1) Digital survey of all survey numbers under the Digital Crop Survey Project (2) I.Khedut (2.0) portal
Intended Beneficiaries :	—
Scale of Assistance :	—
Implementing Agency:	Directorate of Agriculture
Funding Pattern (in %) :	GoG-40% GOI - 60%, Other -0
Expected Outcome :	The digital crop survey project will help to know the exact cultivated area of all the crops. Through the new I-Khedut portal 2.0 , farmers have more flexibility to avail the benefits of various government schemes and other facilities.

Name of Scheme:	Sub Mission on Agricultural Mechanization
Components & Activities :	Under the scheme, assistance is provided in the purchase of farm implements under agricultural mechanization, so adoption of agricultural mechanization saves time, labor, as well as agricultural inputs to the farmers in carrying out their daily core farming activities. The current shortage of farm laborers can also be reduced.
Intended Beneficiaries :	All the farmers of the state
Scale of Assistance:	As per Sub Mission on Agricultural Mechanization scheme Guidelines
Implementing Agency	Director of Agriculture
Funding Pattern (in %) :	GoG-40% GOI - 60%, Other -0
Expected Outcome:	Agricultural mechanization necessary for farmers in the state Farmers of the state should adopt more agricultural mechanization in agriculture to reduce the difficulties in various agricultural activities; Economical use of various agricultural inputs; Efficient utilization of available natural resources useful for agriculture and can increase farm productivity.

Name of Scheme :	National Mission on Edible Oil- Oilseeds
Components & Activities :	Under the National Mission on Edible Oil-Oilseed Scheme, assistance is provided in the form of subsidies in different components to encourage the farmers of the state to cultivate oilseed crops. In which assistance is mainly provided in different components like (1) Certified seed distribution (2) Block demonstration (3) Soil health analysis (4) Machinery for processing oilseed crops and oil extraction unit (5) Gypsum/Pyrite/Liming Dolomite/SSP (6) Farmer Training (7) Farmer Field School.
Intended Beneficiaries :	All the farmers of the state

Scale of Assistance :	Scale of Assistance (Component-wise): 1. Certified Seed Distribution 100% assistance on the cost of certified seeds released in the last five years For a maximum of one hectare per account within the price limit of certified seeds fixed by the Government of India or the State Government. 2. Soil Health analysis - Limit of Rs. 110/- per Soil Health Card 3. Farmer Field School (FFS) - Limit of Rs. 35,000 per FFS (1 FFS per 1000 hectares) 4. Farmer Training - Limit of Rs. 30,000 5. Block Demonstration - 50% of the cost of the block demonstration input kit or the following price limits, whichever is lower, i. Groundnut - Rs. 14,000 ii. Soybean - Rs. 10,000 iii. Castor - Rs. 8,000 iv. Sesame - Rs. 8,000 v. Mustard - Rs. 9,000 6. Machinery and oil extraction units for processing oilseed crops- Assistance for machinery for processing oilseed crops and oil extraction unit (10 ton capacity) 33% of the project cost or Rs. 9,90,000, whichever is less. 7. Gypsum/Pyrite/Liming Dolomite/SSP - 50% of purchase price + transportation cost subject to a maximum of Rs. 750/- per hectare, subject to a maximum limit of 5 (five) hectares per account.
Implementing Agency	Directorate of Agriculture
Funding Pattern (in %):	GoG-40% GOI - 60%, Other -0
Expected Outcome:	India is one of the major oilseeds grower and importer of edible oils. During the last few years, the domestic consumption of edible oils has increased substantially and is likely to increase further. So to overcome the oilseed demand and to reduce import of edible oil from foreign, Government of India has launched National

	Mission on Edible Oil-Oilseed scheme from the financial year 2025-26. The main objective of this scheme is significantly to increase the production of oilseed crops during the period from the financial year 2024-25 to 2030-31. Efforts are being made to increase the production of oilseed crops in the state by promoting modern technology in various components and providing assistance in various components for the districts of Gujarat state. There is a provision of 60% share of the center and 40% share of the state for this centrally sponsored scheme.

Name of Scheme :	Mission for Aatmanirbharta in Pulses		
Components & Activities :	Subsidy on the purchase of Micro nutrients, PP Chemicals, Gypsum, Cluster Demonstration, Rotavator, Pump Sets, Cropping System based, Demonstration, Power Snapsack Sprayer, Distribution of Certified seeds,		
Intended Beneficiaries :	All farmers of the state		
Scale of Assistance :	As per the new guideline		
Implementing Agency:	Directorate of Agriculture, Gandhinagar		
Funding Pattern (in %) :	GOG : 40	GOI : 60	Others : 00
Expected Outcome :	The Scheme was Started during year 2024-25 for pulses. The Guideline of scheme focus on Increasing production of Pulses through area expansion and productivity enhancement in sustainable manner in the identified districts of the country Restoring soil fertility and productivity at the individual farm level Enhancing farm level economy (i.e. farm profits) to restore confidence amongst the farmers Intercropping Scheme Intercropping system will popular among farmers. The purpose of this scheme is maximum utilization of farm inputs in local possible environment. Hence, farmers get more production for		

	unit area and economic sanction of farmers will improved.
--	---

Name of Scheme:	HRT-2 02/2401/119/01 Scheme for Integrated Horticulture Development
Components & Activities :	Area expansion of Fruit crops, Promotion of IPM/INM, Area covered under Natural farming in Vegetable Crops, Trellis mandap for Cucurbit vegetable crops, Purchase of different harvesting and processing equipment, Distillation unit for Medicinal/Aromatic Plants, Processing Unit for Horticulture Crops, Export Subsidy, Packing Materials, Mission Honey bee, Crop Cover, Purchase of plastic crates & Weighing Scale etc.
Intended Beneficiaries:	approximate 125000 farmers of general category
Scale of Assistance :	In most of the components 50% assistance given to the Farmers.
Implementing Agency :	Directorate of Horticulture
Funding Pattern (in %):	GOG : 100 GOI : 00 Others : 00
Expected Outcome:	Approximately 125000 farmers will get benefit under this scheme

Name of Scheme:	HRT-3 96/2401/796/01 Scheme for Horticulture Deve. Programme in Tribal Area (TASP)
Components & Activities :	Area expansion of Fruit crops, Promotion of IPM/INM, Area covered under Natural farming in Vegetable Crops, Trellis mandap for Cucurbit vegetable crops, Purchase of different harvesting and processing equipment's, Packing Materials, Crop Cover, Purchase of plastic crates & Weighing Scale etc.
Intended Beneficiaries:	approximate 25000 farmers of ST category

Scale of Assistance :	In most of the components 50% to 75% assistance given to the Farmers.
Implementing Agency:	Directorate of Horticulture
Funding Pattern (in %):	GOG : 100% GOI : 00 Others : 00
Expected Outcome:	Approximately 25000 farmers will get benefit under this scheme

Name of Scheme:	HRT-4 95/2401/119/01 Scheme for Horticulture Deve. Programme under (SCSP)
Components & Activities :	Area expansion of Fruit crops, Promotion of IPM/INM, Area covered under Natural farming in Vegetable Crops, Trellis mandap for Cucurbit vegetable crops, Purchase of different harvesting and processing equipment's, Packing Materials, Crop Cover, Purchase of plastic crates & Weighing Scale etc.
Intended Beneficiaries:	approximate 10000 farmers of SC category
Scale of Assistance :	In most of the components 50% to 75% assistance given to the Farmers.
Implementing Agency:	Directorate of Horticulture
Funding Pattern (in %):	GOG : 100% GOI : 00 Others : 00
Expected Outcome:	Approximately 10000 farmers will get benefit under this scheme

Name of Scheme:	HRT-9 02/2401/119/55 & 56 Mission for Integrated Development of Horticulture (National Horticulture Mission) (MIDH) - for General Farmers
Components & Activities :	Area Expansion of Fruits & Vegetables, Infrastructure development for horticulture sector, Farm mechanization & Training of Farmers etc. extension activities

Intended Beneficiaries:	40000 farmers of general category
Scale of Assistance :	35% to 50% of eligible cost
Implementing Agency:	Directorate of Horticulture, Gujarat State
Funding Pattern (in %):	GOG : 40% GOI : 60% Others : 00
Expected Outcome:	Approximately 40000 farmers will get benefit under this scheme

Name of Scheme:	HRT-13 95/2401/789/22 & 23 Mission for Integrated Development of Horticulture (National Horticulture Mission)(MIDH) - for SCSP Farmers
Components & Activities :	Area Expansion of Fruits & Vegetables, Infrastructure development for horticulture sector, Farm mechanization & Training of Farmers etc. extension activities
Intended Beneficiaries:	1750 farmers of SCSP category
Scale of Assistance :	35% to 50% of eligible cost
Implementing Agency:	Directorate of Horticulture, Gujarat State
Funding Pattern (in %):	GOG : 40% GOI : 60% Others : 00
Expected Outcome:	Approximately 1750 farmers will get benefit under this scheme

Name of Scheme:	HRT-1496/2401/796/64 & 65Mission for Integrated Development of Horticulture (National Horticulture Mission)(MIDH) - for TSP Farmers
Components & Activities :	Area Expansion of Fruits & Vegetables, Infrastructure development for horticulture sector, Farm mechanization & Training of Farmers etc. extension activities
Intended Beneficiaries:	15000 farmers of TASP category

Scale of Assistance :	35% to 50% of eligible cost
Implementing Agency:	Directorate of Horticulture, Gujarat State
Funding Pattern (in %):	GOG : 40% GOI : 60% Others : 00
Expected Outcome:	Approximately 15000 farmers will get benefit under this scheme

Name of Scheme	Bio-fuel Ethanol production units and tribal farmers supplying maize to such unit
Components & Activities	Components
Intended Beneficiaries	The guideline formulation process is in progress
Scale of Assistance	Assistance of Rs. 1 per kg if a the selected tribal farmer producing maize, supplies to ethanol plant
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome:	The process of preparation of guidelines is in progress

Name of Scheme	iNDEXTa (Agri business extension bureau)
Components & Activities	<u>Components</u> Investment promotion for agro food processing sector 1) Salary, Allowance etc. of iNDEXTa -Rs. 95 Lakh 2) Technical Support agency and preparation of standard DRP- RS. 180 Lakh 3) Participation and organization of seminars, exhibition- Rs. 115 Lakh 4) Preparing Investor Facilitation center and knowledge bank- Rs. 60 Lakh 5) Office, travelling and other expenses- Rs. 50 Lakh
Scale Of Assistance	-
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome	Investment promotion for agro food processing sector Facilitate the potential investor. Development of knowledge bank and model DPRs.

Name of Scheme	AGR 13 Financial Assistance to Agro Industries (Branding & Promotion)
Components & Activities	Financial assistance for branding and marketing of various agro product related schemes of Central Government and State Government
	Financial assistance for participation and promotion in international, state and central exhibition.
Intended Beneficiaries	-
Scale of Assistance	-
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00

Expected Outcome	EVENT, EXHIBITION PARTICIPATION AND PRAMOTIONAL ACTIVITIES
------------------	--

Name of Scheme	Comprehensive Agro Business Policy(2016-21)
Components & Activities	-
	Capital, Interest Subsidy and other Components like Air/Sea freight, Power etc.
Intended Beneficiaries	-
Scale of Assistance	Capital Subsidy @25% of Eligible Project cost
	7.5% Back ended Interest subsidy
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome	Providing Financial Assistance to eligible Agro and food Processing Unit

Name of Scheme	Financial Assistance to PM Formalization of Micro Food Processing Enterprises (PMFME) (CENTRAL)
Components & Activities	Components
	The programme has four broad components addressing the needs of the sector (1) Support to individual and groups of Micro Enterprises.(2) Branding and Marketing Support.
Intended Beneficiaries	Units, FPO, SHG etc.
Scale of Assistance	@35% of the eligible project cost with a maximum ceiling of Rs.10.00 lakhs per unit
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 40% GOI : 60 % Others : 00
Expected Outcome	Enhance the competitiveness of existing individual micro-enterprises, unorganized segment of the food

	processing industry and promote formalization of the sector.
--	--

Name of Scheme	Financial Assistance to PM Formalization of Micro Food Processing Enterprises (PMFME) (STATE)
Components & Activities	Components
	The programme has four broad components addressing the needs of the sector (1) Support to individual and groups of Micro Enterprises.(2) Branding and Marketing Support.
Intended Beneficiaries	Units, FPO, SHG etc..
Scale of Assistance	@35% of the eligible project cost with a maximum ceiling of Rs.10.00 lakhs per unit
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 40% GOI : 60% Others : 00
Expected Outcome	Enhance the competitiveness of existing individual micro-enterprises, unorganized segment of the food processing industry and promote formalization of the sector.

Name of Scheme	Preparation of feasibility study for setting up two agro-industrial corridors, including provisions for special assistance to the units to be set up therein, in Saurashtra zone of the state of Gujarat.
Components & Activities	1. Agro Industrial Corridor 1 (Districts - Botad, Bhavnagar, Amreli, Somnath and Junagadh) Capitalizing on the existing DMIC, the corridor will gain from Ahmedabad – Pipavav port connectivity. Aiming at promoting domestic and export sales of regional produce like fruits & vegetables, this corridor will be a strategic pillar in boosting state economy. 2. Agro Industrial Corridor 2 (Districts - Surendranagar, Morbi, Jamnagar, Dwarka, Porbandar and Rajkot) Utilizing the Banaskantha DMIC node and Amritsar – Jamnagar highway, this corridor will be at the forefront gateway of Kandla port. This corridor will promote processing and exports of key agri products like grains, oilseeds and spices.
Intended Beneficiaries	Agri-entrepreneurs and Farmers
Scale of Assistance	NA
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome	1) Development of infrastructure, 2) Long-term advantages to business and industry along the corridor include benefits arising from smooth access to the industrial production units, 3) Decreased transportation and communications costs, 4) Improved delivery time and reduction in inventory cost. 5) The strategy of developing an industrial corridor is thus intended to develop a sound industrial base, served by competitive infrastructure as a prerequisite

	for attracting investments into export oriented industries and manufacturing.
--	---

Name of Scheme	Preparation of DPR for establishment of 5 Mega Food Park
Components & Activities	Preparation of DPRs for setting up five Mega Food Parks at the Kutch, Ahmedabad, Junagadh, Vadodara and Panchmahal (Halol) in the State of Gujarat. 1) To provides advanced infrastructure in agro-horticulture zones. 2)supply chain facilities, 3)storage centers, 4)processing units, and cold storage, 5)units for value addition,
Intended Beneficiaries	Agri-entrepreneurs and Farmers
Scale of Assistance	NA
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome	• Reduction in Losses: Proper storage and processing facilities can reduce post-harvest losses. Approximately 15-20% loss in perishable produce can be minimized. • Value Addition: Value addition to food products will increase the profitability of farmers and processors. • Job Creation: Direct employment opportunities for around 30,000 people. Indirectly, about 1.5 lakh farmers will benefit. • Empowerment of Farmers: Farmers will have direct access to modern markets and fair prices. Income will increase through the food processing value chain. • Promotion of an Agriculture-Based Economy: Growth in related sectors like logistics, packaging, and transportation. Rural areas will attract investments, improving local infrastructure and the economy. • Exports: Improved quality and quantity of processed food will enhance India's export potential. • Ease of Doing Business: Centralized

Name of Scheme	Preparation of feasibility study for the development of 13 (thirteen) identified Agri-cluster zones in to export zones in the state of Gujarat		
Components & Activities	Identified 13 Agribusiness Export Zones (AEZ) to be developed in Gujarat the list is as below- 1 Banana Bharuch 2 Mango South Gujarat, Saurashtra, Kutch 3 Fresh Vegetables Navsari, Tapi, Surat, Sabarkantha 4 Potato Sabarkantha, Aravalli, Gandhinagar, Banaskantha, Mehsana 5 Castor Banaskantha, Patan, Mehsana, Ahmedabad 6 Groundnut Sabarkantha, Banaskantha, Mehsana, Rajkot 7 Organic Produce Whole Gujarat 8 Dates Kutch 9 Cumin Banaskantha, Patan 10 Pomegranate Kutch, Banaskantha, Surendranagar, Morbi 11 Spices Kutch, Porbandar, Devbhoomi Dwarka, Rajkot, Patan, Surendranagar 12 Sesamum Kutch, Surendranagar, Morbi, Botad 13 Onion Bhavnagar, Rajkot, Amreli envisions transforming 13 identified Agri-Cluster Zones into Agri Export Zones (AEZs) to enhance export competitiveness, value addition, and farmers' income. The objective is to assess current infrastructure, identify gaps, and evaluate the feasibility of upgrading these clusters into export-ready zones		
Intended Beneficiaries	Agri-entrepreneurs and Farmers		
Scale of Assistance	NA		
Implementing Agency	Gujarat Agro Industries Corporation Ltd.		
Funding Pattern (in %)	GOG : 100%	GOI : 00	Others : 00

Expected Outcome	An Export Zone is a special economic area where export-oriented industries and businesses are primarily established, with the provision of suitable modern infrastructure and favorable policies for businesses engaged in exports, to make them competitive in the global market. Increasing exports brings foreign currency into the country, strengthening the economy.
------------------	--

Name of Scheme	Promotion of existing GIs and establishment of GI tag cells in the Agri-food processing sector of Gujarat
Components & Activities	To Provide support in Marketing and Branding activities To provide assistance & guidance for obtaining New GI Registration Spread awareness about GI Registration
Intended Beneficiaries	FOPs , SHGs, Stakeholders
Scale of Assistance	Financial support for branding/promotion/New GI registration
Implementing Agency	Gujarat Agro Industries Corporation Ltd.
Funding Pattern (in %)	GOG : 100% GOI : 00 Others : 00
Expected Outcome	This cell is expected to increase GI registration , enhance the recognition of Gujarat's food brands, Improve food safety and encourage more export, GI Registration will support branding of local product ,help obtain better market prices and increase rural employment.

Name of Scheme :	Sub Mission on Agricultural Extension (ATMA)
Components & Activities :	Farmer Training, Demonstration, Exposure Visit, Capacity Building of Farmer, Krushi Mela & Exhibition, Publication, Farmer-Scientist Interaction, Field day Kishan Gosthi, Farm School, Best ATMA Farmer Award.

Intended Beneficiaries :	All Farmer of the state
Scale of Assistance :	In accordance with the guidelines issued by the Government of India
Implementing Agency	At State level : Director- SAMETI-ATMA and District level - Project Director (Through Government offices of District)
Funding Pattern (in %) :	GOG : 40 % GOI : 60% Others : 00
Expected Outcome :	To convey agricultural extension education activities and latest research innovations to farmers as per their requirements through various means.

Name of Scheme :	A scheme to provide assistant to farmers family for Natural Farming to maintain indigenous cow
Components & Activities :	Assistant to farmers family for Natural Farming to maintain indigenous cow
Intended Beneficiaries :	1,38,888
Scale of Assistance :	Rs.10800/- Yearly
Implementing Agency	Director of SAMETI-ATMA
Funding Pattern (in %) :	GOG : 100% GOI : 00 Others : 00
Expected Outcome :	To reduce the cost of cultivation for farmers of the state, enhance soil fertility, increase crop productivity, and improve their economic condition. To improve soil health, conserve the environment and natural resources, reduce agricultural input costs, obtain good-quality produce, and ensure the availability of healthy food.

Name of Scheme :	Scheme to provide financial assistance for farmers doing entire chemical free Natural Farming in Dang district.
Components & Activities :	1. Financial assistance for Natural Farming 2. TA-DA (Travel Allowance and Dearness Allowance) for the existing ATMA staff engaged in the work

	3. Third-party organic certification and handholding support
Intended Beneficiaries :	The farmers of the Dang District
Scale of Assistance :	Rs.10000/- Yearly
Implementing Agency	Director of SAMETI-ATMA
Funding Pattern (in %) :	GOG : 100 % GOI : 00 Others : 00
Expected Outcome :	- Improvement in soil moisture retention capacity and soil fertility of farmers' land- Increase in crop productivity- Minimal cost of production and better market price- Development of village self-reliance without purchasing external inputs- Protection of the environment and human health, and promotion of nutrition

Name of Scheme :	Regarding creation of 02 posts of Junior Clerk, Class-3 cadre at the Director, ATMA and SAMETI
Components & Activities :	Farmer Training, Demonstration, Exposure Visit, Capacity Building of Farmer, Krushi Mela & Exhibition, Publication, Farmer-Scientist Interaction, Field day Kishan Gosthi, Farm School, Best ATMA Farmer Award.
Intended Beneficiaries :	--
Scale of Assistance :	For the purpose of ensuring extensive expansion of ATMA and Natural Farming across the entire state, a proposal has been submitted to create 02 posts of Junior Clerk, Class-III cadre at the office of the Director, ATMA and SAMETI, under a 100% State-funded scheme.
Implementing Agency	At State level : Director- SAMETI-ATMA
Funding Pattern (in %) :	GOG : 100% GOI : 00 Others : 00

Expected Outcome :	In order to avoid additional financial burden due to contractual manpower and to ensure that service-related matters of three Class-I officers of the Agriculture Department posted on deputation at the State-level office are processed in accordance with rules, it is necessary to have employees from the State Government clerical cadre who are well-versed in officers' service matters as well as rules relating to pay and allowances, the scheme budget, revised budget, and re-appropriation. For carrying out all these functions, there is a requirement of two Junior Clerks on deputation from the office of the Director of Agriculture.
--------------------	---

Name of Scheme :	National Mission for Sustainable Agriculture – Rainfed Area Development (NMSA-RAD)
Components & Activities :	A. Integrated Farming System 1. Crops (Millets Crops/Oilseed/Pulses/ Vegetables/ fodder) + 2. Trees (Horticulture/Agro Forestry)+ 3. Livestock (Milch cows/ Buffaloes/small ruminants (10 animals (Sheep or Goat or Pigs)/50 birds (Duck/Poultry)}) 4. Fishery (Fingerlings) Units 5. Silage making for increased availability of green fodder round the year 6. Vermicompost Units/organic input Production unit green manuring 7. Capacity Building
Intended Beneficiaries :	Small and marginal farmers of the districts Ahmedabad, Amreli, Bhavnagar, Botad, Dahod, Gandhinagar, Jamnagar, Kutch, Panchmahal, Sabarkantha, Narmada, and Surendranagar.
Scale of Assistance :	Rs. 30,000/- per farmer family and Rs. 10,000/- per cluster for capacity building.
Implementing Agency:	At State level : Director- SAMETI-ATMA and District level - Project Director (Through Government offices of District)

Funding Pattern(in %):	GOG : 40% GOI : 60% Others : 00
Expected Outcome :	To promote the protection and sustainable use of indispensable natural resources essential for maintaining agricultural productivity, and to develop farming in low rainfall areas to meet the nation's food grain requirements.

Name of Scheme:	Agriculture Research & Education
Components & Activities :	Agricultural Education, Extension Education & Research
Intended Beneficiaries:	Students, Farmers and Others
Scale of Assistance :	NIL
Implementing Agency :	State Agricultural Universities
Funding Pattern (in %):	GoG: 100% GoI: 0 Others: 0
Expected Outcome:	To impart education to the students in Agriculture, Horticulture, Food Processing, Agricultural Engineering, Agricultural Information Technology, Agri-Business management, Renewable Energy & Environmental Engineering, Bio-Technology, Forestry, Food Nutrition & Dietetics, Community Science etc. sector. To impart training and to provide guidance to the farmers through various extension education activities in agriculture and allied sector. To conduct research work in agriculture and allied sector for development of new crop varieties and package of practices for increasing the productivity of the crops grown in this area.

Name of Scheme	ANH-2 Improvement of Veterinary Services (04:2403:00:101:04, 04:2403:00:101:18, 04:2403:00:101:19, 04:2403:00:101:20, 95:2403:00:101:01, 96:2403:00:796:11)
Components and Activities	(1) Veterinary Institution and Veterinary Services. Modernization of veterinary institutes under district panchayat, Chief Minister cost-free animal treatment, providing emergency veterinary service kits to veterinary institutes. Continuation of various veterinary institutes (staff), outsource service of drivers for 23 vehicles purchased for Veterinary Polyclinics under RKVY and organization of animal health camps in non-tribal area, Continuation of services of Karuna Animal Ambulance 1962 and one veterinary dispensary for every ten villages (2) Compensation to livestock owners in case of accidental death of livestock (3) Establishment and strengthening of Kamdhenu University. Research, Education and Extension activities in the field of Animal husbandry and Dairy, Construction of building of College of Veterinary Science and Animal Husbandry under Kamdhenu University, Various programmes of SAUs transferred to Kamdhenu University (4) Kamdhenu University Matching State Share. Matching state share for CSS under Kamdhenu University (5) Veterinary Dispensaries and Veterinary Services under SCSP. Continuation of various veterinary institutes (staff) and organization of animal health camps under SCSP and establishment of Animal Disease Investigation Office at Patan (6) Veterinary Dispensaries and Veterinary Services under TASP. Continuation of various veterinary institutes (staff) and organization of animal health camps under TASP
Intended Beneficiaries	Livestock Owners of state

Scale of Assistance	Not Applicable
Implementing Agency	Department of Animal Husbandry, District Panchayats, Kamdhenu University
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Expansion of livestock health services in state

Name of Scheme	ANH-3 Disease Prevention and Control Programmes (04:2403:00:101:02, 04:2403:00:101:21, 04:2403:00:101:22, 04:2403:00:101:23, 04:2403:00:101:24, 04:2403:00:101:25, 04:2403:00:101:26, 04:2403:00:101:27, 95:2403:00:789:02, 95:2403:00:789:03, 95:2403:00:789:04, 95:2403:00:789:05, 95:2403:00:789:06, 95:2403:00:789:14, 95:2403:00:789:15, 96:2403:00:796:31, 96:2403:00:796:32, 96:2403:00:796:33, 96:2403:00:796:34, 96:2403:00:796:35, 96:2403:00:796:36, 96:2403:00:796:37)
-----------------------	--

Components and Activities	(1) Disease Prevention and Control - Continuation of 10 Animal Disease Investigation Offices (staff), outsourcing services of drivers for mobile laboratory of 17 ADIOs, Control of leptospirosis, Vaccination through Outsourcing, Scheme for FMD Free Zone, Deworming campaign in Animals - Animal Vaccine Institute (staff), Chemicals, diagnostic reagents, sera vaccine, machinery-equipment, office expense for animal vaccine institute and modernization of Animal Vaccine Institute as per GMP norms (2) Livestock Health and disease control - Vaccination of Livestock, Poultry Vaccination, Deworming of Livestock, Mobile Veterinary Units. Training of Veterinarian / Para Veterinarian & Seminar (3) Livestock Health and disease control (SCSP) - Vaccination of Livestock, Poultry Vaccination, Deworming of Livestock, Mobile Veterinary Units. Training of Veterinarian / Para Veterinarian & Seminar (4) Livestock Health and disease control (TASP) - Vaccination of Livestock, Poultry Vaccination, Deworming of Livestock, Mobile Veterinary Units. Training of Veterinarian / Para Veterinarian & Seminar
Intended Beneficiaries	Livestock Owners of state
Scale of Assistance	Not Applicable
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	(1) GoG : 100 % (2) GoG : 40 %, 50 % , GoI : 60 %, 50%,100%
Expected Outcome	Increased production and productivity of livestock by expanding livestock health services in state

Name of Scheme	ANH-6 Intensive Cattle Development Programme (04:2403:00:102:05, 96: 2403:00:796:03)
Components and Activities	(1) Intensive Cattle Development Programme (ICDP) - Continuation of ICDP block in non-tribal area (staff), organization of sexual health camps, Purchase of Artificial Insemination Instruments & Chemicals/Glassware, outsource service of manpower & vehicles for ICDP (HQ) branch of director of animal husbandry, Gandhinagar - Expansion of Gujarat Livestock Development Board, Gandhinagar, and Frozen Semen Station, Patan, Establishment of Frozen Semen Station in Saurashtra Region (staff), Staff of Gujarat Livestock Development Board, Gandhinagar and Frozen Semen Station, Patan - Purchase & transportation of liquid nitrogen, semen doses, liquid nitrogen containers for Artificial Insemination centres of District Panchayats & ICDP, Posts of Embryo Transfer scheme (Post), Incentives to livestock owners rearing AI born female calf through pure breeding, Establishment of Artificial Insemination centers in State to strengthen Artificial Insemination services (2) Intensive Cattle Development Programme under TASP - Continuation of ICDP block in tribal area (staff), organization of sexual health camps, outsource service of manpower & vehicles for various ICDPs in tribal area. - Purchase & transportation of liquid nitrogen, semen doses, liquid nitrogen containers for Artificial Insemination centres of District Panchayats & ICDP, Purchase of Artificial Insemination Instruments & Chemicals/Glassware. Interest subvention to schedule tribe beneficiaries up to maximum 12 % to establish unit of 1-20 milch animals, Assistance for purchase of two Indigenous cows for natural farming.
Intended Beneficiaries	Livestock Owners of state

Scale of Assistance	Maximum 12 % interest subvention for establishment of unit of 1-20 milch animals Incentives of Rs. 3000/- to livestock owners rearing AI born female calf through pure breeding in Indigenous cows Assistance for purchase of two Indigenous cows - Maximum Rs.28000 for Bank Loan of Rs 80000
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Increased production and productivity of livestock by providing breeding services in state

Name of Scheme	ANH-7 Upgradation and Conservation of Livestock (04:2403:00:102:06, 95:00:2403:102:02)
Components and Activities	(1) Upgradation and Conservation for Cattle and Buffalo Development - Embryo transfer programme in the State for Gir and Kankarej (Staff), Assistance to SPCA (Society for Prevention of Cruelty to Animals), Establishment of Animal Welfare Board-Administrative Expenses and staff, State Wide Intensive Castration Scheme, Scheme of Assistance for pregnancy through IVF in Animal. (2) Establishment of Intensive Livestock Development Centres under SCSP - Continuation of ICDP block in SCSP area (staff), organization of sexual health camps, outsource service of manpower & vehicles for various ICDPs in SCSP area, Interest subvention to schedule caste beneficiaries up to maximum 12 % to establish unit of 1-20 milch animals, Assistance for purchase of two Indigenous cows for natural farming.
Intended Beneficiaries	Livestock Owners of state
Scale of Assistance	Maximum 12 % interest subvention for establishment of unit of up 1-20 milch animals, Rs.500 /- Per animal to livestock owner/Institution for Castration,

	Rs.5000/- for Pregnancy of Animal by IVF Assistance for purchase of two Indigenous cows - Maximum Rs.28000 for Bank Loan of Rs 80000
Implementing Agency	Department of Animal Husbandry, District Panchayats, Gujarat Livestock Development Board, Gujarat State Animal Welfare Board
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Increased production and productivity of livestock

Name of Scheme	ANH-8 Interest subvention for purchase of milch animals (04:2403:00:102:01)
Components and Activities	(1) Interest subvention for purchase of milch animals Interest subvention up to maximum 12 % for period of five years to establish unit of 1-20 milch animals, Assistance for establishment of dairy farm of 12 Milch Animals for self-employment, Assistance for establishment of dairy farm of 25 to 50 Animals (Gir/Kankrej Cow) for self-employment, Assistance for purchase of two Indigenous cows for natural farming, Calf Rearing Scheme
Intended Beneficiaries	Livestock Owners of state
Scale of Assistance	Maximum 12 % interest subvention for establishment of unit of 1-20 milch animals Assistance for establishment of dairy farm of 12 Milch Animals for self-employment 7.50% Interest subvention for five years on loan for purchase of 12 milch animals (8.50% for SC/ST/Women Beneficiaries) {12% for farm of Gir/Kankrej} 50% Assistance (Max. Rs. 1.50 Lakhs) for construction of Cattle Shed {75% (Max. Rs. 2.25 Lakhs) for farm of Gir/Kankrej} 75% Assistance (Max. Rs. 18,000/-) for purchase of

	Power Driven Chaff cutter {90 % (Max. Rs. 21,600/-) for farm of Gir/Kankrej} • 75% Assistance (Max. Rs. 33,750/-) for purchase of Milking Machine {90 % (Max. Rs. 40,500/-) for farm of Gir/Kankrej} • 75% Assistance (Max. Rs. 9,000/-) for purchase of Fogger System {90 % (Max. Rs.10,800/-) for farm of Gir/Kankrej} • 75% Assistance (Max. Rs. 43,200/-) for premium of 3-year insurance of animals {90 % (Max. Rs. 51,840/-) for farm of Gir/Kankrej} Assistance for establishment of dairy farm of 25 to 50 Animals (Gir/Kankrej Cow) for self-employment • 7.50% Interest subvention for five years on loan for purchase of 25 to 50 milch animals • Assistance at the rate of 50% of the estimated construction cost of the cattle shed, Rs. 20,000 per animal, subject to a maximum limit of Rs. 10,000 per animal (for a maximum of 50 animals) • 75% Assistance (Max. Rs. 30,000/-) for purchase of Power Driven Chaff cutter • 75% Assistance (Max. Rs. 56,250/-) for purchase of Milking Machine • 75% Assistance (Max. Rs. 22,500/-) for purchase of Fogger System • Assistance of 75% of the premium of animal insurance (8% of the estimated unit cost) subject to a maximum of Rs. 3600 per animal (for a maximum of 50 animals). Scheme of Assistance for Calf Rearing Assistance to livestock owner for 75 kg calf starter, 7.50 kg mineral mixture and 500 kg Cattle Feed are required for scientific rearing of calves upto two years (maximum assistance of Rs. 15000/- per beneficiary) Assistance for purchase of two Indigenous cows - Maximum Rs.28000 for Bank Loan of Rs 80000
Implementing Agency	Department of Animal Husbandry, District Panchayats, Gujarat Cooperative Milk Marketing Federation
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0

Expected Outcome	Encouragement to entrepreneurship of dairy farming and employment generation
------------------	--

Name of Scheme	ANH-9 Feed and Fodder Development programme (04:2403:00:107:01, 95:2403:00:107:01, 96:2403:00:796:16)
Components and Activities	(1) Fodder and feed Development Scheme Continuation of three fodder production farms and two seed production farms (staff), assistance to farmers/Livestock Owners for the purchase of chaff cutters (operated by engine/electric motor, Power tiller, or tractor) : (A) Up to 5 H.P . (B) Above 5 H.P., Distribution of fodder minikits (2) Fodder and feed Development Scheme under SCSP assistance to farmers/Livestock Owners for the purchase of chaff cutters (operated by engine/electric motor, Power tiller, or tractor): (A) Up to 5 H.P . (B) Above 5 H.P., Assistance for establishment of Cattle shed, Improved variety of seed minikits (3) Fodder and feed Development Scheme under TASP Continuation of three fodder production farms in tribal area, assistance to farmers/Livestock Owners for the purchase of chaff cutters (operated by engine/electric motor, Power tiller, or tractor) : (A) Up to 5 H.P . (B) Above 5 H.P., Distribution of fodder minikits
Intended Beneficiaries	Livestock Owners of state
Scale of Assistance	(a) Up to 5 H.P. 75% of the original price or a maximum of Rs. 18,000/- (b) Above 5 H.P. 75% of the original price or a maximum of Rs. 42,000/- 50 % assistance or Max. Rs. 30,000/- for construction of Cattle Shed of 2 animals (SCSP)
Implementing Agency	Department of Animal Husbandry, District Panchayats

Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Increased production and productivity of livestock by increasing availability of fodder and feed and by reducing demand – supply gap

Name of Scheme	ANH-10 Poultry Development programme (04:2403:00:103:01, 96:2403:00:796:04)
Components and Activities	(1) Intensive Poultry Development Programmes Continuation of IPDP, Mehsana and Rajkot (staff), Extension hatchery of IPDP Makarba, Honorarium to Trainer and Stipend to trainee for poultry farmer's training, strengthening of poultry farmer's training centres, Assistance for establishment of unit of 25 RIR birds, continuation of post of Office Superintendent at 5 IPDPs Scheme of stipend for training of poultry farming and providing unit of 40 R.I.R. birds to persons with disabilities.(2) Intensive Poultry Development Programmes under TASP Continuation of Duck Breeding Farm (DBF), Mandavi and Hatchery at Vadodara & Dahod (Staff) Assistance for establishment of unit of 25 RIR/Kadakhnath birds and training of poultry farming along with stipend, Assistance for establishment of unit of 1000 Broiler birds
Intended Beneficiaries	Poultry farmers of state
Scale of Assistance	75 % assistance for unit of 25 RIR/Kadakhnath birds and stipend of Rs. 2000/- during training 90 % assistance for unit of 40 RIR/Kadakhnath birds and stipend of Rs. 2000/- during training 90% or maximum Rs. 8,15,000/- assistance for Scheduled Tribe beneficiaries for establishment of 1000 broiler unit 75% or maximum Rs. 6,79,500/- assistance for General Caste beneficiaries for establishment of 1000 broiler unit

	Various components to enable widows to earn income through animal husbandry (1) Cattle Shed (Rs. 30,000) + 150 Kg Cattle Feed (Rs. 4000)+ Fodder Minikits (Rs.1200)= Rs.35200 (2)Goat Unit (5+1)-90% Assistance (Rs.50400) (3) Stipend for poultry Farming Training (Rs.2000)+ 100 Broiler Unit (Rs.36000)= Rs.38000 Assistance for any one of the above components every year (maximum three times - any one component once in a lifetime)
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Increased egg production of state

Name of Scheme	ANH-11 Small ruminants and poultry Development Programme (95:2403:00:104:01, 96:2403:00:796:06)
Components and Activities	(1) Small ruminants and poultry Development Programme under SCSP Assistance for establishment of unit of 10+1 Goat, Assistance for establishment of unit of 25 RIR birds, Honorarium to Trainer and Stipend to trainee for poultry farmer's training, Assistance for establishment of unit of 100 Broiler birds, Assistance for establishment of unit of 1000 Broiler birds (2) Establishment of Poultry Farm at Dahod Continuation of Animal Disease Investigation Office, Valsad (staff)
Intended Beneficiaries	Livestock owners and Poultry farmers of state
Scale of Assistance	50 % assistance for unit of 10+1 Goat, 75 % assistance for establishment of unit of 25 RIR birds, stipend of Rs. 2000/- during training, 75 % assistance or Max. Rs. 36,000/- for establishment of unit of 100 Broiler birds 90% or maximum Rs. 8,15,000/- assistance for

	Scheduled Caste beneficiaries for establishment of 1000 broiler unit
Implementing Agency	Department of Animal Husbandry
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Employment generation through poultry farming and goat rearing.

Name of Scheme	ANH-12 Sheep-Goat Development Programmes (04:2403:00:104:01, 96:2403:00:796:21)
Components and Activities	(1) Sheep-Goat Development Programme - Establishment of Sheep & Goat Breeding Farm Naliya, Motajampura & Mobi (staff), Organization of maldhari shibir and training of Veterinary Officers/Livestock Inspectors, Deworming of Sheep & Goat, Strengthening of Gujarat Sheep and Wool Development Corporation, Assistance for establishment of unit of 10+1 Goat (2) Service Centre for migratory Sheep & Goat flocks - Establishment of Goat Breeding Farm, Kondh (staff), Establishment of Intensive Sheep-Goat Development Block, Dahod and Vadodara, Assistance for establishment of unit of 10+1 Goat to ST beneficiaries, Beneficiaries of Animal Husbandry Related Scheme for Halpati Community Families and All Tribal Families Holding FRA Patta.
Intended Beneficiaries	Livestock owners of state
Scale of Assistance	50 % assistance for unit of 10+1 Goat Various components to enable Halpati Community Families and All Tribal Families Holding FRA Patta to earn income through animal husbandry (1) Cattle Shed (Rs. 30,000) + 150 Kg Cattle Feed (Rs. 4000)+ Fodder Minikits (Rs.1200)= Rs.35200 (2)Goat Unit (5+1)-90% Assistance (Rs.50400) (3) Stipend for poultry Farming Training (Rs.2000)+ 100 Broiler Unit (Rs.36000)= Rs.38000

	Assistance for any one of the above components every year (maximum three times - any one component once in a lifetime)
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Employment generation through sheep-goat rearing

Name of Scheme	ANH-13 Extension Programmes (04:2403:00:109:01)
Components and Activities	(1) Expansion of Exhibition cell Expansion of exhibition cell at directorate of animal husbandry, Organization of Livestock Show, Organization of taluka shibir, District level pashupalan shibir cum exhibition, Award distribution to best livestock owners, Providing information on various technical/schematic information through intensive extension, Organization of training and “prerna pravas” for livestock owners and permanent structure for hoardings for extension activities at various veterinary institutes, Scheme for capacity building of employee and officers of department of Animal Husbandry
Intended Beneficiaries	Livestock owners of state
Scale of Assistance	Not Applicable
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other: 0
Expected Outcome	Encouragement to livestock owners for adoption of pure breeding, value addition, new technology for dairy industry, organic farming, ideal breeding, feeding, housing & rearing practices and for rearing good elite animals of pure breeds of livestock

Name of Scheme	ANH-14 Other Livestock Development Programme (04:2403:00:106:02)
Components and Activities	(1) Expansion of Horse Breeding farm. Establishment of Horse Breeding Farm Inaj, Gir Somnath(Staff), Establishment of Camel Breeding Farm Dhor, Kutchh (Staff), Establishment of Horse and Donkey Breeding Farm Chanasma (Staff), Continuation of Stallion Service Centres, Treatment of Camels for Surra and Eczema, Assistance for Organization of Horse Show
Intended Beneficiaries	Livestock owners of state
Scale of Assistance	Not Applicable
Implementing Agency	Department of Animal Husbandry, District Panchayats
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other:0
Expected Outcome	Encouragement to livestock owners for rearing good elite animals of pure breeds of livestock. Awareness amongst horse owners about ideal horse keeping and maintaining their interest for conservation of the breeds. Making horse owners aware about breed specific qualities of the equine breeds and updating them about current equine practices.

Name of Scheme	DMS-1 Dairy Development Programmes (04:2404:00:001:03, 95:2404:00:001:01,96:2404:00:796:02)
Components and Activities	(1) Dairy Development Activity in State Continuation of Dairy branch in directorate of animal husbandry, Assistance for cattle feed to livestock owner for purchase of concentrate feed for their pregnant/ after Parturition of animal (Cow/Buffalo), Assistance to Village Dairy Cooperative Societies (VDCS) for construction of Godown/Dudhdhar · Scheme for dairy development of District Cooperative Milk Producers' Unions of Kachchh and Saurashtra region (2) Dairy Development Activity under SCSP Assistance for cattle feed to SC livestock owner for purchase of concentrate feed for their pregnant/ after Parturition of animal (Cow/Buffalo), Assistance to VDCS for construction of Godown/Dudhdhar under SCSP area (3) Dairy Development Activity under TASP Assistance for cattle feed to ST livestock owner for purchase of concentrate feed for their pregnant/ after Parturition of animal (Cow/Buffalo), Assistance to VDCS for construction of Godown under TASP area.
Intended Beneficiaries	Livestock owners of state, District Cooperative Milk Producers' Unions, Village Dairy Cooperative Societies
Scale of Assistance	100 % for cattle feed and 50 % for construction of godown
Implementing Agency	Directorate of Animal Husbandry, District Panchayats, District Cooperative Milk Producers' Unions, Village Dairy Cooperative Societies
Funding Pattern (in %)	GoG : 100 % GoI: 0 Other:0
Expected Outcome	Strengthening of infrastructure facilities of VDCS and DCMPU for effective procurement and marketing of milk and milk products, Improvement in socio-

	economic status of livestock owners of rural area especially members of VDCS.
--	---

Name of Scheme :	Kisan Kulpvriksh Yojana
Components & Activities :	APMC development
Intended Beneficiaries :	farmers, traders, and APMCs
Scale of Assistance :	For class A and class B APMCs 25% and for class C and class D APMCs 50% of a project cost. and maximum Rs. 500 lakh per APMC
Implementing Agency	Director agri. marketing and rural finance
Funding Pattern (in %) :	GOG : 100% GOI : 0% Others :0%
Expected Outcome :	Primary facilities like water, sanitation, cold storage, auction shed etc. will be developed in the APMCs. It will help for better trading atmosphere.

Name of Scheme :	Construction of ware- housing godown
Components & Activities :	APMC development
Intended Beneficiaries :	farmers
Scale of Assistance :	The managing director, Gujarat Agricultural Marketing Board, Gujarat state, Gandhinagar, will have to pay 50% of the project cost to all the market committees and the remaining 50% will have to be paid by the market committee.
Implementing Agency	Director agri. marketing and rural finance
Funding Pattern (in %) :	GOG : 100% GOI : 0% Others :0%
Expected Outcome :	The implementation of this scheme will help the farmers to store in the godown of the market committee during the farm production season and reduce the transportation cost.

Name of Scheme :	Financial Assistant to Farmers for Interest Subvention
Components & Activities :	(1) To give 2% interest subvention to Co-operative credit structure giving short term crop loan to farmers @ 7% interest from their own fund. (2) To give 4% interest subvention to the farmers who repay the crop loan in time as per prompt paying scheme of NABARD through the co-operative credit structure like Gujarat State cooperative Bank, District Co-operative Banks, PACs and also Nationalized Banks, Regional Rural Banks and Private Banks.
Intended Beneficiaries :	Farmers get benefit through DCCBs, Nationalized Banks, RRBs and Private Banks. Banks gives reimbursement to farmers.
Scale of Assistance :	4% interest subvention to the farmers and 2% interest subvention to the Co-operative Credit Structure.
Implementing Agency	Registrar, Co-operative Societies, G.S., Gandhinagar
Funding Pattern (in %) :	GOG : 100% GOI : 0% Others :0%
Expected Outcome :	Co-operatives credit structure who provides crop loans to farmers @ 7% interest get 2% interest subvention and financial institution motivated to provide more crop loans. As increase of short term crop loan every year, the agricultural financial needs of farmers become satisfied and also income of farmers can increase. 3% interest subvention is given by Central Government to the farmers who timely repay crop loans up to Rs.3 lacs State Government also provides 4% interest subvention to the farmers who repay loan upto Rs.3 lacs . Thus farmers get crop loan @ 0% interest. Ultimately recovery increase and burden of interest reduces on farmers. It will help to increase income of farmers and doubling the farmers income.

Name of Scheme :	COP-37 Capital subsidy to PACS's, APMC's, Co-operative institution and farmers for the construction of new godown.
Components & Activities :	(1) Rs.3784/- capital subsidy per M.T. to PACS. (2) 25 % capital subsidy to farmers, Co-operative institutions and APMCs.
Intended Beneficiaries :	PACS, Farmers, Farmers Co-operative institutions and APMCs.
Scale of Assistance :	As above
Implementing Agency	Registrar, Co-operative Societies, G.S., Gandhinagar/ District Registrar of Concerned District.
Funding Pattern (in %) :	GOG : 100% GOI : 0% Others :0%
Expected Outcome :	If scientific storage capacity increases at village level, farmers can get competitive price for their agricultural produce as they can store and sale their agri produce as and when the price will rise. Farmers can also get credit on the produce stored in warehouse. Thus the income of farmers can be increased.

Name of Scheme:	Cop-16 Share Capital Contribution to Cooperative Sugar Factories
Component & Activities:	Share Capital Contribution
Intended Beneficiaries:	Sugar Cooperative Societies
Scale of Assistance:	30% of the Total Project Cost
Implementing Agency	District Registrar of Cooperative Societies Director of Sugar, Gujarat State)
Funding Pattern (in %):	GoG: 100 % GoI: 0 % Others: 0 %
Expected Outcome:	Providing Share Capital Contribution can help to establish new sugar factories in co-operative sector.

Name of Scheme:	Package for strengthening to sugar cooperatives as may be decided policy by the State Government
Component & Activities:	Sugar factories of Gujarat mainly run by farmers on cooperative basis. Government has introduced package for strengthening this industries for the benefit of farmers. The components includes subsidy for sale of Bio compost, phospho compost, Vermi compost, to establish tissue culture laboratory, expansion of existing laboratory, modernization and up gradation of sugar factory.
Intended Beneficiaries:	Sugar Co-operative Societies
Scale of Assistance:	Subsidy for sale of Bio compost - per M.T. Rs.100/- or Rs. 20/- lakhs per factory whichever is less Phospho compost- per 50 kg bag Rs.100/- maximum or Rs. 6.50 lakhs per factory whichever is less Vermi compost- per 50 kg bag Rs.50/- maximum or Rs. 6.50 lakhs per factory whichever is less Establishment of tissue culture laboratory- Subsidy @ 50 % of project cost or Rs.40/- lakhs whichever is less. Expansion of existing laboratory - Subsidy @ 50 % of project cost or Rs.20/- lakhs whichever is less. Modernization and up gradation of sugar factory - Subsidy @ 25 % of project cost or Rs. 100/- lakhs whichever is less
Implementing Agency	District Registrar of co. Operative Societies Director of Sugar, Gujarat State)
Funding Pattern (in %):	GoG: 100 % GoI: 0 % Others: 0 %
Expected Outcome:	By use of organic fertilizer fertility of land will increased which will help in increasing production of sugarcane, by use of tissue culture production and productivity of sugarcane will increase and farmers will get more price and in this way income of farmers will increased. By modernization and up gradation of sugar factories the production of sugar will increased. The profitability of sugar factories may also increase.

Name of Scheme:	06-2405-00-001-01 FSH-18 Commissioner and District Officers
Components & Activities :	Establishment
Intended Beneficiaries:	Not Applicable
Scale of Assistance :	100% GOG Scheme
Implementing Agency	Commissioner of fisheries
Funding Pattern (in %):	GOG-100 % GOI-0% Others-0%
Expected Outcome:	This scheme is an establishment scheme. A provision of Rs. 11.00 crores has been made for the salary allowances of a total of 228 positions in technical and administrative categories, from Class 1 to Class 4, for the year 2026-27

Name of Scheme:	06-2405-001-02 Providing essential services and necessary facilities at fisheries centers. State Planning Scheme
Components & Activities :	Providing necessary facilities/amenities at fisheries centers
Intended Beneficiaries:	Not applicable
Scale of Assistance :	Not applicable
Implementing Agency	Commissioner of fisheries
Funding Pattern (in %):	GOG-100 % GOI-0% Others-0%
Expected Outcome:	At fisheries harbors and fish landing centers, essential services such as cleaning and sanitation, repair and maintenance of electrical equipment, supply services, beautification, and related works will be carried out.

Name of Scheme:	06-2405-00-101-02 FSH-2 Fish Seed production & inland Fisheries resources
------------------------	--

Components & Activities :	Farm improvement, boats and nets, fish seed rearing, insulated boxes, Pagdiya assistance, shrimp seed and fish seed storage, plastic crates, Matsya Bhavan, aquarium fish breeding, assistance for fisheries marketing equipment for backward women, rearing space, aerators, fish collection-cum-patrolling boats, fish culture cages, assistance for construction of new fish ponds, input assistance, mobile laboratory vans, fish seed hatcheries, assistance for improvement of village ponds given on lease, assistance for establishment of bio-floc/re-circulatory aquaculture systems (RAS), and input assistance for fish culture.
Intended Beneficiaries:	6600
Scale of Assistance :	40 % to 60% on component
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GoG : 100 % GoI: 0 Other:0
Expected Outcome:	Inland fisheries cover various schemes aimed at the development of fishermen and fishing communities. Under the fish seed rearing component, fish seed production will be enhanced. Components such as fish farms, boat and net subsidies, cage culture in reservoirs, fish collection-cum-patrolling boats, plastic crates, and insulated fish boxes will provide support for maintaining the cold-chain system in inland fisheries. Assistance for aerators will help maintain adequate levels of dissolved oxygen in the water used for fish culture.

Name of Scheme:	06-2405-00-102-02, FSH 5 Establishment of costal Aquaculture units
Components & Activities :	Infrastructure Development and subsidy on Equipment for Brackish water Aquaculture
Intended Beneficiaries:	10,000 (Approx.)
Scale of Assistance :	Up to 60% subsidy for per component

Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 100 % GOI: 0 Others: 0
Expected Outcome:	Out of the salt land available in the State, approximately 89,000 hectares of government-owned saline wasteland is suitable for aquaculture. With the objective of promoting shrimp farming on such land and creating sustainable livelihoods, the State Government provides various incentives to develop brackish water fisheries. These include training; assistance for essential inputs required for shrimp farming such as aerators, IoT-based aerators and IoT-based auto feeders; probiotics; cage culture units; bird fencing and dog fencing; and financial assistance for the purchase of shrimp seed and feed. Further, financial assistance is provided for the up gradation and improvement of shrimp farming, as well as for the establishment of shrimp seed hatcheries, E.T.S. (Effluent Treatment Systems), and by-product processing plants. Since shrimp farms are located in inland areas close to the seacoast, the State Government provides infrastructure facilities for shrimp farms so that shrimp farmers receive remunerative prices for their produce and gain economic benefits. In addition, relief in electricity duty and subsidy on electricity consumption per unit are also provided to brackish water farm holders.
Name of Scheme:	06-2405-00-103-01, FSH-07 Providing Navigational Aids and other Infrastructural facilities.
Components & Activities :	Assistance for life saving equipment, assistance to Pagadia fishermen, GPS, toilet unit, cage culture, insulated box, processing plant, value added machinery, ice plant, establishment of fish market,

	purchase of refrigerator van, deep freezer, fiber rope etc.
Intended Beneficiaries:	6689 Marine Fishermen
Scale of Assistance :	50 to 100 percent component wise assistance is standard.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 100 % GOI: 0 Others: 0
Expected Outcome:	The estimated maximum sustainable yield (M.S.Y.) of marine fish in the State is 6.97 lakh metric tons, and the State has already reached its estimated maximum production capacity. For the development of a safe and profitable marine fisheries sector, this scheme is being implemented by the State Government to enhance marine fishing infrastructure and to provide essential pre-requisite facilities. Under this scheme, assistance is provided for various components such as life-saving equipment, GPS, toilets, cage culture units, insulated boxes, processing plants, and value-added machinery, among others. The primary objective of the scheme is to increase the income of fishermen and enhance marine fish production. With the noble aim of ensuring maximum foreign exchange earnings through exports of the State's fish production, delivering high-quality fish to consumers, and securing maximum economic benefits for the fishing community, all necessary efforts are being made and the scheme is being effectively implemented.
Name of Scheme:	06-2405-00-103-16, Petrol subsidy to OBM boat owners Fishermen
Components & Activities :	Subsidy on Purchase of Kerosene
Intended Beneficiaries:	5018
Scale of Assistance :	Subsidy of Rs.50.00 per litter given on Maximum 150 litter kerosene/petrol purchase Per month per boat.

Implementing Agency	Commissioner of fisheries
Funding Pattern (in %):	GOG: 100% GOI: 0 Others: 0
Expected Outcome:	Under this scheme OBM boat owner fishermen will get petrol cards. On the purchase petrol from the government approved pumps they will get subsidy of Rs. 50/- per litter per boat. Subsidy will be available on maximum limit of 150 liters per month.

Name of Scheme:	06-2405-00-103-18 Pradhan Mantri Matsya Sampada Yojana (60% central share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines
Intended Beneficiaries:	-
Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency :	Commissioner of fisheries
Funding Pattern (in %):	GOG: GOI: 60% Others:0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Name of Scheme:	06-2405-00-103-19 Pradhan Mantri Matsya Sampada Yojana (40% state share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines
Intended Beneficiaries:	-
Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency :	Commissioner of fisheries

Funding Pattern (in %):	GOG: 40% GOI: 60% Others:0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Name of Scheme:	06-2405-00-103-20, Sales tax (VAT) subsidy on High Speed Diesel to Mechanized Fishing Vessels below 20 Mt. length
Components & Activities :	VAT Subsidy on H.S.D. Oil
Intended Beneficiaries:	18330
Scale of Assistance :	Per Boat, Per Litter Maximum Rs. 15/- VAT Subsidy
Implementing Agency:	Commissioner of fisheries & GFCCA
Funding Pattern (in %):	GOG: 100 % GOI: -0 Others: -0
Expected Outcome:	The diesel card holder O.B.M. boat owner fishermen will get maximum VAT relief of Rs. 15/- per litter. This benefit is on each boat. From this scheme 18330 diesel card holder fishermen will get VAT relief benefit.

Name of Scheme:	06-2405-00-109-01 FSH-10 Training & Extension Programme
Components & Activities :	Extension Activity- Employee Training, Fishermen Training, Krushi Mahotsav
Intended Beneficiaries:	Trainee-50, Educational tour for fishermen-200,,Krishi mahotsav-50 (Shibir)
Scale of Assistance :	-
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG: 100% GOI: 0 Others:0

Expected Outcome:	Through Krushi Mahotsav and by conducting interactions at centres located at Ahmedabad, Rajkot and Vadodara, awareness is created about the fisheries sector by explaining the benefits of various fisheries schemes and by providing replies to the queries raised by fishermen. Camps and seminars are organized to deliberate on new developments in the fisheries sector and to discuss issues related to the department. Village visits are undertaken and fishermen's ponds are inspected on-site to assess their condition and to provide practical and beneficial guidance. With the objective of ensuring wider outreach of fisheries schemes, participation is also made in fairs and exhibitions organized at various locations.
-------------------	---

Name of Scheme:	06-2405-00-109-02 Kamdhenu university related schemes
Components & Activities :	Development works at Kamdhenu University
Intended Beneficiaries:	-
Scale of Assistance :	-
Implementing Agency:	Kamdhenu University
Funding Pattern (in %):	GOG: 100% GOI: 0 Others:0
Expected Outcome:	Different schemes under kamdhenu university will help to enhance development of fisheries and fisheries related activities.

Name of Scheme:	06-2405-00-120-02 Fishermen Accident Assistance Scheme
Components & Activities :	Assistance to fishermen who have died while fishing at sea, missing during marine cyclones or other natural disasters, and those who have died in Pakistani jails.

Intended Beneficiaries:	33
Scale of Assistance :	Rs.5.00 lakh assistance in cases of death or missing at sea, and in cases of death in Pakistani jails.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 100% GOI: 0 Others: 0
Expected Outcome:	In the case of death, missing and death in Pakistan custody the fishermen's families will get financial assistance. So, that families will get economical support.

Name of Scheme:	06-5051-02-200-05, Providing infrastructure at minor ports
Components & Activities :	Provide Maintenance, Repairs & lighting facility at F.H. & F.L.C. or F.T.D., To Pay Consultancy of Contract base technical cell (Unit), provide water supply at F.H./F.L.C., provide lighting facility at F.H.& F.L.C., Up gradation of F.H./F.L.C., P.M.U., No. of Prefabricated cabins for security guards, Dredging works at F.H.& F.L.C, provide R.O. Plant at F.H.&F.L.C, Developing Fish landing centre, construct new office building & Renovations, Advertising Expenditure, Floating Jetties, repair work at F.H. damage due to cyclone,
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%

Expected Outcome:	The existing fisheries harbors and fish landing centres in the State were developed many years ago. As a considerable period has elapsed and the number of boats arriving at these fisheries harbors is three to four times higher than the designed capacity, the structures have suffered damage. Due to inadequate landing and berthing facilities, fishermen are compelled to land their catch at locations that are convenient but not designated. In order to maintain conditions in accordance with European Union norms, various need-based works will be undertaken at fisheries harbors and fish landing centres, such as repair of damaged flooring and roofs; cleaning of harbor areas and drainage systems; provision of electricity and water supply; up gradation of existing fisheries harbors and fish landing centres; development of new fish landing centres; construction of floating jetties; repair of fisheries offices and staff quarters; repair works necessitated due to cyclone-related damage; and creation of facilities along the banks of reservoirs, among others.

Name of Scheme:	5051-02-200-08, 100% State Scheme- Construction of Fishing center under Loan from NABARD
Components & Activities :	To provide New Fisheries Harbor Development as Navabandar, Veraval, Madhavad & Sutrapada
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%
Expected Outcome:	With the NABARD loan assistance, the development of the state's fish ports, including Nawabandhar, Veraval-2, Madhwad, and Sutrapada, will take place.

Name of Scheme:	06-5051-02-200-09 (50% Central) Construction of Docks, berths and jetties
Components & Activities :	Development of Mangrol-Fez III Fisheries Harbor
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG : 50% GOI : 50% Others : 00%
Expected Outcome:	With financial assistance from the Government of India, modern facilities as per European Union norms are being developed, which include landing and berthing facilities, auction halls, breakwaters, and facilities to maintain fish catch in hygienic and healthy conditions. The development of Mangrol Fisheries Harbour – Phase III is being carried out by the Gujarat Maritime Board (GMB) under the Depository Work Head.

Name of Scheme:	06-5051-02-200-10 (50% state) Construction of Docks, berths and jetties
Components & Activities :	Development of Mangrol-Fez III Fisheries Harbor
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG : 50% GOI : 50% Others : 00%
Expected Outcome:	With financial assistance from the Government of India, modern facilities as per European Union norms are being developed, which include landing and berthing facilities, auction halls, breakwaters, and facilities to maintain fish catch in hygienic and healthy conditions.

	The development of Mangrol Fisheries Harbor – Phase III is being carried out by the Gujarat Maritime Board (GMB) under the Depository Work Head.
--	--

Name of Scheme:	06-5051-02-200-11 (100% State Top-up) FSH-06, Construction Docks, Berths & jetties
Components & Activities :	Development of Mangrol-Fez III Fisheries Harbour
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%
Expected Outcome:	With financial assistance from the Government of India, modern facilities as per European Union norms are being developed, which include landing and berthing facilities, auction halls, breakwaters, and facilities to maintain fish catch in hygienic and healthy conditions. The development of Mangrol Fisheries Harbour – Phase III is being carried out by the Gujarat Maritime Board (GMB) under the Depository Work Head.

Name of Scheme:	06-5051-02-200-12 Development of Smart and integrated Fishing Harbor (60% Central Share)
Components & Activities :	Development of Jakhau Harbour
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG : 0.00% GOI : 60% Others : 00%

Expected Outcome:	A smart and integrated fisheries harbor will be constructed at Jakhau.
-------------------	--

Name of Scheme:	06-5051-02-200-13 Development of Smart and integrated Fishing Harbor (40% Central Share)
Components & Activities :	Development of Jakhau Harbour
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG : 40% GOI : 00% Others : 00%
Expected Outcome:	A smart and integrated fisheries harbor will be constructed at Jakhau.

Name of Scheme:	95-2405-00-789-01 Pradhan Mantri Matsya Sampada Yojana (60% central share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines
Intended Beneficiaries:	-
Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: GOI: 60% Others:0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Name of Scheme:	95-2405-00-789-02 Pradhan Mantri Matsya Sampada Yojana (40% state share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines

Intended Beneficiaries:	-
Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 40% GOI: 60% Others:0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Name of Scheme:	95-2405-00-800-01 FSH-2 Subsidy to Scheduled Caste for Fisheries
Components & Activities :	Matsya vechan sahay, Boat net, Training, Fish seed stocking, spawn stocking, providing street light, etc components are provided to fishermen under this scheme.
Intended Beneficiaries:	6600
Scale of Assistance :	50 % to 100 % of Unit cost
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%
Expected Outcome:	Scheduled Caste fishermen can carry out fishing activities in the State's ponds and reservoirs and easily transport fish produce to the market, thereby securing employment and improving their standard of living. They can also undertake fisheries development-related activities, which will help them become economically self-reliant.
Name of Scheme:	96-2405-00-796-02 Tribal Area Sub Plan FSH-2 Development of Inland Fisheries in Tribal Area.
Components & Activities :	Components such as fish farm maintenance and improvement, spawn production, fisheries activities undertaken by women, fish culture, fish seed/shrimp seed storage, training, housing, training kits, boats and

	nets, habitation and settlement facilities, and fish cage culture, etc.
Intended Beneficiaries:	25000
Scale of Assistance :	50 % to 100 % of Unit cost
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%
Expected Outcome:	The Scheduled Tribe fishermen of the tribal districts of the State will be able to easily carry out fishing activities in the State's ponds and dams and supply fish to the market, thereby earning livelihood and improving their standard of living. Further, by undertaking fisheries development-related activities, fishermen will become self-reliant and economically empowered.

Name of Scheme:	96-2405-00-796-15 Tribal Area Sub Plan
Components & Activities :	diagnosis of fish
Intended Beneficiaries:	-
Scale of Assistance :	-
Implementing Agency:	Commissioner of Fisheries
Funding Pattern (in %):	GOG : 100% GOI : 00% Others : 00%
Expected Outcome:	The diagnosis of various types of diseases in fish will be done.
Name of Scheme:	96-2405-00-796-16 Pradhan Mantri Matsya Sampada Yojana (60% central share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines
Intended Beneficiaries:	-

Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 0 GOI: 60% Others:0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Name of Scheme:	96-2405-00-796-17 Pradhan Mantri Matsya Sampada Yojana (40% state share)
Components & Activities :	As per target allocation by GOI.PMMSY guidelines
Intended Beneficiaries:	-
Scale of Assistance :	The amount of assistance eligible varies from 40% to 60% depending on the different categories.
Implementing Agency:	Commissioner of fisheries
Funding Pattern (in %):	GOG: 40% GOI: 60% Others: 0
Expected Outcome:	Activities related to fisheries development are being implemented to provide financial support to fishermen and raise their standard of living.

Climate Change Department

The Government of Gujarat established a dedicated Climate Change Department in 2009 with the specific objective of taking climate-related measures for the state's citizens. This department acts as a bridge between various government departments, as well as between the government and society, to address climate change challenges. Gujarat is the fourth in the world, the first in Asia, and the first and only state in the country to establish a separate Climate Change Department. Under this department, the Gujarat Energy Development Agency (GEDA) works to provide advice and suggestions on research, formulate climate-related schemes, promote eco-friendly technologies to boost economic growth, and develop techniques for climate change adaptation and mitigation.

Objectives

1. Adopt a climate-friendly and clean path for economic development.
2. To achieve approximately 40% of the total installed electric power capacity from non-fossil fuel-based (renewable) energy resources by the year 2030, with the help of technology transfer and low-cost international funding, including the GCF (Green Climate Fund).
3. To adapt to climate change by increasing investment in development programs for sectors particularly vulnerable to its impacts, such as agriculture, water resources, coastal regions, health, and disaster management.
4. To build capacity for the rapid diffusion of cutting-edge climate change mitigation technologies within the state. This includes creating a domestic framework and developing an international architecture for collaboration.
5. To develop innovative technologies and suggest measures to reduce the concentration of gases that cause the greenhouse effect in the atmosphere (such as carbon dioxide, methane, etc.)

Strategic Plan:

1. To raise awareness among the public and private sectors, as well as individual citizens, regarding the necessity of being conscious of climate change on both a personal and collective basis.
2. To align and synchronize the climate change efforts of the public and private sectors with those of various government departments.

3. To promote power generation through renewable energy and increase the share of alternative fuels; further, to promote energy efficiency across the economy, specifically in the industrial, transport, construction, and appliance sectors.
4. To conduct research and developmental studies on the impacts of climate change across various sectors, including the rise in sea levels.
5. To plan and implement climate-resilient measures, while also working to reduce vulnerabilities to the potential effects of climate change.

Schemes

Name of Scheme	Climate Change Trust Fund (CLC -1) (Scheme Code :110651) Demand No.:- 108 Detailed Budget Head :3435-03-102-01
Components & Activities	As per details of scheme list in Part- B
Intended Beneficiaries	Government, non-government and private organizations
Scale of Assistance	N. A.
Implementing Agency	CCD / Gujarat Energy Development Agency
Funding Pattern (in %)	100% State Government
Expected Outcome	With the aim of promoting advanced climate change technology, research, and innovation, the state government has established the “Climate Change Fund of Gujarat (CCFG)” with a budget provision of Rs. 25 crore. This fund provides financial support for research, technology development, and pilot projects related to climate change in the state and enables researchers, startups, and educational institutions to develop next-generation climate solutions.

Name of Scheme	Climate Change Impact Studies & related Projects (CLC - 2) (Scheme Code :110652) Demand No.:- 108 Detailed Budget Head :3435-03-102-02
Components & Activities	As per details of scheme list in Part- B
Intended Beneficiaries	Research organizations, Universities, Scientists, Innovators etc. and public.
Scale of Assistance	N. A.
Implementing Agency	CCD / Gujarat Energy Development Agency
Funding Pattern (in %)	100% State Government
Expected Outcome	Projection of long-term Climate Change impacts, assessment of scale of impacts, quantification of damages, policy

	intervention, curriculum content for students etc.
--	--

Name of Scheme	Information, Communication and Training (CLC-3) (Scheme Code :110653) Demand No.:- 108 Detailed Budget Head :3435-03-102-03
Components & Activities	As per details of scheme list in Part- B
Intended Beneficiaries	General Public
Scale of Assistance	N. A.
Implementing Agency	CCD / Gujarat Energy Development Agency
Funding Pattern (in %)	100% State Government
Expected Outcome	Creation of awareness amongst the masses about the use of renewable energy and energy conservation and reduction in carbon emission leading to improved environment.

Name of Scheme	Green Solar Projects (CLC-4) (Scheme Code :110654) Demand No.:- 108 Detailed Budget Head :3435-03-102-04
Components & Activities	As per details of scheme list in Part- B
Intended Beneficiaries	Government offices and PSU offices across the state.
Scale of Assistance	N. A.
Implementing Agency	CCD / Gujarat Energy Development Agency
Funding Pattern (in %)	100% State Government
Expected Outcome	Generation and maximization of clean and green energy through increased use of renewable energy sources.

Name of Scheme	Renewable Energy Projects (CLC-5) (Scheme Code : 110656) Demand No.:- 108 Detailed Budget Head :2810-00-188-01
Components & Activities	As per details of scheme list in Part- B

Intended Beneficiaries	Panjrapols, Gaushalas, Govt. Schools/ Hostels, Govt. Buildings, Farmers, Students, Gram Panchayats, and General Public.
Scale of Assistance	N. A.
Implementing Agency	CCD / Gujarat Energy Development Agency
Funding Pattern (in %)	100% State Government
Expected Outcome	Creation of awareness amongst the masses about the use of renewable energy and energy conservation and reduction in carbon emission leading to improved environment.

Education Department

On formation of Gujarat state on 1st may, 1960, Education department was inclusive of few other sectors like social welfare, labour, prohibition, excise and employment. Since August 1976, Education Department came into existence as separate Department, which looks after education including primary education, continuous education, literacy education, secondary education, higher education and technical education.

Some of HODs under Education Department are briefly described below:

Primary Education

Directorate of Primary Education was started in December 1986. Primary Education has been made compulsory, universal and free of cost in the state.

Government of Gujarat has a goal of universalization of primary education; and committed for implementation of Right of Children to Free and Compulsory Education Act- 2009. The State aims to reach the goal of 100% enrolment by the scheme of Kanyakelavani Mahotsav and Shala Praveshotsav, Vidhyadeep Vima Yojana, Vidhyasahayak Bharti etc. The drop-out ratio has also reduced significantly; we are committed to quality education. Considerably State Government is committed to effective implementations of Right of Children to Free and Compulsory Education Act- 2009, 25% of special category children have been enrolled in private unaided schools. Their full fee is paid by the State Government. In addition to this, uniforms school bag, footwear, including ancillary study materials, an amount of Rs.3000 is paid annually to the students.

Thus, the field of primary education has been given a priority by the Government of Gujarat.

Samagra Shiksha

The "Samagra Shiksha Gujarat" program, a key initiative aimed at improving the quality of school education in India, was launched in Gujarat in the academic year 2018 through the collaborative efforts of the Government of India and the State Government. This program is dedicated to achieving the universalization of education across the state, ensuring that every child has access to quality education.

Under the Samagra Shiksha various activities like transport/escort, 25% reimbursement of fees paid to children studying in government schools under Section 12(1) (C) of RTE Act 2009, special training for out-of-school children, free text book, teachers' salary , BRC-CRC Salary, Teachers Training, School Grant, Maintenance Grant, Grant allocated to Districts under Innovation Head, Management and LEP and State Component, Other Administrative Expenses and SMC PRI Training and Ksturba Gandhi Vidyalyaya Student development activities like Vidyalyaya Residential Hostel cum Schools are undertaken. Apart from this, infrastructure facilities have to be provided to schools as per Right to Education Act (RTE) 2009. According to which activities like construction of classrooms, girls' toilet, boys' toilet, CWSN toilet, BRC building, school repair, toilet repair, ramp, girls hostel etc. are carried out.

Under the Samagra Shiksha various initiatives of Mission School of Excellence under EAP such as residential arrangement for girls, internet connectivity in primary schools, Gyankunj Project, I.E.C. Community Mobilization, School Library Equipment, Smart School, School Sanitation Kit, Pragma Classroom Equipment, School Equipment, Miniature Sports Equipment, Therapy Facility at Block Resource Center, Equipment Assistance to Special Need Children, Residential Hostel - Recurring Expenses, Computer Literacy Center for Students, Biometric Attendance System etc. activities are carried out at school level.

Quality base activity in primary schools, motivation of girls' education, use of technology and student development activities under Samagra Shiksha Abhiyan are being carried out.

Secondary Education

The function of this office is to oversee the development and management of Secondary and Higher Secondary Education. The main

objective is to provide quality education while increasing the enrollment rate. This office also implements key Secondary and Higher Secondary Education schemes.

The Namu Laxmi Yojana has been implemented to provide assistance in nutrition, health, and education to girls studying in secondary and higher secondary schools in the state. The scheme will enroll more girls in classes 9 to 12 as well as reduce the dropout rate of girls in these standards, help in their education and nutrition thereby empowering them.

In order to provide more options and incentives for excellent education to the talented students studying in government schools, the state government has implemented the Mukhyamantri Gyan Setu Merit Scholarship for Classes 6 to 12 and Mukhyamantri Gyan Sadhana Merit Scholarship Schemes for Classes 9 to 12, and to motivate the students for Science stream in Classes 11 and 12, the State Government has launched the Vigyan Sadhana Merit Scholarship under the Namu Saraswati Yojana.

Sanskrit Shakti Gurukul will be started to connect students of schools and the youth community for the promotion of the Sanskrit language. Additionally, under the Sanskrit Sadhna policy, the strengthening of existing Sanskrit schools has been implemented. To encourage students of Gujarat state to join the military, a new Rakshashkti Schools has been initiated. And a free education scheme has been implemented for the students of the Sainik School Balachadi.

To develop the personality of students in the state's government secondary and higher secondary schools, enhance their observation skills, satisfy their curiosity to learn new things, and enable them to study with joy, educational tours within the state has been implemented.

Additionally, to provide the students of the state with high-quality, future-oriented education and excellent career opportunities in the Amrit Kaal, various schemes have been introduced. Like Yoga, Vidhyadeep Bima Yojana, free education to girls, ST Bus Pass, fee concession pass, providing free book under MYSY and Transportation Cell.

Pradhan Mantri Poshan Shakti Nirman (Mid-Day Meal)

Gujarat is the second state to implement Pradhan Mantri Poshan Shakti Nirman - PM Poshan scheme (mid-day meal scheme) in India. PM Poshan scheme is centrally and state sponsored scheme in which students of age-group of 5 to 14 years of Balvatika and standard I to VIII are provided fresh and hot cooked meals every noon in school. PM Poshan scheme in Gujarat has been implemented since 1984. The expenditure is shared at the ratio of 60:40 between the Central Government and State Government.

❖ Purpose

- (1) To increase attendance in the school.
- (2) The number of children leaving school will decrease.
- (3) To improve nutritional status and quality of education.

Sukhadi Project

- The objective of this scheme is to increase the utilization of food grain and enhance calorie and protein intake by students.
- Sukhadi recipe approved by the CFTRI & nutrition experts is being served in a week. It is prepared using wheat, jiggery and oil.
- Under **Suposhit Gujarat mission**, it has been decided to give 10-gram oil per student to enhance the nutrition value of “Sukhadi” by the government of Gujarat. Moreover, cost of fuel and jaggery is increased in the year of 2024-25 that was decided earlier in the year of 2013.

Dudh Sanjivani Scheme

- This scheme is implemented in the States 12 districts, 29 non-tribal Talukas for providing 200 ml. flavoured milk to Primary school children.
- Under this scheme, flavoured milk is given children for five days a week.

Mukhymantri Paushtik Alpahar Yojana

- In addition to providing quality meals to the students from Balvatika to standard-8 of 32230 government and grant-in-aid schools currently covered under the PM Poshan Yojana in the state, it has been decided to provide nutritious Alpahar of uniform quantity and calories to all students under the

Mukhyamantri Paushtik Alpahar Yojana. The implementation of which has been started from 11/12/2024.

Modern Centralized Kitchen

- To bring qualitative improvements in the implementation of the PM POSHAN Scheme in the state, the State Government has decided to undertake a program for the expansion of modern centralized kitchen facilities.
- To provide quality and nutritious mid-day meals to students of government and grant-in-aid primary schools in **52 tribal talukas** and **22 non-tribal developing talukas** of the state, a new scheme has been developed.

Gujarat Council of Educational Research and Training (GCERT)

- Gujarat Council of Educational Research and Training (GCERT) is the premier institution for educational research and training in the field of primary education as well as secondary education and is the Academic Authority under RTE Act U/s 29 for curriculum reform . In addition, GCERT plays a vital role as a nodal institution for training programmes for teachers from pre-primary to higher secondary schools across the entire education system. GCERT operates on four main pillars: Education , Training , Research and Extension Activities.
- National Education Policy – 2020, Activities like state curriculum framework, Textbook-based reference literature – teacher training (Continuous Professional Development) to prepare e-content, national survey, Accreditation of schools, Periodic tests, Semester Test(for standards 3 to 8), etc. are being carried out.
- E-Resources- Gujarat Repository of Open & Wider Educational Resources (GROWER), Vande Gujarat Channel and National Level PM eVidya are launched. On the channel production and dissemination of various educational programs for grades 5 to 8 and teacher education, online courses to enhance professional readiness for teachers through DIKSHA Platform, webinars, Energized Textbooks (grades 3 to 8, all subjects)
- Teacher training (D.L.Ed/B.Ed and M.Ed) graduate and postgraduate (university affiliated) courses are functioning at the District Education and Training Institutes of the Districts.

- Extension activities for the Holistic development of students such as Mathematics & science exhibition, Varta Program, Kala Utsav Innovation festival (innovative experiments by teachers in education), Balmela and life skill fair, Ramattotsav etc. are organized.
- Work Plan: Various departments of GCERT such as Teacher Education/Training, Curriculum and Evaluation, Publication and Library, Research and Innovation, Science and Mathematics, ICT, Planning and Management, Information and Communication Technology, Disability Education, Population Education, GSQAC, Assessment Cell etc. are functioning for academic and professional support.

Higher Education

As the state moves towards a knowledge society, it becomes imperative to build such human resources. Who can form this knowledge-based society and live in it With the intention of doing so, the state has initiated transformational reforms under which efforts are being made to create world-class institutions in the state.

To increase the coverage and quality of higher education in the state by preparing the development path of the higher education sector. In addition to this various initiatives/schemes are aimed at increasing business opportunities by providing the system and environment for the development of this culture among the students.

Strategies adopted by this office to achieve the above mentioned objective:

- Various initiatives/schemes at KCG in Higher Education such as Gujarat Centre for Education Technology (GCET), Research and Innovation, State Assessment and Accreditation Centre (SAAC), State Quality Assurance Cell (SQAC), Vocational Education, Innovation Club, Kavach Kendra, Samarthya Sansthan, DG Locker, Gujarat Gyan Guru Quiz (G3Q 2.0), Savyam Certificate, Saraswati Samman Yojana, Research Fellowship Scheme (Major & Minor Research Project in

Higher Education), Training for Excellence, Efficiency and Research Towards Higher Education (TEERTH), Mukhyamantri Yuva Swavalamban Yojana (MYSY), Chief Minister Scholarship Scheme (CMSS), Mukhyamantri Kanya Kelavani Nidhi (MKKN), Scheme of Developing High Quality Research (SHODH), Study in Gujarat (SIG), Digital Education Development Fund (DEDF), Implementation of UDAYAM-COGENT, Gujarat State Institutional Rating Framework (GSIRF), Interest Subsidy Scheme on Education Loan (ISEL), Namo WiFi, Finishing School, Rashtriya Uchchatar Shiksha Abhiyan (RUSA), All India Survey on Higher Education (AISHE), Saptadhara, Udisha-Placement, NEP 2020 Implementation, Research Aid for Faculties in Higher Education, Graduate Intern and Apprentice in Higher Education, Learning and Exposure-cum-Study Tour for Faculty in Higher Education, Promotion of Research and Facilities in Higher Education, Swami Vivekanand Competitive Examination Study Centre's implementation work is been going in KCG.

- Through K.K.Shastri Higher Education transformation fund, new government colleges will be Established in the state and existing government colleges and universities will be equipped with advanced.

Technical Education

The Objective of Commissionerate of Technical Education is to increase coverage and quality of Technical Education along with creating avenues of technological development in the state. The state start up and innovation priority would have to promote innovation culture. Further, to develop innovation and start up culture amongst students per student Start up and Innovation Policy of the Government and to provide Suitable facilities and atmosphere.

Strategies:

Augmenting Technical Education facilities by way of establishment of new institutions, introduction of new programmers according to the need of the industries and Societies to provide infrastructure.

- 1) To create infrastructure facilities and overall administration of Government Institutions under the control of the department.

- 2) Regulation and support of various Central Admission Committees (ACPC & ACPDC), FEE Regulatory Committee (FRC), Technical Examination Board (TEB) and Gujarat Technical Education Research Society (GTERS)
- 3) To take state transparent, user friendly On-line admission process for all Institutions running professional courses in accordance with the rules & regulations.
- 4) Fee determination through FRC for all approved self-approved, self-financed institutions catering Professional Technical Education.
- 5) Encouraging innovation & start up under Technical Education in the state.
- 6) Coordination with all central Government authorities like Ministry of Human Resource Development (MHRD) and statutory bodies like All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI) , Council of Architecture (CoA) Nation board of Accreditation (NBA) etc.
- 7) Financial Assistance to Gujarat Technology University and Institute of Infrastructure, Technology, Research & Management (IITRAM), Ahmedabad.
- 8) Regulation of approved Grant in aid and self financed institutions of the State catering professional education within the legal premise.

Schemes

Name of Scheme	DPE-01 09-2202-01-106-04,95-2202-01-106-01 96-2202-01-796-04 Physical Facility for Schools Physical Facility for Schools
Components & Activities	Improvement of Physical facilities such as Drinking water & Electrification, Sanitation cleaning for school on the basis of number of students per month per school, CCTV camera facility at primary school and Mobile Lab in four zones for which more than 100 students are practicing experiments in school.
Intended Beneficiaries	Primary & Upper Primary school
Scale of Assistance (if applicable)	As per scheme
Implementing Agency	Director of Primary Education
Funding Pattern (in %)	100 % State Govt.
Expected Outcome	Maintain the drinking water and electricity facility, support Swachh Abhiyan by cleaning of sanitation, as per mobile lab scheme more awareness in science will increase, over period of time increase the number of students in science stream.

Name of Scheme	DPE-02 09-2202-01-001-03,95-2202-01-106-11 96-2202-01-796-09 Strengthening of Existing State & Dist. Level
Components & Activities	Under this Scheme Strengthening of Existing State & District Level Such as Provide Materials to DPEO, ADEI, PTC College, Upgradation of posts by State/District/Blocks Level, Information Technology Cell, Create new post district/state level and Appointment of Teachers on Vacant post with Honorarium and Legal Cell and Renovation of DPE Office.
Intended Beneficiaries	Strengthening of Primary and Upper Primary school

Scale of Assistance	As per norms
Implementing Agency	Director of Primary Education
Funding Pattern (in%)	100 % State Govt.
Expected Outcome	Strengthening monitoring, administrative and quality education in primary and upper primary school.

Name of Scheme	DPE-03 09-2202-01-106-20,95-2202-01-106-12 96-2202-01-796-33 Incentive for Enrollment & Retention
Components & Activities	Incentive for Enrollment & Retention such as Financial assistance for enrollment drive per schools Rs. 500, vidhyadeep vima yojana, first aid facilities per Schools Rs 500, and supply of free text books.
Intended Beneficiaries	Schools, Students
Scale of Assistance	As per prescribe format
Implementing Agency	Director of Primary Education
Funding Pattern (in %)	100 % State Govt.
Expected Outcome	To reach the goal of 100% enrollment in school and 0% dropout, motivation for girl child education to the parent, 100% Insurance cover of students of Govt. and Granted school. To reduce the burden of parents of school going children. Taken care of students in minor accidental situation.

Name of Scheme	DPE-05 09-2202-01-106-21 Fina. Asst. for Kanya Kelvani Rath Yatra
Components & Activities	Fina. Asst. for Kanya Kelvani Rath Yatra such as Kanya kelavani rath yatra per Districts Rs. 2 Lacs, Teacher's Award, Online transfer of primary teacher's, Online Portal.
Intended Beneficiaries	Schools, District
Scale of Assistance	As per scheme
Implementing Agency	Director of Primary Education
Funding Pattern (in%)	100 % State Govt.

Expected Outcome	To reach the goal of 100% enrolment and 0% dropout, to measure quality education motivation of teachers and schools, transparency in administration.
------------------	--

Name of Scheme	DPE-07 09-2202-01-106-18,95-2202-01-106-03 96-2202-01-796-39 Fee reimbursement to 25 % private unaided schools
Components & Activities	In this scheme to provide Fee reimbursement to 25 % private unaided schools per student Rs.13000/- and Payment of Other Expences to 25 % private unaided schools per student Rs.3000/-
Intended Beneficiaries	Students from weaker section
Scale of Assistance	As per scheme
Implementing Agency	Director of Primary Education
Funding Pattern (in%)	100 % State Govt.
Expected Outcome	Implementation of Right to Education act., support the students of weaker section reduce to burden of parents belongs to weaker section.

Name of Scheme	SSA-01 09-2202-01-113-02,09-2202-01-113-03 09-2202-02-113-01,09-2202-02-113-02 95-2202-01-789-01,95-2202-01-789-02 95-2202-02-789-01,95-2202-02-789-02 96-2202-01-796-45,96-2202-01-796-46 96-2202-02-796-24,96-2202-02-796-25 Samgra Shiksha
Components & Activities	Activities under this scheme are following: Transport / Escort. Reimbursement of fee against 25% admission under section 12(1) (c) of RTE Act-2009, Special Training for O.O.S. Children, Free Tax Book Teachers' salaries & training, BRC and CRC salaries

	CAL innovation School grant Maintenance grant, management & LEP, State Component & Kasturba Gandhi Vidhyalaya Residential Hostel cum School under SSA Project.

Components & Activities :	To improve the quality of nutrition and health of children.
Intended Beneficiaries:	No. of Students of Balvatika, std 1 to 8 studying in Govt., Govt. aided, and local body school
Scale of Assistance :	As per prescribed in Scheme norms.
Implementing Agency	PM POSHAN(Mid-Day Meal) Scheme office

Funding Pattern (in %):	GOG -100%
Expected Outcome:	To reduce malnutrition in children

Name of Scheme:	MDM-01 09-2236-02-102-02,95-2236-02-102-02 96-2236-02-796-10 Sukhadi Yojana
Components & Activities :	Objectives of this scheme is following: To increase the utilization of food grain and enhance calorie and protein intake by students
Intended Beneficiaries:	No. of Students of Balvatika, std 1 to 8 studying in Govt., Govt. aided, and local body school
Scale of Assistance :	As per prescribed in Scheme norms.
Implementing Agency	PM POSHAN(Mid-Day Meal) Scheme office
Funding Pattern (in %):	GOG -100%
Expected Outcome:	To reduce malnutrition in children

Name of Scheme:	MDM-01 09-2236-02-102-02,95-2236-02-102-02 96-2236-02-796-10 Dudh Sanjivani Yojna
Components & Activities :	Objectives of this scheme is following: - for the mental physical development
Intended Beneficiaries:	No. of Students of Balvatika, std 1 to 8 studying in Govt., Govt. aided, and local body school of 29 developing blocks of 12 districts
Scale of Assistance :	As per prescribed in Scheme norms.
Implementing Agency	PM POSHAN(Mid-Day Meal) Scheme office
Funding Pattern (in %):	GOG - 100%
Expected Outcome:	To reduce malnutrition in children

Name of Scheme:	MDM-01 09-2236-02-102-02,95-2236-02-102-02 96-2236-02-796-10 Suposhit Gujrat Mission Yojna
Components & Activities :	To increase the nutrition value of hot cook meal given to beneficiaries at school using seasonal green vegetables and pepper spices
Intended Beneficiaries:	No. of Students of Balvatika, std 1 to 8 studying in Govt., Govt. aided, and local body school
Scale of Assistance :	As per prescribed in Scheme norms.
Implementing Agency	PM POSHAN(Mid-Day Meal) Scheme office
Funding Pattern (in %):	GOG -100%
Expected Outcome:	To reduce malnutrition in children

Name of Scheme	CHE-02 09-2202-03-103-01,96-2202-03-796-04 Development of Government Colleges
Components & Activities	This scheme covered the Pay & allowances of academic & administrative staffs of Government Colleges in non- tribal areas & Tribal areas and Under this scheme there is also the scope for contract based Computer lab assistant for Government Colleges.
Intended Beneficiaries	Government Colleges.
Scale of Assistance	As per prescribed in Scheme norms.
Implementing Agency	Commissioner Of higher education, Gandhinagar
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected outcome	Pay and allowances of Government Colleges of non tribal areas & tribal areas and the scope for contract based Computer lab assistant for Government Colleges.

Name of Scheme	CHE-03 84-4202-01-203-42,96-4202-01-796-42 Construction of Government College
Components & Activities	Construction work for Government Colleges in Non tribal and Tribal areas.

Intended Beneficiaries	Government Colleges.
Scale of Assistance	As per prescribed in Scheme norms.
Implementing Agency	R and B Department
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected outcome	Construction for Government Colleges in Non tribal & Tribal areas for education.

Name of Scheme	CHE-04 09-2202-03-102-09,09-4202-01-203-03 Development & Expansion of Universities
Components & Activities	The scheme called Development and Expansion of Universities aims to improve the quality of Science, Education & Research at University level and also to adopt new syllabus based on technology, to start new courses (as per NAAC guideline) and training to colleges and universities. Major activity involved under this scheme are Pay-Allowances, Construction and Research work.
Intended Beneficiaries	Universities
Scale of Assistance	As per prescribed in Scheme norms
Implementing Agency	Commissionerate of Higher Education, colleges and universities.
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected Outcome (in words)	(1) Improve the quality of Education (2) Research at University level (3) To adopt new syllabus based on technology (4) To start new courses (as per NAAC guideline) (5) Training to colleges and universities

Name of Scheme	CHE-06 09-2202-03-102-08 Assistance to Dr. Baba Saheb Ambedkar Open University
Components & Activities	Pay & Allowances
Intended Beneficiaries	Staff of University
Scale of Assistance	As per prescribed in Scheme norms

Implementing Agency	Commissionerate of Higher Education, colleges and universities.
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected Outcome	For better distant education

Name of Scheme	CHE-09 09-2202-03-102-10 Assistance to Sanskrit Somnath University
Components & Activities	Pay and allowances of the staf for the Sanskrit Somnath University
Intended Beneficiaries	Staff of Universities
Scale of Assistance	As per prescribed in Scheme norms
Implementing Agency	Commissionerate of Higher Education, colleges and universities.
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected Outcome	For Sanskrit education to students

Name of Scheme	CHE-11 09-2202-03-102-12 Assistance to Veer Shyamji Krishna Varma Kutch University
Components & Activities	The scheme is mainly for pay and allowance to Veer Shyamji Krishna Varma Kutch University. This also includes provision for Archeological course and Technology Science
Intended Beneficiaries	Staff of Universities
Scale of Assistance	As per prescribed in Scheme norms
Implementing Agency	Commissioner of Higher Education
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected Outcome	For better education of stuendts of university

Name of Scheme	CHE-15 09-2202-03-102-13,09-4202-01-203-05 Assistance to Indian Institute of Teachers' Education, Gandhinagar
Components & Activities	This Scheme is mainly for pay and allowance to Indian Institute of Teachers' Education, Gandhinagar.

Intended Beneficiaries	Staff of Universities
Scale of Assistance	As per prescribed in Scheme norms
Implementing Agency	Commissioner of Higher Education
Funding Pattern (in %)	GOG: 100% GOI: Others:
Expected Outcome	For teacher's training

Name of Scheme:	CHE-14 2202-03-107-01 Mukhyamantri Yuva Swavlamban Yojana
Components & Activities :	80% percentile or more in 10th and 12th standard for Diploma course/degree course and Students whose annual family income is up to Rs. 6 Lakh are provided tuition Fee assistance, hostel assistance and Book-equipment assistance
Intended Beneficiaries:	Students pursuing higher education
Scale of Assistance :	Course wise Rs.10,000/- to Rs.2,00,000/- Tuition fee assistance (50% of tuition fee or higher limit – whichever is less) Rs.3,000/- to Rs.10,000/- Book-equipment assistance Rs.12,000/- Hostel fee assistance (Note: Tuition fee assistance and Hostel fee assistance provided annually while Book-equipment assistance provided only in the first year of the course)
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	Scholarship for higher education will be given to meritorious students so that economic burden of their family will decrease

Name of Scheme:	CHE-12 2202-80-107-04 Hon.Chief Minister Scholarship Scheme(CMSS)
Components & Activities :	To provide financial assistance for higher education to the Extreme needy 7 categories

	students of Gujarat state who passed in class 10th or 12th exam and admitted in Diploma/Degree level courses with annual family income is up to Rs. 4.50 Lakh.
Intended Beneficiaries:	To provide financial assistance for higher education to the Extreme needy 7 categories Students.
Scale of Assistance :	Course wise Tution fee Assistance annully Rs.10,000 to 5,00,000(50% of tuition fee or higher limit – whichever is less)
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	GOG: 100% GOI: Others:
Expected Outcome:	Scholarship for higher education will be given to extreme needy students so that economic burden of their family will decrease

Name of Scheme	CHE-01 09-2202-80 -001-01 SHODH - Scheme of Developing High quality research
Components & Activities	Stipend of INR 15,000 and Contingency expense of INR 20,000 per Annum for two years. Hence, at the end of 2 years a research scholar will get total assistance of INR 4,00,000
Intended Beneficiaries	Ph.D. Students pursuing research in regular full time mode
Scale of Assistance	Minimum 55% marks in Post-Graduation and must have confirmed Ph.D. admission in University in Gujarat in regular full time mode only after Date: 01-07-2018.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %)	GOG: 100% GOI: 0 Others: 0
Expected outcome	This support will encourage more students to conduct high-quality research and will minimize the financial burdon on students.

Name of Scheme	CHE-01 09-2202-80 -001-01 Finishing School
Components & Activities	A total of 80 hours of skill development training in soft skill training, employability skills, functional and spoken English are provided free of cost to the final year students of Government Higher, Grant in Aid, Technical (Government) colleges and Gram Vidyapith in the state of Gujarat
Intended Beneficiaries	Final year students of Government Higher, Grant in Aid, Technical (Government) colleges and Gram Vidyapith
Scale of Assistance	80 hours of free skill-building training
Implementing Agency	Commissioner Of higher education, Gandhinagar
Funding Pattern (in %)	GOG: 100% State Government GOI: Others:
Expected outcome	The objective of the Finishing School Project is to enhancing employability of students

Name of Scheme:	C.H.E-01 09-2202-80-001-01 Training for Excellence, Efficiency and Research Towards Higher Education (TEERTH)
Components & Activities	Under the TEERTH scheme, training is provided through Faculty Development Program, Research Methodology Workshop, Webinars and Sangoshthi to expose the world to multiple dimensions from Vedas to Web through Excellence, Efficiency and Research. Under the TEERTH scheme, quality and streamlined training is provided to the principals, professors, researchers and administrators of state universities, colleges and stakeholders related to higher education on various subjects.
Intended Beneficiaries	Government & Grant in Aid colleges & Universities of Higher Education
Scale of Assistance	Streamlined training is provided to all

	academic and administrative staff of higher education.
Implementing Agency	Commissioner Of higher education, Gandhinagar
Funding Pattern (in %)	GOG: 100% GOI: NA Others: NA
Expected outcome	Principals, professors, researchers and administrators of state universities, colleges and stakeholders related to higher education will receive quality and streamlined training on multiple subjects.

Name of Scheme:	CHE-01 09-2202-80 -001-01 Gujarat Gyan Guru Quiz (G3Q 2.0)
Components & Activities :	In Gujarat Gyan Guru Quiz (G3Q 2.0) contestants are divided into three categories. Category of students of class 9 to 12 school level Category of College and University Level Students Other Citizen Category (All citizens of Gujarat 18 and above 18 years)
Intended Beneficiaries:	For students studying in class 9th to 12th as well as graduate and post graduate students of all government, aided and self-supporting colleges and government and private universities of the state of Gujarat.
Scale of Assistance :	For students studying in class 9th to 12th as well as graduate and post graduate students of all government, aided and self-supporting colleges and government and private universities of the state of Gujarat.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	10,11,176 registrations were made by students studying in class 9th to 12th as well as graduate and post-graduate students of all government, aided and self-supporting colleges and government and private universities of the state of Gujarat.Out of which 8,84,037 students have played the quiz

	out of which 20,026 students have become winners.

Name of Scheme:	C.H.E.-01 09-2202-80-001-01 Research Fellowship Scheme (Major and Minor Projects) in Higher Education
Components & Activities :	In order to encourage regular faculty members of Government and Grant-in-Aid Colleges as well as Government and Private Universities in the State of Gujarat to undertake research activities, fellowships are awarded for a total of 94 projects, comprising both Major and Minor research projects proposed by them
Intended Beneficiaries:	Regular faculty members of: Government and Grant-in-Aid Colleges, and Government and Private Universities in the State of Gujarat.
Scale of Assistance :	Financial assistance ranging from ₹50,000 to ₹3,50,000 per project, depending upon the type and group of the research project, is provided.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	State: 100%
Expected Outcome:	The research programmes undertaken by faculty members of Universities and Colleges across various academic disciplines will become more effective and impactful. Furthermore, the scheme will promote excellence in research activities undertaken

	by regular faculty members of Higher Education as well as Technical Education institutions, thereby strengthening the overall research ecosystem in the State.
--	--

Name of Scheme:	CHE-01 09-2202-80 -001-01 Research Aid for Faculties in Higher Education
Components & Activities :	To encourage regular faculty members of government and grant-in-aid colleges as well as government and private universities in the state of Gujarat to undertake research and publish in reputed journals or conferences, a total of 575 research papers at the international, national, and state levels are supported.
Intended Beneficiaries:	Regular faculty members of government and grant-in-aid colleges as well as government and private universities in the state of Gujarat.
Scale of Assistance :	Financial aid ranging from ₹6,000 to ₹38,000, based on the level of the research paper.
Implementing Agency	Commissionerate of Higher Education
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	The research programs of university and college teachers across various disciplines of education will become more effective. Excellence in the research activities of regular faculty in higher education as well as technical education will receive greater encouragement.

Name of Scheme:	CHE-01 09-2202-80 -001-01 Graduate Intern and Apprentice in Higher Education
Components & Activities :	Under this scheme, grants are provided to 125 government colleges, 300 grant-in-aid colleges, and 14 government universities to appoint interns in their respective

	institutions.
Intended Beneficiaries:	Students who have graduated in the last five years.
Scale of Assistance :	Under this scheme, financial assistance of ₹4,500 is provided. Under the National Apprentice Training Scheme (NATS), Government of India, assistance of ₹4,500 per month, under the Mukhyamantri Apprentice Scheme (MAY) of the Government of Gujarat, ₹3,000 per month, and under the Graduate Intern and Apprentice in Higher Education scheme, ₹4,500 per month is provided. Thus, a total assistance of ₹12,000 per intern per month is received.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	Educational institutions will get interns to carry out administrative work, and graduate students will gain work experience.

Name of Scheme:	CHE-01 09-2202-80 -001-01 Learning and Exposure-cum-Study Tour for Faculty in Higher Education
Components & Activities :	With the objective of providing exposure and study tours to various national and international educational institutions and resource centers, all 10 government universities and all 125 government colleges under higher education are encouraged to visit top NIRF- and NAAC-ranked educational institutions in the country having A++ and A+ grades, to learn from these institutions and implement institutional reforms in their own institutions aimed at improving the quality of academic as well as administrative frameworks.
Intended Beneficiaries:	10 government universities and all 125 government colleges.
Scale of Assistance :	Government colleges and government

	universities are provided financial assistance of ₹1 lakh per institution for this purpose.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	To provide exposure to government colleges and government universities in Gujarat to various educational institutions and resource centers at the national and international levels.

Name of Scheme:	C.H.E.-01 09-2202-80-001-01 Promotion of Research and Facilities in Higher Education
Components & Activities :	Financial assistance is provided to Government Universities and Government as well as Grant-in-Aid Colleges in the State of Gujarat for conducting a total of 150 workshops at the International, National, and State levels for the promotion of research activities.
Intended Beneficiaries:	Government Universities Government and Grant-in-Aid Colleges
Scale of Assistance :	Financial assistance ranging from ₹3 lakh to ₹7 lakh per workshop, depending on the level of the workshop, is provided to Government Universities and Government as well as Grant-in-Aid Colleges
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	State: 100%
Expected Outcome:	Through the organization of workshops, seminars, and similar academic events in Government Universities and Government as well as Grant-in-Aid Colleges, research activities will be strengthened and enhanced, leading to improvement in the overall research ecosystem in higher education institutions.

Name of Scheme:	C.H.E.-01 09-2202-80-001-01 Swami Vivekanand Competitive Examination Study Centre
Components & Activities :	With the objective of providing quality education, guidance, and necessary resources to economically weaker graduate students of educational institutions in the State of Gujarat for preparation of competitive examinations such as UPSC/GPSC, IAS Study Centres have been established in 7 Government Universities and 3 Government Colleges.
Intended Beneficiaries:	Graduate students from educational institutions of the State of Gujarat who are economically weaker and are preparing for competitive examinations such as UPSC/GPSC.
Scale of Assistance :	Graduate students of educational institutions in the State of Gujarat who are preparing for UPSC/GPSC and similar competitive examinations are provided free coaching and all necessary facilities through 10 Study Centres, with 100 students per centre, thereby benefiting a total of 1000 students.
Implementing Agency	Commisionerate of Higher Education
Funding Pattern (in %):	100%
Expected Outcome:	By providing structured guidance, quality coaching, and academic support to students appearing for competitive examinations such as UPSC/GPSC, their level of preparation will significantly improve, thereby increasing the likelihood of success and selection in these examinations.

Name of Scheme	TED-1 09-2203-00-001-01 Strengthening Administrative Set up of Technical education Dept.
Components & Activities	<u>Components</u> : Administrative set up of CTE, TEB, FRC & GTERS, SSIP, Govt./GIA Institutions, Students <u>Activities</u> : Overall Administration of Govt./GIA Institutions, Fee Regulation, Examination of Students pursuing certificate courses, Various schemes for students
Intended Beneficiaries	Govt./GIA Institutions, Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Commissionerate of Technical Education, Technical Examination Board, Fee Regulatory Committee
Funding Pattern (in %)	100 % State
Expected Outcome (in words)	Quality Technical Education to students with minimum possible fees

Name of Scheme	TED-2 09-2203-00-103-01 Development of Technical High Schools (Skill Formation)
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Workshop, Laboratory, Library, Equipment, Furniture <u>Activities</u> : Catering I.T.I. Pattern Certificate courses (Theory, Practical/Workshop, Projects, Industry liaison)
Intended Beneficiaries	Students of I.T.I. Pattern Certificate courses
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Govt. Technical High schools
Funding Pattern (in %)	100 % State
Expected Outcome	Skill formation in students

Name of Scheme	TED-3 09-2203-00-105-01,95-2203-00-105-01 96-2203-00-796-03 Development of Govt. & GIA Polytechnics
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Workshop, Laboratories, Library, Equipment, Furniture <u>Activities</u> : Catering Diploma level Engineering courses (Theory, Practical/Workshop, Project, Industry liaison)
Intended Beneficiaries	Students of Diploma level Engineering courses
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Govt./GIA Polytechnics
Funding Pattern (in %)	100 % State
Expected Outcome	Supply of Diploma level quality manpower in the area of Engineering as per the requirement of industry/society

Name of Scheme	TED-5 09-2203-00-112-01,95-2203-00-112-01 96-2203-00-796-05 Development of Government & GIA Engineering College
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Workshop, Laboratories, Library, Equipment, Furniture <u>Activities</u> : Catering UG level Engineering courses (Theory, Practical/Workshop, Projects, Industry liaison)
Intended Beneficiaries	Students of UG level Engineering courses
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Govt./GIA Degree Engineering Colleges
Funding Pattern (in %)	100 % State
Expected Outcome	Supply of UG level quality manpower in the area of Engineering as per the requirement of industry/society

Name of Scheme	TED-7 09-2203-00-003-01 Training of Teachers and Instructors
Components & Activities	<u>Components</u> : Teaching & Supporting staff <u>Activities</u> : Training to Faculty and staff of all govt. institutes
Intended Beneficiaries	Faculty and staff
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Various Training Agencies and Govt. Degree/Diploma Engineering Institutions
Funding Pattern (in %)	100 % State
Expected Outcome	Awareness and know-how of imerging / modern technologies among faculty, administrative capacity building among staff

Name of Scheme	TED-9 09-2203-00-105-06 Development of Government & GIA Pharmacy Institutes
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Laboratories, Library, Equipment, Furniture <u>Activities</u> : Catering Diploma/UG/PG level Pharmacy courses (Theory, Practical, Projects/Case Study)
Intended Beneficiaries	Students of Diploma/UG/PG level Pharmacy courses
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Govt./GIA Diploma/Degree/PG Pharmacy Institutions
Funding Pattern (in %)	100 % State
Expected Outcome (in words)	Supply of Diploma/UG/PG level quality manpower in the area of Pharmacy as per the requirement of industry/society

Name of Scheme	TED-11 09-2203-00-112-02 Post Graduate Courses
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Workshop, Laboratory, Library, Equipment, Furniture <u>Activities</u> : Catering PG level Engineering courses (Theory, Practical/Workshop, Projects, Dissertation, Industry liaison)
Intended Beneficiaries	Students of PG Engineering, MCA courses
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Govt. Engineering / MCA Colleges
Funding Pattern (in %)	100 % State
Expected Outcome	Supply of PG level quality manpower in the area of Engineering/MCA as per the requirement of industry/society

Name of Scheme	TED-16 09-2203-00-103-02,96-2203-00-796-02 Technical High Schools/Vocationalisation
Components & Activities	<u>Components</u> : Teaching & Supporting staff, Students, Workshop, Laboratory, Library, Equipment, Furniture <u>Activities</u> : Catering TEB/Highschool Pattern courses (Theory, Practical/Workshop, Projects)
Intended Beneficiaries	Students of TEB/Highschool Pattern Certificate courses
Scale of Assistance	NA
Implementing Agency	Govt. Technical Highschools & Vocational Training Centers
Funding Pattern (in %)	100 % State
Expected Outcome	Development of vocational skills among students

Name of Scheme	TED-25 09-2203-00-001-05 Gujarat Technological University
Components & Activities	<u>Components</u> : Administrative set up of Gujarat Technological University <u>Activities</u> : Overall Administration of GTU , Vishvakarma Scheme (pilot project) ,
Intended Beneficiaries	Govt./GIA Institutions, Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Commissionerate of Technical Education, Technical Examination Board
Funding Pattern (in %)	100 % State
Expected Outcome	Quality Technical Education to students with minimum possible fees

Name of Scheme	TED-04 96-4202-02-796-42 Construction works of Technical Education.
Components & Activities	Construction of Hostels, Buildings, Repairing of existing buildings, other infrastructure related works
Intended Beneficiaries	Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Roads & Building Department
Funding Pattern (in %)	100% State
Expected Outcome	Setup necessary Infrastructure facility for Govt. Institutes of Technical Education as per requirement / Norms of AICTE

Name of Scheme	TED-08 84-4202-02-103-42 Building
Components & Activities	Construction of Hostels, Buildings, Minor Repairing of existing buildings, other infrastructure related works

Intended Beneficiaries	Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Roads & Building Department
Funding Pattern (in %)	100% State
Expected Outcome	Setup necessary Infrastructureal facility for Govt. Institutes of Technical Education as per requirement

Name of Scheme	TED-08 84-4202-02-104-42 Building
Components & Activities	Construction of Hostels, Buildings, Minor Repairing of existing buildings, other infrastructure related works
Intended Beneficiaries	Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Roads & Building Department
Funding Pattern (in %)	100% State
Expected Outcome	Setup necessary Infrastructureal facility for Govt. Institutes of Technical Education as per requirement / Norms of AICTE

Name of Scheme	TED-08 84-4202-02-105-42,85-4216-01-700-25 Buildings
Components & Activities	Construction of Hostels, Buildings, Staff Quarters, Repairing/Retrofitting of existing buildings, other infrastructure related works
Intended Beneficiaries	Students
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	Roads & Building Department
Funding Pattern (in %)	100% State
Expected Outcome	Setup necessary Infrastructureal facility for Govt. Institutes of Technical Education as per requirement / Norms of AICTE

Name of Scheme	4202-02-105-02 IT infrasture under CoEs
Components & Activities	<u>Components & Activities</u> :
	IT infrasture
Intended Beneficiaries	Institutes
Scale of Assistance	As per prescribed in Scheme norm
Implementing Agency	CTE
Funding Pattern (in %)	100% State
Expected Outcome	Setup necessary IT infrasture facility for Govt. Institutes of Technical Education as per requirement / Norms of AICTE

Energy and Petrochemicals Department

Energy & Petrochemicals Department has a very important contribution to the state all round development with a vision to provide quality power and piped natural gas at sustainable rates to the people of Gujarat through increased generation, efficient distribution and transmission, private sector participation, energy conservation, power sector reforms and use of alternative sources of non-conventional energy. The Department is associated with various companies engaged in the field of power, gas, fertilizers and non-conventional energy.

Objective

- Universal access to affordable, adequate, reliable, modern and sustainable energy services.
- Electrification of hamlets, petaparas, abutments, and pending agriculture connection.
- To create a robust and reliable transmission and distribution network to cater to need for all category of consumers.
- Reduce the carbon footprint and dependency on fossil fuels in a balanced manner through renewable energy, energy efficiency and storage technologies for the State and beyond.
- Maximize the utilization of new and renewable energy technologies to create investment, employment, and income opportunities across the sector ranging from farmers to corporates.
- To promote clean and green Energy, establishment of gas network for households, industrial and transportation usage.

Strategies

- To provide access of electricity to all consumers, electrification of all households including hutments and hamlets is to be carried out.
- To prevent theft, reduce AT&C (Aggregate Transmission and Collection) losses and to supply quality and reliable power to end users, HVDS system is being implemented.

- Develop processes and schemes to adopt technologies such as rooftop solar, micro-wind, bio-methanation, etc. that are conducive, friendly and inclusive to civil societies.
- Enhance the utility of forecasting and scheduling of renewable energy sources to maximize the utilization of the State's transmission networks and yield economic benefits through efficient utilization of thermal plants and reduced deviation settlement mechanism (DSM) charges.
- Strengthening of pipeline gas network and CNG Filling Station to reach all corners of the state for promotion of green fuels and to reduce pollution.

Schemes

Name of Scheme	Tribal Area Sub-Plan Scheme(TASP)
Components and Activities	Electrification of Agriculture Wells and Petapara in Tribal Areas.
Intended Beneficiaries	Farmers & Tribal families of Petapara in Tribal Areas
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern (in %)	100% GoG Fund –Share Capital
Expected Outcome	46580 Agriculture Wells will be electrified & carried out the activities under VKY-2 in next 3 years.

Name of Scheme	SCSP Scheme
Components and Activities	To give free of cost domestic connection to SC families.
Intended Beneficiaries	SC Families
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Fund –Grant
Expected Outcome	15,985 house hold will be planned to electrify in next 3 years.

Name of Scheme	SC AG Wells Scheme
Components and Activities	Electrification of Agriculture Wells of SC Farmers.
Intended Beneficiaries	SC Farmers
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs

Funding Pattern	100% GoG Fund –Share Capital
Expected Outcome	2,085 AG wells will be planned to electrify in next 3 years.

Name of Scheme	Agriculture Well (Normal & Dark Zone) Scheme
Components and Activities	Electrification of Agriculture Wells.
Intended Beneficiaries	Farmers
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Fund –Share Capital
Expected Outcome	1,12,070 AG wells will be electrified & 152 AG Feeder bifurcation work will be carried out in next 3 years

Name of Scheme	Zupadpatti Scheme (Hutments)
Components and Activities	To give single phase Domestic connection with one point wiring at free of cost to BPL family or Family whose maximum annual income is Rs.150000/- for urban area and Rs.120000/- for Rural area.
Intended Beneficiaries	Poor families
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Fund –Grant
Expected Outcome	72,900 households will be planned to electrify in next 3 years.

Name of scheme	Kutirjyoti Scheme
Components and Activities	To give single phase Domestic connection with one point wiring at free of cost to Tribal beneficiaries whose maximum annual income is Rs.150000/- for urban area and Rs.120000/- for Rural area in Tribal Areas.
Intended Beneficiaries	BPL family in tribal areas
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Fund –Grant
Expected Outcome	19,950 house hold connections will be planned to electrify in next 3 years.

Name of Scheme	Energy Conservation
Components and Activities	Under Energy Conservation Programme, Conversion of Low Voltage Distribution System_LVDS into High Voltage Distribution System_HVDS, Energy Efficiency and Energy Audits are planned. Further, under Energy conservation a special fund is being allocated for IEC Information, Education & Communication.
Intended Beneficiaries	DISCOMs & Consumers
Scale of Assistance	100% GoG Grant
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Grant
Expected Outcome	3300 Small Capacity Transformers, IEC, Energy Efficiency & Energy Audit activities will be carried out in next 3 years.

Name of Scheme	Sagarkhedu Sarvangi Vikas Yojna
Components and Activities	Under the Sagarkhedu Sarvangi Vikas Package for energy development, a total of 39 coastal talukas have been covered out of 114 talukas across 15 coastal districts: Valsad, Navsari, Surat, Bharuch, Anand, Ahmedabad, Jamnagar, Junagadh, Porbandar, Kutch, Bhavnagar, Amreli, Devbhumi Dwarka, Gir Somnath, and Morbi. To prevent faults in power lines caused by humid and saline weather in coastal areas and to ensure quality power supply, this scheme plans for the strengthening of power distribution and transmission lines, as well as the establishment of new 66 KV substations in these regions.
Intended Beneficiaries	DISCOMs and consumers of coastal areas
Scale of Assistance	15% Grant & 85% Share Capital
Implementing Agency	DISCOMs & GETCO
Funding Pattern	15% Grant & 85% Share Capital
Expected Outcome	6000 KM Lines, 54 Sub-station & 16000 AG Wells in next 3 years.

Name of Scheme	Kisan Hit Urja Shakti Yojana- KHUSHY
Components and Activities	To improve Voltage profile in rural area for existing Agriculture Connections, the small capacity of Distribution Transformers are to be installed by extending 11KV Line as possible as nearer to the load and Distribution Transformer of the capacity of

	10, 16 KVA are erected and supply is released to consumer through a short length of LT Lines preferably through insulated overhead cables known as Aerial Bunched Cable (ABC)/PVC Cable to provide quality power supply in place of higher capacity transformers.
Intended Beneficiaries	DISCOMs and Consumers
Scale of Assistance	100% GoG Fund
Implementing Agency	DISCOMs
Funding Pattern	100% GoG Fund –Share Capital
Expected Outcome	14,400 Small Capacities of Distribution Transformers are to be installed in next 3 years.

Name of Scheme	TASP Sub-stations & Lines
Components and Activities	Construction of Substations & Transmission line in Tribal Area
Intended Beneficiaries	Tribal Villages
Scale of Assistance	100% Share capital
Implementing Agency	GETCO
Funding Pattern	100% from GoG in form of Share Equity
Expected Outcome	30 Sub-stations will be commissioned with associated lines in next 3 years.

Name of Scheme	Distribution Infrastructure Shifting Scheme (DISS) Share Capital Contribution for shifting/replacement of electric poles and power distribution lines in Municipal Corporations, Municipalities, Urban Development Authorities, and Rural areas
Components and Activities	In areas under Municipal Corporations, Municipalities, Urban Development Authorities, and Rural jurisdictions, the shifting of electrical distribution

	infrastructure—including 11 KV or 22 KV High Tension (HT) lines, Low Tension (LT) lines, transformer centers, and electric poles—as well as converting overhead lines to
	underground or installing Aerial Bunched Cables (ABC) where necessary, is to be carried out in the following cases: Where it obstructs road widening projects. Where it creates an obstruction on existing roads.
Intended Beneficiaries	DISCOMs & Mahanagarपालिका / Nagarpalika/ Urban & Rural Development Authority
Scale of Assistance	100% Share Capital
Implementing Agency	DISCOMs
Funding Pattern	100% Share Capital
Expected Outcome	2,388 KM of lines will be shifted / replaced in next 3 years.

Name of Scheme	Sardar Krushi Jyoti Yojna
Components and Activities	Replacement of old / deteriorated conductor along with associated materials wherever required in AG Feeders
Intended Beneficiaries	Agriculture feeder's consumers
Scale of Assistance	80 % GoG Fund
Implementing Agency	DISCOMS
Funding Pattern	80 % GoG Fund- Grant + 20% DISCOM Share
Expected Outcome	To improve and enhance public services and facilities through reliable & quality power supply by replacing the 21219 CKM old / deteriorated conductors along with associated materials and 804 Ag feeder bifurcation wherever required in Agriculture

	Feeders in the State in next 3 years.
--	---------------------------------------

Name of Scheme	PM KUSUM – Component B
Component and Activities	<u>Component</u> (1) Solar Module (2) Controller (3) AC/DC Pump Off-grid Solar Pump sets to be installed at various locations of DISCOMs
Intended Beneficiaries	Farmers
Scale of Assistance (if Applicable)	The State Government Grant (30%) CFA from MNRE (30%) Farmer's Contribution (40%)
Implementing Agency	DISCOMs
Funding Pattern	CFA from MNRE (30%) (of the benchmark cost or tender cost, whichever is lower) The State Government Grant (30%) in line with MNRE Farmer's Contribution (40%) <u>Special provision for the Applicants for which line passes through the Forest Area :-</u> • 30 % CFA from MNRE • Fixed charges as per conventional Ag connection to be paid by farmer of SPA scheme. • No contribution by the farmers of TASP Scheme. • Remaining amount will be granted as subsidy by the State Govt.
pected Outcome	The sunset date of PM Kusum Yojana is 31.03.2026. Therefore, it is planned to install 10,410 standalone solar agriculture pump set in off-grid irrigation in the financial year 2025-26.

Name of Scheme	Kisan Suryodaya Yojana
Components and Activities	Providing day time power to Agriculture Sector

	Construction of Sub-stations & Associated Transmission lines
Intended Beneficiaries	Farmers
Scale of Assistance	100% Share Capital
Implementing Agency	GETCO & DISCOMs
Funding Pattern	100% Share Capital
Expected Outcome	Construction of 13 new Sub-stations & 2,350 CKM transmission lines in next 2 years.

Name of Scheme	PM Surya Ghar: Muft Bijali Yojana
Components and Activities	Waiver of regulatory charges (Rs. 2950/- per solar system) for Installation of new rooftop solar systems up to 6 KW to residential consumers under PM Surya Ghar: Mufta Bijli Yojana
Intended Beneficiaries	Residential Consumers
Scale of Assistance	100% from GoG
Implementing Agency	DISCOMs
Funding Pattern	100% Grant
Expected Outcome	It is planned to waive regulatory charges for installation of new rooftop solar system upto 6 KW to 3.50 lakh consumers under PM Surya Ghar: Muft Bijali Yojana for FY 2026-27.

FOOD, CIVIL SUPPLIES & CONSUMER AFFAIRS DEPARTMENT

Food and Civil Supply Department was set up as a separate administrative department since November -1965 and it is now known as Food, Civil Supplies and Consumer Affairs Department.

The Department is responsible for the procurement, monitoring and distribution of essential commodities for sustenance of the citizens of the state. It monitors public distribution schemes, fair price retail chain, provide ration cards, monitors and implement various Acts, and provide license to petrol diesel pumps and gas agencies. It implements food fortification and manage supply chain.

Targeted Public Distribution System (TPDS) aims at providing food security to the poor in Gujarat State. The Directorate of Food and Civil Supplies functioning under plays an important role in the implementation of TPDS in the State, for smooth and efficient functioning of the supply chain of commodities under TPDS. It also monitors and regulates supplies in essential commodities specified under the Essential Commodities Act and implements provisions of various Rules and Control Orders there under.

Objectives

- To formulate policies for timely and effective procurement and distribution of food grains as well as other items in the State through Public Distribution System.
- To ensure timely & sufficient supply of commodities as well as Public Distribution System.
- To implement activities related to regulation for weight, measures and consumer protection.

Strategies

- All the FPSs are computerized. To ensure that the benefits reach to the targeted beneficiaries with minimum possible leakages and to protect consumer interest, Aadhar based biometric authentication & SMS alert is under roll out. Under the NFSA-2013, out of 72 lacs Ration Cards, 97% Ration Cards are seeded with Aadhar database.

- Door step delivery system has been started to ensure that the food grains reach fair price shops from Government Godowns without any diversion.
- Use of online monitoring system enables to ensure the availability of the food grains at all time at the FPS level.
- Consumers having kerosene cards were mapped with PNG/LPG database using Aadhar Numbers. After duplication verification, those cards were removed.
- Modernization and upgradation of civil supplies godowns is also an important activities to ensure delivery of quality products to the Fair Price Shops.

SCHEMES:

Name of Scheme	Pulses Distribution Scheme under the Public Distribution System
Components Beneficiaries	Under the Pulses Distribution Scheme implemented through the Public Distribution System, beneficiary families covered under the National Food Security Act, 2013 are provided with 1 kg of Tur (Pigeon Pea) Dal and 1 kg of Chana per family per month.
Intended Beneficiaries	75.29 Lakh Families
Scale of Assistance	State Government
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG:- 100% GOI Others
Expected Outcome:	Under the National Food Security Act, 2013, registered families are provided 1 kg of Chana per month at a subsidized rate of Rs. 30 per kg and 1 kg of Tur (Pigeon Pea) Dal at a subsidized rate of Rs. 50 per kg.

Name of Scheme	Oil Distribution Scheme under the Public Distribution System
Components Beneficiaries	Under the National Food Security Act, cardholder families covered there under are provided with 1 liter of groundnut oil per family by the State Government during the months of two festivals each year, namely Janmashtami and Diwali.
Intended Beneficiaries	75.29 Lakh Families
Scale of Assistance	State Government
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG:- 100% GOI Others

Expected Outcome:	Under the National Food Security Act, cardholder families covered thereunder are provided with 1 liter of groundnut oil per family at a subsidized rate of Rs. 100 per liter by the State Government during the months of two festivals each year, namely Janmashtami and Diwali.
-------------------	---

Name of Scheme	Salt Distribution Scheme under the Public Distribution System
Components Beneficiaries	under the National Food Security Act Cardholder families covered & as well as non-NFSA BPL cardholder families are provided with 1 kg of Double Fortified Salt per card on a monthly basis.
Intended Beneficiaries	75.29 Lakh Families
Scale of Assistance	State Government
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG:- 100% GOI Others
Expected Outcome:	Under the National Food Security Act, cardholder families covered thereunder, as well as non-NFSA BPL cardholder families, are provided 1 kg of Double Fortified Salt per card per month at a highly subsidized rate of Rs. 1 per kg.

Name of Scheme	Distribution of sugar to BPL & AAY families under the Public Distribution System
Components Beneficiaries	Under the Sugar Distribution Scheme of the Public Distribution System, sugar is distributed to BPL and Antyodaya families as follows: Antyodaya cardholder families with a population of up to three persons are provided with 1 kg of sugar per card, while those with more than three persons are provided with 350 grams per person. – BPL cardholder families are provided with sugar at the rate of 350 grams per person. In addition, an extra 1 kg of sugar per card is distributed during two festivals each year, namely Janmashtami and Diwali.
Intended Beneficiaries	22.32 Lakhs BPL & 7.59 Lakhs AAY families
Scale of Assistance	State Government
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG:- 100% GOI: Others:
Expected Outcome:	Under the Sugar Distribution Scheme of the Public Distribution System for BPL and Antyodaya families: Antyodaya cardholder families with up to three members are provided 1 kg of sugar per card at a subsidized rate of Rs. 15 per kg, while families with more than three members are provided 350 grams per person at the same rate. BPL cardholder families are provided sugar at the rate of 350 grams per person at a subsidized rate of Rs. 22 per kg. Additionally, an extra 1 kg of sugar per card is distributed during the months of two festivals each year, namely Janmashtami and Diwali.

Name of Scheme	Extended State PNG/LPG Sahay Scheme
Components Beneficiaries	comprising all phases of the Pradhan Mantri Ujjwala Yojana and those under the State PNG/LPG Sahay Scheme
Intended Beneficiaries	Rs 43.10 Lakh
Scale of Assistance	100% State Government
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG : 100% GOI:0 Others:0
Expected Outcome:	Under the aforementioned scheme, a total of 43.10 lakh beneficiaries, comprising all phases of the Pradhan Mantri Ujjwala Yojana and those under the State PNG/LPG Sahay Scheme, are provided with free gas cylinder refilling twice a year by the State Government.

Name of Scheme	National Food Security Scheme- Pradhan Mantri Garib Kalyan Anna Yojana
Components Beneficiaries	National Food Security Scheme - Beneficiaries of Pradhan Mantri Garib Kalyan Anna Yojana
Intended Beneficiaries	382.8
Scale of Assistance	50 % Central, 50 % State and 100 %State
Implementing Agency	Directorate of Food and Civil Supplies Office Gandhinagar
Funding Pattern (in %)	GOG : 50 % GOI 50 % Gujarat State -100 %
Expected Outcome:	In the said scheme, free food grains are distributed to the beneficiaries of "Pradhan Mantri Garib Kalyan Anna Yojana".

Forest and Environment Department

The department has a key role to play in the conservation, protection, development and management of the state's forest and wildlife resources. To achieve this, active participation of local self-governing bodies, co-operative Society, non-governmental organizations, self-help groups is required. Research, capacity building, public awareness programs and extension activities are undertaken to enhance the effectiveness and efficiency of the department. The Gujarat Pollution Control Board is an agency working to monitor pollution control and regulate environmental matters.

OBJECTIVES

- Increase forest cover in forest area and planting trees in areas outside forest.
- Increase Mangrove along the seaside.
- Effective management of sanctuaries and national parks for conservation of wildlife and biodiversity.
- To encourage governmental and non-governmental organizations as well as people for active participation.
- Carry out income generating activities by providing raw materials for forest based industries to meet the basic needs of the local people.

STRATEGY

- Carry out mangrove planting along the coast.
- Planting in non-forest public lands and facilitating tree planting in private lands.
- To organize special programs for the protection and conservation of endangered flora and fauna.
- To establish Cooperative Forest Management Committees, Premises Development Committees, Gram Panchayats, Self Help Groups to build strong link between resource, conservation and Forest Dependent Community.
- Making maximum use of central government resources as well as international financial assistance. Adoption of national and international level working method, technical knowledge.
- To bring transparency and speed in enforcing environmental laws.
- To get the cooperation of the industries for the implementation of the standards / criteria of pollution control.

Schemes

Name of Scheme:	26-2406-01-101-15 Gujarat Forestry Development Project (JICA)
Components & Activities:	Officers' and Staff Salaries, Office Expenses, PMC Services, Our Sources Services.
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department
Funding Pattern (in%):	GoG: 100% Gol: 0 % Others:
Expected Outcome:	Salaries of officers, employees, and outsourced staff, along with office expenses, etc.

Name of Scheme:	26-4406-01-101-15 Gujarat Forestry Development Project (JICA)
Components & Activities:	To restore and enhance ecosystem services in Gujarat by developing mangroves and coastal habitats, restoring grasslands, wetlands, and forests, managing human-wildlife conflict, and strengthening institutional frameworks and community development activities to promote alternate livelihood opportunities to JFMCs/EDCs thereby contributing to the resolution of socio-economic issues in the state.
Intended Beneficiaries:	Members of 1400 Self Help Groups from around 700 villages with JFMCs/EDCs falling in the project area are benefitted out of the project
Scale of Assistance:	Alternative livelihoods are provided by the Project to forest dependent people in around 700 villages through Community Development Funds, Revolving Funds and Cluster Development Funds (of around 30 crores) during the project to promote alternative livelihoods opportunities and thereby to ensure the cooperation and protection of ecosystems. Assistance is

	provided to produce quality and quantity products by the peoples' organization to fulfill the requirement of the markets through preparation of micro plans, capacity building training's, marketing with forward and backward linkages.
Implementing Agency	Forest Department
Funding Pattern (in%):	GoG: 100% Gol: Others:
Expected Outcome:	The intended outcomes through the project are: (1) Increase in Agriculture productivity behind coastal shelter belts (2) Increase in Productivity of grassland (3) Number of species and their population of biodiversity of wetland (4) Increase of vegetation cover (5) Increase of JFMC member's annual household income from Non-Timber Forest Products (NTFP) (6) Increase of JFMC and EDC member's annual household income from livelihood improvement activities Research activities under each component also assess the effects of ecosystems services in a coordinated manner with monitoring indicators.

Name of Scheme:	96-4406-01-796-12 Gujarat Forestry Development Project (JICA)
Components & Activities:	Major Works in Tribal areas.
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department
Funding Pattern (in%):	GoG: 100% Gol: Others:
Expected Outcome:	Protection, promotion, and conservation of wildlife food chains, along with preventing conflicts between humans and wildlife.

Name of Scheme:	Management and Development of Wildlife
Components & Activities:	Habitat improvement, rescue, preparation of fire line compensation for man death/injury & death of cattle's, Public awareness, development of gene pool etc.
Intended Beneficiaries:	1.Parapetwall around open well(in nos.) 2.Construction of Machan (In nos.) 3.Compensation for cutting out and removing whale sharks accidentally caught in nets set by fishermen for fishing in the sea.
Scale of Assistance:	1. 90% of 22510 or 90% of actual cost of open well 2.25% of 38428 of Machan 3. 50000 Compensation for cutting out and removing whale sharks accidentally caught in nets set by fishermen for fishing in the sea
Implementing Agency	.
Funding Pattern (in%):	GoG: 100% Gol: 0 % Others:
Expected Outcome	Work for management and development of 24 sanctuaries, 4 National Parks and 1 Conservation reserve has been undertaken. Total Protected area is 17367.57 sq.km. conservation, breeding, protection & habitat improvement works has undertaken.

Name of Scheme:	Management and Development of Wild Life
Components & Activities	Wildlife habitat improvement, rescue and conservation works. Public awareness.
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department
Funding Pattern (in%):	GoG: 100% Gol: Others:
Expected Outcome:	In tribal area of the state, there are 4 Sanctuaries and 1 national park and some portion of Balaram Ambaji & Jessore Sanctuary are included. conservation, breeding, protection & habitat improvement works has

	undertaken.
--	-------------

Name of Scheme:	Management and Development of Wild Life
Components & Activities:	Wildlife habitat improvement, rescue and conservation works. Asiatic Lion Conservation and Breeding Programme. Capital works and purchasing
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department
Funding Pattern (in%):	GoG: 100% Gol: Others:
Expected Outcome	The wildlife residing in the Protected areas are managed by providing adequate habitat and protection Measures works related to Protection and habitat improvement are undertaken.

Name of Scheme :	2406/26, FST 15 26-2406-01-005-01. Forest Research, Training, Publicity & Communication.			
Components & Activities	Trainin g Progra mme	Farmer Shibir	Nature Education Camp	Biodivers ity Plantatio n (Ha.)
Intended Beneficiaries :	5000 Persons	28000 Persons	41600 Persons	10 ha.
Scale of Assistance	100%	100%	100%	100%
Implementing Agency	Additional Principal Chief Conservator of Forests, Research & Training, Gujarat State, Gandhinagar			
Funding Pattern (In %)	GoG : 100% Gol : Other :			
Expected Outcome	Throughout the year Field staff such as Guard, Forester, Range forest officer, Assistant Conservator of Forest, Deputy Conservator of Forest Training programs of cadre officers as well as administrative staff such as clerk, accountant, head clerk, office superintendent			

	are organized. The training programs are conducted on 1, 2, and 3 days. In addition, a total of 800 Kisan Shibirs are organized throughout the state. These shibirs provide conservation of trees, information on planting, maintenance, conservation of wildlife, water conservation, etc. in these shibir. In addition, a total of 800 Nature Education Camps are organized throughout the state. A Nature Education Camp is organized in which a total of 50 students and 2 teachers of each school from different schools are organized. This Nature Education Camp is held for three days. Various activities are conducted in which children learn to care for trees, environment and wildlife. Efforts are also being made to increase the children's inner strength through activities like trekking, herbarium, environment awareness plays / poetry, campfire for the children of this night school. The response of which is very well received from different schools. In addition, biodiversity plantation is also done in 10 hectares under this scheme.
--	---

Name of Scheme :	2406/96, 03 FST 15 96-2406-01-796-03. Forest Research	
Components & Activities	Biodiversity Plantation (Ha.)	Training for Field Staff
Intended Beneficiaries :	10 ha.	3 Batch
Scale of Assistance	100%	100%
Implementing Agency	Additional Principal Chief Conservator of Forests, Research & Training, Gujarat State, Gandhinagar	
Funding Pattern (In %)	GoG : 100%	GoI : Other
Expected Outcome :	Maintaining biodiversity is an urgent need today. India is ranked among the first eight countries in terms of biological diversity. The	

	state of Gujarat, which has relatively less geographical area than most other states in the country, is rich in biological diversity. Plantation and maintenance work is undertaken to obtain knowledge of this diversity, richness and to conduct its related studies and survey work for the conservation of extinct species. In addition, six-month basic training of Guard and Forester assistants is organized at Rajpipla as well as Kakrapar and Dungarada under this scheme.
--	--

Name of Scheme :	4406/26, 26-4406-01-800-01. Forest Research
Components & Activities	Interpretation Centre
Intended Beneficiaries :	
Scale of Assistance	100%
Implementing Agency	Additional Principal Chief Conservator of Forests, Research & Training, Gujarat State, Gandhinagar
Funding Pattern (In %)	GoG : 100% GoI : Other : :
Expected Outcome :	The purpose of establishing the "National Level Interpretation Center" is to inform people about the forests and wildlife of Gujarat, raise awareness about conservation and development of forests and wildlife, and provide entertainment through the use of visual and audio tools. The activities include displaying various exhibits related to forests and wildlife, creating relevant documentary images, distributing literature related to forests and wildlife, making models of forests and wildlife, providing infrastructure facilities such as seating arrangements, drinking water, and refreshments, as well as periodic maintenance of the center, including cleaning, and setting up a reception counter at the Interpretation

	Center, among other related activities.
--	---

Name of Scheme :	4406/96, Capital, 01, 796, 04 FST 03, Scheme of Forest Research 96-4406-01-796-04
Components & Activities	Purchase of new vehicle: (1) Toyota Innova Crysta -01 (2)Volvo Bus (52 Seated) - 01
Intended Beneficiaries	NIL
Scale of Assistance	100% State
Implementing Agency	Additional Principal Chief Conservator of Forests, Research & Training, Gujarat State, Gandhinagar
Funding Pattern (In %)	GoG : 100% GoI : Other :
Expected Outcome	New Vehicles: Total – 02 (1) Volvo Bus (52-seater), Quantity – 01 As per the prescribed curriculum, newly appointed Assistant Conservators of Forests and Range Forest Officers are required to undertake all-India tours during their 18-month training period. Vehicles are therefore required for these officers during such tours. Hence, in place of the condemned Tata bus (52-seater), Vehicle No. GJ-22-G-5015, disposed of through e-auction by the office of the Gujarat Forest Rangers College, Rajpipla, there is a requirement for one (01) new Volvo bus (52-seater). The estimated cost of the same is Rs.1.00 crore. (2) Innova, Quantity – 01 As per the prescribed curriculum, newly appointed Assistant Conservators of Forests and Range Forest Officers are required to undertake all-India tours during their 18-month training period. Vehicles are therefore required for these officers during such tours. Accordingly, in place of the condemned government Sumo Grandi vehicle No. GJ-22-G-

	0105, disposed of through e-auction, there is a requirement for one (01) new Innova for the Principal, Gujarat Forest Rangers College, Rajpipla. The estimated cost of the same is Rs.0.25 crore.
--	---

Name of Scheme :	2406/26, FST 15 26-2406-01-005-01. Forest Research, Training, Publicity & Communication.
Components & Activities	Regarding hosting the 29th All India Forest Sports Competition in the State of Gujarat
Intended Beneficiaries :	4000 Sports Person
Scale of Assistance	100%
Implementing Agency	Additional Principal Chief Conservator of Forests, Research & Training, Gujarat State, Gandhinagar
Funding Pattern (In %)	GoG : 100% GoI : Other :
Expected Outcome :	Every year, the Ministry of Environment, Forest and Climate Change, Government of India, New Delhi organizes the “All India Forest Sports Meet (AIFSM)”, which is hosted by State Forest Departments in rotation. So far, 27 All India Forest Sports Meets have been successfully organized by various states. During the current financial year, the 28th All India Forest Sports Meet was organized by the Uttarakhand Forest Department at Dehradun from 12th to 16th November, 2025. The Gujarat Forest Department successfully hosted the All India Forest Sports Meet in 2008, and several other states have hosted this event two or even three times. Considering the progressive capacity, experience, and strong infrastructure of the state, the 29th All India Forest Sports Meet can be organized at Ahmedabad during the year 2026. During this event, approximately 4,000 players

	and unfit for habitation; therefore, there is a need for a new residential building. During the six-month training programme conducted at Kakarapar for newly appointed Foresters / Forest Guards, officers are required to remain continuously present at the training centre, making on-site residential accommodation essential. As the existing buildings are very old and in a dilapidated condition, officers are compelled to use private accommodation, which is located far from the training centres. Hence, there is a requirement of Rs.1.00 crore for the construction of one (01) E-R category bungalow having an area of 151 sq. m and above. (2) For the Assistant Conservator of Forests, Forest Science Training Centre, Kakarapar, there is a requirement of Rs.0.50 crore for the construction of one (01) E-category bungalow having an area of 80 to 120 sq. m. (3) For the Range Forest Officer, Forest Science Training Centres at Kakarapar and Dungarda, there is a requirement of Rs.1.00 crore for the construction of two (02) new government residential units, each of E-category with an area of 80 to 120 sq. m. (4) Regarding the establishment of a new training centre with modern facilities for Forest Department staff, namely the “Forest Skill Development Centre (FSDC)”: It is considered necessary to have such a training centre with a capacity of 100 to 150 trainees for the administrative and field staff and officers of the Gujarat State Forest Department in North Gujarat. The training centre must have suitable infrastructure for both trainees and visiting lecturers. Accordingly, there is a requirement of Rs.30.00 crore for establishing a new, state-of-the-art training centre with modern facilities, namely the “Forest Skill Development Centre (FSDC)”.
--	---

	surrendered during the year 2021-22, and in the subsequent years also, no demand was made as the process of land acquisition had not been completed. Therefore, the requirement was not reflected in the approved estimates for the year 2025-26. In this regard, an online application was submitted on the IORA portal for allotment of land, pursuant to which the Collector and District Magistrate, Valsad, allotted 2.2549 hectares of land bearing Survey No. 779 (new Survey No. 1912) situated at village Vankal for establishment of the Snake Research Institute. As the institute is a new initiative and land was not available earlier, it has so far been functioning from government quarters. Accordingly, for construction of the Snake Research Institute building on the said land at Survey No. 779 (new Survey No. 1912), village Vankal, an estimated expenditure of ₹11.69 crore (Rupees Eleven Crore Sixty-Nine Lakh only) will be incurred. However, during the year 2026-27, there is a requirement of ₹2.00 crore for execution of the first phase of the work.

Name of Scheme-	National Bamboo Mission Scheme (CSS)
Components & Activities	Nursery Development and Bamboo plantation on Govt. & Private lands
Intended Beneficiaries	Farmers and Gujarat Forest Department
Scale of Assistance	Plantation is done and maintained by Farmer and GFD provides guidance, quality seedlings and financial assistance on survival basis as per Govt approved rates.
Implementing Agency	Farmers with the facilitation of Gujarat Forest Department
Funding Pattern (In %)	GoG: 40% Gol : 60% Others: 0%
Expected Outcome	Tree Cover Increase on Non Forest Area and income to Farmers

Name of Scheme-	Agro Forestry Under RKVY CSS Scheme
Components & Activities	Nursery Development and plantation on Farm lands
Intended Beneficiaries	Farmers and Gujarat Forest Department
Scale of Assistance	Plantation is raised and maintained by Farmer and GFD provides guidance, quality seedlings and financial assistance on survival basis as per Govt approved rates.
Implementing Agency	Farmers with the facilitation of Gujarat Forest Department
Funding Pattern (In %)	GoG: 40% Gol : 60% Others: 0%
Expected Outcome	Tree Cover Increase on Non Forest Area and income to Farmers

Name of Scheme-	Vrux Kheti Yojana
Components & Activities	Raising of Seedlings and getting them planted on Farm land areas.
Intended Beneficiaries	Farmers
Scale of Assistance (if applicable)	Farm Land: Plantation raised and maintained by Farmer and GFD provided guidance, quality seedlings and financial assistance on survival basis as per Govt approved rates.
Implementing Agency	Farmers with the facilitation of GFD
Funding Pattern (In %)	GoG: 100% Gol : 0 % Others: 0%
Expected Outcome	Tree Cover Increase on Non Forest Area and income to Farmers

Name of Scheme-	Scheduled Castes Sub-Plan Scheme for Fruit Plantations
Components & Activities	Raising of seedlings, Plantation on Community lands in SC dominated villages including degraded farm lands and also extension activities for eliciting people's participation in tree raising
Intended Beneficiaries	Scheduled Caste communities and individuals

Scale of Assistance	100% for community assets and Rs. 2.20 per seedlings for Decentralized People's nursery.
Implementing Agency	Gujarat Forest Department
Funding Pattern (In %)	GoG: 100% Gol : 0 % Others: 0%
Expected Outcome	Income and employment generation to SC families and increase of tree cover outside forest area

Name of Scheme-	Gujarat Community Forestry Projects
Components & Activities	Raising of seedlings, Plantation on Govt and Community lands including degraded farm lands and also extension activities for facilitating people's participation in tree raising
Intended Beneficiaries	Taluka Panchayats, Village Panchayats and individuals associated with tree planting program.
Scale of Assistance (if applicable)	Plantation and extension activities are undertaken at Government cost
Implementing Agency	Gujarat Forest Department
Funding Pattern (In %)	GoG: 100% Gol : 0 % Others: 0%
Expected Outcome	Tree Cover Increase on Non Forest Area, Enhancement of income and employment opportunities and increase of forest produce availability to the people.

Name of Scheme:	Forest Conservation and Development
Components & Activities	Conservation & Protection
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department (Principal Chief Conservator of Forest & HoFF)
Funding Pattern (in %):	100% State Plan (GoG)
Expected Outcome	Forest protection and conservation in forest area

Name of Scheme:	Forest Protection
Components & Activities	Conservation & Protection
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department (Principal Chief Conservator of Forest & HoFF)
Funding Pattern (in %):	100% State Plan (GoG)
Expected Outcome	Forest protection and conservation in forest area

Name of Scheme:	Forest Protection
Components & Activities	Conservation & Protection
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Forest Department (Principal Chief Conservator of Forest & HoFF)
Funding Pattern (in %):	100% State Plan (GoG)
Expected Outcome	DGPS Survey & Demarcation

Name of Scheme:	Mahatma Gandhi National Rural Employment Guarantee Act.
Components & Activities	Wages, Office Exp. & Other Charges
Intended Beneficiaries:	-
Scale of Assistance:	As per Scheme guidelines
Implementing Agency	Forest
Funding Pattern (In%)	GoG: 100% GoI: ----- Others: -----

Expected Outcome	"The effective implementation of the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) and the achievement of its objectives as per the law are of significant importance. To fulfill these objectives and provide essential services, and with the aim of making data processing within the office faster and more regular, a proposal has been made for the following positions on a fixed-salary, contractual basis: System Analyst: 01 (One) Computer Operators: 10 (Ten) Peons: 02 (Two) Driver: 01 (One)"
------------------	--

Name of Scheme:	26 2406 02 800 01 FST 26, Grant-in-aid to Gujarat Ecological Education and Research (GEER) Foundation
Components & Activities	Maintenance of Director Office, Indroda Park, Wilderness Park & Hingolgadh Sanctuary and Purchase of two (2) new vehicles against the scrapped vehicle
Intended Beneficiaries:	NA
Scale of Assistance:	NA
Implementing Agency	Director, GEER Foundation, Gandhinagar.
Funding Pattern (In%)	GOG - 100%
Expected Outcome	Maintenance of Director Office, Indroda Park, Wilderness Park & Hingolgadh Sanctuary and Purchase of two (2) new vehicles against the (2) scrapped vehicle

Name of Scheme:	96 2406 02 796 06 Grant in aid to Statue of Unity Area Development and Tourism Governance Authority (New Item) Foundation
Components & Activities	Development of Forest Museum at Kevadiya
Intended Beneficiaries:	NA
Scale of Assistance:	NA
Implementing Agency	Director, GEER Foundation, Gandhinagar.

Funding Pattern (In %)	GOG - 100%
Expected Outcome	Development of Forest Museum at Kevadiya

Name of Scheme:	23 Gujarat Biodiversity Board
Components & Activities	Work related to B.M.C and P.B.R. in Local Bodies
Intended Beneficiaries:	State
Scale of Assistance:	NA
Implementing Agency	Gujarat Biodiversity Board, Gandhinagar
Funding Pattern (in %)	GoG:100% GoI Others
Expected Outcome	Work related to B.M.C and P.B.R. in Local Bodies and its publicity. The GBB is primarily responsible for the enhancement, conservation and sustainable use of biological diversity.

Name of Scheme:	Gujarat State CAMPA			
Components & Activities	As per Compensatory Afforestation Act-2016 and Compensatory Afforestation Rules-2018, works carried out for plantations, maintenance of old plantation, Protection of plantations and forests, soil and moisture conservation works in the forests.			
Intended Beneficiaries:				
Scale of Assistance:	100% State fund			
Implementing Agency	Deputy Conservator of Forest			
Funding Pattern (in %)	GoG:100%		GoI	Oth ers
Expected Outcome	Plantation and maintenance of old plantation	24684.43 (ha.)	-	-
	Artificial regeneration (Plantation and maintenance of old plantation)	28405.87 (ha.)	-	-

Name of Scheme	Forest management and Development (General) 4406/26
Component & Activities	Soil and moisture conservation and reforestation in forest areas. Soil and moisture conservation will be carried out and plantation will be done as per the different models
Intended Beneficiaries	The local villagers will be benefitted and they will get direct benefits like employment etc. and indirect benefits of forest
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions especially territorial
funding pattern	State plan
Expected Outcome	The activities will help in reducing soil erosion and regulate flow of water in the rivers and streams the plantations in desert area will act as the shelterbelts which will protect the land from soil and wind erosion. The activities will help in increasing forest cover of the state.

Name of Scheme	Forest management and Development (T.A.S.P.) 4406/96
Component & Activities	Soil and moisture conservation and reforestation in forest areas. Soil and moisture conservation will be carried out and plantation will be done as per the different models. Protection of bamboo flowering area for ensuring seed germination of forest floor. Transplanting of germinated plants in open/degraded area without bamboo.
Intended Beneficiaries	The local villagers will be benefitted and they will get direct benefits like employment etc. and indirect benefits of forest
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions especially territorial
funding pattern	State plan
Expected Outcome	The activities will help in reducing soil erosion and regulate flow of water in the rivers and streams the plantations in desert area will act as

	the shelterbelts which will protect the land from soil and wind erosion. The activities will help in increasing forest cover of the state. Bamboo will come up in non bamboo area. Bamboo plantation will help in improving forest cover in open/degraded area.
--	---

Name of Scheme	Grass Development Project (Banni Project) (General) 4406/26
Component & Activities	Fodder development activities will be carried out in degraded/open grassland by sowing seed and protection measures. The go downs will be constructed for proper storage of grass.
Intended Beneficiaries	The local villagers
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions
funding pattern	State Plan
Expected Outcome	Due to grassland improvement activities, the areas where the work is carried out will see improvement, resulting in increased productivity of grazing land. The grass collected and stored in warehouses will be made available for distribution to people during times of scarcity.

Name of Scheme	Dang Forest Management and Development (special area programme) (T.A.S.P.) 2575/96
Component & Activities	Special programme for Dang district. The seedlings of Teak, Khair and Bamboo will be planted. And Training to local tribal of Dangs for wood articles/furniture
Intended Beneficiaries	Local tribal of the Dangs district
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions of Dangs district
funding pattern	State Plan

Expected Outcome	The plantations will help in improving in forest cover. Moreover the productivity of the forest of Dang will be increased their by benefiting the local people. The local tribal will get trained for making wood furniture/articles and thereby increasing the scope of their income
------------------	---

Name of Scheme	Botanical Garden Waghai Development Project (T.A.S.P.) 2406/96
Component & Activities	Existing botanical garden will be maintained
Intended Beneficiaries	Local people, visitor and students
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest division - Dangs (South)
funding pattern	State level
Expected Outcome	Visitors and students will be benefitted by getting information of various species, their importance and need for protection. Local people will get employment.

Name of Scheme	Forest Management and Development (General) 2406/26
Component & Activities	The activities include the construction of the staff quarters, Division & Rang Office and maintenance of the quarters as well as roads passing through the forest areas.
Intended Beneficiaries	The staff of the forest department and local people
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest Department
funding pattern	100% state funding
Expected Outcome	The head quarters of the staff are in the interior areas of the forest. For ensuring forest protection and carrying out plantation works. The forest roads will useful for forest protection and carrying out plantation works.

Name of Scheme	Forest Management and Development (T.A.S.P.) 2406/96
Component & Activities	The activities include the construction of the staff quarters, Division & Rang Office and maintenance of the quarters as well as roads passing through the forest areas.
Intended Beneficiaries	The staff of the forest department and local people
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions
funding pattern	State plan
Expected Outcome	The head quarters of the staff are in the interior areas of the forest for ensuring forest protection and carrying out plantation works. The forest road will ensure forest protection and carrying out plantation works.

Name of Scheme	Grass Development Project (General) 2406/26
Component & Activities	Regular Daily Wagers Payments & Salary Expenditure
Intended Beneficiaries	
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions
funding pattern	State Plan
Expected Outcome	Regular Daily Wagers Payments & Salary Expenditure

Name of Scheme	Modernization of Timber Depot
Component & Activities	Maintenance and protection of timber depot roads and boundary.
Intended Beneficiaries	NA
Scale of Assistance (if applicable)	Na
Implementing Agency	Forest divisions

funding pattern	State Plan
Expected Outcome	The activities of this scheme protects timber depot against incidents like fire, thefts, etc. Transportation will also become easy. Also, helps to conduct auction easily.

Name of Scheme	Mangrove Plantation Scheme (General) 2406/26
Component & Activities	Mangrove plantation will be carried out in coastal area especially along the creek and mudflat areas
Intended Beneficiaries	Local villagers residing in coastal area
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions
funding pattern	State plan
Expected Outcome	The coastal area will be protected against the soil and wind erosion. The mangrove plantation will act as the shelterbelt in coastal areas. Mangrove plantation will help in protection of coral ecosystem which is very fragile.

Name of Scheme	Participatory Forest Management
Component & Activities	
Intended Beneficiaries	Local villagers residing in coastal area
Scale of Assistance (if applicable)	Mentioned in table
Implementing Agency	Forest divisions
funding pattern	100 % GOG
Expected Outcome	Protecting and rewarding forests through participatory forest management

Name of Scheme:	27 3435 03 033 01 3435-Ecology & Environment Sub Major Head : Environmental Research and Ecological Regeneration 02 EPC-1 Grant –in-Aid to (GEER Foundation). Minor Head: Environmental Education/Training Extension
Components & Activities	1) Environmental and Ecological Awareness Programme 2) Ecological Monitoring of Important Wetlands of Gujarat 3) Eco-related Activities in Coastal and Other Areas of Gujarat
Intended Beneficiaries:	NA
Scale of Assistance:	NA
Implementing Agency	Director, GEER Foundation, Gandhinagar.
Funding Pattern (In %)	GOG - 100% GOI - 0% Others - 0%
Expected Outcome :	Radio Programmes- Hariyalu Gujarat, Publication for environment awareness, Arranging Nature Education camps /seminars/shibirs/exposure tours for eminent groups such as Doctors, Advocates, Professors, Journalists, college youths, other stakeholders, Environment Information Center, Ecological Monitoring of Important Wetlands of Gujarat's works, Beach Development, GUIDE Maintenance and Mangrove Nature Trail works

Name of Scheme:	Demand No. 27 Major Head: 2215 Water Supply & Sanitation Sub Major Head: 02 Sewerage and Sanitation Minor Head: 106 Prevention of Air and Water pollution Sub Head: (03) EPC-17 Exchange of Waste Minimization and Cleaner Production
Components & Activities:	(Continue Items) 1. Cleaner Production Promotion in Industrial Estates of Gujarat 2. Gujarat Cleaner Production Award for the Year 2025-26

	3. Cleaner Production Promotion Programme in Academic Institutions 4. Interlinking of Academics, Industries and Government in Gujarat
Intended Beneficiaries:	(Continue Items) 1. Small, Medium and Large Scale Industries of 07 Industrial Estates of Gujarat State. 2. Participating industries from Small, Medium and Large Scale of Gujarat State. 3. 15 (Chemical & Environmental Engineering) and Environmental Science Colleges 4. Engineering (Chemical and Environment) and Environment Science Colleges Faculties & Students, Industries and State Government.
Scale of Assistance:	As Per Schematic Guideline
Implementing Agency :	Gujarat Cleaner Production Centre
Funding Pattern (In %)	100 % State Government (Grant)
Expected Outcome :	1. Cleaner Production implementation will reduce pollution generation in the industry 2. Reduction in Water & Energy consumption and reduction in wastewater and solid waste generation by implementing cleaner production tools which will overall reduce the carbon foot prints within the state. 3. Encouraging and Motivating students in research for pollution prevention and to work on implementation of the cleaner production/clean technology in the industries.

Name of Scheme:	EPC - 7, 27-2215-02-106-02 Gujarat Environment Management Institute's Activities
Components & Activities	Environmental Research Studies
Intended Beneficiaries	Society, Industrial Units, Government Organizations, Students, Private Organizations etc.
Scale of Assistance:	Nil
Implementing Agency	Gujarat Environment Management Institute (GEMI)

Funding Pattern (In %	100% State Government (Grant)
Expected Outcome :	Better Environment Management. Better Monitoring of environmental elements viz. Land, Water & Air.

GENERAL ADMINISTRATION DEPARTMENT

General Administration department consists of Personnel Division, Planning Division, Administrative Reforms and NRG Division & Office of the Chief Electoral Officer.

The Planning Division focuses on achieving the balanced and inclusive development by improving Human Development Index, ensuring inclusive growth by empowering the poor, the youth and the women through improved quality of life. Gujarat's development vision of Viksit Gujarat@2047 will be guided by continued emphasis on human development and inclusive growth, while aiming at sustainable high economic growth which is environmentally sustainable with harmonious and balanced development in agriculture, manufacturing and services sectors.

The Administrative Reforms and Training Division focuses on capacity building and training of government personnel to meet the needs of good governance and on promoting citizen centric governance. Administrative reforms including people's participation in development, use of technology for improving transparency and effectiveness of government programs would be the hallmark of this approach. The NRG division is dedicated to building partnerships with the Non-resident Gujaratis and facilitating their continuing bonds with the homeland. NRGs are facilitated to contribute to the development of the state. The Nonresidents Gujarati is encouraged to keep alive the Gujarati culture and spirit in their communities worldwide.

The Personnel Division strives to provide optimal human resources for the delivery of public services and ensure proper deployment of manpower as well as talent management for effective governance.

The conduct of elections is a critical element in the democratic governance. The Office of the Chief Electoral Officer is mandated to organize and ensure the conduct of free and fair elections to the office of the President, the Vice President, and for the Legislative Assembly and the Parliament.

Objectives

- To prepare Development Program in order to promote balanced and inclusive socio- economic development of the state.
- To ensure focus on improvement of Human Development, especially through research and analysis, programme implementation & regular monitoring of development programme.
- To provide reliable socio economic statistics in a timely manner to assist decision making within and outside the government.

- To create and sustain appropriate quality of human resources in Government for effective implementation of development programs and delivery of public services.
- To pursue and institutionalize reforms in administration and move towards the ideal of good governance.
- To develop Sportsmanship Spirit in Employees.
- To leverage the talent, resources and goodwill of the Gujarati Diaspora.

Strategies

- Strengthening the Human Resources management systems through appropriate policies and use of technology.
- Facilitating recruitment and career advancement in a fair and transparent manner to obtain the most optimal talent for government jobs.
- Carrying out activities regarding employee's welfare & sports activities.
- Strengthening of administrative reforms by effective training of personnel; dissemination of best practices; promotion of transparent and speedy service delivery and redressing of grievances.
- Promotion of speed, effectiveness and transparency in governance through implementation of Gujarat (Right of Citizen to Public Services) Act, 2013 and Right to Information Act, 2005.
- Promotion of innovation in development and governance by awarding best performing Collectors and District Development Officers.
- Increase understanding and application of Human Development approach in the policies and programs of the State, through training, surveys and documentation.
- Strengthen the availability of economic statistics in a timely and reliable manner for policy formulation and developmental decision-making.
- Monitoring, Evaluation and Impact Assessment of state developmental initiatives.
- Strengthen local development initiatives to meet the felt needs through decentralized approach to development decisions.
- Promotion of cultural, artistic and linguistic links with 'Non-resident Indians' (NRI) and 'Non-resident Gujaratis' (NRG).

Scheme:

Name of Scheme:	3454:02:001:01: Census, survey and statistics
Components & Activities:	Evaluation of schemes/programs implemented by government
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Directorate of Evaluation
Funding Pattern (in %):	GoG-100% GoI: - Others: -
Expected Outcome:	The main function of Directorate of Evaluation is to carry out the evaluation studies of various Developmental schemes/programs implemented by state government. • The proposals are made by implementing government department to General Administration Department (Planning) to carry out the evaluation of the schemes/programs. • The General Administration Department (Planning) select the schemes/programs to be evaluated and assigns to the Directorate of Evaluation. Evaluation studies of 10 schemes / programs would be completed in the Year 2025-26

Name of Scheme:	2225:02:796:34 Welfare of Scheduled Castes, Scheduled Tribes and other Backward Classes
Components &Activities:	Evaluation of schemes/programmes implemented by government
Intended Beneficiaries:	NA
Scale of Assistance :	NA
Implementing Agency:	Directorate of Evaluation
Funding Pattern (in %):	GoG-100% GoI: - Others: -

Expected Outcome:	The General Administration Department (Planning) selects the schemes/programs to be evaluated and assigns to the Directorate of Evaluation. Evaluation studies of 2 schemes/programs would be completed in the Year 2025-26
-------------------	---

Name of Scheme	PLM-4 3451-090-00-11 Creation of Cell for Gujarat Social Infrastructure Development Society
Components & Activities:	- Updation of TDP for 268 Taluka - The information of District Indicators Analysis (DIA) indicators will be updated on the Gujarat Integrated Statistical System (GISS) Portal (for all 34 District) - Monitoring SDGs Indicator for the schemes mapped with G-Swift Portal will be carried out. - District SDG Report will be prepared under SDGs Localization for all districts.
Intended Beneficiaries:	Entire State
Scale of Assistance :	As per rule
Implementing Agency:	Gujarat Social Infrastructure Development Society (GSIDS)
Funding Pattern (in %)	GoG: 100% GoI :0% Others: 0% 0%
Expected Outcomes:	- To update details of TDP for 268 Taluka - To update District Indicators Analysis (DIA) on Gujarat Integrated Statistical System (GISS) Portal (for all 34 Districts) - To achieve Sustainable Development Goals (SDGs-2030) in the state - District SDG Report will be prepared under SDGs - Localization based on which action plan will be prepared after gap analysis

Name of Scheme:	Design, Development/Customization, Integration/Data Migration and Maintenance of HRMS 2.0 system.
Components & Activities	Officers/employees' service book and service matters like leave, performance appraisal report, annual property report, leave travel concession, transfer , promotion, training etc. complete procedure will be available through Information and Communication Technology (ICT) assisted online "Karmyogi" Application of Human Resource Management System (HRMS) 2.0 scheme .
Intended Beneficiaries:	All India Services Officers under state and All officers/employees of state government
Scale of Assistance :	NA
Implementing Agency:	General Administration Department
Funding Pattern (in %):	GoG: 100 GoI: - Others: -
Expected Outcome:	Online Service book, administrative processes of service matters and Pay bill of officers/employees will make the processes accurate, fast, efficient, transparent and paperless. It will form an important part of the e-governance initiative of Govt.

Name of Scheme	Grant in Aid to SPIPA
Components & Activities:	With a view to provide effective training provide and maintain various facilities like vi-fi, computers and allied item, video conferencing purchasing & providing Books/Magazines, training calendars brochures and preparing various training modules etc. Also maintain classrooms and other training related facilities.
Intended Beneficiaries:	All trainees including officers and employees as well as UPSC students preparing for UPSC exam at SPIPA
Scale of Assistance :	Not applicable

Implementing Agency:	Sardar Patel Institute of Public Administration(SPIPA)
Funding Pattern (in %)	GoG- 100% GOI- 0% Other- 0%
Expected Outcomes:	13990Govt. officers and employees will get training during 2026-27 At UPSC Study Centre SPIPA 469 General Category student will get stipend /incentive

Name of Scheme	STT-2 Directorate of Economics& Statistics (Revenue)
Components & Activities:	To prepare Statistical Informative Publications
Intended Beneficiaries:	-
Scale of Assistance :	-
Implementing Agency:	Directorate of Economics& Statistics, Gandhinagar
Funding Pattern (in %)	GoG- 100% GOI- 0% Other- 0%
Expected Outcomes:	1.Various Publication published by this office provides statistical information to various government departments, committees, working groups and government created commission for the planning and development of economic policy in the state. 2.This publications are also be useful to planner policy makers, researchers, statistical academy and the general public at large.

Name of Scheme	DDP-1 Decentralized Planning for Balanced Development of District:-
Components & Activities	(1) Discretionary outlay:- Under this scheme, there are four different types of outlays like District Level Grant, District Administration's Grant (Collector's and DDO's Grant), Taluka Centric Approach and Grant for the Municipalities. District Planning Boards can approve schemes on 100% basis from the outlay of all these sub-components except District Administrative Grant (Collector's Grant). (2) Incentive outlay:- The Incentive outlay is an outlay involving a matching contribution of 50%, 25% or 10% from other sources, depending upon the backwardness of the taluka. (3) Geographically Backward Areas:- Apart from the Discretionary and Incentive Components, there is an exclusive component for seven Special Backward Areas, namely Panchal, Nalkantha, Bhal, Khakharia Tappa, Kharapat, Ghed, Ukai Project affected area which are spread over the boundaries of fifteen (15) districts. In this Geographical Backward Area Scheme works of Roads, Drainage, Plantation of trees, skill development schemes etc, are implemented as per the locally felt needs of the area.
Intended Beneficiaries	All the people of the State
Scale of Assistance	As per Scheme Guidelines
Implementing Agency	Panchayat Raj Institutions, Urban local Bodies and other Line Departments of Government
Funding Pattern (in %)	State Government

Expected Outcome	From the proposed provision of Rs.459.00 Crores of this schemes total 21101 number of works in the fields of rural area with purpose of Rural Roads, Rooms in Primary schools for Primary Education, Construction of buildings and compound walls of Primary Health centers / sub centers, Purchase of ambulance vans/ dead body vans for civil / government hospitals, New works of Rural Electrification, Construction of buildings and compound walls of anganwadis and works of Water Supply etc are projected to be undertaken in year 2026-27. This would help building durable community assets in 34 districts of the State and help populace to attain higher living standard.
------------------	---

Name of Scheme	DDP-5 Community Works of Local Importance (MLA Fund):
Components & Activities	A Component for Community Development Works of Local Importance to meet local needs as perceived by elected representatives from various Assembly Constituencies was introduced in 1989-90. Under this provision, community works of local importance such as rural roads, rooms for primary schools, provision of basic health care facilities, etc. can be taken up on the recommendations of the elected representatives of each Assembly Constituency. From the financial year 2025-26 Government has increased this amount from 1.50 crore to Rs.2.50 crore annual vide the G.R. dated 19/04/2025. An MLA can suggest works for his constituency in the tune of Rs. 2.50 crore per annum which are taken up after due sanction by the Collector of the concerned district. Whereas an MLA of municipal corporation area can suggest works for his constituency in the tune of Rs.2.50 crore per annum which are taken up after due sanction by the concerned municipal commissioner.
Intended Beneficiaries	All the people of the State

Scale of Assistance	As per Scheme Guidelines
Implementing Agency	Panchayat Raj Institutions, Urban local Bodies and other Line Departments
Funding Pattern (in %)	State Government
Expected Outcome	From the provision of Rs.489.00 Crores of this schemes community works of local importance such as rural roads, rooms for primary schools, provision of basic health care facilities, etc. are projected to be taken up on the recommendations of the elected representatives of each Assembly Constituency would be undertaken in year 2026-27. This would help building the community assets and upgrade living standard of citizens in 34 districts of the State.

Name of Scheme	DDP-6 Developing Taluka Scheme:-
Components & Activities	A Committee set up by the State Government had identified 30 Talukas as least developed talukas in the State in the year 2004-05. Accordingly, a perspective plan had been prepared for development of such talukas. The Government had also decided to provide special fund to these 30 talukas. Thereafter, after careful consideration, the State Government decided to add 11 more talukas based on various indicators of human development. In the financial year 2014-15, due to bifurcation of Districts/ Talukas, 7 new developing talukas were declared by the Government. In the financial year 2015-16, due to bifurcation of two Talukas of Tapi Districts 1 new developing taluka was declared by the Government in the year 2016-17. In the year 2017-18, a new Taluka of Singvad, created out of bifurcation of Limkheda Taluka of Dahod District, has been declared developing Taluka. Recently, Lakhni taluka of Banaskantha district declared as a 51th developing taluka. In the financial year 2025-26, due to bifurcation of Districts/ Talukas, 11 new developing talukas

	were declared by the Government. Thus, for the budget of the year 2026-27, provision of Rs.124.00 crore is proposed for total 62 developing talukas.
Intended Beneficiaries	Citizens of the developing talukas
Scale of Assistance	Rs. 2.00 crore per taluka
Implementing Agency	Panchayat Raj Institutions, Urban local Bodies and other Line Departments
Funding Pattern (in %)	State Government
Expected Outcome	From the provision of Rs.124.00 Crores of this schemes, works/projects for improvement of the taluka in health, nutrition, education, electrification, employment and other indicators where that particular taluka is deficient, are projected to be undertaken in year 2026-27. This would help building the community assets and improving the living standard of people in 62 developing talukas of the 18 districts of the State.

Name of Scheme	DDP-7 Celebration of National Festivals (i.e. Independence Day, Republic Day & Gujarat Sthapna Day) :-
Components & Activities	With a view to providing support the upliftment of HDI of the Districts, Talukas and Villages where the State level, District level and Taluka level programmes of National Festivals i.e. 15 th August(Independence Day), 26 th January(Republic Day) and also 1 st May (Gujarat Sthapna Day) are being celebrated, the State Government had introduced a new scheme from 15 th August, 2003. With the help of this scheme, State Government had decided to provide grants for developmental activities in Municipal Corporations, Municipalities and local areas under the districts.
Intended Beneficiaries	All the people of the State

Scale of Assistance	·Rs.2.50 crore for the development works of Municipalities to the Collector of the district where state level function is being organized. ·Rs.2.50 crore for the development works of rural areas to the District Development Officer of the district where state level function is being organized. ·Rs.2.50 crore for the development works of Municipal Corporation to the Municipal Commissioner in the district where state level function is being organized. ·Rs.25.00 Lakh for the taluka and Rs.5.00 Lakh for Village as decided by the Government, where the district level and taluka level functions respectively are being organized.
Implementing Agency	Panchayat Raj Institutions, Urban local Bodies and other Line Departments
Funding Pattern (in %)	State Government
Expected Outcome	From the provision of Rs.62.00 Crores of this schemes remarkable and development works like Road, drinking water, Sanitation, Health, Aanganwadi and school are probable to be undertaken in order to upgrade Human Development Index in year 2026-27. This would help building the community assets and improve the life quality in 34 districts of the State.

Name of Scheme	DDP-9 Aapno Taluko Vibrant Taluko-(ATVT):-
Components & Activities	In order to empower people to become a part of growth process, Government has initiated the concept of ATVT –a sub district citizen centric approach where governance and development are facilitated at the grass root level. Every taluka in Gujarat will be empowered to provide a local platform for growth and social development. It provides a new model of growth based on grass root planning and demands from the people rather than control of the government. Therefore

	“Aapno Taluko Vibrant Taluko - (ATVT)” is operational from the year 2011-12. This Scheme is implemented at the Taluka Level. The scheme would provide basic amenities at the village level viz., internal village roads, sewage disposal system, drinking water and solid waste disposal system, etc .
Intended Beneficiaries	All the people of the State
Scale of Assistance	As per Scheme Guidelines
Implementing Agency	Panchayat Raj Institutions, Urban local Bodies and other Line Departments

Health and Family Welfare Department

1. Public Health & Family Welfare:

Department of Health & Family Welfare, Government of Gujarat is responsible for creation of state wide network of health and medical care facilities to provide primary, secondary and tertiary Level health care at the door step of every citizen of Gujarat. The prime focus of services of department is BPL families, marginalized population and weaker sections in rural and urban areas along with appropriate actions to create adequate capacity building for medical and paramedical manpower in the state of Gujarat.

The Health Services are provided through a network of 9231 sub centers, 1549 Primary Health Centers and 355 Community Health Centers.

Objectives:

- The Department envisages to increase life expectancy and improve physical quality of life people of Gujarat, so that they attain the highest level of physical, mental and spiritual health and contribute towards the development of the State.
- The other objectives of the Department are to reduce the Maternal Mortality Ratio and Infant Mortality Rate, improve sex ratio, expand the reach of health services and make health care more affordable and accessible to the vulnerable population. The Department also aims to develop adequate human resources for health care and medical services and para-medical facilities. The Department also promotes cost effective healthcare through Indian systems of medical and homeopathy.
- The overall objective of the health sector is to ensure health and well-being for all ages. The Department gives special focus on inaccessible rural and tribal areas and on marginalized and vulnerable population. The Department also aims to improve quality of health services and medical services and increase availability of medical professionals in the state.

Strategies:

- Some of the strategies adopted by the Department in the field of maternal and child health are tracking of eligible couple, early registration of pregnant women, sex ratio monitoring, increase institutional deliveries and post -natal care and encouragement to adoption of family planning methods. The strategies for child health

care also include increase in immunization, screening for birth defects screening of all children in the age of 0 to 18 under school health, program for early detection and treatment, nutritional rehabilitation of malnourished children.

- The Department has also adopted schemes for providing cashless treatment for severe ailments, availability of generic drugs at affordable prices and free diagnostic facilities. The Department also focuses on control of communicable disease and waterborne diseases through disease surveillance and preventive action, identification and screening of non- communicable diseases. All strategies are aimed to reduce morbidity and improve life expectancy and quality of life.

2. Medical Services:

- The Medical Services are functioning in the State are rendering Secondary Health Care Services through 18 District Hospitals, 69 Sub District Hospitals, 4 Hospitals for Mental Health, 1 Hospital for Eye Diseases, 1-Infectious Diseases Hospital and 1 Police hospital, Shahibag.
- The State also houses 80 Hospitals & Dispensaries which are run by the NGOs as a Grant in Aid institutions as per norms prescribed.

3. Medical Education and Research:

Objectives:

- The objective of Medical Education & Research Programme is to develop appropriate man power for managing the tertiary health care services in the State and to train undergraduate and postgraduate medical and dental students, para medical personnel and to promote research activities in the medical field.

Strategies:

- Medical education contributes significantly to make available MBBS and specialists doctors to meet the demand of human resources in Govt. as well as private and corporate hospitals of the State.
- There are 6 Government Medical Colleges with a 1400 total graduate seats and 1467 postgraduate seats.
- There are 13 GMERS Medical Colleges, 01 AIIMS, 01 ESIC and 22 Self-financed Medical Colleges with 6125 total undergraduate seats and 2188 postgraduate seats.
- To diagnose diseases in the state, laboratory infrastructure has been established at hospitals under the Medical Education Department.

There is a plan to further develop this infrastructure and upgrade it to meet international quality standards.

- New Civil Hospital, Ahmedabad is being refurbished under Master Plan project. Renovations of other five teaching hospitals are going to be refurbished under Master Plan Project.
- The State Government declared new Health Policy- 2016 to provide incentives to Private, Semi Govt. or Autonomous Institutions established under law for establishment of new self-financed medical colleges (Green field and Brown field) with hospitals, equipped with high-end facilities.
- The State Government also provides the services of Non-Communicable Diseases like Renal, Cardiac and Cancer diseases etc.

4. AYUSH:

- The Directorate of AYUSH is performing the vital task of spreading education, intensive treatment, and public awareness in the fields of Ayurveda, Homeopathy, and Yoga within the State. Under this initiative, a vast network is currently operational, consisting of 5 Ayurvedic colleges, 42 Ayurvedic hospitals, 580 Ayurvedic dispensaries, 277 Homeopathic dispensaries, as well as 1 Homeopathic college and its affiliated hospital. These facilities promote treatment through AYUSH methods to provide quality healthcare services to the citizens of the State.

Objectives:

- The primary objective this Directorate is to build a healthy society by providing citizens with holistic treatment through various systems such as Ayurveda and Homeopathy. Special emphasis is placed on providing effective and complication-free treatment for diseases arising from modern lifestyles, such as high blood pressure and diabetes. Rather than just treating illnesses, it is aimed to protect people from diseases by boosting their immunity and promoting a healthy lifestyle in accordance with AYUSH principles.

Strategies:

- The Directorate of AYUSH, Gujarat State, is following a multi-pronged strategy to bring traditional medicine into the mainstream. This involves combining AYUSH services with the existing public health system and setting up dedicated 'Health and Wellness Centres' that focus on preventive care. This mission is supported by the ongoing modernization of government hospitals and the expansion of

educational institutions to build a skilled workforce. To ensure healthcare reaches everyone, initiatives like "AYUSH Gram" and "Dhanvantari Rath" mobile units are actively serving rural and remote areas.

- To ensure treatments are both safe and sustainable, the Directorate encourages the farming of medicinal plants through the Gujarat Medicinal Plants Board and maintains strict quality checks on medicines. Additionally, large-scale awareness events like "Arogya Melas" are organized to promote a more holistic approach to health and wellness across the entire state.

5. Food & Drug Control Administration:

- The Food and Drug Regulatory Authority is responsible for monitoring the quality of medicines manufactured and sold in the state. It also collects samples of food and medicines for testing to ensure that pure medicines and safe food are made available to the general public.
- This Department has also been implementing the Central Acts like Drugs & Cosmetics Act 1940 & rules thereunder, Drugs and Magic Remedies (Objectionable Advertisement) Act 1954, Drugs Price Control Order 2013, Food Safety and Standard Act 2006 and Cigarettes & Tobacco Products Act.

Objectives:

- Food and Drug Control Administration is control the manufacturing and selling the quality food and drugs in the state by testing the samples of food and drugs to provide quality drugs and food to the people of the State.

Strategies:

- The Department is having a NABL accredited laboratories for testing of food and drugs samples, so that the people of state get hygienic food and high quality drugs.

6. Employees State Insurance Scheme:

- E.S.I. Scheme functions as per the Parliamentary – ESI Act 1948. ESIS provides medical care to registered and eligible ESI beneficiaries.
- ESI beneficiaries can avail medical treatment from total 103-ESIS dispensaries, 7- E.S.I.S. hospitals and 4-E.S.I.C. hospitals functioning across the state.

Objectives:

- To provide complete medical care to the eligible insured person & their family members, in implemented areas of the scheme, as per rules laid down by E.S.I. Corporation, New Delhi.

Strategies:

- To achieve above objective, primary medical care is provided through full time dispensaries, part-time dispensaries, tie-up dispensaries and mobile dispensaries. Proposal to sanction new posts will be submitted to the Government in required cases.
- Secondary medical care is provided through 07 ESIS & 04 ESIC hospitals. Areas where own hospital is not possible, tie-up arrangement has been made.
- For tertiary care, E.S.I. Corporation has made tie-up arrangement with trust/ private hospitals & beneficiaries can avail “cash-less” treatment from there. To avoid delay in treatment due to financial constraint, provision to provide advance payment is made as continuous item.

Schemes

Name of Scheme:	Revised National Tuberculosis Control Program (RNTCP)
Components & Activities:	Diagnosis & Treatment services to the TB patients
Intended Beneficiaries:	TB patients
Scale of Assistance :	-
Implementing Agency:	Additional Director, Public Health
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome :	Early detection and treatment of TB patients, Reducing the death rate due to TB disease and To reduce the infection of TB

Name of Scheme:	National Vector Borne Disease Control Programme
Components & Activities:	Case detection, treatment and vector control
Intended Beneficiaries :	Patients with vector-borne diseases
Scale of Assistance :	-
Implementing Agency :	Additional Director, Public Health
Funding Pattern (%):	GoG: 100% GoI: 0% Others: 0%

-------------------	--

HOME DEPARTMENT

About Department

Home Department is the law enforcement agency for the state of Gujarat. The main objective of the department is to maintain internal security and also effectively maintain the law & order situation of the State. Important Heads of the Departments are Director General and Inspector General of Police, Forensic Science, Anti-corruption Bureau, Prohibition and Excise, Home Guards, Gram Rakshak, Civil Defense, Sainik Welfare and Gujarat State Police Housing Corporation.

OBJECTIVE OF THE DEPARTMENT:

- To effectively maintain the law and order of the State.
- To maintain the internal security of the State.
- To investigate, explore, detection & prosecution of the crimes.

STRATEGIES TO ACHIEVE ABOVE MENTIONED OBJECTIVES :

- Improving the skills of police men & police officers in crime investigation and scientific investigation by increasing the trainings, involving field experts, even from outside Department; to strengthen the cases & bring up the rate of conviction of violent crimes, crimes against women, children, SC/ST, economic crimes.
- Deployment of Intelligent & Integrated Traffic Management Systems (IITMS) in Major towns, cities & important National and State Highways including of initiatives like delinking the point of contact for identification of traffic rule violation from the point of contact penalizing the violator; through technologies like Automatic Number Plate Recognition.
- Smart city concept to include 'Safety and Security' aspects, by creating institutional framework for upgrading traditional policing modes to make the police – SMART (Strict and Sensitive, Modern and Mobile, Alert and Accountable, Reliable and Responsive, Techno Savvy and Trained) Police.
- Providing adequate infrastructure (like renovated police stations) and equipment support (transport vehicles, walkie-talkies etc.) as sanctioned and as required for each police station. An evaluation study to be organized for identifying the requirements.
- More initiatives to engage with the local public to be taken through use of social media, more frequent interactions and frequent awareness generation campaign such that the trust and faith of general public on

the law enforcement bodies can increase, public get aware of their rights and thus crime reporting rate can be improved.

Information and Broadcasting Department

Considering the current trends and concepts of public relations and publicity, the Information and Broadcasting Department of the state government plays an important role as a bilateral bridge between the government and the public. It facilitates dissemination of information about the implementation of government policies, programs, and schemes to the public through the systematic and meaningful use of various publicity and communication channels.

The Information and Broadcasting Department is actively engaged in the dissemination of information regarding public welfare schemes and various developmental initiatives through electronic, printed, audio-visual, social media and traditional media. The department undertakes activities such as releasing press notes along with photographs in newspapers, broadcasting programs on regional TV channels, Doordarshan and cinema halls as well as the state's FM Radio stations, Akashvani and issuing advertisements in newspapers. These efforts aimed to ensure that information reached the public and encouraged beneficiaries to take advantage of this initiatives.

Dissemination of information and publicity activities is being carried out during notification of state government policies, national- level programs, Gujarat Legislative Assembly session, and the visits of VIP and VVIP dignitaries including media coordination and video coverage of dignitaries.

Details of the success, effectiveness, and achievements of the State Government's development-oriented schemes are showcased through documentary films; the television series "Gujarat Gatha"; the series "Yashgatha Gujarat ni", which reflects development across various sectors of the State; and the series "Lokshahina Dhabkara", broadcast during the Gujarat Legislative Assembly sessions on various State channels. All these programmes are produced entirely in-house.

During various fairs and folk festivals held across the State, informative exhibitions are organized at respective places, traditional mediums of entertainment such as Dayra, Bhavai, and stage plays are conducted, through different publications, including posters, booklets,

efforts are made to keep citizens informed about the State Government's various welfare and beneficiary-oriented schemes.

The weekly publication "Gujarat Rojgar Samachar" provides information on employment opportunities, while the fortnightly magazine "Gujarat" reviews the State's development, resources, policies, programmes, and significant events. In addition, to keep informed citizens residing outside the State about the Government's multifaceted schemes and achievements, the quarterly magazine "The Gujarat" is published in English.

For the smooth dissemination and publicity of the activities being undertaken, various branches at the headquarters in Gandhinagar, along with Information Offices in all districts of the State, are operational. In addition, permanent exhibition centres are functioning at the pilgrimage site of Ambaji and the tourist destination of Saputara. Through these centres, citizens are made aware of the progress of the State's welfare-oriented schemes, as well as its culture and identity. Furthermore, through the Public Relations Office in Mumbai, citizens residing outside Gujarat are also kept informed about the State's development, art, and culture.

- Objectives:

To effectively communicate the State Government's decisions, policies, schemes, programmes, and initiatives aimed at public welfare to the people; to provide information in a manner that enables citizens to avail themselves of the benefits of various schemes; and to serve as a bridge between society and governance.

- Strategy:

Efforts are made to reach citizens across the State promptly and effectively by utilizing popular communication channels such as newspapers, publications, television, radio, and hoardings, as well as rural and traditional media such as Bhavai, puppet shows, and street plays. In the present era, social media is also used effectively to inform the wider public about the State Government's policies and public welfare initiatives.

Expected Outcome	Gujarat has taken a big leap in the industrial sector. But the policy of the Government is clear that works of development should not be undertaken in a manner hazardous to people or environment. Simultaneously, we make continuous efforts to set up industries on a large scale so that youth of Gujarat can get extensive opportunities of employment, while Gujarat is making concrete planning to modernize infrastructure of industrial sector. To set up deep-sea pipeline and ancillary infrastructure on PPP basis in the areas of Ahmedabad, Vadodara and Jetpur to release treated effluent waters of chemicals and Textile industries into deep sea. In order to continue this effort, Rs.175.00 crore is proposed as a continuous item in the budget Provision of upcoming Financial Year 2026-27.

Name of Scheme	Demand no :- 49 Major head :- 4875 industries Sub minor head:- 60 Other Ind Minor head :- 190 – Investment in public & other capital investment Sub head :- (05) Virtual Defence Cluster Object head :- 5400 C-6
-----------------------	---

Components & Activities	In the state of Gujarat, MSME industries manufacturing defense related parts in various districts as Rajkot, Anand, Vadodara, etc. Such MSME industries are providing their services to Central Government defense related agencies/offices like Defense Research & Development Organization (DRDO), Gujarat Technological University, CGCRI, ATIRA etc. are supplying the product. But due to unavailability of information, such MSME industries do not have access to the details of Defense related schemes of Gujarat Government. For this, there is a need to create a virtual Defense cluster, so that the details related to Defense products are available at one platform with government agencies/offices, for this, an online portal should be created with a cost of Rs.1.00 Crore, proposal as a new budget provision. The process for resolution of the scheme is in progress so Expenditure not been spent in the financial year 2026-27. financial year 2026-27 Rs. 0.01 crore is suggested as a Continue item
Intended Beneficiaries	MSME industries do not have access to the details of Defense related schemes of Gujarat Government. For this, there is a need to create a virtual Defense cluster, so that the details related to Defense products are available at one platform with government agencies/offices, for this, an online portal should be created with a cost of Rs.1.00 Crore, proposal as a new budget provision.
Implementing Agency	Industries Commissioner
Funding Pattern	GoG: 100%

------------------	---

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development (2852 80 800 23)
Components & Activities	To spread the concept of Entrepreneurship and provide full-fledged Entrepreneurship Development training to the aspirants who want to set up an industry on their own in rural and urban areas. The objective is to create "Job Giver, Not Job Seeker".
Intended Beneficiaries	Prospective /existing entrepreneurs (minimum age 18 years) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	3.91 Crore (3.50 for General EDP and 0.40 for Naroda Campus and 0.01 Token grant for Re-O)
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%

Expected Outcome :	10000 trainees/beneficiaries through Entrepreneurship Awareness Workshop (EAW), Entrepreneurship Development Program (EDP), Human Resource Development Program (HRD) and Second Generation Program (SGP) in the Year 2025-26. Also, CED would provide Post training/Hand holding cum mentoring support to serious candidates.
--------------------	---

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development, Women Entrepreneurship (2852 80 800 23)
Components & Activities	To spread the concept of Entrepreneurship and provide full-fledged Entrepreneurship Development training to the Women aspirants who want to set up an industry on their own in rural and urban areas.
Intended Beneficiaries	Prospective /existing entrepreneurs (minimum age 18 years) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	2.00 Crore
Implementing Agency:	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	The goal is to not only foster women entrepreneurs but also equip them with the technical and managerial skills needed to succeed in a rapidly evolving economy. By aligning with both state and central government objectives, we aim to create an ecosystem that nurtures women's participation in business, innovation, and leadership.

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development, Modernization of skill up-gradation centre (2852 80 800 23)
Components & Activities	Upgradation of Skill Centres
Intended Beneficiaries	Industries who required Skilled Labour
Scale of Assistance :	2.00 Crore
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	Through 42 Skill Up-gradation Centers (SUCs) which are function to develop skill set to fulfill the requirement of nearby Industry. The available equipment and Machinery are about 15 Years Old and the tools are analog. Looking to the current scenario and requirement of Industries. We need to upgrade the existing training facilities and require new equipment and machinery for emerging sectors for Skill Up-gradation Centers (SUCs) in terms of Tools, Equipment's and Machinery for hard skill as well as soft skill training.

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development, Green Manufacturing Entrepreneurship Development (2852 80 800 23)
Components & Activities	Promote Entrepreneurship with Environment Friendly Methods
Intended Beneficiaries	Prospective /existing entrepreneurs (minimum age 18 years) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	1.00 Crore

Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	CED is ready to lead a path set by honorable prime minister Shri Narendra Modi sir in Green practice entrepreneurship. The CED is going to collaborate for Green Entrepreneurship and initiatives with Gujarat Cleaner Production Centre (GCPC).Green Entrepreneurship: such as green hydrogen, cleaner production, zero water discharge, waste to energy, Plastic Waste Recycling, ethanol blending, solar, electric vehicle, wind energy, biogas etc.The CED has started working for Entrepreneurship Development in the above sectors.

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development, Mukhyamantri Internship Yojana (2852 80 800 23)
Components & Activities	Provide Bridge between Qualified Students and Industries
Intended Beneficiaries	Qualified Graduates
Scale of Assistance :	1.00 Crore
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	The scheme is open to young individuals aged between 21 and 24 years. This age range is chosen to focus on recent graduates and young adults who are at the beginning stages of their professional careers.CED propose to train 1000 youth through its various skill development centres and plan their internship in different companies with one year internship @ Rs.5000/- per month internship amount.

Name of Scheme:	IND-15, Industrial Self-Employment in Rural and Backward Areas (2852 80 800 01)
Components & Activities	Imparting training vide Entrepreneurship Development Program Module 2
Intended Beneficiaries	Prospective /existing entrepreneurs (minimum age 18 years) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	Rs. 0.50 Crore
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	CED plans to promote rural entrepreneurship in rural and backward areas through online/offline programs and train 430 prospective entrepreneurs by imparting them training vide Entrepreneurship Development Program Module 2

Name of Scheme:	IND-4, Assistance to Institutes for Industrial Development for Scheduled Caste, 3355 Other (G) Support (2852 80 003 01)
Components & Activities	Imparting training vide Entrepreneurship Development Program Module 2
Intended Beneficiaries	Beneficiary from Scheduled Caste category (minimum 18 years age) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	Rs. 0.25 Crore
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%

Expected Outcome :	To train 300 youth from Scheduled Caste category under our 15 days Entrepreneurship Development Programme.
--------------------	--

Name of Scheme:	IND-4, Assistance to Institute for Industrial Development Scheduled Tribe, Bhagwan birsa munda udyogshahasikata vikas (2852 80 796 04)
Components & Activities	Set up Tribal Development Centre at Aravalli,Valsad,Bharuch
Intended Beneficiaries	Beneficiary from Scheduled Tribe category (minimum 18 years age) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	Rs. 2.00 Crore
Implementing Agency	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	The CED has its own Skill Up-gradation Centre in a few districts. Now the CED will bifurcate 14 tribal districts into 4 zones i.e. zone 1 Arvalli district (Arvalli, sabarkantha, banaskantha, mahisagar), zone 2 dahod (dahod, Chhota udepur, namrada), zone 3 bharuch (bharuch, Surat, navsari), zone 4 Valsad (valsad, tapi, dang). In the above mentioned head quarters of tribal districts the infrastructure is ready. Where we may organize skill and EDP training programs for tribals.

Name of Scheme:	IND-4, Assistance to Institutes for Industrial Development for Scheduled Tribe, 3355 Other (G) Support (2852 80 796 04)
Components & Activities	Imparting training vide Entrepreneurship Development Program Module 2

Intended Beneficiaries	Beneficiary from Scheduled Tribe category (minimum 18 years age) who require training for entrepreneurship development (to be trained vide our online/offline training programs)
Scale of Assistance :	Rs. 0.73 Crore
Implementing Agency:	The Centre for Entrepreneurship Development (CED)
Funding Pattern (in %)	GoG : 100%
Expected Outcome :	To train 300 youth from Scheduled Tribe category under our 15 days Entrepreneurship Development Programme.

For this scheme provision of Rs.1.00 Cr is suggested for year 2026-27.
--	---

Name of Scheme	MSE CDP (49-2851 00 102 20)
Components & Activities	Cluster Development
Intended Beneficiaries	MSMES
Scale of Assistance	As per scheme
Implementing Agency:	MSME Commissionarate
Funding Pattern	GOG
Expected Outcome	The MSE-CDP scheme is being implemented by the Government of India. Given the current situation, the industrialists can avail benefits under this scheme so that the quality of production of the industrialists is maintained and the industrialists can stand in the international level of competition. Under this, as per the guidelines issued by the Government of India, the Government of Gujarat has to participate in this scheme in 20% in General Areas and 15% in Special Areas and Category. Under which Resolution has been issued by

	Gujarat Government on 14/02/2020. Rs 3.00 Cr. has been proposed for this scheme for the year 2026-27
--	--

Name of Scheme	128 Outsource employee manpower for MSME Commissionerate (49-2851 00 001 03)
Components & Activities	-
Intended Beneficiaries	MSME Commissionerate office
Scale of Assistance	-
Implementing Agency:	MSME Commissionerate
Funding Pattern	GOG 100%
Expected Outcome	A provision of Rs.4.50 Crores has been suggested for 128 Outsource posts sanctioned for the office of Commissioner MSME for the year 2026-27.

Name of Scheme	MSME Commissionerate office Standing Charges (49-2851 00 001 03)
Components & Activities	-
Intended Beneficiaries	MSME Commissionerate office
Scale of Assistance	-
Implementing Agency	MSME Commissionerate
Funding Pattern	GOG 100%

Expected Outcome	Considering all the miscellaneous requirements of MSME Commissioner's office such as new office light bills, telephone bills, stationery expenses, petrol and diesel expenses of office vehicles, office maintenance, office rent, office building equipment, hiring cars on rent and 106 regular posts related expences and all expenses related to MSME Advisory Board. A provision of Rs. 1.00 Crore is suggested for year 2026-27.
------------------	--

Name of Scheme	MSEF Council (49 2851 00 102 19)
Components & Activities	-
Intended Beneficiaries	MSMES
Scale of Assistance	As per scheme
Implementing Agency	MSME Commissionarate
Funding Pattern	GOG 100%
Expected Outcome	The MSME Samadhan web portal, launched by the Government of India, New Delhi, offers offline as well as online applications for late payments made to micro and small entrepreneurs. This MSEFC is chaired by the Commissioner MSME, as per the provisions of the MSMED Act, 2006 of Gujarat. This further development of the MSEFC includes the appointment of lawyers for cases filed in the Hon'ble High Court and Hon'ble Supreme Court by manpower, various stationery and various vendors as well as in cases filed against the Council's order in different States. A provision of Rs. 0.35 Crore for this scheme for the year 2026-27.

Name of Scheme	SME Help Desk (MSME Facilitation Desk) (49-2851 00 102 19)
Components & Activities	set up SME Help Desk (MSME Facilitation Desk) at Industries Commissionerate Gandhinagar and District Industries Centers

Intended Beneficiaries	MSMES
Scale of Assistance	No Scale
Implementing Agency	MSME Commissioner
Funding Pattern	GOG 100%
Expected Outcome	The investors seek guidance of industries department for setting up business. There is a need that the government, to increase share of MSME in foreign and domestic market, guide the prospective enterprenurs in the areas of market and opportunities available and assist them to know latest domestic and international marketing, trends and strategies, exhibition etc. To fulfill this aim, initially government set up SME Help Desk (MSME Facilitation Desk) at Industries Commissionerate Gandhinagar and District Industries Centers of four districts namely Surat, Vadodar, Ahmedabad and Rajkot. The Help Desk have four professionals at district level and two professionals as part of core team of IC office. This help desks (MSME Facilitation Desk) are guiding to the investors for financial tie-up, knowledge support for setting up of project as well as marketing support and also guide them to use various facilities/processes to be followed at Government Offices. Investment intensions/MoU follow up also be done by SME Help Desk in 11 districts now, and it will also assist MSME for speedy implementation of their projects. Moreover new SME Help Desk (MSME Facilitation Desk) may open at four or five District shortly. For existing HELP DESK (MSME Facilitation Desk) and new HELP DESK (MSME Facilitation Desk) expenditure for necessary infrastructure and obtaining manpower through reputed consultants a provision of Rs.0.01 Cr. has been proposed for this activity in financial year 2026-27.

Name of Scheme	Regional Council 49-2851 00 102 19
-----------------------	---

Components & Activities	-
Intended Beneficiaries	MSME Commissioner
Scale of Assistance	-
Implementing Agency	MSME Commissioner's Office, Gandhinagar
Funding Pattern	GOG 100%
Expected Outcome	According to the provisions of the MSMED Act, 2006 promulgated by the Government of India, it is necessary to form Regional Council in every state of India. In this regard, the Council has been constituted by the Government of Gujarat in the year 2007 on date.31/07/2007 and its vide Circular No. is : GU-2007(19)-SSI-102006-2384-CH and also 5 Regional Councils have been constituted by the Government of Gujarat in year 2023-24 on date.19/05/2023. and its vide Circular No. is : IMD/BEF/e-file/9/ 2023/ 0414/CH. A budget provision was made as a new item in the financial year: 2023-24 to meet the expenditure for the Regional Council in the above detail. Offline as well as online applications are filed by micro and small entrepreneurs for late payment due by them on MSME Reconciliation web portal launched by Government of India, New Delhi. Name of Scheme:	ind-43 50-2853-02-001-01 New posts for Technical and Administrative
Components & Activities :	Establishment
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	A token provision of Rs.0.01 Cr is proposed in the year 2026-27 for administrative and technical new posts.

Name of Scheme:	ind-43 50-2853-02-001-01 Major District Dividing
Components & Activities :	Major District Dividing
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Four districts have been divided by the Commissioner Geology and Minerals Office. A provision of Rs.0.01 Cr is suggested as a going concern for salary and house rent of District Office employees and office expenses.

Name of Scheme:	ind-43 50-2853-02-001-01 Modernization of district offices.
Components & Activities :	Modernization of District Offices.
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	provision of amount rs.0.50 Cr has been for the year 2026-27 for renovation of district offices with e-governance ,neat and cleanliness all district office f.s office and circle office.

Name of Scheme:	ind-43 50-2853-02-001-01 GIS based mineral Administration using VTMS,M-GOVERNANCE & GIS INTERFACE
Components & Activities :	Mineral administration using VTMS,M-Governance & gis interface
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Vehicle Tracking & Monitoring System, VTMS has been developed to track and monitor vehicles used in mining under ILMS for the purpose of tracking and monitoring GPS device based vehicles, A provision of Rs.4.00 crore

	has been kept for ILMS up gradation and purchase of hardware and software.
--	--

Name of Scheme:	ind-43 50-2853-02-001-01 Incentive scheme for informer
Components & Activities :	Informer illegal activity mineral for incentive scheme
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Provision of RS. 0.01 Cr has been token amount for Informer illegal activity mineral for incentive scheme

Name of Scheme:	ind-43 50-2853-02-001-01 To Participate in mineral congress, exhibition etc..
Components & Activities :	To participate in mineral congress, exhibition etc..
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat

Expected Outcome :	A provision of Rs.0.30 crore has been kept for the purpose of actively participating in trade fairs, mineral congresses and other exhibitions related to minerals held from time to time in the state and other states.
--------------------	---

Name of Scheme:	ind-43 50-2853-02-001-01 UNIFOM
Components & Activities :	Uniform for F.S
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Appeal and Flying Squad Gandhinagar and Flying Squad office visit important branches like Rajkot, Kutch-Bhuj, Surat, in all districts of the state for checking to prevent mining/carrying activities.in this account Additional Director, Deputy Director (Class-1) Assistant Director Class-2 (FS) Geologist (Class-1) Assistant Geologist (Class-2) Royalty Inspector (Class-3) Mines Supervisor (Class-3)) A provision of Rs.0.05 crore has been kept for purchasing uniforms for all these

Name of Scheme:	ind-43 50-2853-02-001-01,CHECK POST
Components & Activities :	Checking mineral vehicle through passing check post
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining

Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Total 8 (eight) Checkposts have been set up at Kutch, Chotaudepur, Devbhumi Drarka, Ahmedabad, Gandhinagar and Surat districts for checking vehicles carrying minerals. For which a provision of Rs.0.10 crore has been made.

Name of Scheme:	ind-43 50-2853-02-001-01, Mineral Related Policy
Components & Activities :	Policy
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt.of Gujarat
Expected Outcome :	A token provision of Rs.0.01 crore has been made for the incentive and infrastructure development of mining clusters and processing clusters in Gujarat, to increase the contribution to production and manufacturing in the mineral sector, and to increase the contribution of SGDP in the mining sector.

Name of Scheme:	ind-43 50-2853-02-001-01, EC Agency
Components & Activities :	EC Agency
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining

Funding Pattern (in%) :	Govt. of Gujarat
Expected Outcome :	According to the Ministry of Environment, Forest and Climate Change's circular 141 (a) and 3611 (a), preparation of district survey report is mandatory for (1) mineral deposits and (2) secondary minerals other than mineral deposits. Pursuant to which, the DSR of Sadireti Minerals by the District Offices of the Commissioner of Geology and Minerals. Necessary presentation / meeting to State Environment Authority (SEIAA) is done and approved by SEIAA. So that ordinary sandy minerals are easily EC by SEIAA. A provision of Rs.0.10 crore has been made for sanction.

Name of Scheme:	ind-43 50-2853-02-001-01 Technology, Instruments and Infrastructure for Mineral Administration and Prevention of Illegal Mining
Components & Activities :	Technology, Instruments and Infrastructure for Mineral Administration and Prevention of Illegal Mining
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	In order to prevent and modernize the necessary equipment for prevention of illegal activities, purchase of Instrument Measurement – Hand GPS, PTZ Camera, Pedometer and Command and Control Center: At the Commissioner of Geology and Mining Office monitoring of various IT projects, web-applications, software and operations implemented by the office and continuous monitoring of vehicles carrying minerals. And a provision of Rs.3.50 crore has been kept for the purchase of related hardware and software for the

	purpose of displaying and monitoring the information taken by the GIS software on the video wall
--	--

Name of Scheme:	ind-43 50-2853-02-001-01, STONE ARTISAN PARK
Components & Activities :	STONE ARTISAN PARK
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	STONE ARTISANS PARK TRAINING INSTITUTE State-of-the-art facilities by harnessing the vast potential in the stone craft industry to carry forward the valuable heritage of sculpture, fostering creativity through educational training and the pursuit of craftsmanship. And is an institute providing residential training focusing on technology based stone art courses and providing employment in the arts sector by expanding partnerships with industrial units. Under which a provision of Rs.6.81 crore has been made for the contingency expenses related to the salary allowance of the staff at the centers and the training of the trainees.

Name of Scheme:	ind-43 50-2853-02-001-01 Public domain
Components & Activities :	Public domain
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A

Name of Scheme:	ind- 43 50-2853-02-001-01, Infrastructure facilities in mineral areas.
Components & Activities :	Infrastructure facilities in mineral areas.
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	It is planned to create infrastructural facilities in the mineral rich areas of the district of the state under the cluster/block as well as in the lease area of existing leases. For which a provision of Rs.15.00 crore has been made

Name of Scheme:	ind- 43 50-2853-02-001-01, Royalty evasion.
Components & Activities :	Administration of GMRDS
Intended Beneficiaries :	N.A

Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	A provision of Rs.30.00 crore has been made for arresting royalty evasion, illegal mining, illegal transport of minerals etc by GMRDS the payment of 15% of the total amount of those cases.

Name of Scheme:	ind-43 50-2853-02-003-01, TRAINING FACILITIES
Components & Activities :	STAFF TRAINING
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	The office of the Commissioner of Geology and Minerals has to send the employees/officers of the department for training in different places related to administration/accounts/technical for skill development. For which a provision of Rs.0.04 crore has been kept.

Name of Scheme:	ind-43 50-2853-02-101-01, GUJARAT EXPLORATION PROJECT
Components & Activities :	Mineral exploration

Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in %) :	Govt. of Gujarat 100%
Expected Outcome :	The Mines and Minerals (Regulation and Development) Act-1957 has been amended since 2015 by the Central Government. In which it has been decided to auction up to G2 exploration in all mineral rich areas. Therefore, if the leases are to be allocated through auction, it becomes mandatory to carry out research up to G2. Therefore, a provision of Rs.5.00 crore has been kept for research and DGPS survey operations.

Name of Scheme:	ind-56 50-2853-02-101-01 EXPLORATION RIGS, ANCILLIARY ITEMS AND EXPLORATION SOFTWARES
Components & Activities :	EXPLORATION
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat
Expected Outcome :	A token provision of Rs.0.15 crore has been made for procurement of modern software for mineral exploration in the districts of Gujarat.

Name of Scheme:	ind-56 50-2853-02-101-01 Special Purpose Vehicle
Components & Activities :	SPV
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency:	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	It is proposed to set up a new SPV (Special purpose vehicle) company to accelerate the research and value addition process of Rare Earth. Gujarat Rare Earth Limited (GREL) or Rare Earth Corporation, will operate as Gujarat. The SPV will be a joint venture between the Government of Gujarat and the Gujarat Mineral Development Corporation (GMDC). In which GMDC and state government will have equal shareholding. For preliminary study of project, pilot project laboratory of mineral processing and mineral analysis and technological consultant in the provision of Rs 0.01 cr has been made for the year 2026-27.

Name of Scheme:	Ind - 43 50-2853-02-196-01 Grant In Aid To Local Bodies On Account Of Quarry Fees Credited To Govt.
Components & Activities :	Sand, Kankar And Graval Royalty Payment To District Panchayat
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A

Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	As per the Government Resolution of the Industries and Mines Department, Government of Gujarat, Gandhinagar dated 25.08.1994 (Resolution No. MCR-1088-2135(2)-Chh), and the Government Resolutions of the Panchayat, Rural Housing and Rural Development Department, Gandhinagar dated 15.09.2016 and 15.02.2018 (Resolution No. Parch/102016/224/J), provisions have been made for granting assistance from the royalty and dead rent revenue received from sand, gravel, and kankar (minor minerals). Out of the total revenue collected from these minerals, 5% is deducted towards administrative expenses and the remaining 95% is disbursed as grant, for which a budget provision of Rs. 200.00 crore has been made.

Name of Scheme:	imd-57 -mineral laboratory 50-4853-01-004-02 Equipment's, Consumable and Furniture for Laboratory
Components & Activities :	Equipment and Furniture For Laboratory
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	Mineral samples of KGCMF and GGCMF are analyzed at the laboratory under departmental, corporation, private and project. A provision of Rs.2.50 crore has been kept for purchasing equipment and furniture etc. for equipping the laboratory with modern sophisticated

	equipment and related furniture for the purpose of speedy and timely analysis.
--	--

Name of Scheme:	IMD-57 -mineral laboratory 50-4853-01-004-02 Core Library and Dedicated Lab for REE and Related Instruments
Components & Activities :	Core Library and Dedicated Lab for REE and Related Instruments
Intended Beneficiaries :	N.A
Scale of Assistance :	N.A
Implementing Agency :	Commissioner of Geology and Mining
Funding Pattern (in%) :	Govt. of Gujarat 100%
Expected Outcome :	The core library will preserve the cores drilled in the state of Gujarat and prevent future redrilling based on old core records. Also, with the use of this core sample, geologists and engineers will be able to understand more geological structures based on mineral deposits for which a provision of Rs.19.95 crore has been made for civil infrastructure, exterior development facility, interior and rare earth element analysis equipment.

Name of Scheme:	IND-12 95/2851/00/103 /10 National Handloom Development Program
Components & Activities	Under NHDP, 10% Marketing Incentive given bases on the average sales turnover of the last 3 years
Intended Beneficiaries:	Handloom weaver's Co.Op. Societies, Handloom Agencies, Federation, Apex Institution

Name of Scheme	CVL- 10 52-5053-60-101-02 Acquisition of Private Land
-----------------------	--

Components & Activities	Acquisition of Private Land
Intended Beneficiaries	Not Applicable
Scale of Assistance	Not Applicable
Implementing Agency	Director of Civil Aviation
Funding Pattern (in%)	GoG : 100%
Expected outcome	Creating better and sustainable infrastructure for regional connectivity and development aviation related skill manpower.

Labour, Skill Development & Employment Department

Labour & Employment Department takes care of all the aspects related to employment, training & labour. Registration of unemployed youth and providing them suitable job through mega job fairs and many other means according to their qualification & interest, is the primary function of employment wing. Training wing of this Department is keen and thoroughly equipped to provide qualitative vocational training through 771 Industrial training Institutes (ITI), 500 Kaushalya Vardhan Kendras (KVK), 37 centre of excellence etc. The labour laws are being implemented & different labour welfare measures taken by the labour wing and labour welfare divisions under this department. The department has the mandate to protect and safeguard the interests of workers especially those constituting the deprived and marginal classes of the society.

Objectives

- The main objective of the labor wing in the state is to provide industrial safety, peace and harmony without jeopardizing the interests of working force and special thrust is being given for the security, education & health of the unorganized, organized & construction sector workers in the state.
- To comply the labor Laws laid down by Central and state Government by Employers.
- To proceed towards progressive elimination of child labors.
- Reduce 'skill gap' across various industries through industry demand driven training
- Promote apprenticeship training at industries
- Maximize use of digital technology to simplify knowledge gaining, enhance outreach, promote transparency, spread awareness and facilitate convergence.
- Conduct 'Mega Job Fair' & Employment Fairs (Job Meals) like other employment drives through employment exchanges to improve employment in the state.

Strategies

- Welfare schemes for laborers: by providing medical aid, funeral assistance, death assistance, education assistance, pregnancy aid etc. to workers
- Regular Monitoring: To protect the interest of workers, officials would visit the industrial units for inspection of labor conditions.
- Registration drives: At work places of laborers like Kadianaka, registration drives would be performed in order to bring as many workers as possible under the umbrella of welfare schemes.

- Demand driven and employability centric training: Considering the response of the industries to the skill development activities in the state, the programs are designed to be more industry oriented. This will give a boost the development of highly employable human resource.
- Inclusive growth and development through encouraging diversity: It works towards improving the demographic dividend by inclusion of women and minority groups in the skilled pool through various schemes and provisions for empowerment through training and employment.
- Counselling for employment: DET aims to improve employment through career counselling through its network of Model Career Centers (MCC)
- Employment oriented drives: Industry collaboration for employment generation through Job Meals & Mega Job fairs.

Schemes

Name of Scheme:	"EMP.1- "Craftsman Training Scheme" (57) 2230 03 101 01 (517876) (95) 2230 03 101 01 (137876) (96) 2230 03 796 01 (127876) EMP.1- "Craftsman Training Scheme COASTAL AREA DEVELOPMENT SCHEME (57) 2230 03 101 03 (517876)
Components & Activities	Vocational training imparted in Government Industrial Training Institute to candidates.
Intended Beneficiaries	177828
Scale of Assistance	Not applicable.
Implementing Agency	Directorate of Employment and Training, Gandhinagar

Assistance of a total of Rs. 30,000 (Rs 5000 per month for 6 months: 3 months before delivery and 3 months after delivery) which is a total assistance of Rs. 37500 to a registered female construction worker and assistance of Rs.6000/- to the wife of a registered construction worker as specified in the Model welfare guidelines of Supreme Court.
------------------	---

Name of Scheme:	ASSISTANCE FOR OCCUPATIONAL DISEASES
Components & Activities:	To given financial assistance for 15 types of occupational disease and various 23 types of injuries to the registered construction worker.
Intended Beneficiaries:	Registered Construction Worker
Scale of Assistance:	Rs.1500-3000 Per Month up to Rs.3,00,000
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG: 100% GoI: 0% Others: 0%
Expected Outcome	(1) For the Relief of Financial Condition of Registered Construction Worker (2) Registered construction worker having occupational disease and 23 various type of injuries. When the registered construction worker having 90% of Disability who has been given Rs.3000/- per month Assistance up to Rs.3,00,000 and if the Registered construction worker having disability that have been given Rs.1500/- per month Assistance up to Rs.3,00,000

Name of Scheme:	SMART CARD/IDENTITY CARD
Components & Activities:	To provide Smart Card to the Construction Worker

Intended Beneficiaries:	The Person who Work in the Construction Industry
Scale of Assistance:	Smart Card have been given
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	To provide identification to the Construction workers.

Name of Scheme:	Dhanvantari Aarogya Rath
Components & Activities:	First aid
Intended Beneficiaries:	Construction workers
Scale of Assistance:	First aid
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	Unorganized construction workers of the state are working hard on various construction sites and work hard, so it is natural for them to have physical injuries, life threats. Dhanvanthi Aarogya Rath Yojana has been implemented for the purpose of providing primary health check-up at Construction Sites/Kadiyanakas/ and Construction Worker Colonies, In Dhanvantari Aarogya Rath the Health check-up of diseases including common diseases like fever, diarrhoea, vomiting, skin diseases, and laboratory investigations like urine, blood, blood sugar, malaria, and also providing Primary Health Check-up to the pregnant women during her pregnancy.

Name of Scheme:	SHRAMIK ANNPURNA YOJANA
Components & Activities:	Provide Healthy and Nutritious food at nominal rate of Rs.5/- at various kadiyanakas.
Intended Beneficiaries:	Registered Construction Worker and FAMILY MEMBER
Scale of Assistance:	Provide Healthy and Nutritious food at nominal rate of Rs.5/-

Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	Construction workers residing in various districts of the state predominantly belong to rural areas. Owing to the absence of major industries in these districts, adequate employment opportunities are not available at the local (district) level. Consequently, a large number of workers migrate from rural areas to major cities to seek employment in the construction sector. These workers assemble at designated labor pickup points (Kadiyanaka) in urban areas early in the morning in search of daily employment. Due to the early hours, they are required to prepare food at dawn, and in many instances, they consume minimal food or depend solely on light refreshments at the pickup points to sustain themselves throughout the day. As a result, they are deprived of adequate and nutritious meals. Provision of wholesome (satvik) meals at subsidized rates at these labor pickup points during morning hours would contribute significantly to the health and well-being of the workers. Accordingly, it is proposed to implement a scheme for providing subsidized satvik meals at labor pickup points.

Name of Scheme:	NEW HOSTEL SCHEME FOR THE CHILDREN OF CONSTRUCTION WORKERS
Components & Activities:	Hostel for children of migrant construction workers in migrant districts
Intended Beneficiaries:	Children of registered construction workers
Scale of Assistance:	Provision of hostels for children of migrant construction workers
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%

Expected Outcome	• The benefit of this scheme will be available to the children of the construction worker after registering with the BOCW board as a construction worker. • There is no provision for construction of new buildings but minor renovations are allowed in existing structures. • In this scheme, only women have to be hired as child care workers and men can be hired as security guards and night watchmen. • In this scheme, it will be the responsibility of the Bal Sevika to provide the children with milk in the morning, breakfast, evening meal and even on holidays (if there is no mid-day meal) and to see that the children take mid-day meal on the current school day.
------------------	---

Name of Scheme:	SKILL & DEVELOPMENT
Components & Activities:	To Provide Skill and Development Training
Intended Beneficiaries:	REGISTERED CONSTRUCTION WORKERS
Scale of Assistance:	Rs.342/- As a Stipend
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	While construction workers build houses according to their occupation, most of the workers cannot get any skill training due to lack of financial facilities or awareness. It is planned to implement the scheme in order to enhance the skills of the workers according to their profession and to make them socially / economically viable by becoming skilled craftsmen

Name of Scheme:	Parivahan Yojna For Construction Workers
Components & Activities:	To provide Bus Passes 80% charge will be paid by Board.
Intended Beneficiaries:	Registered Construction Worker
Scale of Assistance:	Bus Passes 80% charge will be paid by Board
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board

Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	The registered workers in all districts, traveling to the place of work (Kadiyanaka) from their houses, in such cases they didn't get work and had to come back to their houses. In this case, they have to bare expanse of traveling. So that by this scheme, they will get relive from the bare of expansion of transportation. In this scheme 20% charge will be paid by beneficiary. By using maximum public transportation, the traffic issues will possibly decrease.

Name of Scheme:	Housing Subsidy Yojna For Construction Workers
Components & Activities:	To provide financial assistance to construction workers registered with the Board for purchase of their houses
Intended Beneficiaries:	Registered construction worker
Scale of Assistance:	Rs.1,50,000/-
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	Under the "Housing Subsidy" scheme, a total assistance of Rs.1,50,000/- per beneficiary for five years will be provided subject to conditions. Construction workers who have taken a maximum loan of up to Rs.15 lakh to purchase their house, are given assistance of Rs.30,000/- per year out of five years. The assistance will be credited to the beneficiary's loan account through DBT.

Name of Scheme:	GO GREEN YOJANA
Components & Activities:	To provide Electric two wheeler subsidy to the Construction Worker
Intended Beneficiaries:	Registered Construction Worker
Scale of Assistance:	Registered construction workers will be entitled to One Time Subsidy of Rs. 30,000/- or 50% of the cost of vehicle, whichever is less.

Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	In sync with the Green India Mission and with the vision of promoting electric vehicles and reducing the fuel cost burden for construction workers. Go Green electric two wheeler scheme was launched where 50% of the cost of vehicle or Rs.30,000/- whichever is less was given as subsidy to the construction workers in addition to RTO Registration Tax and Road Tax.

Name of Scheme:	Scheme of financial assistance for "coaching of special studies" of children of construction workers
Components & Activities:	The coaching class scheme is implemented to provide coaching facilities to the children of construction workers for higher education as well as preparation for various competitive examinations for the job so that they can pass the examinations with good merit.
Intended Beneficiaries:	Registered Construction Worker Children
Scale of Assistance:	Registered construction workers children will be entitled to coaching fee, Registration Fee as per Government Universities.
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	The coaching class scheme is implemented to provide coaching facilities to the children of construction workers for higher education as well as preparation for various competitive examinations for the job so that they can pass the examinations with good merit

Name of Scheme:	Medical Check-up Camp" scheme for construction workers
Components & Activities:	Construction workers registered in the board are subjected to 17 types of medical tests like ECG, X-RAY and timely diagnosis as part of preventive measures.
Intended Beneficiaries:	A construction worker registered with the board
Scale of Assistance:	Preventive health check-up for workers, with a view to initiate appropriate treatment/health rehabilitation measures, this health check-up will be regularly recommended to every individual to detect any disease in its early stages. It includes routine doctors, pathology, radiology and cardiology check-ups. In which per beneficiary will be paid within the limit of Rs.3000/-
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG: 100% GoI: 0% Others: 0%
Expected Outcome	The unorganized construction workers of the state are engaged in physical labor and hard work at various construction sites, so it is natural for them to be at risk of physical injuries and life. Due to hard work and sometimes inhospitable environment, they are seen to suffer from various diseases so that a complete physical examination of the construction workers can diagnose the possible diseases and get them treated. In a complete medical check-up plan, the construction worker will undergo various tests and be diagnosed and after the diagnosis he/she will be informed about the treatment. Under Ayushman Bharat Yojana empanelled hospitals will be tendered by Shram Yogi Kalyan Board and district-wise empanelment of hospitals will be done and health check-up of unorganized Shram Yogis in the construction sector will be done.

Name of Scheme:	Mukhyamantri Bhagyalakshmi Bond Scheme for registered construction workers
Components & Activities:	The Bhagyalakshmi Bond Scheme has been implemented with the objective of "Beti Bachao Beti Padhao" to prevent female foeticide and to meet the education and marriage expenses of the daughter of a construction worker.
Intended Beneficiaries:	1500
Scale of Assistance:	25000/- Per Beneficiary
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	A bond of Rs.25000/- is currently placed in the name of one daughter of a construction worker engaged in construction business and registered with Gujarat Building and Other Construction Workers Welfare Board for a period of 18 years Can be withdrawn upon completion of age.

Name of Scheme:	Skill Upgradation Training for Construction Workers through Skill University
Components & Activities:	Skill Upgradation Training for Construction Workers through Skill University
Intended Beneficiaries:	15000
Scale of Assistance:	Rs. 50000
Implementing Agency	Kaushalya The Skill University
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	The objective of the Gujarat Building and Other Construction Workers Welfare Board is to upskill and reskill the registered construction workers and their dependents with the current and future skills of the construction sector (Construction Technology Skills) to make them more skilled craftsmen and to increase their skill level and efficiency and compete in the market, thereby increasing their source of income.

Name of Scheme:	"Pradhan Mantri Jeevan Jyoti Bima" scheme for construction workers
Components & Activities:	The annual premium of Rs.436 paid by the registered construction workers will be reimbursed by the Board into the worker's bank account."
Intended Beneficiaries:	Registered Labour 2000
Scale of Assistance:	Under the PMJJBY scheme, each beneficiary receives assistance of Rs.436 per year."
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	It is intended to provide an insurance cover of Rs/- 2(two) lakhs at a premium of Rs.436/- per month or 100% of the premium amount to the registered construction workers engaged under this scheme. So that in case of natural death, his family will get financial assistance of Rs 2 lakh. So Rs 330/- of the insurance premium will be reimbursed and the assistance will be deposited in the beneficiary's bank account through DBT.

Name of Scheme:	Pradhan Mantri Jan Aarogay Yojana
Components & Activities:	Registered construction workers and their family members (Gujarat and outside workers) excluding income limit
Intended Beneficiaries:	-
Scale of Assistance:	-
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	Registered construction workers and their family members (Gujarat and outside workers) are eligible to receive all the services available under the PMJAY scheme under the said scheme except for the income limit.

Name of Scheme:	"Kushal Shramik Sahay Yojana"
Components & Activities:	The fees paid by registered construction workers studying at Kausalya The University and its affiliated institutions will be reimbursed to them and their children.
Intended Beneficiaries:	40
Scale of Assistance:	100% of the fee paid will be refunded.
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	If a construction worker's child gets admission in various courses offered by a university or an institution affiliated with it, the entire fee amount will be reimbursed to the construction worker. There is a plan to reimburse the full fee The subsidy will be deposited in the beneficiary's bank account through DBT.

Name of Scheme:	Shramik Basera Scheme
Components & Activities:	Providing accommodation on rent in temporary prefabricated housing with basic amenities.
Intended Beneficiaries:	Registered construction workers and their families.
Scale of Assistance:	Provide working accommodation.
Implementing Agency	Gujarat Building and Other Construction Workers Welfare Board
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	To provide accommodation to registered construction workers in temporary prefabricated housing with basic amenities that can be dismantled in areas of their residential density (other than construction sites) on rent.

Name of Scheme	L.B.R. 10 -Safety Cell for Prevention of Accidents. (57-2230-01-102-01)
Component & Activities	Survey, Research & Training Activities by Industrial Hygiene Laboratory (Safety Cell for Prevention of Accidents).
Intended Beneficiaries	Industrial Workers
Scale of Assistance	Not Applicable
Implementing Agency	Director, Industrial Safety & Health ,Ahmedabad
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	The establishment of Directorate Industrial Safety & Health works under this Scheme. The main function of this Scheme is to apply the remedial measures for prevention of accidents in the factories & to monitor the compliance of safety , health & welfare measures in the factory according to factory Acts & Rules under Section 41 1 (F). To Check up the TLV Level. To survey, resect & to give Training. For this purpose The Hygiene Laboratory works under this Scheme. Physical Targets are not prescribed under this Scheme.

Name of Scheme	L.B.R. 12 -Strengthening of Chief Inspectorate of Factories. (57-2230-01-102-03)
Component & Activities	To implement Factories Act and rules made there under. To issue Licence .To implement the provision of health, safety.
Intended Beneficiaries	Industrial Workers
Scale of Assistance	Not Applicable
Implementing Agency	Director, Industrial Safety & Health ,Ahmedabad
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%

Expected Outcome	Main Function of the establishment under Director Industrial Safety & Health is to implement Factories Act and the rules made there under. Registration of factories, to issue licence and to implement the provision of health, safety, working hours, leave with wages, weekly holidays and safety provisions for hazardous process industries.
------------------	---

Name of Scheme	L.B.R. 23 -A Scheme of Shram Awards. (57-2230-01-800-02)
Component & Activities	In this Scheme to give 16 Awards to the workers every year.
Intended Beneficiaries	Industrial Workers.
Scale of Assistance	Not Applicable
Implementing Agency	Director, Industrial Safety & Health, Ahmedabad.
Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	The Government of Gujarat is awarding 16 different State Shram Awards every year in each of four regions (Ahmedabad, Vadodara, Surat and Rajkot) to the workers who have performed outstanding work in the field of increasing production productivity, maintaining industrial peace, saving of lives and property in case of emergency using appropriate and intelligent reflex and quick actions.

Name of Scheme	Shramyogi Nivasi Shikshan Sahay Yojana
Component & Activities	"For children of registered construction workers studying in residential schools, there is a provision to reimburse 100% of the fees or up to Rs1,00,000 per child, whichever is lower."
Intended Beneficiaries	-
Scale of Assistance	There is a provision to reimburse 100% of the fees or up to Rs.1,00,000, whichever is lower.
Implementing Agency	Gujarat Makan and any Bandhkam Sharmyogi Kalyan Board

Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome	"Migrant construction workers can provide the benefit of residential education to their children. This assistance will be available only for children of construction workers who are studying or have secured admission in classes 1 to 12 in a government/residential school recognized by the Gujarat Education Board/Central Education Board, or in a private residential school recognized by the board or a grant-in-aid residential school. Per child, the assistance amount will be the lesser of Rs1,00,000 or the actual fees paid, and it will be reimbursed via DBT to the registered construction worker's or the respective child's bank account.

LEGAL DEPARTMENT

Gujarat is a goal oriented State and to strive for securing the welfare of its people. Independence of the judiciary is one of the basic features of our the Constitution. The Legal Department focuses on providing infrastructure and manpower for smooth, efficient and effective functioning of the justice delivery system and to ensure a conducive infrastructure and suitable work environment. The development of Court Infrastructure includes construction of Residential buildings of Judiciary and staff of Courts which will benefit in accommodation of Government housing facilities to Judicial Officers of subordinate courts in the district and taluka places resulting in better and nearer premises that will aid giving faster justice.

The Office of Charity Commissioner is responsible for implementing the Public Trusts Act. The Offices of the Government Pleader is mandated to represent Government in Judicial matters and provide legal advice. The Legal Services Authority is set up to facilitate free and concessional legal services to the poor and needy.

Objectives

- To uphold the Rule of Law and Constitutional provisions by providing sound legal advice and assistance to Government;
- To enhance Access to Justice by providing free legal aid and to render justice at the doorstep;
- To develop adequate and appropriate court infrastructure including residential buildings of judiciary and staff of court.

Strategies

- Facilitate the completion of new works of courts building and residential building in a timely manner.
- Facilitate the filling up of the vacant posts in the judiciary, legal services and charity commissioner.
- To harness the information technology for modernizing the justice delivery system.

Scheme

Name of Scheme:	Judicial Infrastructure
Components & Activities :	Judicial Buildings And Judicial Judges Quarters
Intended Beneficiaries:	High Court Of Gujarat And Lower Judiciary
Scale of Assistance :	Central:60% State:40%
Implementing Agency:	Road And Building Department
Funding Pattern (in %):	GoG-40% GoI: 60% Others: 0%
Expected Outcome:	As per the recommendation of the Gujarat High Court, the establishment of court building infrastructure and quarters for judicial officers and staff members of the court.

Narmada, Water Resources, Water Supply and Kalpsar Department

Sardar Sarovar Project

Sardar Sarovar Project (SSP), an Inter-State Multi-purpose Project benefitting four States namely Gujarat, Madhya Pradesh, Maharashtra and Rajasthan aims annual irrigation to 17.92 lakh hectares in Gujarat. The Project has 458 Km. long Main Canal having capacity of 40,000 cusecs in beginning and 2500 cusecs at the end i.e. Gujarat-Rajasthan Border. The project has canal network of estimated length of 69,829 Km. for distribution of water for Irrigation. The Project aims to provide drinking water to 11,951 villages and 199 urban centres in Gujarat. The Project has two hydro powerhouses (River bed powerhouse and Canal Head Powerhouse) having total installed capacity of 1450 MW. The cumulative expenditure incurred up to Sept-2025 is Rs. 86272.21 Crore.

Objective of Project

- To establish the SSP Infrastructure (Dam, Power Houses and Canal network) as a highly efficient system for harnessing untapped waters of the Narmada for Survival of millions of people and environmentally sound sustainable development of Gujarat by providing the essence of Life – Water and Energy.
- To contribute in improving the quality of life of the beneficiaries by enhancing their standard of living through supply of safe and reliable water and eco-friendly energy.

Strategy Adopted

- To complete all the remaining works of the Project infrastructure development at the earliest
- To complete the canal network and thereby create remaining Irrigation Potential.
- To upkeep the huge created infrastructure by regular/periodic maintenance and establish it as a dependable source of water and energy.
- To operate the vast canal network to distribute Narmada water safely, reliably, equitably and efficiently.
- To help increase the income of the beneficiary farmers' through participatory water management by supplying irrigation water,

reliably and efficiently with inherent flexibility in the system to meet the in-seasonal variations.

- To achieve the goal of minimization of water consumption and water losses and increase in water use efficiency through participatory approach - participation of Water Users' Associations in the Rotational Water Supply (RWS) operation of minors and sub-minor canals (weekly ON/OFF) and volumetric assessment.

Kalpsar Prabhag

The Gulf of Khambhat Development Scheme (Kalpsar) is mainly divided into two parts:

- Includes the work of constructing the Kalpsar Dam.
- Build barrage on the Narmada River at Bhadbhut then divert Narmada water through a canal into future Kalpsar reservoir.

Kalpasar Project

- It is envisaged to construct a multi-purpose dam joining west and east bank in Gulf of Khambhat. It is planned, by constructing 30 Km long dam, to store about 10000 MCum of water of Narmada, Dhadhar, Mahi, Sabarmati and Suarashtra rivers. Besides these, it is planned presently to construct a barrage across Narmada river near village Bhadbhut of Dist. Bharuch and to divert Narmada river water into proposed Kalpasar reservoir through diversion canal.
- After creation of fresh water reservoir, the 10.54 lakh hectare land of 39 talukas of 6 districts of Saurashtra region will get irrigation water facility. Other benefits include: reduction in distance by 200 Kms between Bhavnagar and South Gujarat, about 1.5 to 2.0 lakh hectare land will be reclaimed, the development of ports will take place in the downstream side of dam, wind and solar power will be generated, saline ground water of coastal area of Saurashtra and Central Gujarat will get converted into fresh water with reduction in salinity on both banks of Narmada river by construction of "Bhadbhut barrage" as a stand-alone project on river Narmada.
- Benefits above envisaged are based upon analysis of studies.

Bhadbhut Project

- Majority of the necessary studies, required for construction of barrage on EPC basis across river Narmada 5.15 km downstream of village Bhadbhut of district Bharuch, such as primary design for barrage construction, topography bathymetric contouring, bench mark fixing, land classification, foundation investigation field survey, traffic survey for six lane highway road on top of dam and estimation of toll revenue etc. are

completed. Activities related to land acquisition of about 5254 ha. are taken on hand. Besides these, activities related to preparation of DPR, administrative approval, preparation of tender papers of project mismanagement consultancy, acquisition of government (4447 ha), forest (187 ha) and private (620 ha) land are in progress.

Water Resources Department

Objectives

- To increase irrigation capacity through surface and ground water.
- To ensure water storage and improve ground water level.
- To ensure flood control and canal cleaning system.
- To maintain and develop salt intrusion control system.
- To increase the net income of beneficiary farmers through participatory agricultural water management by providing reliable, efficient and seasonally sensitive irrigation water with adaptive capacity.
- To involve water users in the Barabandi water system in the management of branch and sub-branch canals and in the assessment of water quantity.
- Implementation of environmental safety criteria, canal cleaning.

Strategy

- To undertake expansion, renewal and modernization works after conducting extensive survey and research for the benefit of canal strengthening.
- Implementation of PIM Act encouraging formation of water-using organizations, training and demonstration for registration and partnerships.
- Water conservation works.- Construction of check dams, deepening of existing lakes and removal of silt from reservoirs.
- Ensuring safety of reservoirs through dam safety works.
- Strengthening of existing irrigation infrastructure through development of Sujalam Sufalam and Sauni Yojana Link Udvahan irrigation schemes.

Water Supply Division

- Priority has been given to providing drinking water through Narmada canal-based schemes and other surface water source-based group schemes.
- Instead of relying solely on groundwater for water supply, the Government has emphasized supplying surface water to the maximum extent possible. Accordingly, a vast network of 3,290 kilometres of

main pipelines based on the Sardar Sarovar Canal and other water sources has been established. Through this, the State Government has successfully become the first in the country to implement a state-wide water supply grid, providing drinking water facilities to 15,802 villages and 251 urban areas across the state.

- Implementation work has been initiated to gradually cover the remaining villages within the next three years under surface water source-based group schemes.
- Over the last twenty-three years, along with the construction of the water grid, new and improved group water supply schemes have been implemented in a phased manner across all rural areas of Gujarat.
- For water quality testing in the state, one State Laboratory, 33 district-level laboratories, and 46 taluka-level laboratories are operational. Every year, more than 4 lakh water samples are tested.
- To control leakage, theft, and wastage, and to enhance network efficiency as well as real-time monitoring of water quantity and quality through the Gandhinagar Central Monitoring Station, installation of 2,263 smart water flow meters and 500 online quality analysers has been completed.
- To strengthen the services of the Water Supply Division and to address related complaints, a Grievance Redressal System has been made operational, which includes:
 1. A toll-free helpline number 1916, along with a 24-hour Control Room at the Head Office in Gandhinagar.
 2. A proactive call centre “Jal Sampark” functioning at the Head Office of the Water Supply Board, through which telephonic feedback is collected from rural citizens and operators, and prompt action is taken for grievance resolution.
 3. A “Jal Sampark” mobile application system, through which grievance resolution is closely monitored. Field visits by departmental officers and staff ensure strict supervision and effective redressal.
- At present, in 241 talukas across 33 districts, a total of 13,700 operators have been trained through taluka-level ITI centers for repair and maintenance of rural water supply systems, and 13,700 toolkits have been distributed.
- To promote ownership, capacity building, reduction in complaints, and efficient operation of rural internal water supply schemes at the Gram Panchayat level, a Repair and Maintenance Incentive Award

Scheme has been implemented for villages in 53 talukas of 14 tribal districts.

- An Incentive Scheme has also been implemented to create awareness among Gram Panchayats and the public regarding repair and maintenance of rural internal water supply schemes, enhance capacity building, improve water tax recovery, ensure proper management of internal water supply schemes, and strengthen the financial condition of Gram Panchayats.
- Thus, the State Government has developed extensive infrastructure in the drinking water sector, as a result of which adequate quantities of quality drinking water are being supplied to every village in the state.

Scheme

Name of Scheme	Saurashtra Narmada Avtaran Irrigation Scheme (Sauni Yojana) One Million Acre Feet flood water for Irrigation & Ground Water recharge in Saurashtra region.
Components & Activities	Link-1:Machhu-II to Sani Irrigation Scheme Link-2:Limdi Bhogavo-II to Raydi Irrigation Scheme Link-3:Dholi Dhaja to Venu-I Irrigation Scheme Link-4:Limdi Bhogavo-II to Hiren-II Irrigation Scheme
Intended beneficiaries	Farmers and peoples residing in the villages, towns and Municipal Corporation.
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%)	State funds and loan from NABARD
Expected Outcome	Strengthening of existing Irrigation potential in 3.34 Lakh Ha in 2026-27, 3.34 Lakh Ha in 2027-28 & 3.34 Lakh Ha in 2028-29.

Name of Scheme	Lift Irrigation Scheme from Narmada Main canal (NMC) to various reservoirs/ponds
Components & Activities	Piyaj Boru, Boru Unad, Dhadhusan Redlakshmipura, Kherava Visnagar, Tharad to Madal to Ramsan, Ramsan to Sipu dam, Dindrol to Mukteshwar
Intended beneficiaries	Farmers in the vicinity
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -

Expected Outcome	Strengthening of existing Irrigation potential in 1,02,700 Ha in 2026-27, 1,02,700 Ha in 2027-28 & 1,02,700 Ha in 2028-29.
------------------	--

Name of Scheme	One million acre feet surplus water of Narmada allotted for Kachchh District
Components & Activities	Phase-1 (1) Southern Link & High Contour Storage Link (2) Northern Link (Phase-1) Phase-2 (3) Saran Link (4) Southern Link (5) Northern Link
Intended beneficiaries	Farmers in the vicinity
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Strengthening of existing Irrigation potential in 68,195 Ha in 2026-27, 1,72,411 Ha in 2027-28 & 1,72,411 Ha in 2028-29.

Name of Scheme	Water Conservation Scheme
Components & Activities	Excavation of foundation, preparation of base of foundation. construction of body of check dam, deepening of pond, desilting of check dam.
Intended beneficiaries	Farmers in the vicinity
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 5,424 Ha in 2026-27, 5,695 Ha in 2027-28 & 5980 Ha in 2028-29.

Name of Scheme	Extension, Renovation & Modernisation (ERM)
Components & Activities	Re-sectioning of canal, Lining of canal, redesigning of canal as per current requirement, modernising the canal outlets, escapes.
Intended beneficiaries	Farmers in the vicinity
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 73,833 Ha in 2026-27, 77,524 Ha in 2027-28 & 81,400 Ha in 2028-29.

Name of Scheme	Lift Irrigation scheme based on Kadana Reservoir Project
Components & Activities	Pipe Lines and Pump Houses
Intended beneficiaries	Farmers
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 18,000 Ha in 2026-27, 18,000 Ha in 2027-28 & 18,000 Ha in 2028-29.

Name of Scheme	Link Canal Ukai to Gordha Weir
Components & Activities	Pipe Lines and Pump Houses
Intended beneficiaries	Farmers
Scale of assistance	-

Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 22,000 Ha in 2026-27, 22,000 Ha in 2027-28 & 22,000 Ha in 2028-29.

Name of Scheme	Tapi-Karjan link Pipeline Project
Components & Activities	Pipe Lines and Pump Houses
Intended beneficiaries	Farmers
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 22,000 Ha in 2026-27, 22,000 Ha in 2027-28 & 22,000 Ha in 2028-29.

Name of Scheme	Songadh- Ucchal –Nizar Udvahan Sichai Pipeline yojana
Components & Activities	Pipe Lines and Pump Houses
Intended beneficiaries	Farmers
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome	Irrigation will be done in 28,000 Ha in 2026-27, 28,000 Ha in 2027-28 & 28,000 Ha in 2028-29.

Name of Scheme	Capital Assistant for Infrastructure Lift Irrigation Scheme in Tribal Area
Components & Activities	Pipe Lines and Pump Houses

Intended beneficiaries	Farmers
Scale of assistance	-
Implementing Agencies	Water Resources Dept., Govt of Gujarat
Funding Pattern (%)	State Govt
Expected Outcome	Irrigation will be done in 81,007 Ha in 2026-27, 1.97 Lakh Ha in 2027-28 & 1,97 Lakh Ha in 2028-29.

Name of Scheme:	67 2215 01 004 01 Research and Development
Components & Activities	Under this scheme preliminary project preparation like soil investigation, survey for ground water and other engineering survey are carried out for implementation of water supply schemes. Energy Audit activities are undertaken in rural regional water supply schemes.
Intended Beneficiaries :	-
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome :	Not Measurable

Name of Scheme:	67 4215 01 102 25	Rural Water Supply Programme
	67 4215 01 102 26	Augmentation In tap Connectivity In Rural Areas
	95 2215 01 102 01	Rural Water Supply Scheme
	96 4215 01 796 09	Rural Water Supply Programme

	96 4215 01 796 10	Augmentation In tap Connectivity In Rural Areas
	93 2215 01 800 01	Special Provision for water supply and sanitation under TASP
	96 4215 02 796 01	Special Provision for water supply and sanitation under TASP
	67 4215 01 102 31	Jal Jeevan Mission (Old Name-National Rural Drinking Water Programme-Coverage)
	96 4215 01 796 13	
	95 4215 01 789 02	
Components & Activities	Under this scheme various type of water supply schemes such as: 1) Individual village water supply scheme based on local source 2) Regional (multi village) water supply scheme based on remote water sources 3) Mini pipe water supply scheme. 4) In village water supply scheme involving community participation and providing tap connectivity in rural areas. 5) Special repairs and missing link works for regional (multi village) water supply scheme. 6) Hand pump scheme which includes installation of new hand pumps as well as repairing of existing hand pumps. 7) Recharging of ground water and build storage tanks for collecting rain water. 8) Special scheme for schedule caste dominated villages- areas/habitation on need basis is also under taken. 9) Energy and Water Charges for Regional Water Supply Scheme. 10) WQMSP(Water Quality Management Information System): Construction of Water	

	Quality Testing laboratories and procurement of laboratory equipment's, Water quality testing 11) IEC activities
Intended Beneficiaries :	Villages & Towns
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board & Chief Executive Officer, Water and Sanitation Management Organization
Funding Pattern (%):	100% GOG and Central: State Sharing on 50:50 basis.
Expected Outcome :	Upon implementation of these schemes, the water supply to the rural areas would be made sustainable. Moreover water would be made accessible to doorstep by providing tap connectivity.

Name of Scheme:	96 4215 01 796 08 Assistance in Lieu of local contribution in Tribal Areas
Components & Activities	WASMO is facilitating the implementation of in-village drinking water supply schemes across the state through Pani Samiti. 10% of the total cost of water supply scheme is collected as community contribution from Pani Samiti. However in tribal areas, this programme was not getting enough response due to poor economic conditions. Hence the 10% community contribution for pani samiti of tribal areas was waived and is covered under this scheme.
Intended Beneficiaries :	Villages of Tribal Areas.

Scale of Assistance :	Nil
Implementing Agency :	CEO, WASMO
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome :	Due to 10% exemption exaemption in Tribal areas, more and more Pani Samitis would be encouraged to adopt the in village water supply schemes.

Name of Scheme:	67 2215 01 102 08 Mukhya Mantri Mahila Pani Samiti Protsahan Scheme
Components & Activities	The following activities have been carried out by WASMO since 2002-03 to promote women participants in Pani Samiti:- 1) New and hosting Pani Samiti with more than 50% representation encouraged. 2) To encourage inner strength and capacity building of Pani Samiti of women. 3) Organised Pani Samiti work shot at district level 4) To awarded Pani Samiti women at State Level
Intended Beneficiaries :	Village level Pani Samiti
Scale of Assistance :	Nil
Implementing Agency :	CEO, WASMO
Funding Pattern (%):	GOG: 100 GOI: - OTHERS: -
Expected Outcome :	Pani Samitis throughout the State would be encouraged to involve women in the implementation, operation and maintainance of In village water supply scheme.

Name of Scheme:	67 2215 01 004 02 Advanced Technology (Task Force)
Components & Activities	Water Supply Department carries out bulk transfer of Narmada waters and other surface waters. A huge network of bulk pipelines have been laid which passes through varied terrain and locality. The network also includes air valves which are prone to illegal tapping of water resulting in inequitable water distribution. In order to check and control such illegal tapings, a task force comprising of SRP has being inducted for routine patrolling. Payments to the SRP personnel are made under this scheme. SCADA (Supervisory Control and Acquisition of Data Acquisition) for water distribution on large scale and Gujarat Domestic water supply Act.
Intended Beneficiaries :	-
Scale of Assistance :	Nil
Implementing Agency :	Managing Director, Gujarat Water Infrastructure Limited
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Reduction in Unaccounted Water and ensuring improvement in service delivery.

Name of Scheme:	67 2215 01 102 07 Support to Gujarat Water Supply & Sewerage Board
Components & Activities	Under this scheme IEC activities (Information, Education and Communication) are done as per requirement. Awareness is created with respect to economic use of water, water conservation, ground water recharge and water recycling activities etc.

Intended Beneficiaries :	Panchayat members and staff members of water supply dept.
Scale of Assistance :	Nil
Implementing Agency :	CEO, Water and Sanitation Management Organization
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Community would be made aware of the importance of conservation of water and optimistic use of water.

Name of Scheme:	67 4215 01 102 14 Implementation of Water supply scheme for Saurashtra, Kachchh, North Gujarat & Panchmahal based on Sardar Sarovar canal
Components & Activities	The Government of Gujarat has taken up the implementation of Sardar Sarovar Canal based drinking water supply project with Gujarat Water Supply & Sewerage Board & Gujarat Water Infrastructure Limited as the implementing Agencies. Under the sanctioned Master Plan, 1.06 Million Acre Feet means 3571 Million Litre water is reserved per day, Out of which 2900 M.L. per day for drinking and 671 M. L. Per day for industrial purpose. Gujarat Water Infrastructure Limited has laid bulk water pipe lines to provide huge quantity of water from Narmada Canal Network to pre-determined areas. Under this programme works of execution and maintenance and repairs of bulk pipeline/pumping stations, payment to energy and water charges are undertaken.
Intended Beneficiaries :	Residents of villages identified under schemes
Scale of Assistance :	Nil

Implementing Agency :	Managing Director, Gujarat Water Infrastructure Limited
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Water Supply System would be sustainable and assure regular water supply in all season

Name of Scheme:	67 4215 01 101 01 Urban Water Supply Scheme
Components & Activities	Every urban centre has its own arrangement of water supply based either on local sources such as bore well, open well etc. or on surface source such as dams, rivers, canals etc. The Demand for water is increasing due to growth and newly developed areas.(URBAN) Under this scheme augmentation of existing water supply schemes is done which may include addition of source (local or surface source).
Intended Beneficiaries :	Urban Areas
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Water Supply System would be sustainable and assure regular water supply in all season.

Name of Scheme:	67 4215 01 102 27 Purchase of Desalinated Water from GWIL
Components & Activities	Water Supply Department has intended to setup Desalination Plants at four locations of 270 MLD capacities. Upon commissioning of Desalination Plant partial water security for Devbhoomi Dwarka, Porbandar, bhavnagar,

	Gir Somnath and Kachchh district shall be ensured. The works for setting up of Desalination Plants shall be taken up by GWIL on PPP mode, which on commissioning shall supply water to GWSSB. A water purchase agreement shall be signed between GWIL and GWSSB for purchase of desalinated water. The said Payment will be made under this scheme.
Intended Beneficiaries :	Villages and Towns connected under water supply Grid.
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board
Funding Pattern (in %):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Coastal district shall be made available safe and regular water supply. The burden of providing water supply through the State wide drinking water supply grid shall be reduced.

Name of Scheme:	67 4215 01 101 04 Reuse of Treated Waste Water
Components & Activities	The policy for Reuse of treated waste Water in Gujarat State was launched by Hon'ble Chief Minister on 28-5-2018 with a vision of maximizing the collection and treatment of sewage generated and reusing the treated waste water on a sustainable basis, thereby reducing dependency on fresh water resources; and As per the policy, treated waste water shall be used by Thermal Power Plants, Industrial units, Construction activities, Large Commercial or Institutional users, Municipal uses like maintenance of parks & gardens, Rejuvenation of Ponds, lakes or rivers,

	firefighting, Agriculture/irrigation and any other non-potable
Intended Beneficiaries :	Municipal Corporations, Industries, Thermal power stations use found in local context.
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Reusing the treated waste water on a sustainable basis, thereby reducing dependency on fresh water resources.

Name of Scheme:	67 4215 01 102 28 Set up of De-salinsation Plants
Components & Activities	In order to decrease the dependency on Narmada water, state water supply grid and provide water security, Gujarat Government has decided to establish the various desalination plants to convert the salt water in potable water by using sea water of long 1600 km sea coast at different places of Gujarat.
Intended Beneficiaries :	Villages and Urban areas of Coastal region
Scale of Assistance :	Nil
Implementing Agency :	Managing Director, GWIL Gujarat Water Supply & Sewerage Board
Funding Pattern (%):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	Water Security in Coastal Areas.

Name of Scheme:	95 2215 01 102 02 Assistance in lieu of local contribution for Scheduled cast population
Components & Activities	Exemption of 10% Community Contribution for In-Village Water Supply Schemes and

	exemption of 2.5% local contribution for rejuvenation schemes in SC dominated villages and villages having SC population more than 250 souls
Intended Beneficiaries :	SC Population in State
Scale of Assistance :	Nil
Implementing Agency :	Member Secretary, Gujarat Water Supply & Sewerage Board & CEO WASMO
Funding Pattern (in %):	GoG:100 GOI: - OTHERS: -
Expected Outcome :	In village water supply schemes and Rejuvenation of water supply schemes for SC population

Name of Scheme :	Pradhan Mantri Krushi sinchai Yojana (PMKSY) Accelerated Irrigation Benefit Programme (AIBP)
Components & Activities	Construction of Canal Network up to Minor canal of Sardar Sarovar (Narmada) Project i.e. (Main Canal, Branch Canal, Distributaries, Minor)
Intended Beneficiaries	17.92 lakh hectare Area of 17 Districts and 73 Talukas
Scale of Assistance	Apart from Central Assistance, State Share will be arranged through Budgetary provision by State Government
Implementing Agency	Sardar Sarovar Narmada Nigam limited
Funding Pattern (%)	GoG:85.15 GoI:14.85 Others: -
Expected Outcome	Irrigation 15,55,000 hectare area is planned

Name of Scheme :	Pradhan Mantri Krushi Sichai Yojana (PMKSY) Har Khet ko Pani (CADWM)
-------------------------	---

Components & Activities	To develop Command Area of Sardar Sarovar (Narmada) Project
Intended Beneficiaries :	17.92 lakh hectare Area in 17 Districts and 73 Talukas
Scale of Assistance :	Apart from Central Assistance, State Share will be arranged through Budgetary provision by State Government and Farmer's Share.
Implementing Agency :	Sardar Sarovar Narmada Nigam limited
Funding Pattern (%):	GoG:58.15 GoI:41.85 Others: -
Expected Outcome :	Irrigation 15,55,000 hectare area is planned

Name of Scheme:	2700-80-005-11 Preparation of Feasibility Report for Kalpasar Project
Components & Activities:	Survey & Investigation for DPR of Kalpasar Project
Intended Beneficiaries :	-
Scale of Assistance:	-
Implementing Agency:	Kalpasar Prabhag Gandhinagar
Funding Pattern (%):	GoG-100 GoI: - Others: -
Expected Outcome:	For preparation of multi-purpose Kalpasar Project as part of Bankable Detailed Project Report necessary activities related to Project Planning, surveys, and estimates for main and sub-main works/studies, works as per suggestions of EAG, other committees, team, National & International consultants, correspondence with state and Central government institute and necessary works related to preparation of Detailed Project Report (DPR). Detailed Project Report of Kalpasar will be finalize.

Name of Scheme:	2700-80-005-11 Preparation of Feasibility Report for Bhadbhut Barrage and Kalpasar Project
Components & Activities :	Survey & Investigation and related activities of Bhadbhut Barrage and Kalpasar Project
Intended Beneficiaries :	-
Scale of Assistance:	-
Implementing Agency :	Kalpasar Prabhag Gandhinagar
Funding Pattern (%) :	GoG-100 GoI: - Others: -
Expected Outcome :	For the planning and development of the multi-purpose Bhadbhut Barrage and related to Kalpasar Project necessary activity regarding Project Planning, Surveys, Estimates related main and sub-main works/studies; works as per suggestions of EAG, other committees, team, National consultants; correspondence with state and Central government institute; works related to above project activities will be delivered.

Name of Scheme :	4702-00-101-03 Construction of Barrage on river Narmada near village Bhadbhut
Components & Activities :	PMC work for Construction of Barrage on river Narmada near village Bhadbhut
Intended Beneficiaries :	-
Scale of Assistance:	-
Implementing Agency :	Kalpasar Prabhag Gandhinagar
Funding Pattern (%) :	GoG-100 GoI: - Others: -
Expected Outcome :	PMC work for construction of Bhadbhut Barrage, services required for design surveillance, documentation of Bhadbhut Barrage Project in terms of photography, videography and film making, Annual Environmental audit & CRZ clearance

	compliance report, Office renovation and studies will be delivered
--	--

Name of Scheme :	2700-80-005-11 Consultancy work of Barrage on down stream of Narmada River near village Bhadbhut, Dist. Bharuch
Components & Activities :	Survey & Investigation and related activities of Bhadbhut Barrage Project
Intended Beneficiaries :	This is not a direct benefite based scheme.
Scale of Assistance:	Not Applicable.
Implementing Agency :	Kalpasar Prabhag, Narmada Water Resources Water Supply and Kalpasar Department, Gandhinagar
Funding Pattern (%):	GoG-100 GoI: - Others: -
Expected Outcome :	For propagation of multi-purpose Bhadbhut Barrage Project necessary activity. Other office expenses works related to above project activities will be delivered.

Name of Scheme :	4702-00-101-03 Construction of Barrage on river Narmada near village Bhadbhut
Components & Activities :	Construction of Bhadbhut Barrage & it's associated works on river Narmada near village Bhadbhut
Intended Beneficiaries :	Not Direct benefits based scheme.
Scale of Assistance:	Not Applicable.
Implementing Agency :	Kalpasar Prabhag, Narmada Water Resources Water Supply and Kalpasar Department, Gandhinagar

Funding Pattern (%) :	GoG-100 GoI: - Others: -
Expected Outcome :	Construction of Bhadbhut Barrage Project & its associated works and land acquisition works for private lands for Bhadbhut Barrage Project will be delivered.

Name of Scheme:	Pradhan Mantri Krushi Sinchai Yojana(PMKSY) Tvarit Sinchai Labhit Yojana (AIBP)
Components & Activities	Construction of Canal Network upto Minor of Sardar Sarovar (Narmada) Project i.e. (Main Canal, Branch Canal, Distibutaries, Minor)
Intended Beneficiaries:	17.92 lakh hectare Area in 17 Districts and 73 Talukas
Scale of Assistance :	Apart from Central Assistance, State Share will be arranged through Budgetary provision by State Government
Implementing Agency	Sardar Sarovar Narmada Nigam limited
Funding Pattern (%):	GoG: 85.15 GoI 14.85 Others % : % :
Expected Outcome	15,55,000 hectare Irrigation Potential utilization is planned

Name of Scheme:	Pradhan Mantri Krushi Sinchai Yojana(PMKSY) Har Khet ko Pani (CADWM)
Components & Activities	To develop Command Area of Sardar Sarovar (Narmada) Project
Intended Beneficiaries	17.92 lakh hectare Area in 17 Districts and 73 Talukas
Scale of Assistance :	Apart from Central Assistance, State Share will be arranged through Budgetary provision by State Government and Farmer's Share.

Implementing Agency	Sardar Sarovar Narmada Nigam limited
Funding Pattern (%):	GoG: 58.15% GoI: 41.85% Others:
Expected Outcome:	15,55,000 hectare Irrigation Potential utilization is planned

PORT & TRANSPORT DEPARTMENT

Office of the Transport Commissioner:

Objectives:

The Transport Department of Govt. of Gujarat is entrusted with the responsibility of providing an efficient public transportation system, registration of vehicles in Gujarat, issuance of driving license, issuance of various permits, collection of road taxes. The department also entrusted in policy-making, co-ordination, implementation, monitoring and regulatory functions of all the transport related aspects of Gujarat.

Strategies:

Providing training and transport related services easily accessible to common man and ensuring Road Safety. Smart-Card Driving License and Vehicle Registration Book (RC) is being issued and delivered to citizen through speed post. Give subsidy on the purchase of EVs (2 wheelers, 3 wheelers and 4 wheelers) as per the capacity of battery.

Gujarat State Road Transport (GSRTC)

Strategies:

1) Bus (Fleet Modernization)

In order to reduce pollution in the state of Gujarat and promote green energy, the Corporation has proposed the State Government to make a budgetary provision of Rs. 1378.00 crore in the year 2026-27 to put 500 A.C. electric buses with "ZERO AIR POLLUTION" and 2463 diesel buses with BS-VI technology into the service of the public. With the approval of the budgetary provision, 500 A.C. electric buses and 2463 diesel buses will be put into service by the public. These buses are very modern, BS-VI technology buses keeping in mind the safety and convenience of the passengers. When 500 A.C. electric buses have zero emissions, air pollution will be reduced. Due to the reduction in pollution, the air will remain clean and since electric buses are less noisy than diesel engines, noise pollution will be reduced. Thus, the passengers will get a clean and comfortable journey.

2) Bus Stations (Infrastructure Upgradation)

- For FY 2026–27, a total expenditure of Rs591.71 crore has been planned for the following:

- As part of the modernization of state transport services, the State Government will construct 14 new bus stations to increase the number of available facilities and elevate their quality to the highest standards. Furthermore, the renovation and modernization of 101 existing bus stations/depots will be undertaken. Under this plan, old and dilapidated bus stations will be demolished, and new bus stations with all auxiliary facilities will be built at 20 locations.
- Construction of new bus stations with allied facilities at 13 locations, including redevelopment of old and dilapidated stations through demolition.
- Under “VISION-2047”, construction of new bus stations at Somnath and Ambaji will be undertaken.
- Construction of new depots/workshops at 21 locations by demolishing old structures.

3) A provision of Rs.59.71 crore has been made for the ongoing Multi-Modal Transport Hub (MMTH) project at Surat (Phase 1 and Phase 2)

- • To enhance safety, security, and operational efficiency, GSRTC plans to install CCTV-based Vigilance Surveillance Systems at 125 depot workshops, 16 divisional offices, and 16 division workshops at a cost of Rs30 crore.
- • To reduce accidents by alerting drivers in real time about potential hazards and to enforce lane discipline, speed limits, and safe tailgating distance, Advanced Driver Assistance Systems (ADAS)&Driver Monitoring Systems (DMS) will be installed in approximately 4,000 express buses at an estimated cost of Rs.20 crore.
- • To enable passengers to make QR-based digital payments inside buses, GSRTC will implement Smart Electronic Ticketing Machines across the entire fleet at a cost of Rs.15 crore.
- • To accelerate digitalization within the Corporation, new computer hardware worth Rs.10 crore will be procured.
- Planning to rationalize the routes operated with the aim of increasing the transport facilities as per the demand of students/passengers during the year.

Objectives:-

Major Head	Detail	Amount (in Rs. Crores)		Purpose
5055	Equity	Rs. 1378.00		For the purchase of 2,463 new buses, Rs.899.92 crore; for the operation and maintenance expenses of 50 electric buses, Rs.12.00 crore; for motor vehicle tax, Rs.28.08 crore for putting 500 electric buses into operation along with their operation and maintenance expenses, Rs.438.00 crore provision.
		Rs.591.71		Rs.532.00 crore for the renovation and modernization of bus stations, and Rs.59.71 crore for the MMTH project.
		Rs.95.00		For Computerization
		Rs. 2.00		The formation of an SPV to make transport services state-of-the-art and technologically robust.
			Rs.2066.71	Total Capital Contribution
		Rs. 853.51	Rs. 853.51	To offset outstanding loans from previous years (up to the year 2012-14) (Book Adjustment)
			Rs.2920.22	Total provision for Capital Contribution (MH 5055)
3055	Subsidy	1364.46	1364.46	Subsidy of Rs.1,194.46 crore and Rs.170.00 crore, totaling Rs. 1,364.46 crore.

Gujarat Maritime Board

Office Objectives:

Gujarat Maritime Board (GMB) is a statutory body that was set up by instituting the Gujarat Maritime Board Act 1981.

GMB's mandate is to administrate, regulate, operate and promote ports - both public and private, terminals -captive and private, yards-shipbuilding and ship recycling, coastal shipping, support infrastructure and maritime institutions.

"To capture the strategic advantage of India's longest coastline which Gujarat is endowed with and develop the coastal areas comparable with global standards to make them growth engines of the State and place Gujarat prominently on the international shipping map"

Strategies:

To align our Maritime Vision with Viksit Bharat Vision 2047, Gujarat Maritime Board is planning to increase its port capacity from around 600 million metric tonne per annum to 2000 million metric tonne per annum by 2047. We are going to achieve this ambitious target by working on the following 4 pillars:

1) Development of Port City: A modern Port City in will be developed the in state of Gujarat. The aim is to build a world-class, port-based city and an economic and import-export hub by leveraging the strategic advantage of India's longest coastline. for this a port with an estimated capacity of 500 MMTPA and a city spread over approximately 500 square kilometers will be developed.

2) Port Operation and Projects: To Enhance operational efficiency and driving strategic growth in GMB-owned and operated ports. an autonomous entity will be established which will enable agile decision-making, improve service quality, and attract private investment while fostering competition. This bifurcation of regulatory and operational roles will strengthen oversight and ensure long-term growth in Gujarat's maritime sector.

3) Development of Alang Ship Recycling Yard: Construction of 300×115 m and 240×115 m mini-sized plots in the southern part of Alang and acquiring of 643 hectares of land (Government, Forest and Private) for the project will be done thus developing Alang as a leading global centre for ship recycling.

4) SPV for Ship Building :Establishing of two major shipbuilding clusters at Chachhi (Kachchh) and Kuchhadi (Porbandar), with estimated capacities of- 1.8-2.0 million GT and -1.2-1.5 million GT respectively.

The development of the shipbuilding clusters is expected to generate substantial socio-economic benefits while also delivering, long-term financial returns for the SPV. By catalysing industrial activity, attracting ancillary businesses, and creating high-skilled employment, the clusters will

strengthen the regional economy and, over time, ensure a sustainable and attractive return on investment for the promoting entities.

Gujarat Road Safety Authority

Objectives of the Office

- Under the Gujarat Road Safety Authority Act, 2018, a statutory body titled the Gujarat Road Safety Authority has been constituted to ensure road safety in the State and to coordinate with various stakeholders on matters relating to road safety.
- As the lead agency for road safety in Gujarat, the Authority coordinates with concerned stakeholder departments as well as city/district road safety committees to ensure compliance with the directions and instructions issued by the Supreme Court Committee on Road Safety, the Government of India, and the State Government, and also monitors the road safety activities undertaken by them.
- The Authority undertakes implementation, monitoring, and oversight of directions aimed at reducing road accidents in Gujarat, including implementation and monitoring of the National and State Road Safety Policies.
- To announce annual targets fixed for reducing road accidents and fatalities, and to undertake actions for achieving those targets and ensuring their implementation.
- To carry out public awareness and outreach activities related to road safety.

Strategy:

1. As per Government of India guidelines, a black spot is a 500-meter stretch of a highway where, in the last three years, 10 or more fatalities have occurred or 5 or more serious accidents have taken place. Out of a total of about 460 black spots identified during 2019 to 2024, about 127 black spots have been rectified. Corrective measures will be ensured through the respective stakeholders for the remaining black spots, and they will be eliminated and declared as accident-free stretches.
2. As per directions of the Ministry of Road Transport and Highways (MoRTH), Government of India, to enable up to a 50% reduction in road accident fatalities by 2030, the Road Safety Action Plan Vision 2025–2030 will be implemented through the concerned departments.

3. As per MoRTH directions, development of Vapi to Shamlaji (NH-48) as a Zero Fatality Corridor, and development of Ahmedabad (City) and Surat (Rural) as Zero Fatality District/City.
4. As per MoRTH guidelines, under the “Sadak Suraksha Mitra” project, more than 100 youth across the State will be nominated as Road Safety Friends (Sadak Suraksha Mitra).
5. To operationalize the Authority’s regional structure at Ahmedabad, Rajkot, Surat, Vadodara, Mehsana, and Kachchh–Bhuj. These units, under the direct guidance of the Gujarat Road Safety Authority, will coordinate with district-level stakeholder departments for road safety review, implementation, and public awareness activities.
6. To increase public awareness on road safety through maximum use of workshops, seminars, webinars, trainings, video clips in theatres, and social media.
7. To conduct various road safety programs in collaboration with organizations such as Confederation of Indian Industry – Young Indians (Yi) Chapter, SaveLIFE Foundation, Life Line Foundation, Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat, UNICEF, NSS/NCC, CEE, TCI, ICT/Institutes such as DA-IICT and Raksha Shakti University, and other voluntary organizations.
8. To undertake capacity building activities to enhance the active participation and effectiveness of every stakeholder.
9. Efforts to enhance the effectiveness and activeness of enforcement.
10. At the city level, in coordination with all municipal corporations/municipalities, to establish “Traffic Children Parks” so that children and adolescents develop road safety understanding and can learn traffic rules and practical on-road knowledge.
11. Implementation of the proposed Gujarat Road Safety Fellowship Program.

Schemes

Name of Scheme:	E-Governance
Components & Activities :	CCC Hardware, CCC Data Anyalitics, Mass media for public awareness under Vahan-Sarathi, Work of Learning license to I.T.I./Polytechnic.
Intended Beneficiaries:	Motoring Public
Scale of Assistance:	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome:	Ease of vehicle related and License related services

Name of Scheme:	Outsourcing Agency Payment
Components & Activities :	QR Code, R.C. Printing, Driving License printing, IDP Printing, Postage Payment
Intended Beneficiaries:	Motoring Public
Scale of Assistance:	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome:	Ease of vehicle related and License related services

Name of Scheme:	Construction of New R.T.O./A.R.T.O. Buildings
Components & Activities :	-----
Intended Beneficiaries:	-----
Scale of Assistance:	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG- 100% GoI: Others:

Expected Outcome:	Construction of 08 - New R.T.O./A.R.T.O. Offices are under progress.
-------------------	--

Name of Scheme:	Traffic Education Awareness & Training
Components & Activities :	Awareness
Intended Beneficiaries:	1400000/-
Scale of Assistance:	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	The team project is operating in 19 RTO/ARTO offices of the state. In which a total of 20 team vehicles are used to create awareness on road safety to students and the general public at schools/colleges and public places every day. Public awareness work on road safety is also being carried out by other offices.

Name of Scheme:	Starting government approved automated testing stations at Tapi, Dahod, Porbandar, Gir-Somnath and Mahisagar.
Components & Activities :	Construction of the fitness center, Purchase of machinery and subsequent maintenance and manpower and running operation expenses required for running the center.
Intended Beneficiaries:	Motoring Public
Scale of Assistance:	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome:	Ease of Vehicle registration related services

Name of Scheme:	New Gujarat Electric Vehicle Policy
------------------------	--

Components & Activities :	Providing subsidy to the beneficiaries who purchase new electric vehicle.
Intended Beneficiaries:	A proposal for the New Gujarat Electric Vehicle Policy has been submitted to the Government. Further action can be taken after getting approval.
Scale of Assistance :	100% State Share
Implementing Agency:	Commissioner of Transport
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome:	With the objective of promoting the use of electric vehicles in the state, prioritizing sustainable economic growth, encouraging green initiatives, increasing the production of electric vehicles, and providing new business opportunities for small, medium and large Indian industries, a new electric vehicle policy has been proposed to the Government as a new service in the budget for the financial year 2026-27. Further action can be taken after getting approval.

Name of Scheme:	Gujarat Road Safety Authority
Components & Activities :	Public awareness
Intended Beneficiaries:	09 (Individuals/Organizations/Road safety Committee)
Scale of Assistance:	13 lacs
Implementing Agency:	Gujarat Road Safety Authority
Funding Pattern (in %):	GoG- 100% GoI:- Others: -
Expected Outcome:	To Further motivate individuals, private or ganizations, educational institutes, industrial organization to work in the field of road safety and to applaud the excellent work done by city/district road safety committees so that road accidents in the state can be reduced.

Name of Scheme	Subsidy
Components & Activities :	Transportation of Passenger
Intended Beneficiaries:	State Passenger
Scale of Assistance:	
Implementing Agency:	Gujarat State Road Transport Corporation
Funding Pattern (in %)	100% in Uneconomic Rout Operated By GSRTC to Serve People Of Gujarat
Expected Outcome:	
As per Government policy, GSRT Corporation provides Transport Service to the Passenger of	
State up to remote area of the State and neighbor State also.	

Name of Scheme:	Capital contribution to GMB for Govt. Equity participation for the proposed SPV for Port City Project
Components & Activities :	Development of port facilities
Intended Beneficiaries:	SPV
Scale of Assistance:	GoG- 100 (out of this GoG : GMB contribution is 49:51)
Implementing Agency:	Gujarat Maritime Board
Funding Pattern (in %):	GoG- 100 (out of this GoG : GMB contribution is 49:51)
Expected Outcome:	To develop a modern Port City in the state of Gujarat. The aim is to build a world-class, port-based city and an economic and import-export hub by leveraging the strategic advantage of India's longest coastline. To develop a port with an estimated capacity of 500 MMTPA and a city spread over approximately 500 square kilometres.

Name of Scheme:	Capital contribution to GMB for Govt. Equity participation for the proposed SPV for Port Operation and Projects
------------------------	--

Components & Activities :	Development of port facilities
Intended Beneficiaries:	Port user, GMB
Scale of Assistance :	GoG- 100 (out of this GoG : GMB contribution is 49:51)
Implementing Agency:	Gujarat Maritime Board
Funding Pattern (in %):	GoG- 100 (out of this GoG : GMB contribution is 49:51)
Expected Outcome:	Enhancing operational efficiency and driving strategic growth in GMB-owned and operated ports. Establishing an autonomous entity will enable agile decision-making, improve service quality, and attract private investment while fostering competition. This bifurcation of regulatory and operational roles will strengthen oversight and ensure long-term growth in Gujarat's maritime sector.

Name of Scheme:	Development of different landing station/jetty and capital work in the state
Components & Activities:	Development of Alang Ship Recycling Yard
Intended Beneficiaries:	25,000 Direct & 2.75 Lacs Indirect
Scale of Assistance :	GoG- 100
Implementing Agency :	Gujarat Maritime Board
Funding Pattern (in %):	GoG- 100%
Expected Outcome:	Construction of 300×215 m and 240×215 m mini-sized plots in the southern part of Alang. Acquiring of 643 hectares of land (Government, Forest and Private) for the project, thus developing Alang as a leading global centre for ship recycling

Name of Scheme:	SPV for Ship Building
Components & Activities :	Development of port facilities

Intended Beneficiaries:	Country, Shipping Companies, ship building Companies etc
Scale of Assistance :	GoG:GoI- 50:50
Implementing Agency:	Gujarat Maritime Board
Funding Pattern (in %):	GoG : GoI contribution is 50:50 (GMB will handle the project on behalf of GoG & Deendayal Port Trust will handle the project on behalf of GoI)
Expected Outcome:	Establishing of two major shipbuilding clusters at Chachhi (Kachchh) and Kuchhadi (Porbandar), with estimated capacities of-1.8-2.0 million GT and -1.2-1.5 million GT respectively. The development of the shipbuilding clusters is expected to generate substantial socio-economic benefits while also delivering, long-term financial returns for the SPV. By catalysing industrial activity, attracting ancillary businesses, and creating high-skilled employment, the clusters will strengthen the regional economy and, over time, ensure a sustainable and attractive return on investment for the promoting entities.

Panchayat, Rural Housing & Rural Development Department

PANCHAYAT AND RURAL HOUSING

- The Department of Panchayats, Rural Housing and Rural Development consists mainly of two divisions, i.e. Department of Panchayats and Rural Housing and Department of Rural Development.
- Rural Development primarily deals with the centrally sponsored schemes and projects which have financial components of the State Government and are implemented by the district rural development agencies.
- The Department of Panchayats and Rural Housing is primarily responsible for the governance of the three tier Panchayati Raj Institutions (PRIs) in the State viz. District Panchayat, Taluka Panchayat and Village Panchayat. As of now, there are 33 District Panchayats, 248 Taluka Panchayats and 14265 Gram Panchayats functioning in the State. The principle of decentralized administration through democratic participation at the grass-roots lies at the foundation of the PRIs.
- The Gujarat Panchayats Act 1961 was introduced in the State on 1-4-1963 and, post 73rd Amendment Act of the Constitution, the Gujarat Panchayats Act 1993 was implemented with effect from 15-4-1994 with a view to further strengthening the role of the PRIs in Gujarat. The PRIs have played a significant role in the overall development of the rural parts of Gujarat. Effective devolution of funds, functions and functionaries to the PRIs has been a reality for a long time and the PRIs are well established as institutions of self-governance.
- It is pertinent to note that much before the 73rd amendment of the Constitution of India and after the inception of the PRIs 14 of the important 29 subjects listed in the 11th Schedule of the Constitution stood transferred to the PRIs the remaining 9 have been retained by the State Government as they can be managed better by the State Government. The Department has played a very supportive and facilitative role towards the strengthening of the PRIs apart from exercising the necessary regulatory control over them.
- Recently, the department has notified The Gujarat Provisions of the Panchayats (Extension to the Scheduled Areas) Rules, 2017, a comprehensive set of rules touching a large number of government

departments, to ensure that the people belonging to the scheduled tribes and living in the scheduled areas exercise their rights in self-governance, use and sale of mineral resources and minor forest produces, maintenance and use of community resources and assets etc. more assertively and effectively.

- In order to maintain transparency and objectivity in the merit based recruitment of Class III and Class IV employees of the PRIs, the Gujarat Panchayat Services Selection Board was created. This autonomous board selects through competitive examinations employees for the PRIs.
- The Class I and Class II officers working in the Taluka Panchayat and District Panchayats are recruited by the Gujarat Public Service Commission and Chief Executive Officer of the District Panchayat with the designation of District Development Officer (DDO) who is also secretary to the District Panchayat is from IAS cadre. The DDO also chairs the district rural development agency.
- The Gujarat Rural Housing Board is an important institution within the administrative control of the Department. Its main function is construction of affordable houses for people residing in rural areas having limited family income.
- Over the years the Department successfully introduced and implemented a number of community development schemes covering a wide range of activities:
- In the Smart Village scheme, introduced recently, in the first phase about 300 village panchayats will be selected through a competitive process. The participating villages declare their status on some 17 socio-economic parameters that are evaluated by a committee of experts and prominent citizens at the district level and after the final approval of the State Government, become entitled to financial support. In order to be eligible they have to prove that they have made all out efforts and further improving their infrastructure and services.
- Under the cluster approach adopted in the Shyamaprasad Mukharji Rurban Mission better civic amenities and services will be provided to a cluster of villages through convergence of the State Government schemes and funds available from the central government.
- The rurban scheme aims at improving the civic infrastructure in the larger villages and the villages at the taluka headquarters which are fast getting urbanized and need necessary support.
- The Samaras scheme was introduced for incentivising the efforts of the people to constitute the Village Panchayats through unanimous elections and without resorting to unhealthy competition and

politicking at the village level. Under the current scheme a grant ranging from Rs. 2 lakhs for to Rs. 11 lakhs, depending mainly upon the population of the village panchayats.

- Under the Swachh Gaam Swasth Gaam scheme, the State government provides grants ranging from 100% to 200% to panchayats, based on the marks and percentage they achieve through the collection of sanitation taxes (Safai tax).
- The Sardar Awas Yojana is in its final stages of completion, with only the remaining house construction work left. For rural areas, a new housing scheme called Pradhan Mantri Awas Yojana (PMAY-G) has recently been implemented. Under this scheme, assistance is provided in a 60:40 ratio by the Central and State Governments respectively
- The Tirthgram and Pavangram Schemes aim at incentivising the village communities in maintaining unity, peace and social harmony in the villages by avoiding confrontation and conflict and eliminating crimes within their jurisdictions.
- The Panchvati Scheme encourages community development efforts for common spaces such as laying and maintaining public gardens and parks through public participation.

Objectives

- To incentivise and support infrastructure and functions of the PRIs for better democratic public participation towards greater inclusive growth
- To ensure capacity building of the members and leaders of the PRIs
- To plan and implement various projects and schemes through PRIs for community development, to promote democratic decision making and accountability in Panchayats. to ensure transparent recruitment of the merit-based functionaries of the PRIs and conduct training and programme for their capacity building
- To promote public participation and self-help groups for income protection and income augmentation
- To ensure accountability in the administration of the PRIs through proper maintenance of accounts, regular audit and social audit of works and projects

Strategies

- The basic strategy is to transform the smallest unit of the three tier PRIs --
- Village Panchayat - into a self-reliant and effective institution of local self-governance and strengthen the higher two-tiers of the

- Taluka Panchayat and the District Panchayat for planning, executing and monitoring the projects and schemes within their jurisdictions.
- The Village Panchayat will be encouraged to raise their resource mobilization by including a large set of charges and cesses, reviewing their taxation rates and by stepping up their recoveries.
 - The Village Panchayats should become self-sufficient to provide most of the basic amenities like drinking water, sanitation, street lighting, sewerage system and disposal of solid and liquid wastes primarily from their own resources, gradually reducing their dependence on the State Government grants.
 - To encourage e-Gram Centers to expand the scope of services associated with e-Governance. Maximize the use of electronic media to ensure simplicity and transparency for G2C (Government to Citizen) and B2C (Business to Citizen) services.
 - The department aims to take action toward ensuring that true democratic decentralization is utilized for the holistic development of the State.

The Taluka Panchayats and the District Panchayats will be encouraged to function with greater autonomy, responsibility and accountability keeping with the spirit of democratic decentralization in planning and execution of community development related projects, schemes and processes for greater inclusive growth.

Rural Development Department

The following Centrally Sponsored Schemes (CSS) are implemented and monitored by the Office of the Commissioner Rural Development to improve the quality of life of the people living in rural areas.

- (1) Mahatma Gandhi National Rural Employment Guarantee Act
- (2) Pradhan Mantri Awaas Yojana (Gramin)
- (3) Swachh Bharat Mission (Gramin)
- (4) Pradhan Mantri Krishi Sinchayee Yojana–Watershed Development Component 2.0
- (5) Gujarat Livelihood Promotion Company
 - a. National Rural Livelihood Mission

- b. Rural Self Employment Training Institutes
- c. Deen Dayal Upadhyaya Grameen Kaushalya Yojana
- d. Mahila Kisan Sashaktikaran Pariyojana
- e. Start-up Village Entrepreneurship Programme
- f. Interest subvention Scheme
- g. Gujarat Scheme for Antyodaya Families for Augmenting Livelihoods(G-SAFAL)
- h. Gujarat Mentorship for Acceleration of Individuals for Transforming Rural Income(G-MAITRI)

The Objective & Strategy of the schemes are as follows.

Objective: -

Mahatma Gandhi National Rural Employment Guarantee Act

- MGNREGA, an Act to provide for the enhancement of livelihood security of rural households by providing minimum one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work.
- To create durable assets & there by enhance the livelihood security of rural poor.
- Strengthen grass root processes of democracy, Infuse transparency and accountability in Governance.

Pradhan Mantri Awaas Yojana (Gramin)

- The main objective of the Pradhanmantri Awas Yojana - Gramin to help rural families get their “dream home” and raise their standard of living.

- Under the Pradhan Mantri Awas Yojana – Gramin (PMAY-G), the objective is to provide financial assistance to eligible all houseless households in rural areas, as identified in the Socio-Economic and Caste Census (SECC)-2011 and the Awas Plus Survey database, to enable them to construct new pucca awas.

Swachh Bharat Mission (Gramin)

- Improve quality of life in rural areas by promoting hygiene and eliminating open defecation.
- Encourage cost effective and appropriate techniques for environmentally safe and sustainable hygiene.
- Develop community-operated sanitation systems focusing on scientific solid and liquid waste management systems for overall sanitation in rural areas.

Pradhan Mantri Krishi Sinchayee Yojana-Watershed Development Component 2.0(PMKSY)

- Objectives of watershed development projects are to improve productive potential of rain fed/degraded land through integrated watershed management; to strengthen community based local institutions for promotion of livelihoods & watershed sustainability, and to improve the efficiency of watershed projects through cross learning and incentive mechanism.
- The main aim of the PMKSY-WDC 2.0 is to restore the ecological balance by harnessing, conserving, and developing degraded natural resources such as soil, vegetative cover, and water. The outcomes proposed are prevention of depleted soil, regeneration of natural vegetation, rainwater harvesting and recharging of the ground water table.

National Rural Livelihood Mission

- Self-help groups are formed in rural areas for the social upliftment of the women in the rural areas to raise the standard of living and become economically strengthening.

Cash Credit:

- The objective of providing loan is vast in its terms, loans may be used by the members for meeting social needs, high-cost debt swapping, construction or repair of house, construction of toilets and taking up sustainable livelihood activities by the individual members within the SHG or to finance any viable common activity started by the SHGs. To facilitate use of loans for augmenting livelihoods of SHG members.

Rural Self Employment Training Institutes

- To Identify, Orient, Motivate, Train, and Assist the youth to take up Self Employment as an alternative career.
- To promote Rural Entrepreneurship
- To provide counselling and project consultancy services
- To enhance the effectiveness of Livelihood promotion programmes of the Government
- To skill the unemployed youth for taking up self-employment as a source of livelihood

Deen Dayal Upadhyaya Grameen Kaushalya Yojana

- Provide skill enhancement training to rural BPL of their needs & certify their skills through SSC and provide employment opportunities in the organized sector.

- Social Inclusion – DDU-GKY mandates coverage of socially disadvantaged groups SC-6.58%, ST-23.12%, Minority-6.64%, People with Disabilities-5% & Women-33% for Gujarat.

Mahila Kisan Sashaktikaran Pariyojana

- Empower the poor women through ensuring access to farm Livelihood Activities.
- Augmenting existing livelihoods and enhancing incomes.
- Explore livelihood opportunities through newer ventures in rural service sector & Developing Inclusive Value Chains.
- Generating income of rural women through Farm Livelihood activities, such as Agro Ecological Practices (AEP), Livestock & Non-Timber Forest Produces (NTFP) and by forming the Producer collectives.

Start-up Village Entrepreneurship Programme

- Start-up Village Entrepreneurship Program (SVEP) is a scheme of the Government of India in which the community enterprise fund is provided by the government to provide employment to the sisters associated with the Sakhimandal or their families in the specified taluka. Out of which, a loan is given to each person at the rate of 12% per annum according to their needs and the size of the business.
- In the Startup Village Entrepreneurship Program (SVEP) scheme, a loan of up to Rs. 1,00,000/- is provided to an individual beneficiary and training is provided to the beneficiaries (individual or collective) in groups/groups, including preparation of a business plan, market linkage, training in bookkeeping, and support and training required by them for a year.

- In the Start-up Village Entrepreneurship Program (SVEP), apart from the sisters of the self-help group, their family members such as their husband, unmarried son, unmarried daughter, who are involved in economic activities or want to join them are eligible for benefits. In which 25% preference is given to old enterprises.

Interest subvention Scheme

- To provide interest subsidy to Self Help Groups (SHGs).

Gujarat Scheme for Antyodaya Families for Augmenting Livelihoods (G-SAFAL)

- Administrative approval has been received for the scheme aimed at increasing the livelihood and assets of the beneficiaries, providing them with food and nutrition security, and enabling them to access various government programs. The goal is to improve social security, financial assistance, and empowerment for the targeted groups of the Antyodaya Anna Yojana (AAY) cardholders and ultra-poor people in the 13 aspirational blocks and 2 aspirational districts of Gujarat. Additionally, the objective is to empower rural women, making them economically independent and strengthening their social status.

Gujarat Mentorship for Acceleration of Individuals for Transforming Rural Income (G-MAITRI)

- Support rural-focused start-ups and promote social entrepreneurship and inclusive development under the Gujarat Start-up Policy.
- Encourage innovation in areas such as agriculture, rural development, healthcare, education, and skill development to address social and economic challenges in rural areas.

Strategy: -

Mahatma Gandhi National Rural Employment Guarantee Act

- Focus on Income generating Individual Assets like Horticulture planation, Cattle shed, well, etc.
- Focus on Water Conservation & harvesting to mitigate the issues of drought like situation in the State.
- Construction of Anganwadi centers building, Gram Panchayat Bhavan.
- Increasing Convergence with other departments to increase outreach and scope of MGNREGA.
- Use of GIS for scientific planning on saturation mode in the specified region.
- Capacity building of field functionaries for better planning & implementation
- Monitoring through inter-district and intra-district physical verification of Assets.
- **Unnati:** Skilling of wage earner those have completed 100 days' wage employment in the FY 2024-25.
- **CFP:** Better implementation of MGNREGA program in Aspirational districts & other backward districts.

Pradhan Mantri Awaas Yojana (Gramin)

- To provide a pucca house with basic amenities to all houseless households and households living in kutcha or dilapidated houses in rural areas.

Swachh Bharat Mission (Gramin)(SBG-G)

- To provide toilet facilities to the families living in rural areas of Gujarat.
- To collect and segregate waste from house to house in rural areas under solid waste management.
- To collect and segregate waste from house to house in scientific solid and liquid waste management systems for sanitation in rural areas as well as to construct individual socket and collective socket for disposal of liquid waste.

Pradhan Mantri Krishi Sinchayee Yojana-Watershed Development Component 2.0

- Total 51 Projects have been sanctioned by Govt. of India under PMKSY-WDC 2.0 in the State of Gujarat. The Detailed Project Reports (DPR) of all the projects had been sanctioned by the State Level Technical Committee. The works under various components like Entry Point Activity and Watershed Development Works (Natural Resource Management, Livelihood and Production System) have been implemented so far and remaining works under this scheme are being implemented as per the Annual Action Plan of FY 2025-26.

National Rural Livelihood Mission

- SHG Formation and providing revolving fund.
- Capacity building training to provide sustainable livelihood.
- Providing fair market system.
- Providing community investment funds.

Cash Credit:

- We focus on enhancement of the loan limit. Which in turn help in high amount of disbursement

- Conduct cash credit Camps with banks to increase the linkages in bulk amount.
- Stamp Duty free for loans up to 10 Lakhs.

Rural Self Employment Training Institutes

- To conduct Entrepreneurship awareness programme (EAP).
- To present topic of skill in SHG-VO meetifor.
- Registration of Youth in Kaushal Panjee Application.
- To organize Skill Mela/ RSETI Bazar
- Establishment Of counselling center at RSETI Building
- To conduct Sensitization programme for sensitizing the personnel of supportive organizations like NGOs, Government Organizations, Voluntary Organizations, Institutes, Research Centers, Banks etc.
- To provide post-training services including follow up meets/visits/telephonic contacts.

Deen Dayal Upadhyaya Grameen Kaushalya Yojana

- Rural people between the ages of 18 and 35 will be able to benefit from this scheme.
- Minimum eligibility criteria for beneficiaries to get the training under this programme is standard 5th pass out or drop out.
- After completion of 03 to 06 months training programme beneficiaries received minimum of Rs. 10,000/- per month salary, after completion of 06 to 12 months training programme beneficiaries received minimum of Rs. 15,000/- per month salary,
- For Non-residential training programme under DDU- GKY, beneficiaries get Rs.162.5/- to & fro charges (Transportation Allowance) per day and for residential training programme beneficiaries get free lodging & boarding facilities.

- Under DDU-GKY programme, beneficiaries also received I card, uniform, bag, study materials etc.in admission kit at free of cost.
- Under DDU-GKY programme Post placement support till 12 months will be provided to the beneficiaries for career progression.

Mahila Kisan Sashaktikaran Pari yojana

- GLPC is in the process of HR stabilizing and planning for the inception workshop at State Level in collaboration with NRP, NIRDPR. Later, the DPR preparation will commence for the better implementation of the project.
- Future Progression
 1. To orient and train CLF members in IFC that would ensure staff placement and timely fund utilisation as per IFC guidelines
 2. To identify 2-4 commodities having potential for value addition and processing
 3. To set up Livelihood Service Centre (LSC)
 4. To prepare business plan around the LSC and select commodities in surplus.
 5. To identify different services required for production, value addition and processing
 6. To identify and train youth entrepreneurs to provide farm livelihood services
 7. To set up processing units for surplus commodities produced in the cluster and adjoining centre
 8. To ensure setting up of processes and system for smooth running of LSC and other business units
 9. To develop suitable market linkages for value added products of
IFC

10. To empower women through active participation in appropriate forum, articulation and voicing issues that have bearing on their livelihoods, influence decisions that would address women livelihood concerns
11. To enhance the income of rural HHs from production, value addition and marketing of produce.

Start-up Village Entrepreneurship Programme

- In this scheme, along with easy loans to the beneficiary, the entrepreneur/businessman is provided with a business plan/business plan for the business he wants to start, training required for that, market linkage, account keeping/keeping training, monitoring of the business and business and checking the stability of its development is provided by the Project Implementation Agency (PIA) Entrepreneurship Development Institute of India (EDII) appointed by GLPC.
- Under the Start-up Village Entrepreneurship Program (SVEP), manufacturing, service, and trading units can be established.
- Phase-1 under Start-up Village Entrepreneurship Program (SVEP) has been successfully completed in 3 blocks of 3 districts (Khambha - Amreli, Ghoghamba - Panchmahal, Garbada - Dahod). In which a total of 5931 enterprises have been supported against a target of 5506.
- Under the Start-up Village Entrepreneurship Program (SVEP), 4 blocks of 4 districts have been selected for Phase-2. These 4 blocks include Bayad-Aravalli, Una-Gir Somnath, Chikhli-Navsari, and Valsad-Valsad. For which the detailed project report has been sent for approval.

Interest subvention Scheme

- To provide interest subsidy to SHGs under the NRLM scheme.

Gujarat Scheme for Antyodaya Families for Augmenting Livelihoods

- Beneficiaries: 50,000 rural poor women, whose households are Antyodaya Anna Yojana (AAY) cardholders
- Budget Outlay: Rs 500 crore over 5 years; for 50,000 program participants; up to Rs 100,000 per participant.

Primary outcomes include:

- Increase in additional income through diversified and resilient livelihoods.
- Increase in asset value and women's ownership over the asset.
- Increase in savings in SHGs and in other formal savings.

Secondary outcomes include:

- Increased access to key central and State schemes (Direct Benefit Schemes, MGNREGS, Pension, Insurance, and other relevant schemes) for AAY card-holder women and their household members
- Improved food and nutrition security to household members
- Increased access to credit
- Increased confidence, decision making and collective action of women.

Gujarat Mentorship for Acceleration of Individuals for Transforming Rural Income

- Five-year program, allocation of ₹10 crore for the financial year 2024-25.
- Aiming to benefit 1, 00,000+ individuals directly or indirectly through start up initiatives.
- The process will be carried out on an initial 500+ start up applications in the financial year 2024-25.

- Up to ₹20 lakh for 20 start-ups in the initial phase. ₹30 lakh will be provided for 15 accelerated start-ups.
- A process will be undertaken to promote mentoring and capacity-building programs for start-ups.
- Social impact start-ups addressing rural challenges and start-ups with scalable and sustainable business models will be created.

Schemes

Name of Scheme:	CDP-1 Information and Technology (e-Gram)					
Components & Activities	At the village level, providing farmers with copies of 7/12 and 8-A land records; birth and death certificates; income certificates; residence certificates; Ayushman cards; e-Shram cards; availability of forms/application forms for various government schemes under the Digital Seva Setu; and facilities for payment of electricity/telephone bills.					
Intended Beneficiaries:	Villagers					
Scale of Assistance :	----					
Implementing	Gram Panchayat (e-Gram Center)					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	- Arrangement for village residents to access information about all departmental schemes through e-Gram. - Implementation and availability of all services only through e-Gram. - Employment opportunities for village youth within the village itself. - Saving of villagers' time and money. - New software for financial accounting to ensure simple and efficient administration.					

Name of Scheme:	CDP-2: Survey, Study, Other Activities, Poor Welfare Fairs, Record Digitization					
Components & Activities	- To get evaluations of various schemes implemented in the State conducted through voluntary organizations, obtain their suggestions, and make necessary improvements in the schemes based on those suggestions. - To organize training programs so that information about various individual-oriented and group-oriented schemes of the State					

	Government reaches village residents; to print scheme-related literature and widely publicize it to make villagers aware of the benefits of the schemes.					
	• To organize well-managed Poor Welfare Fairs (Garib Kalyan Melas) at the village level so that beneficiaries receive the benefits of various individual-oriented schemes of different government departments directly, without any intermediaries, at a single place. • To establish a new State-level modern training center at Gandhinagar for the training process of officers/employees working under the Panchayat system in the State.					
Intended Beneficiaries:	Beneficiaries of various individual-oriented schemes of different government departments					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat / Taluka Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	• Awareness about schemes, increase in the number of beneficiaries availing scheme benefits, training for Sarpanches, and enhancement of knowledge of officials as well. • Direct access for beneficiaries to individual-oriented schemes of various departments at a single place through Poor Welfare Fairs (Garib Kalyan Melas). • Records of District Panchayat / Taluka Panchayat offices to be available in digital form.					

Name of Scheme:	CDP-3: Strengthening the Administrative Structure of Taluka and District Panchayats
Components & Activities	• Construction of District and Taluka Panchayat buildings. • Construction and repair of dilapidated Taluka Panchayat / District Panchayat buildings. • Residential accommodation for DDO / TDO. • Construction / repair of staff quarters for District / Taluka Panchayat staff. • Provision of compactors for District / Taluka

	Panchayats. • Solar rooftop installations for District / Taluka Panchayats.					
Intended Beneficiaries:	District Panchayat and Taluka Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	• Availability of field officers at their headquarters and prompt resolution of villagers' issues. • Availability of a suitable and well-equipped working environment for efficient functioning from District Panchayat / Taluka Panchayat buildings.					

Name of Scheme:	CDP-5: Housing Scheme for Panchayat-cum-Talati					
Components & Activities	• Construction of new Gram Panchayat buildings. • Repair of dilapidated Gram Panchayat buildings. • Solar rooftop installations on Gram Panchayat buildings.					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	• Availability of well-equipped Panchayat buildings creating a conducive working environment for employees and officers at the workplace. • Prompt resolution of villagers' issues due to the continuous presence of field staff at the village level.					

Name of Scheme:	CDP-7: Central Assistance to Panchayati Raj Institutions as per the Recommendations of the Finance Commission (15th Finance Commission)					
Components & Activities	Development works included in the Gram Panchayat Development Plan, such as: schemes for providing drinking water; sanitation; solid waste management; storm water drainage; internal roads; footpaths along the main village roads; maintenance of community assets; provision of missing basic infrastructure in primary education; and initiatives to address malnutrition.					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	Gram Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	Planning and implementation of balanced development and development works across all sectors at the village level.					

Name of Scheme:	CDP-9: Pilgrimage Village – Sacred Village					
Components & Activities	- To promote mutual harmony among people living in rural areas, strengthen the spirit of collective unity, maintain oneness, and enhance the sense of brotherhood. - Resolution of disputes through dialogue and discussion.					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	Social harmony and overall (holistic) development.					

Name of Scheme:	CDP-10: Panchvati					
Components & Activities	Development of natural sites in the village					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	To preserve faith in cultural heritage and to serve as a place for children to understand and engage in environment-friendly activities.					

Name of Scheme:	CDP-11: EVM and Samaras for Panchayati Raj					
Components & Activities	- Purchase of EVM machines for Panchayat elections. - Under the Samaras scheme, community development works in villages such as drinking water supply schemes, street lighting facilities, internal approach roads, classrooms in primary schools, and public toilets.					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	Gram Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	Conducting Gram Panchayat elections through dialogue and consensus without disputes, and utilizing grants for community development works in villages so that a larger number of people can benefit from public services.					

Name of Scheme:	CDP-14: Chief Minister Nirmal Gram Yojana					
Components & Activities	• Under this scheme, based on the 2011 population census of the State, all districts will be allocated a grant at the rate of ₹8 (Rupees Eight only) per person per month. • Solid waste generated in villages will be collected from each household (door-to-door), with waste segregation at source wherever possible. Where required, waste will be further segregated at the village level and a proper solid waste disposal system will be established through Municipal Corporation / Municipality Processing Units. For this purpose, clusters will be formed at the taluka level, agencies will be appointed through a tender process, and arrangements will be made for transportation to Processing Units, payment of processing charges, and establishment of Processing Units where they do not exist. • Community sanitary complexes shall be planned and constructed, especially for maximum use by the general public, tourists, and travelers. These will primarily be located along National Highways, State Highways, roads connecting districts and talukas, places of religious fairs, and tourist locations or other areas with high and regular public footfall, in the form of modern community toilet complexes.					
Intended Beneficiaries:	Gram Panchayat					
Scale of Assistance :	As per the guidelines of the Government					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	• Creation of villages free from filth and disease. • Encouragement to collect sanitation/cleanliness tax. • Availability of separate funds and grants with Gram Panchayats to carry out sanitation-related works. • Maintenance of cleanliness during times of natural disasters.					

Name of Scheme:	CDP-17: Rurban and Vatan Prem Scheme					
Components & Activities	• Under the project, development of infrastructure facilities such as drainage, roads, drinking water, electricity, area development, educational facilities, etc. • Gram Panchayats can plan with their own responsibility and long-term vision, prepare village development plans, and enhance the well-being of village residents.					
	Provision of urban-area-like facilities in Gram Panchayats within the Statue of Unity Development Authority area.					
Intended Beneficiaries:	villagers					
Scale of Assistance :	As per Government guidelines					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	• Migration of the rural population to cities will be reduced. • Urban-like facilities will be available at the rural level itself. • Sanitation in villages will be maintained due to proper drainage systems. • Overall development of Gram Panchayats in terms of economic, social, and human development and community facilities. • Providing an excellent opportunity for people with love for their native place to repay their debt to their birthplace and motherland.					

Name of Scheme:	CDP-18: Incentive Grant to Gram Panchayats Based on Tax Collection Performance					
Components & Activities	Taxes constitute the main source of income for Gram Panchayats. The revenue collected from these taxes is generally spent on the Panchayat's recurring expenditure. As a result, Panchayats are unable to show this tax revenue as their own surplus income. Therefore, Gram Panchayats that have collected more than 80% of the total current year demand for house tax, water tax, and lighting tax (excluding sanitation tax) are eligible to receive an incentive grant equal to 50% of the amount collected during the current year or ₹5 lakh, whichever is less.					
Intended Beneficiaries:	villagers					
Scale of Assistance :	As per Government guidelines					
Implementing Agency	Gram Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	With the objective of increasing tax collection and generating revenue income.					

Name of Scheme:	CDP-19: Rashtriya Gram Swaraj Abhiyan (RGSA)					
Components & Activities	Training for the elected office bearers of District / Taluka / Gram Panchayats.					
Intended Beneficiaries:	Training for elected representative					
Scale of Assistance :	As per Govt. guideline					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central :	-	other	
Expected Outcome:	The three-tier Panchayati Raj system in the State should be run smoothly and in a harmonious manner and become stronger through elected people's representatives.					

Name of Scheme:	CDP – For the establishment/staff of the District Panchayat and Taluka Panchayat.					
Components & Activities	Grant for the recruitment process for various cadres through the District Panchayat.					
Intended Beneficiaries:	District Panchayat					
Scale of Assistance :	As per Govt. guideline					
Implementing Agency	District Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	To fill the shortage of staff in the District and Taluka Panchayats.					

Name of Scheme:	HSG-3 Land Acquisition and Infrastructure Facilities					
Components & Activities	Making land available through land acquisition at the village level and providing grants for the same. Constructing colonies with at least 15 houses. Providing facilities like drinking water, electricity, roads in the housing complex in coordination with other schemes.					
Intended Beneficiaries:	Plots for Plotless families					
Scale of Assistance :	As per Govt. guideline					
Implementing Agency	Taluka Panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	Allocating plots to families without plots. Providing basic facilities like sewerage system, electrification, internal roads and drinking water to families living in housing colonies.					

Name of Scheme:	HSG-4 Land Development					
Components & Activities	According to the poverty alleviation program in rural areas of the State, free plots are provided to the families eligible for house construction under the State government housing scheme as per the resolution of the panchayat Department dated 1/5/2017, and in cases where land needs to be levelled, the State government has provided a development cost of Rs. 1000/- per plot under the land development scheme and a cost Rs.50000/- per hectare has been provided if the land with potholes in the village floor is to be leveled.					
Intended Beneficiaries:	allotment of plots to families without plots					
Scale of Assistance :	as per the guidelines of Government					
Implementing Agency	taluka panchayat					
Funding Pattern (in %):	State	100	Central:	-	other	
Expected Outcome:	Under the poverty alleviation programme in the rural areas of the State, the State Government provides free plots to eligible families for house construction under the housing scheme, as per the resolution of the Panchayat Department dated 01/05/2017. Further, in cases where land leveling is required, the State Government has made provisions under the Land Development Scheme for a development cost of ₹1,000 per plot, and where uneven village-site land with pits and mounds is required to be leveled at one time, a provision of ₹50,000 per hectare has been made.					

Name of Scheme:	71-2505-02-101-05 (CSS) 71-2505-02-101-06 (SS) 95-2505-01-789-02 (CSS) 95-2505-01-789-03 (SS) 96-2505-01-796-06 (CSS) 95-2505-01-796-07 (SS) Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA)
Components & Activities	Wage & Material are the components, The main Activity is providing employment for minimum 100 days.
Intended Beneficiaries:	Semi-Skilled & Unskilled Labour
Scale of Assistance:	Wage Rate: - Rs. 288/Per Day/ Per Person
Implementing Agency	State Level: Commissionerate of Rural Development District Level: District Rural Development Agency Taluka Level: Taluka Panchayat
Funding Pattern (in %):	GoG: 25 GoI: 75 Others: ----
Expected Outcome:	Gujarat State will be planned approx. 354.23 lakh man-days in FY 2026-27. Approx. total of 2.55 lakh works for individual/community will be planned under MGNREGA in FY 2026-27.

Name of Scheme:	71-2216-03-105-03 (CSS) 71-2216-03-105-04 (SS) 95-2216-03-789-02 (CSS) 95-2216-03-789-03 (SS) 96-2216-03-796-21 (CSS) 96-2216-03-796-22 (SS) Pradhanmantri Awas Yojana (Gramin) (PMAY-G)
Components & Activities:	Construction of pucca house through financial assistance to the homeless families living in rural areas and living in kachchha houses in rural areas.

Intended Beneficiaries:	
Scale of Assistance:	- Beneficiaries get assistance of Rs.1,20,000/-, and funds are transferred directly to his/her bank account in stages. Apart from this, the beneficiary is eligible to get assistance of Rs.25,920/- for employment under MGNREGA scheme and Rs.12,000 for toilet construction under Swachh Bharat Mission-Gramin, total Rs.1,57,920/-. - With a view to supporting rural beneficiaries in the construction of pucca houses, the State Budget for the financial year 2025-26 has made a provision for additional assistance of ₹50,000 per beneficiary, funded through 100% State contribution, to be released at the roof-cast level of house construction. This assistance is applicable to beneficiaries targeted during 2024-25 and future years. - Further, the State Government (100% State share) provides an additional ₹20,000 as an incentive under the “Mukhyamantri Protsahak Yojana” if the beneficiary completes the house within six months from the release of the first instalment. - State Government (100% State Share) Keeping in view the needs of female members of the family, an additional ₹5,000 per beneficiary is also provided for bathroom construction under the Bathroom Bandhkam Sahay Scheme.

Implementing Agency (Name of HoD):	State Level: Commissionerate of Rural Development District Level: District Rural Development Agency Taluka Level: Taluka Panchayat
Funding Pattern (in %):	GoG: 40 GoI: 60 Others: ----
Expected Outcome: (in 200 words)	Under the Pradhan Mantri Awas Yojana – Gramin (PMAY-G), pucca houses with basic amenities have been provided to homeless families in rural areas and to families living in kutcha or dilapidated houses. This housing support has significantly improved the standard of living, health, hygiene, and overall well-being of rural households.

Name of Scheme:	71-2215-02-105-02 (CSS) 71-2215-02-105-03 (SS) 95-2215-02-789-01 (CSS) 95-2215-02-789-02 (SS) 96-2215-02-796-07 (CSS) 96-2215-02-796-08 (SS) Swachh Bharat Mission (Gramin) Phase-2
Components & Activities:	• Admin • IEC – Wall painting Slogan writing Short film Street play Radio jingles • IHLS • SWM – Door to door collection Segregation shed. Compost pit Plastic waste management • LWM – Soak pit Faecal sludge management-

	FSTP/STP
Intended Beneficiaries:	• BPL, • APL, • SC/ST, • Persons with disability, • Widow/old age pensioners, • Landless labourers with homestead, • Small Farmers, • Marginal Farmers, • Women headed households
Scale of Assistance:	• An assistance of ₹12,000 is provided for the construction of toilets • Up to 5000 population: - Solid waste management: Up to Rs.60 per capita Greywater Management: Up to Rs.280 per capita • Above 5000 population: - Solid waste management: Up to Rs.45 per capita Greywater Management: Up to Rs.660 per capita • Plastic waste management unit per block Up to Rs.16 lakh per unit • Faecal sludge management Up to Rs.230 per capita • GOBAR-Dhan projects Up to Rs.50 lakh per District • Community Sanitary Complex (CSC) per unit Rs.3 lakh
Implementing Agency	State Level: Commissionerate of Rural Development District Level: District Rural Development Agency Taluka Level: Taluka Panchayat
Funding Pattern (in %):	GoG: 40 GoI: 60 Others: ----

Expected Outcome:	• Improve the living standards of the people in rural areas through individual toilets. • There will be improvement in the health of people living in rural areas. • Due to the cleanliness in the rural area, the standard of rural life will be improved.
-------------------	---

Name of Scheme:	71-2501-05-101-05 (CSS) 71-2501-05-101-06 (SS) 95-2501-05-789-02 (CSS) 95-2501-05-789-03 (SS) 96-2501-05-796-03 (CSS) 96-2501-05-796-04 (SS) Pradhan Mantri Krishi Sinchayee Yojana- Watershed Development Component 2.0(PMKS Y WDC 2.0)
Components & Activities:	Entry Point Activity, Natural Resource Management, Livelihood for Asset less & Micro-enterprises and Production System.
Intended Beneficiaries:	Area Development Programme (Community of projects villages)
Scale of Assistance:	
Implementing Agency	State Level: Gujarat State Watershed Management Agency District Level: District Watershed Development Unit Taluka Level: Project Implementing Agency (PIA)
Funding Pattern (in %):	GoG: 40 GoI: 60 Others: ----

Expected Outcome:	Planned works and activities successfully to be completed, and visible reduction in soil erosion, increase in ground water table, and enhanced green cover over both arable and non-arable lands surfaces in the project area. Watershed projects are planned to provide alternative livelihood options for all members of the communities in the project area – farmers, landless agricultural labourers, pastoralists, artisans, etc., to ensure economic growth and environmental sustainability in the area.

- To continuously enhance available technical facilities by developing speedy high quality construction technology to ease living standards.
- Allotment of new projects and resources based on scientific approach.
- To establish high standards in Road Safety and transportation with proper facilities.

Strategy:-

- Maximum Utilization of available Institutions.
- Outsourcing of Funds from External Institutions.
- Implementation of Scheme through beneficiary partnership.
- Funding through PPP model.

SCHEMES:

Name of Scheme:	Mukhya Mantri Gram Sadak Yojana
Components & Activities :	New connectivity for non plan roads, resurfacing of plan/non plan road , Widening of M.D.R/ O.D.R. /Through route , New connectivity to villages of hamlets, missing link/missing CD works, school approach roads, bridges in place of causeway, Tribal area forest roads, Plan earthen to B.T roads and Plan W.B.M. to B.T roads.
Intended Beneficiaries:	Improvement of rural road network
Scale of Assistance:	In current year Rs.5005.00 Cr. from regularly Budgetary support
Implementing Agency:	Panchayat, R&B Department, GoG
Funding Pattern (in %):	GoG: 100% GoI: 0% Others: 0%
Expected Outcome:	Road & Building Department had launched Mukhya Mantri Gram Sadak Yojana in Year 2019-20 for the three years i.e.,year -2019-20 to 2022-23. Under this scheme 18000 villages and 16245 Habitations will be connected with the good quality all weather road. This schemes includes new connectivity for Nonplan roads, resurfacing of plan/nonplan raod , Widening of M.D.R/ O.D.R. /Through route , New connectivity to villages of hamlets, missing link/missing CD works, school approach roads, bridges in place of causeway, Tribal area forest roads, earthen to B.T roads and W.B.M. to B.T roads.

Name of Scheme:	(i) Operation and Maintenance of Rajkot-Bagodara toll Road (ii) To take up the work of six laning of Ahmedabad-Bamanbore section N.H.47 and Bamanbore-Rajkot section of N.H.27.
Components & Activities :	Operation and Maintenance and Six laning with structures
Intended Beneficiaries:	Public

Scale of Assistance :	-
Implementing Agency:	R&B Department (N.H.)
Funding Pattern (in %):	GoG: 100% GoI: 0% Others: 0%
Expected Outcome:	(i) Four laning work of Bagodara-Rajkot was completed in the year 1999-2000 with the assistance of Hudco loan. Government of Gujarat is collecting toll tax on this section, hence to kept this length in trafficable condition for which provision of periodical renewal/strengthening is required. (ii) Four laning work of Bagodara-Rajkot was completed in the year 1999-2000 with the assistance of Hudco loan. (iii) Government of Gujarat is collecting toll tax on this section. Now considering traffic volumes and road safety. (iv) The work of six laning is proposed on the same guideline. Government of Gujarat has prepared project report amounting to Rs.3350.00 Cr. Toll tax is proposed at 4 location and six laining work is under progress which is physically 97 % completed out of 197 Km. 193 Km. length of the road is completed and out of 38 Structure 28 structure completed.

Name of Scheme:	(1) Constructing and Maintenance of Railway Over bridge under project on Public Private Partnership mode basis of Various Places. (2) Connecting Railway Over Bridge/Under Bridge in place of existing level crossing having more than one lac TVU on cost sharing basis with railways. (3) Provision for equity contribution in SPV for Ahmedabad Mumbai High Speed Rail. (4) Assistance and Related activity for development of 20 Railway Station on PPP basis in the State. (5) Construction of Railway Over bridge on level crossing under cost sharing with Railway on DFCC Route.
------------------------	--

Components & Activities :	Railway Over Bridge/Under Bridge
Intended Beneficiaries:	Public
Scale of Assistance :	-
Implementing Agency:	R&B Department (N.H.)
Funding Pattern (in %):	From Budget provision /Railway cost Sharing 50 %: 50%
Expected Outcome:	(1) Level crossing on the railway are major conflict point on the road. This needs construction of Railway over bridge for smooth and safe traffic plying of the road vehicle. It will also be beneficial to Railway as it will be safe and reduction in time consumption of Railway Journey. Railway has proposed a scheme of construction of Railway over bridges on cost sharing basis in 50 % 50 % with State Government. Construction of ROB at level crossing having TVU more than 1.00 Lacs is be beneficial to traffic. The work was proposed on Annuity basis. The work of 4 ROB has completed. (2) Level crossing on the railway are major conflict point on the road. This needs construction of Railway over bridge for smooth and safe traffic plying of the road vehicle. It will also be beneficial to Railway as it will be safe and reduction in time consumption of Railway Journey. Railway has proposed a scheme of construction of Railway over bridges on cost sharing basis in 50 % 50 % with State Government. The works are proposed at level crossing of different districts having high vehicular traffic. (3)Central Government has taken up Ahmedabad-Mumbai High Speed rail project with aid of Japan Government. For proposed SPV share of present equity is Railway(50 %), Gujarat(25%) and Maharstra State (25%) . In year 2025-26 , 1) Modernization of Karma yogi Bhavan Block no.4 at Gandhinagar will be completed 2) Construction of new office building for state govt./Semi govt./central govt. offices.(Redevelopment of Dr.J.M.Bhavan,two new block)3) Providing comprihencing architectural engineering and interior services for face leafting, open floor repairing up gradation of the internal areas block no. 1 to 14, swarnim sankool-1 & 2, vidhansabha campus at new sachivalay gandhinagar.
-------------------	--

Name of Scheme:	087/4217/01/051/03 UDP-28- Roads & Bridge
Components & Activities :	Maintaing and Strengthening, Widening and Raising of Main road of Gandhinagar Township.
Intended Beneficiaries:	People of Gandhinagar
Scale of Assistance :	
Implementing Agency:	CE(CP) A.S. Gandhinagar
Funding Pattern (in %):	GoG: 100 Gol: 0 Others: 0
Expected Outcome:	Main roads of Gandhinagar city will be maintained. Resurfacing of existing roads will be carried out as per requirement by which people of city will get facility of better surfaced and wide roads due to which chances of accident and traffic jam problems will reduce.

Name of Scheme:	087/4217/01/051/04- Urban Development.
Components & Activities :	Operation and Maintenance of Water supply scheme and Drainage Scheme of Gandhinagar City
Intended Beneficiaries:	People of Gandhinagar
Scale of Assistance :	-

Implementing Agency:	CE(CP) A.S. Gandhinagar
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	1) Drainage and water supply sscheme will remain functioning during the year. Note : STP-Jaspur & Sargasan Plant Handed Over to Gandhinagar Municipal Corporation.

Name of Scheme:	1) 5054-03-337-16 Privatisation of Road and Bridge 2) 5054-03-337-19 GSRDC Ltd. 3) 3054-03-337-20 Payment to Concessionaire in lieu of Toll Tax 4)5054-03-337-11 connecting railway over bridge /under bridge in place of existing level crossing having more than 1 lac TVU on cost sharing basis with railway .(ROB cost sharing)
Components & Activities :	GSRDC is entity owned by Govt. of Gujarat, which is entrusted the work of expansion / widening / improvement of State Highways, mostly on PPP & NBR basis. The existing State Highways are widened to 10m. Or 4 lane/6 lane. It is also taking up work of 4 lanning from existing 2 lane highways. Also, Construction of Railway Over Bridge on cost sharing basis with Railways is taken up by GSRDC.
Intended Beneficiaries:	The roads catering good potential traffic and having large effect on economy of State are taken up. So, the common people across the State and investors, industries, tourist places, pilgrim places, parts area of the state are getting fruits of Developed infrastructure of the State.
Scale of Assistance :	GoG: 100 GoI: 0 Others: 0
Implementing Agency:	GSRDCL GANDHINAGAR
Funding Pattern (in %):	GoG: 100% GoI: - Others: -
Expected Outcome:	Better service to citizens

Name of Scheme:	Two lane to Four Lane Radhanpur sami harij chanasma road-60km
Components & Activities :	Civil Works, Institutional Development and Road Safety
Intended Beneficiaries:	-
Scale of Assistance :	-
Implementing Agency:	PIU (WB)
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	Radhanpur-Sami-Harij Road from Km 0/00 to 60+410 (S.H. 55) is an important State Highway located in a border area, connecting Radhanpur and Chanasma. At present, the said road is a two-lane road. The above-mentioned road is an important route connecting Radhanpur with Chanasma and Mehsana. For upgrading the structures on the said road to four lanes, Hon'ble Member of Parliament Shri Bharatsinhji Dabhi, (03-Patan Lok Sabha), has made a representation for converting the Bagdoya Bridge into a four-lane bridge. Additionally, Hon'ble MLA Shri Lavingji Thakor (16-Radhanpur Assembly Constituency) has also submitted a representation to the Hon'ble Chief Minister. Moreover, this road is an important route connecting to the Shamlaji Tourist Circuit.

Name of Scheme:	Data Collection Works (State owned Project)
Components & Activities :	Data Collection Works for CRN of Gujarat
Intended Beneficiaries:	The Overall objective of this service is to collect data as per GujRAMS Requirement and implement GujRAMS on core road network.
Scale of Assistance :	-
Implementing Agency:	PIU (WB)
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0

Expected Outcome:	The main objective of this service includes collection of spatial data of roads, bridges, culverts and other assets; data for inventory of R & BD assets and other features within ROW. The data shall be collected using NSV, FWD and other manual and semi-automated means.
-------------------	---

Name of Scheme:	Bridge Works (State owned Project)
Components & Activities :	Civil Works (Bridge works), Institutional Department and Road Safety
Intended Beneficiaries:	Every citizen
Scale of Assistance :	-
Implementing Agency:	PIU (WB)
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	Construction of New 6 lane Bridge on Mehasana-Himatnagar highway across sabarmati river (Km 146/700) & New 4 lane Bridge on Radhanpur-Chanasma highway across Banas river (Km 6/000 to 7/000)

Name of Scheme:	Roads Works (financed by World bank, now State owned Project)
Components & Activities :	Civil Works, Institutional Department and Road Safety
Intended Beneficiaries:	The project would directly maintain the condition, and safety of about 60 Km. of State Highways.
Scale of Assistance :	-
Implementing Agency:	PIU (WB)
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	Level of Service of 60km. state highway is being maintained

Name of Scheme:	Roads Works (financed by World bank, now State owned Project)
Components & Activities :	Civil Works, Institutional Department and Road Safety
Intended Beneficiaries:	The project would directly maintained the condition, and safety of about 345 Km. of state Highways.
Scale of Assistance :	-
Implementing Agency:	PIU (WB)
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	Level of Service of 345km. of state Highway is being maintained

Name of Scheme:	DBFOT - Annuity
Components & Activities :	Development Operation and maintenance of State Highways by Concessionaires
Intended Beneficiaries:	Ports, SEZ, Industrial Zones, Industrialists and State Highway users.
Scale of Assistance :	Public Private Partnership Model
Implementing Agency:	State Highway Development Project (cell)
Funding Pattern (in %):	GoG: 100% GoI: NIL Other: NIL
Expected Outcome:	Development Operation and maintenance of State Highways passing through - Connecting SEZ, Ports, Industrial Zones, Industrial Area under DBFOT- Annuity Basis. Development of 138 K.m. length of State Highways with widening in 10.00 meters with paved shoulders by concessionaires. Design, Construction, operation and maintenance for 12 years by concessionaires for payment of Annuity to the concessionaires Rs. 84.15 crore have been demanded and for payment of consultancy fees to independent Engineer Rs. 1.5 crores demanded for the Budget for the 2026-27.

REVENUE DEPARTMENT

About Department

Gujarat is one of the developed and prosperous states in our country, therefore demands for land for purposes other than agricultural has increased manifold in our state. Therefore, it is essential to keep updated land record which is the main activity of the Revenue Department of Gujarat.

Objectives

- Provide a transparent and client –friendly administration
- Evolve policy to address changing trends
- Simplify procedure in the delivery of services
- Identify and implement ways and means to enhance resource through proper land management and registration of documents
- Create a committed and responsive staff through capacity building and better personnel management
- Transparent, fast and instant redressal

Strategies

- Paperless (E-Sarkar) Administration.
- Digitization of 7/12 and 8/A by computerization of land records project.
- Online mutation operation in all talukas under e-dhara Project.
- Simplification of process of land allotment for various non – agricultural purposes, vide Government Resolution dated 06/06/2003.
- Accurate & timely maintenance of revenue records
- Strengthening of City Survey office to provide property card and maps having particular details of houses, roads, open space etc. Which can be useful for urban planning, own land acquisition for various infrastructure projects i.e. irrigation, roads, water supply, drainage and Gas line etc.
- Land acquisition portal has launch for faster and error free land acquisition process.

Schemes:

Name of Scheme:	LND-23: Introduction of Village Site Survey by Drone - Svamitva Scheme.
Components & Activities :	-
Intended Beneficiaries:	Property holders of village site area
Scale of Assistance:	-
Implementing Agency:	Settlement Commissioner and director of Land records
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	To prepare 2,00,000 property cards

Name of Scheme:	Introduction of City Survey in Important Towns and Cities in the State. UDP-1
Components & Activities :	-
Intended Beneficiaries:	Property holders of city area.
Scale of Assistance :	-
Implementing Agency :	Settlement Commissioner and director of Land records
Funding Pattern (in %):	GoG- 100% GoI: -0 Others: -0
Expected Outcome:	To prepare 20,000 property cards

Name of Scheme:	LND-16 (77:2030:02:001:01)
Components & Activities :	Scanning and Printing of Registered Property Documents.
Intended Beneficiaries:	-
Scale of Assistance :	Not Applicable
Implementing Agency :	Revenue Department
Funding Pattern (in %):	GoG- 100% GoI: - Others: -

Expected Outcome:	The printing thumb impression of parties, scanning, uploading etc. is done with an aim to provide transparent and quality service to the citizens in a speedy manner through I.T. services. It is proposed to scan, upload and print approx. 22.5 lakh

Social Justice and Empowerment Department

The main task of the Government of Gujarat's Social Justice and Empowerment Department is to ensure the economic development and empowerment of persons belonging to society's underprivileged sections as under:

- Scheduled Castes
- Socially and Educationally Backward Classes
- Economically Backward Classes
- Minority communities
- Nomadic and Denotified Tribes
- Physically and mentally challenged persons.

Welfare Schemes are also being implemented by this Department for the orphans, destitute persons, beggars and old aged persons.

Objectives

- To create awareness and a positive environment for development of the vulnerable sections in the State.
- To implement the welfare schemes for education, economic & social development of castes and communities which falls under Socially and Educationally Backward Classes, Scheduled Castes, Economically Backward Classes, Minorities, Nomadic-Tribes and Denotified Tribes.
- To implement various schemes for Education Development, Economic & Social Development and Other Schemes for Prevention of Untouchability and Atrocities against Scheduled Castes.
- To eliminate inequality within the State so as to move towards an inclusive growth.
- To achieve above objectives, 3 directorates are working under Social Justice and Empowerment Department.

Strategies

- Ensure that minimum desirable levels of income are achieved by introducing schemes that will give educational & economic concession.
- Provide the basic minimum needs to the Socially and Educationally Backward Classes, Scheduled Castes, Economically Backward Classes, Minorities, Nomadic-Tribes and Denotified Tribes population in the villages.
- Various shelter homes are being introduced that provides free clothing, bedding, protection and Education.
- Regular monitoring of the schemes introduced for the welfare of the various deprived castes.
- Interventions for welfare of older persons for their wellbeing.
- Provisions for protection of child rights for their better and secure future.

Schemes

Name of Scheme	OBC-1 92 2225 03 277 01 Incentives for Pre Metric Education for Backward Class (Scholarship, Uniform, Cycle etc.)													
Components & Activities	Socially and Educationally Backward Classes and Economically Backward Classes students studying in Std. I to VIII are given scholarships, uniform assistance and girl students studying in Std. IX are given cycle free of cost.

Tribal Development Department

As per Article 46 of the Constitution of India the State is under obligation to promote the weaker sections of the society and in particular the Scheduled Tribes with special care, in the field of Education and Economic development and to protect them from social injustice and against all forms of exploitation. In order to fulfil this mandate, special efforts are being made by the State Government to bring rapid socio-economic development of the Scheduled Tribes.

In Gujarat, the Tribal Development department implements various schemes for Scheduled Tribes for educational development, for economic upliftment & social development and for prevention of atrocities against Scheduled Tribe through the Commissioner of Tribal development, the Project Administrators in Field level. The developmental activities are also taken up by the development Support Agency of Gujarat, Eklavya Society, and the Gujarat State Tribal development Corporation.

Objectives

Unfolding the capabilities of tribal people through strategic planning suited to tribal culture and institutions in a process of assimilation and integration with the mainstream of society bringing social justice and prosperity in Tribal Gujarat

Strategies

- Engaging tribal community in the designing and implementation of schemes, projects and programs.
- Socio economic development of all tribal families by providing access to all necessary amenities
- Outcome oriented, mission mode time bound interventions to bridge the gap between tribal community and the mainstream community.
- Convergence with various departments of Government of Gujarat and Government of India for effective planning and implementation of various schemes.
- Quality social and civil infrastructure, and generation of sustainable employment in tribal areas of Gujarat through productivity enhancement in Agriculture, Animal Husbandry, Quality skill training, Development of modern, scientific and technical facilities, Quality Primary, Secondary and Tertiary Education.

- Digital connectivity of the tribal areas through broadband connectivity and WI-FI hotspots at par with the mainstream areas for inclusive development of tribal areas of Gujarat in this era of digital disruption.
- Use of modern technology and ensuring quality infrastructure, training and modern facilities to lead tribal communities in the age of global linkages, information technology and value addition
- Facilitating integration of the tribal areas with the E-commerce platform to tap the considerable demand of tribal products that will result into accelerated economic development of the tribal community.

Schemes

Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome:	For the purpose of educational and social development of tribal people

Name of Scheme:	VKY-69: Tribal University 96-2225-02-796-68
Components & Activities	Tribal University at Rajpipla district Narmada has been sanctioned during the year 2016-17. For the construction & other requirement of University.
Intended Beneficiaries:	-
Scale of Assistance :	As Per Scheme.
Implementing Agency	Registrar, Birsa Munda Tribal University, Rajpipla.

Funding Pattern (%):	GoG : 100% GoI : 0% Others : 0%
Expected Outcome:	Educational Development

Name of Scheme:	Pradhan Mantri Aadiwasi Nyaya Maha Abhiyan 96-4225-02-796-22
Components & Activities	Construction of multi-purpose centres in villages inhabited by tribal communities
Intended Beneficiaries:	Construction of 39 multi-purpose centres in 39 villages
Scale of Assistance :	As Per Scheme.
Implementing Agency	Project Administrator
Funding Pattern (%):	GoG : 0% GoI : 100% Others : 0%
Expected Outcome:	Anganwadi facilities and health related services will be provided to villages inhabited by tribal communities.

Name of Scheme:	Dharati Aaba Janjatiya Gram Utkarsh Abhiyan 96-2225-02-796-45
Components & Activities	The Government of India has launched Dharati Aaba Janjatiya Gram Utkarsh Abhiyan as a special campaign to accelerate the development of tribal in the country.
Intended Beneficiaries:	-
Scale of Assistance :	As Per Scheme.
Implementing Agency	Concerned Dept./District Collector/Project Administrator
Funding Pattern (%):	GoG : 0 % GoI : 100% Others : 0%
Expected Outcome:	social - Economic Development

SCIENCE AND TECHNOLOGY DEPARTMENT

Department of Science and Technology has been vested with the responsibility of promoting the use and application of various emerging technologies such as Information Technology, Bio Technology, Geo-Spatial Technology, Seismological Research, etc. in the State. Department maintains the State Data Centre as well as the Gujarat State Wide Area Network. The Department has, through its organizations built capacities for telecast of educational channels through BISAG – 16 channels for the State Government and 34 channels for the Government of India,

The important organizations under DST include Institute of Seismological research, Biotechnology Mission and Council for Science City as well as GUJCOST. The Department also facilitates in organizing promotional events such as Gujarat Science Congress, National Summit on Innovation and Technology and works pro-actively with bodies of ICT, Biotech and Science professionals for promotion of research and development in Science and technology.

The Department obtains all its objectives through its organizations such as Director of Information & Technology, Gujarat Informatics Ltd. for the ICT; the Gujarat State Biotechnology Mission for the biotechnology related activities, the Institute of Seismological Research (ISR) for activities related to earth sciences and seismology, the Gujarat Council of Science City to operate science city as a museum , and the Gujarat Council of Science & Technology for the community outreach and awareness programmes; and BISAG for telecast of educational channels and development GIS applications.

Objectives

- Department of Science & Technology is vested with the objective of promoting the development of an application of different sciences and technologies in the State such as Information Technology, Biotechnology, Geo-Spatial Technology, Earth Sciences and for making the community aware towards and friendly for the scientific aptitude and temper.

Strategies

- To meet with the specific objective, the Department works on three strategies viz. :
 - a) Development of Research and Development, investment for R&D and manufacturing of technology driven products.

- b) Development of a strong technology infrastructure in the State to support the public sector organizations as well as private sector institutions for their operational and development needs and;
- c) Science based outreach and awareness programme for the community.
- To meet with the sectoral objectives, the Department is driven mostly by sectoral policies such as Procurement Policy, e-Governance Policy, Electronics Policy, Information Technology Policy, Biotechnology Policy, Start-up Policy and is currently developing a policy for Science and Technology to cater to other areas of sciences and technologies.

Schemes

Name of Scheme:	STP- 17 (3425-60-200-01)
Components & Activities	Operation and Maintenance
Intended Beneficiaries:	Students & General Public
Scale of Assistance	GOG-100%
Implementing Agency	Gujarat Council of Science City
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome	Repair & Renovation and O & M of Science Gallery of Gujarat Council of Science City for Phase-I & Phase-II

Name of Scheme:	Other Capital (5425 00 600 01)
Components & Activities	Gallery and Exhibits
Intended Beneficiaries:	Students & General Public
Scale of Assistance	GOG-100%
Implementing Agency	Gujarat Council of Science City
Funding Pattern (in %):	GoG-100% GoI: Others:
Expected Outcome:	It will be equipped with unique and innovative galleries. The design and construction of which will become a landmark to attract, encourage and inspire the curious students and general public by becoming a platform for future science and technology.

Name of Scheme:	STP-22 (3425 60 600 01)
Components & Activities	Science Popularization Activity
Intended Beneficiaries:	Students & General Public
Scale of Assistance	GOG-100%
Implementing Agency	Gujarat Council of Science City
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome	Science City celebrates every year in a scientific days to make science accessible to the students and general public. In which various seminars and workshops will be organized as well.

Name of Scheme:	3425-60-200-04 STP38 Institute of Seismological Research
Components & Activities	24*7 Seismicity Monitoring of Gujarat State, Rapid Online Seismic Network for Gujarat State, A Study on electromagnetic earthquake precursors using long term high precision Geomagnetic measurements, Up-gradation of GPS network of ISR for Crustal-deformation measurements in Gujarat using GPS Network, Geochemistry and Geochronology facility' at Institute of Seismological Research & Development of Earthquake Early warning System for Gujarat (DEEWSG)
Intended Beneficiaries:	People all over Gujarat State
Scale of Assistance	No
Implementing Agency	Institute of Seismological Research
Funding Pattern (in %):	GoG - 100% GoI: Nil Others: Nil
Expected Outcome:	This project aims to establish a comprehensive, multi-hazard monitoring and mitigation system for Gujarat, involving ~ Earthquake Precursory Monitoring: A network of 20 Earthquake Precursory Monitoring Stations to track geophysical and geochemical signals. Strong Motion Accelerographs: Installation of two 100-meter deep borehole strong motion accelerographs, a first-of-its-kind initiative in India, and 10 low-cost strong motion accelerographs (SMAs) on critical infrastructure to enhance seismic data collection, building health monitoring, and generation of shake maps and Coastal Hazard Mapping: GIS-based mapping of coastal regions prone to multiple flooding disasters, including cyclones, tsunamis, and sea-level rise

Name of Scheme:	IT/ITES Sector Policy
Components & Activities :	1. Financial Incentives : - CAPEX, OPEX, interest & electricity duty support
	2. Employment Generation: - Employment Generation Incentive, EPF support

	3. Skill Development: -DBT for IT skills, training programs
	4. IT Infrastructure:- IT Parks, townships, plug-and-play spaces
	5. Ease of Doing Business: -Single-window facilitation, approvals
	6. Emerging Technologies: -AI, R&D, CoEs, innovation programs
Intended Beneficiaries:	1. IT/ITeS companies (domestic and multinational)
	2. Startups and MSMEs in IT/ITeS sector
	3. Global Capability Centers (GCCs)
	4. IT Park developers and infrastructure providers
	5. Co-working space operators
	6. Skilled youth and IT professionals of Gujarat
	7. Institutions engaged in IT skill development and emerging technologies
Scale of Assistance	1. Capital Expenditure (CAPEX) support to eligible IT/ITeS units and parks
	2. Operational Expenditure (OPEX) support for eligible units for a defined period
	3. Employment Generation Incentive on a per-employee basis
	4. Employer's EPF reimbursement under Atmanirbhar Gujarat Rojgar Sahay
	5. Interest assistance on term loans
	6. 100% reimbursement of electricity duty
	7. Rental subsidy for units operating from approved ICT co-working spaces
	8. Financial support for skill development and training through DBT
Implementing Agency	Director of ICT and e-Governance
Funding Pattern (in %):	GoG- GoI: Others: GOG
Expected Outcome:	The IT/ITeS Policy 2022-27 of the Government of Gujarat is expected to significantly strengthen the state's position as a preferred destination for information technology and IT-enabled services. A key outcome of the policy is substantial

	employment generation, particularly for skilled youth, through the expansion of IT/ITeS units, Global Capability Centres, startups, and allied services.
	The policy is expected to attract large-scale domestic and foreign investments by providing a robust incentive framework, ease of doing business, and investor-friendly facilitation mechanisms. Development of world-class IT infrastructure, including IT parks, data centres, plug-and-play facilities, and ICT co-working spaces, will create a strong and sustainable digital ecosystem across the state.
	Another important outcome is the promotion of innovation and entrepreneurship, with focused support for startups, emerging technologies, research and development, and industry-academia collaboration. The policy also emphasizes skill development and talent enhancement, ensuring the availability of an industry-ready workforce aligned with current and future technology requirements.
	Through targeted interventions in Tier-II and Tier-III cities, the policy aims to ensure balanced regional development, spreading the benefits of IT-led growth beyond major urban centres. Overall, the policy is expected to enhance IT/ITeS exports, strengthen the digital economy, and contribute significantly to Gujarat's long-term economic growth and global competitiveness.

Name of Scheme:	GCC Sector Policy
Components & Activities	1. Financial Incentives : - CAPEX, OPEX, interest & electricity duty support 2. Employment Generation: - Employment Generation Incentive, EPF support 3. Skill Development: -DBT for IT skills, training programs 4. Ease of Doing Business: -Single-window facilitation, approvals

	5. Global Value Chain Integration: - Attract and integrate GCCs into global enterprise value chains for innovation, analytics, digital transformation, and services.
Intended Beneficiaries:	1. Global Capability Centres (GCCs) 2. Startups and MSMEs in GCC sector 3. Skilled youth and IT professionals of Gujarat 4. Institutions engaged in skill development and emerging technologies
Scale of Assistance	1. Capital Expenditure (CAPEX) support to eligible IT/ITeS units and parks 2. Operational Expenditure (OPEX) support for eligible units for a defined period 3. Employment Generation Incentive on a per-employee basis 4. Employer's EPF reimbursement under Atmanirbhar Gujarat Rojgar Sahay 5. Interest assistance on term loans 6. 100% reimbursement of electricity duty 7. Rental subsidy for units operating from approved ICT co-working spaces 8. Financial support for skill development and training through DBT
Implementing Agency	Director of ICT and e-Governance
Funding Pattern (in %):	GoG- GoI: Others: GOG
Expected Outcome:	The Global Capability Centre (GCC) Policy 2025–30 of the Government of Gujarat is expected to position the state as a preferred destination for global delivery and capability operations of multinational firms. A key outcome of the policy will be the establishment and growth of GCCs, resulting in strategic global investments and the creation of a vibrant ecosystem for high-value services such as digital transformation, analytics, fintech, and enterprise operations.
	The policy aims to generate significant employment opportunities, particularly for youth and professionals in technology, business services, and knowledge-based roles,

	thereby enhancing local participation in global value chains. Through targeted incentives and infrastructure support, the policy is expected to attract substantial capital investment, contributing to economic growth and increased competitiveness of Gujarat's business environment.
	Another major expected outcome is the development of a skilled and globally competitive workforce, supported by training, certification, and industry-academia collaboration. The policy also anticipates the strengthening of innovation ecosystems, encouraging GCCs to collaborate with startups, research institutions, and service partners, which will enhance Gujarat's capabilities in emerging technologies.
	Overall, the GCC Policy 2025–30 is designed to fuel economic diversification, enhance export-oriented services, and establish Gujarat as a global hub for capability centres, fostering inclusive growth and long-term sustainable development.

Name of Scheme:	Establish an ICT co-working space-IT Park
Components & Activities :	IT/ITeS Park and co-working space development
Intended Beneficiaries:	-
Scale of Assistance	-
Implementing Agency	Director of ICT and e-Governance
Funding Pattern (in %):	GoG- 100% GoI: 0% Others: 0%
Expected Outcome:	The development of IT/ITeS Parks and ICT Co-working Spaces under the Gujarat IT/ITeS Policy 2022–27 is expected to significantly strengthen the state's IT ecosystem and accelerate sectoral growth. A key outcome is the creation of world-class infrastructure that provides plug-and-play office facilities, modern amenities, and high-quality connectivity, enabling IT/ITeS companies, startups, and SMEs to establish operations

	quickly and efficiently. These parks and co-working spaces are expected to attract domestic and global investments, generating a vibrant business environment and boosting Gujarat's competitiveness as a preferred IT/ITeS destination.
	Another major expected outcome is employment generation, as the availability of high-quality office infrastructure will encourage the expansion of existing IT units and the establishment of new ventures. Startups and small enterprises, in particular, will benefit from flexible, cost-effective co-working facilities, fostering innovation and entrepreneurship.
	The policy also aims to strengthen the overall IT ecosystem through integrated support services, skill development initiatives, and industry-academia collaboration within the parks and co-working hubs. By facilitating balanced regional development, these infrastructure initiatives will encourage IT/ITeS growth in Tier-II and Tier-III cities, reducing concentration in urban centers. Ultimately, the IT/ITeS parks and co-working spaces are expected to enhance digital infrastructure, promote innovation, create jobs, attract investments, and contribute to the growth of Gujarat's knowledge-based economy.

Name of Scheme:	RESEARCH IN BIOTECHNOLOGY		
Components & Activities			
Intended Beneficiaries:	Public		
Scale of Assistance	No		
Implementing Agency	GUJARAT BIOTECHNOLOGY RESEARCH CENTRE		
Funding Pattern (in %):	GoG- 100%	GoI: NIL	Others: NIL

Expected Outcome:	The Gujarat Biotechnology Research Centre (GBRC) is expected to play a significant role in addressing key challenges in the biotechnology sector of the state and promoting advanced research and innovation. With expertise in bio-banking, bio-prospecting, genomics, and bioinformatics, GBRC will strengthen scientific capabilities and enable high-quality, application-oriented research.
	GBRC will undertake research related to the development and utilization of products, prototypes, and processes in diverse sectors such as healthcare, agriculture, environment, marine sciences, and allied fields. These efforts will contribute to sustainable development and improved societal outcomes. In addition to in-house research activities, GBRC will function as a premier collaborative resource center for biotechnology in the state, fostering partnerships among academia, industry, and research organizations, and positioning Gujarat as a leading hub for biotechnology research and innovation.

Name of Scheme:	GST-1 90-3425-60-200-2-0 Science promotion and popularization, training, capacity building and nurturing scientific literacy in the state
Components & Activities	Establishment & Development of Regional Science Centres at Vaodara, Juangadh, Jamnagar, Vadoadara, Surat and Porbandar
	Operation & Maintenance of Existing 4 RSCs
	Establishment & Development of 23 New District Science Centre in the state in 2 acre land with 20 Crore Budget for each DSC.
	Establishment of IP and Innovation Labs in 33 Districts of Gujarat for promoting, protecting, and commercializing local

	intellectual property rights, strengthening economic growth and technological advancement in Gujarat.
	Establishment & Development of Community Science Centres Network in the State (31 CSCs)
	Seminar / Symposia / Workshop / Conference/Training Programme / Exhibitions / Paper Presentation
	Celebration of S & T Days, weeks, month and year
	Science Quiz/Science Drama/Science Jatha/Science Seminar, exhibition and outreach programs and so on.
	Design and Development of Do-It-Yourself (DIY) Kit on STEM for School students and distribution among Govt Schools, Science Clubs across the state with training and orientation workshops
	Research Support Scheme for R&D (RSSR&D) and Technology Demonstration and Pilot Deployment (TDPDS) scheme under STI fund.
	Programme for STEM students on creating and innovation(Like ROBOFEST, Boot Camps amongst STEM institution in the state. (9 Categories in 3 level of competition with training and mentoring
	Establishment for Design Labs for students in the frontier areas of Science, Technology and Innovation front in the State.Training, workshop and recurring expenditure for existing 18 Design Lab
	Establishment of Rudra Super Coputer Facility in the state and organizing training and workshop on existing supercomputer facility for Students and Professors.
	Programme and Activities on Intellectual Property Rights (IPR) in Patent Information Centre (PIC) in GUJCOST

Intended Beneficiaries:	School and College Students, Teacher, farmer, Women and Common People, NGO members, Science Communicators, Media members, Faculties of science, engineering and pharmacy colleges, scientists, research scholars
Scale of Assistance	For Community Science Centre: District Level Centre: Rs.7.50 lakh per year and Regional Level Centre: Rs. 10.00 lakh per year. For other promotional activities, as per the approval of EC/GB of GUJCOST.
Implementing Agency	Gujarat Council on Science and Technology
Funding Pattern (in %):	GoG- 100% GoI: Others:
Expected Outcome:	Development of scientific temper and scientific attitude in daily-life are very much important for socio-economic development of the citizen of Gujarat State. Creating competitive research environment in the State.

Name of Scheme	90-5225-06-190-90-01 Gujarat Fiber Grid Network - (GFGNL) -BharatNet
Components & Activities	Development of a state SPV and implementing the development of the network through it.
Intended Beneficiaries	The state departments.
Scale of Assistance	The state of Gujarat
Implementing Agency	Department of Science & Technology
Funding Pattern (in %):	State funding
Expected outcome: in	Maintaining of GPs Up time for BharatNet Phase-II connected Gram Panchayat

Name of Scheme	90-3225-10-190-01 Gujarat Fiber Grid Network -(GFGNL) BharatNet
Components & Activities	Development of a state SPV and implementing the development of the network through it.
Intended Beneficiaries	The state departments.
Scale of Assistance	The state of Gujarat
Implementing Agency	Department of Science & Technology
Funding Pattern (in %):	State funding
Expected outcome: in	Maintaining of GPs Up time for BharatNet Phase-II connected Gram Panchayat

Name of Scheme	96-3225-10-796-01 Gujarat Fiber Grid Network -(GFGNL) BharatNet
Components & Activities	Development of a state SPV and implementing the development of the network through it.
Intended Beneficiaries	The state departments.
Scale of Assistance	The state of Gujarat
Implementing Agency	Department of Science & Technology
Funding Pattern (in %):	State funding
Expected outcome: in	Maintaining of GPs Up time for BharatNet Phase-II connected Gram Panchayat for Tribal Area

SPORTS, YOUTH SERVICES AND CULTURE ACTIVITIES DEPARTMENT

When the Gujarat State was established on 1st May, 1960, the Sports, Youth and Culture Activities Department was not existing as an independent department, but to boost the youth activities in the state, it was formed as a separate department on 17/12/1990. Vide the new subjects reallocated to the department and the department renamed as Sports, Youth and Culture Activities Department as per the General Administration Department (GAD) notification no. GS (97-26-SKT1197 (3) KU) dated 5/8/1997, from original Youth Services and Cultural Activities Department. This department carried out the activities related to sports, youth, cultural activities, museums, archaeology, libraries, records and manuscript, centenary celebrations, monuments preservation and various cultural academies.

Sport Authority of Gujarat, Sangeet Natak Academy, Gujarat Sahitya Academy and Lalit Kala Academy are operating as autonomous bodies.

Objectives

- To provide wide range of opportunities to emerging sports talent of the state.
- Preservation and Conservation of Archival Records.
- Digitalization of valuable records.
- Engaging into important activities encouraging and developing various arts like paintings, sculpture and photography.
- Promotion of local art and culture of the state.
- Modernization and strengthening public libraries of the state.

Strategies

- Organization of “Khel Mahakumbh” for promotion of sports activities.
- Benefits and rewards to medalists of the Olympic and Asian games.
- Organization of “Kala Mahakumbh” for promotion of arts and culture
- Organizing events of Arts & Culture as well as promotion for Heritage of Gujarat.
- Providing new books, reference resources, furniture & equipment, installing computer programs etc.
- Preservation and conservation of Archival records by latest techniques.

Schemes

Name of Scheme:	95-2204-103-01 Yoga & Personality development camp.
Components & Activities :	Awareness and Personality Development camp, Adventure Training Camp.
Intended Beneficiaries:	Youth of different age group of schedule caste.
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	To enhance and develop leadership skill among youth, training of various component of digital India like e-payment, Cashless payment and also create awareness regarding yoga.

Name of Scheme:	96-2204-796-03 Yoga & Personality development camp.
Components & Activities :	Awareness and Personality Development camp, Adventure Training Camp.
Intended Beneficiaries:	Youth of different age group of Schedule Tribe
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0

Expected Outcome:	To enhance and develop leadership skill among youth, training of various component of digital India like e-payment, Cashless payment and also create awareness regarding yoga.
-------------------	--

Name of Scheme:	98-2204-00-103-01 Promotion of Adventure activities in Gujarat
Components & Activities :	organized at Zone level and State level
Intended Beneficiaries:	13 to 35 years Children (Common)
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner, Youth Services & Cultural Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	trains youth to face natural calamities, disaster activities and rock climbing activities will help youth to become brave and adventurous

Name of Scheme:	98-2204-00-103-01 Financial assistance for land, mountain and marine adventure sports
Components & Activities :	Financial assistance for doing adventure courses and organizing training courses
Intended Beneficiaries:	18 to 45 years
Scale of Assistance :	As per schematic guidelines

Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	financial assistance is given for doing courses recognized in Institutes situated in different parts of the country by Indian Mountaineering Foundation and therefore, more youth will be encourage to do various adventure courses and participants will get awareness of basic rock climbing skills in these non residential rock climbing courses

Name of Scheme:	98-2204-00-103-01 National Rock Climbing Course organized on the inaccessible hills of Girnar
Components & Activities :	National level Rock climbing course is conducted on the inaccessible hills of Girnar and other hilly areas of Gujarat
Intended Beneficiaries:	18 to 45 years
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	Youth from Gujarat and other states will become trained to explore troupes in hilly areas of Gujarat and other hilly region of the country

Name of Scheme:	98-2204-00-103-01 Trekking and summit climbing in the Himalayan region and trekking in the hilly regions of Gujarat
Components & Activities :	Conducted in Himalayan mountain ranges, and hilly regions of Gujarat
Intended Beneficiaries:	18 to 45 years
Scale of Assistance :	As per schematic guidelines
Implementing Agency):	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	Youth will learn and experience trekking programs and also help for them to join other trekking and summit programs in Gujarat as well as other mountain regions of the country and hilly regions of Gujarat

Name of Scheme:	98-2204-00-103-02 Celebration of World Yoga Day
Components & Activities :	District & State Level Yoga Programme for yoga awareness
Intended Beneficiaries:	People of all age group of our state
Scale of Assistance :	As per schematic guidelines
Implementing Agency :	Commissioner Youth Service & Culture Activities Gandhinagar

Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	It helps in spread awareness about our traditional form of yoga. And also beneficiary for public health.

Name of Scheme:	98-2205-00-102-08 Kala Mahakumbh
Components & Activities :	Organizing various art competition at district, zone & state level to promote Art & Culture
Intended Beneficiaries:	Different age group (1) 6 to 14 (2) 15 to 20 (3) 21 to 59 (4) Above-60 Years.
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	Various competition for different age groups were organized at district and state level. Also prize were given to first, second and third winner. This helps in preservation of art & cultural heritage and also accelerate expansion activities.

Name of Scheme:	98-2205-00-102-08 Financial assistance to institutions for conducting cultural programs for blind, deaf and dumb students of Gujarat
Components & Activities :	To conduct cultural programs and provide encouragement to blind, deaf and dumb students of Gujarat.
Intended Beneficiaries:	Blind and Deaf/Mute students of Gujarat
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	The scheme provides incentives to blind, deaf and dumb students of Gujarat to conduct cultural programs and provide dance training.

Name of Scheme:	98-2205-00-102-08 Financial assistance to Helpless artists
Components & Activities :	Financial assistance to Helpless artists of Gujarat
Intended Beneficiaries:	Financial assistance to Helpless artists of Gujarat
Scale of Assistance :	As per schematic guidelines

Implementing Agency:	Commissioner Youth Service & Culture Activities Gandhinagar
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	This scheme is promoted by providing financial assistance to the underprivileged artists of Gujarat.

Name of Scheme:	98 2205 00 105 01 ART – 2 To Pay Pay & allowances & grant to Grant-in-aid libraries.
Components & Activities :	To Pay Pay & allowances & grant to Grant-in-aid libraries.
Intended Beneficiaries :	To Pay Grant to State's 1627 Grant-in-aid libraries
Scale of Assistance :	To pay grants on an improved basis
Implementing Agency:	Directorate of Libraries, Gandhinagar
Funding Pattern (in %):	GoG: 100 GoI: Others:
Expected Outcome:	To Pay Grant to State's 1627 Grant-in-aid libraries & Pay & allowances to Government Employee

Name of Scheme:	98 2205 00 105 04 ART – 23 Raja Ram Mohan Roy Library Foundation, Kolkata.
Components & Activities :	Assistance for Books, Equipment, Computer Networks, Building Construction

Intended Beneficiaries :	2500
Scale of Assistance :	According to the level of libraries
Implementing Agency:	Directorate of Libraries, Gandhinagar
Funding Pattern (in %):	GoG: 50 GoI: 50 Others: 0
Expected Outcome:	2500 Public Libraries will be strengthening to provide efficient library services. To Provide Competitive Exam's Literature for Students/Readers to State Public Library, Government District/Taluka Libraries & to develop their skill for get Government job .

Name of Scheme:	96 2205 796 01 ART – 2 Pay & allowances and grant to grant-in-aid libraries.
Components & Activities :	To Provide Pay & allowances , Grant & Books
Intended Beneficiaries :	To provide the pay & allowances, grants to 271 grant in aid public libraries in state & To provide the pay & allowances to Government libraries
Scale of Assistance :	To pay grants on an improved basis
Implementing Agency:	Directorate of Libraries, Gandhinagar
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0

Expected Outcome:	To provide the pay & allowances, grants to 271 grant in aid public libraries in state & To provide the pay & allowances to Government libraries
-------------------	---

Name of Scheme:	98 2205 00 105 12 ART – 30 Payment of the grant of the state grant-in-aid & city libraries
Components & Activities :	To provided grant of the Grant-in-aid Braille libraries, city libraries, village libraries / recognized union Gujarat Vidyapeeth.
Intended Beneficiaries :	680 Donated Library
Scale of Assistance :	-----
Implementing Agency:	Directorate of Libraries, Gandhinagar
Funding Pattern (in %):	GoG: 100 GoI: 0 Others: 0
Expected Outcome:	To provide Libraries services of the Grant-in-aid Braille libraries, city libraries, village libraries / recognized union &Gujarat Vidyapeeth's Total 680 Grant-in-aid Libraries.

Name of Scheme:	95-2205-00-105 01 ART – 31 To Purchase plan “Dr. babasaheb Ambedakar” Competative Literature
Components & Activities :	Buy Book magazine
Intended Beneficiaries :	Boys/Girls hostels, Samaras Hostel, District/Taluka Libraries, City Libraries, AmbedkarBhavan

Scale of Assistance :	According to level
Implementing Agency:	Directorate of Libraries, Gandhinagar
Funding Pattern (in %):	GoG: 100 GoI: Others:
Expected Outcome:	To Provide Competitive Exam's Books to state's Schedule Caste Boys/Girls hostel's Students & Samaras Hostel. It increases their general knowledge in them.

Name of scheme:	98-4202-03-800-01(Normal), 96-4202-03-796-01(TASP) Sports Complex Development Works under Project Implementation Unit (PIU)
Components & Activities:	Multipurpose indoor hall, sports hostel, table tennis hall, 400m. Synthetic Athletic Tracks, Football Grounds, Tennis Courts, Basket Ball Courts, Kabaddi Grounds, Kho-Kho Grounds, Volleyball Grounds, Swimming Pools etc.
Intended Beneficiaries:	Providing advanced training for each sport by expert coaches to the talented players and providing adequate training and guidance for the various competitions planned from time to time at National and State level.
Scale of Assistance:-	As per planning guidelines
Implementing Agency:	Sports Authority of Gujarat
Funding pattern(in%):-	State : 100% Central : 0 Other : 0

Expected Outcome:	Development of sports infrastructure in the state. Under which construction of 12 district level sports complex and 11 Taluka Sports complexes will be Completed by 2026 and 02 District level sports complexes will be completed by 2027.
-------------------	--

Name of Scheme:	A.R.T.-4 95-2205-796-04 (SCSP) Turi Barot Theatre Revival Scheme
Components & Activities :	Turi Barot Theatre Revival (SCSP)
Intended Beneficiaries:	All Turi Barot artists of Gujarat
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Gujarat Sangeet Natak Academy (State Level)
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	Promoting the preservation and promotion of the art of the Turi Barot community

Name of Scheme:	ART-8 98-2205-102-01 Expansion of art and cultural activities of Gujarat
Components & Activities :	Music, dance, drama, Bhavai, folk dance, folk diaries, awards to artists of Gujarat, seminars/competitions etc.
Intended Beneficiaries:	All artists of Gujarat state (music, dance, drama, bhavai, folk dance, folk diaries)

Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Gujarat Sangeet Natak Academy (State Level)
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	Various art and cultural activities promote folk art and classical dance, music, etc. in the state. Various artists are felicitated with awards for their contribution in the field of art and culture, which motivates the young talented artists of the state to contribute in this field.

Name of Scheme:	A.R.T-896-2205-00-796-04 Tribal Song, Music and Dance Cultural Program Planning (TASP)
Components & Activities :	To promote traditional songs, music and dances and to organize cultural programs (TASP)
Intended Beneficiaries:	All tribal (Scheduled Tribe) artists of Gujarat
Scale of Assistance :	As per schematic guidelines
Implementing Agency:	Gujarat Sangeet Natak Academy (State Level)
Funding Pattern (in %):	GoG-100% GoI:0 Others: 0
Expected Outcome:	To promote traditional songs, music and dances that highlight the cultural heritage of the tribals (Scheduled Tribes) and to organize cultural programs to promote and promote art awareness and appreciation.

Name of Scheme:	Promotion & Development of Gujarati Language & Literature
Components & Activities :	Promotion & Development of Gujarati, Hindi, and Kutchchi Language & Literature
Intended Beneficiaries:	Book publication, assistance to litterateurs, Literary Programs
Scale of Assistance :	Not Applicable
Implementing Agency:	Gujarat, Hindi, Kutchchi Sahitya Academy
Funding Pattern (in %):	100% Government of Gujarat
Expected Outcome:	Reaching out to the people at large throughout the State and outside with literary programs, seminars, workshops, literary book publication, assistance to litterateurs, assistance to organization, conducting programs as per calendar, publication of Monthly, Quarterly literary magazines in all Gujarati and Kutchhi and creating awareness for & development of literary creative activities.

Name of Scheme:	ART 5 98-2205-102-02 Promotion of Art & Culture (Visual Art)
Components & Activities :	Seminar, Workshop, Exhibition and Various Competition
Intended Beneficiaries:	Art Lovers of Various Age Group

Scale of Assistance :	As Per Schematic Guideline
Implementing Agency:	Gujarat State Lalit Kala Academy
Funding Pattern (in %):	GoG-100% GOI:- 0 Others:- 0
Expected Outcome:	It helps promote art & culture in the state and to increase awareness of art in state and more people have aware about the same.

Name of Scheme:	TDP-3 98-2070-003-01 Development of Rajbhasha (official language)
Components & Activities :	(1) Reprinting of Government publications published by this office (2) Organizing Rajbhasha exhibitions and seminars in different districts (3) Organizing refresher training in Gujarati and English languages (4) Conducting Hindi and Gujarati language examinations for Government officers / employees (5) Publications of 'Rajbhasha' quarterly. (6) Miscellaneous (Hiring vehicle on outsourcing basis)
Intended Beneficiaries:	People in general and Government employees in particular
Scale of Assistance :	N.A.
Implementing Agency:	Directorate of Languages
Funding Pattern (in %):	GoG-100% GOI- 0 Other- 0

Expected Outcome:	Administration of the state in official language Gujarati will be facilitated.

Urban Development and Urban Housing Department

Gujarat is one of the most economically developed states in India. This upsurge in economic growth has also favored rapid urbanization in the state. As per Census 2011, urbanization in Gujarat stood at 42.6%, as against national average of 31.1%. Robust pace of urbanization has led to substantial growth of urban households in Gujarat. In 2011, total urban households in Gujarat stood at 5.4 million, almost double than that of 1991. Urban households represented 46% of the total households in 2011.

In order to meet the requirements of rapid urbanization, Government of Gujarat declared year 2005 as Urban Development Year. Various Schemes and programs were initiated to provide urban infrastructure covering drinking water, sewage management, storm water drainage, internal roads and street lights. Additional components like city gardens and development of recreational facilities were also given due importance. Affordable housing schemes were also initiated so that urban Gujarat development becomes more inclusive.

OBJECTIVES:

- **Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojna (SJMMSVY):**
 - Under Scheme all Urban Local Bodies are included in phase wise manner. Which Includes components like Mukhya Mantri Shaheri Sadan Yojna, Chief Minister Urban Bus transport scheme ,Flyover in Municipal Corporation & Municipalities, Nal se Jal Yojna, Operation And Maintenance in Municipalities (with Solara project), Jal shakti Abiyan – Rain water harvesting , Physical, Infrastructural facilities & Social services, Unique identification works , Urban mobility, Water supply Schemes & Underground drainage projects, Private society People partnership scheme Buildings of Municipalities Urban development mission (outgrowth, Bus transport, Ring road any others) Lake Beatification/ Deepening of Lakes Suez treatment plant - water treatment plant.
 - To provide assistance to ULBs for infrastructure related works like Overbridge –Underbridge, Roads, Parks Urban Mobilities and community Hall etc.
- **Affordable Housing Mission (AHM) :**
 - To cover all urban population under this scheme.
 - To convert slums into better and affordable housing and provide all basic facilities to slum dwellers and improve their living condition.

- **Swachh Bharat Mission (SBM) and Nirmal Gujarat:**
 - To cover all urban population with Individual Household Latrines, Community toilets and Public Toilets
 - To make cities clean and pollution free from the solid and liquid waste and use this waste for gainful purpose as well as to identify area of solid and liquid waste
 - To provide latest technology to workers engaged in the sewerage cleaning work and equip them with modern technology.
 - To clean the Gujarat state. With the help of Nirmal Gujarat Abhiyan, the government will clean the Gujarat city and make the environment disease-free.
 - The Nirmal Gujarat Abhiyan will help to clean the environment of the state and increase the standard of living in the state.
- **Smart Cities Mission :**
 - Total 6 Smart Cities of State namely Ahmedabad, Surat, Vadodara, Rajkot, Gandhinagar and Dahod to provide core infrastructure, decent quality of life to its cities and application of smart solutions.
- **The Atal Mission for rejuvenation and Urban Transformation (AMRUT 2.0):**
 - To ensure that every household has access to tap with assured supply of water and a sewerage connection
 - To reduce pollution by switching to public transport or constructing facilities for non motorised transport
- **National Urban Livelihood Mission (NULM) :**
 - To reduce poverty and vulnerability of the urban poor households by enabling them to access gainful self-employment and skilled wage employment opportunities
 - To provide shelter equipped with essential services to the urban homeless in a phased manner.
 - To address livelihood concern of the urban street vendors by facilitating access to suitable spaces, institutional credit, social security and skills to the urban street vendors for accessing emerging market opportunities.
- **Rail based Mass Rapid Transport System (MEGA):**
 - To provide safe, fast and eco-friendly transportation services to the public at affordable rates while simultaneously reducing the congestion on the roads.

STRATEGIES:

- **Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojna (SJMMSVY):**
 - Phasewise coverage of all ULBs are included for providing Physical, Infrastructural facilities & Social services.
 - Assistance to strengthen ULBs for upliftment of urban population.
- **Affordable Housing Mission (AHM):**
 - Provision of budgetary support implementation of housing scheme with public and private partnership.
 - Implementation of slum rehabilitation schemes with participation of private developers using land as resource dwellers
 - Coverage of more and more needy people under Credit Link subsidy and Beneficiary lead Construction Scheme.
- **Swachh Bharat Mission (SBM):**
 - Creating Public awareness for ODF and strict monitoring to maintain the status of ODF state.
 - Identification of area of Solid and Liquid Waste and effectively use this waste for creating energy.
 - Provision of latest technology and equipment for cleaning and storming sewerage water.
 - The Nirmal Gujarat will be implemented to make Gujarat city clean and tidy.
 - This scheme will encourage the citizens to make their surroundings neat and clean.
 - This scheme will promote the motto of cleanliness.
- **Smart Cities Mission :**
 - Implementation of schemes like E Governance, Energy management, Water mangement, Urban Mobilitiy will be imlemented.
- **The Atal Mission for Rejuvenation and Urban Transformation (AMRUT 2.0) :**
 - Development of basic urban infrastructure, water supply,sewerage connection,storm water system,urban transport,development of green space and parks and capacity building programmes for urban youth.
- **National Urban Livelihood Mission (NULM) :**
 - Building capacity of the urban poor, their institutions and machinery involved in the implementation of livelihoods development and poverty alleviation programmers through handholding support

- Training for and support to the establishment of micro-enterprise by the urban poor – self and group
- Ensuring availability and access for the urban homeless population to permanent 24 hours shelters including the basic infrastructural facilities like water supply, sanitation, safety and security
- Addressing livelihood concerns of the urban street vendors by facilitating access to suitable spaces, institutional credit, social security and skills to the urban street vendors for accessing emerging market opportunities.
- **Rail based Mass Rapid Transport System (MEGA) :**
 - To be committed to deliver World Class state-of-art technology most cost efficient metro within the shortest time span possible in the country.

Schemes

Name of Scheme	Gujarat Urban Livelihood Mission
Components & Activities	1. Social Mobilization and Institutional Development/ Community Led Institution Development (CLID) 2. Self-Employment Programme (Interest Subsidy)/ Financial Inclusion and Enterprise Development 3. Social Infrastructure / Shelter for Urban Homeless 4. Convergence
Intended Beneficiaries	Special focus on construction worker, transportation worker, gig worker, care worker, waste worker and domestic worker
Scale of Assistance	N.A.
Implementing Agency	Gujarat Urban Livelihood Mission0
Funding Pattern (%)	GoG – 40% GoI – 60% Others: -NIL
Expected Outcome	1. Address occupational, social and residential vulnerabilities of urban poor 2. Special focus on construction worker, transportation worker, gig worker, care worker, waste worker and domestic worker

Name of Scheme	Pradhan Mantri Awas Yojana (Urban)
Components & Activities	Affordable Housing in Partnership with Public and Private sectors Subsidy for Beneficiary led construction Slum Rehabilitation with participation of private developers using land as resource Dwellers (Slum PPP) Credit Linked Subsidy Scheme
Intended Beneficiaries	Beneficiaries who do not have pucca house and living in Urban Areas within limit of Municipal Corporation, UDA and Municipalities of the Gujarat State with restriction of family annual income criteria.
Scale of Assistance	40%, 40% & 20% in three instalments (Central & State)

Implementing Agency	Various Urban Local Bodies, i.e., Municipal Corporations, Municipalities, Urban Development Authorities & Gujarat Housing Board
Funding Pattern (%)	Basic GoG – 40% GoI – 60% Others: Top-up
Expected Outcome	The target is to complete remaining 25,752 houses in 2026-27 and for that budget provision of Rs.467.72 cr. has been kept for the coming year 2026-27 under Pradhan Mantri Awas Yojana (Urban).

Name of Scheme	Pradhan Mantri Awas Yojana (Urban) 2.0
Components & Activities	Beneficiary Led Construction (BLC) Affordable Housing in Partnership (AHP) Affordable Rental Housing (ARH) Interest Subsidy Scheme (ISS)
Intended Beneficiaries	Beneficiaries who do not have pakka house and living in Urban Areas within limit of Municipal Corporation, UDA and Municipalities of the Gujarat State with restriction of family annual income criteria.
Scale of Assistance	40%, 40% & 20% in three instalments (Central & State)
Implementing Agency	Various Urban Local Bodies, i.e. Municipal Corporations, Municipalities, Urban Development Authorities & Gujarat Housing Board
Funding Pattern (%)	60:40 & Top-up
Expected Outcome	Government of India has announced Pradhan Mantri Awas Yojana (Urban) 2.0 in September 2024. In corresponding to Government of India policy, State Government has issued the state policy for PMAY(U) 2.0 vide resolution dated 24/03/2025 and has implemented the scheme. With new target of sanctioning 65000 houses in 2026-27, budget provision of Rs.952.58 Cr. has been approved.

Name of Scheme	Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana
Components & Activities	Infrastructural Development

Intended Beneficiaries	Municipal Corporations and Municipalities' citizen
Scale of Assistance	State share 100 %
Implementing Agency	Municipal Commissioner, Regional Commissioner, Chief officer, GUDC, GWSSB
Funding Pattern (%)	GoG: 100% GoI: NIL Others: NIL
Expected Outcome	To commemorate 50th Anniversary of the Gujarat State, the State Government has launched the Swarnim Jayanti Mukhya Mantri Shaheri Vikas Yojana (SJMMSVY) in 2009, Water Supply, Under Ground Drainage; Infrastructural works (Roads, Traffic Management, Fly Over Bridge, Anganwadi etc.) Aagavi Olakh works, (Parks/Garden, Swimming Pool, Town Hall, Heritage Works, Pond Development, Riverfront Development etc.) Works like internal road, water supply pipeline, streetlight in Private society with public participation, Nagar Seva Sadan (new & renovation) are included. During the implementation of the scheme both infrastructural and social development works are accomplished in great number and variety providing better living conditions and amenities in urban areas of the state.

Name of Scheme	Swachh Bharat Mission Urban 2.0
Components & Activities	1. Solid Waste Management 2. Used Water Management 3. Toilets 4. Information Education and Communication 5. Capacity Building
Intended Beneficiaries	ULBs of Gujarat State
Scale of Assistance	25%, 25%, 25% & 25% in four instalments (Central & State)
Implementing Agency	Swachh Bharat Mission (Urban)- Gujarat
Funding Pattern (%)	GoG – 40% GoI – 60% Others: -NIL
Expected Outcome	About 12,000 Toilets will be constructed; 32.82 Lakh MT solid waste will be scientifically removed and STPs will be constructed in all ULBs with Interception and Diversion connections; Urban citizens of the state will be awarded for Swachhata and the capacity of employees

	involved in Swachhata activities will be strengthened.
--	--

Name of Scheme	Nirmal Gujarat
Components & Activities	1. Individual Toilets 2. Community Toilets/Public Toilets 3. Used Water Management 4. Solid Waste Management 5. Rag Pickers Aarthik Sahay
Intended Beneficiaries	ULBs of Gujarat State
Scale of Assistance	25%, 25%, 25% & 25% in four instalments (State)
Implementing Agency	Swachh Bharat Mission (Urban)- Gujarat
Funding Pattern (%)	GoG: 100% GoI: NIL Others: NIL
Expected Outcome	About 38000 Individual Toilets will be constructed; 32.82 Lakh MT solid waste will be scientifically removed and STPs will be constructed in all ULBs with Interception and Diversion connections; About 14000 Rag Pickers will be given assistance for their upliftment.

Name of Scheme	Nirmal Gujarat 2.0
Components & Activities	1. Safai Vera Protsahan Yojana (SVPs) 2. Garbage Vulnerable Points (GVPs) 3. Waste to Energy 4. Shresth Safai Karmachari Award (SKA) 5. Maru Shaher Swachh Shaher Award
Intended Beneficiaries	ULBs of Gujarat State
Scale of Assistance	25%, 25%, 25% & 25% in four instalments (Central & State)
Implementing Agency	Swachh Bharat Mission (Urban)- Gujarat
Funding Pattern (%)	GoG: 100% GoI: NIL Others: NIL
Expected Outcome	All the municipalities and 9 newly formed Corporations will get assistance in Safaivera Protsahahn Yojana. 4500 Safai karmachari will be awarded as best safai karmachari.

Name of Scheme	Rail based Mass Rapid Transport System
Components & Activities	To provide Environment friendly rail-based mass transport system to the citizen of Ahmedabad, Gandhinagar and Surat
Intended Beneficiaries	Citizen of Ahmedabad and Gandhinagar and Surat
Scale of Assistance	50% Equity of GoG and 50% Equity of GoI
Implementing Agency	Gujarat Metro Rail Corporation (GMRC) Limited
Funding Pattern (%)	GoG: 50% GoI: 50% Others: 0
Expected Outcome	Ahmedabad Metro Rail Project II: Construction of 28.254 km of Ahmedabad metro rail Phase-II: The Company has started operations of 20.8 Km. out of 28.26 km. including 8 stations of Ahmedabad Metro Rail Phase II from Motera to Sector-1 since 16th September 2024 for the public. Connectivity till Sachivalaya Metro Station is established on 27 April 2025. Further, Juna Koba & Koba Gam Stations were commissioned in September 2025. Balance 5.5 km section from Akshardham to Mahatma Mandir is inaugurated by the Hon'ble Prime Minister of India on 11th January 2026. Surat Metro Rail Project, Phase-I: Construction of 40.35 km of metro corridor which includes 6.47km of Underground section and 33.88km of elevated section of total 38 stations will connect the city of Surat through two corridors. Physical progress of 72.65% has been achieved till Oct-2025. The commissioning of the Priority Stretch of the Surat Metro is scheduled to commence from August 2026. After commissioning of all lines, it will help in saving of travel time, fuel saving, vehicle maintenance cost and environmental benefit from emission reduction, accident reduction and road maintenance cost.

Name of Scheme	The Atal Mission for rejuvenation and Urban Transformation (AMRUT 2.0)
Components & Activities	Development of basic urban infrastructure- water supply, sewerage, septage management, storm water drains, urban

	transport and development of green space and parks with special provision for children-friendly components • capacity building, reform implementation			
Intended Beneficiaries	• All ULBs of Gujarat under the Mission			
Scale of Assistance	-			
Implementing Agency	Parastatal Agencies (i.e., GWSSB, GUDC); Urban Local Bodies (Municipal Corporations & Municipalities)			
Funding Pattern (%)	Cities	GoI	GoG	ULB
	Ahmedabad, Surat MC	25%	25%	50%
	Rajkot & Vadodara MC	25%	40%	35%
	Jamnagar, Bhavnagar, Junagadh, Gandhinagar MC, A class Municipality	33%	57%	10%
	B, C, D Class Municipality	50%	45%	05%
Expected Outcome	The Mission will have following outcomes: Ensure that every household has access to a tap with assured supply of water and a sewerage connection; Increase the amenity value of cities by developing greenery and well Water body rejuvenation; Reduce pollution by switching to public transport or constructing facilities for non-motorized transport (e.g., walking and cycling)			

Name of Scheme	Smart Cities Mission
Components & Activities	E- governance & citizen services Energy Management Waste management Urban Mobility Water management IoT/ ICT
Intended Beneficiaries	Dahod Smart City
Scale of Assistance	-

Implementing Agency	The implementation of the Mission at the City level will be done by a Special Purpose Vehicle (SPV) created for the purpose. The SPV will plan, appraise, approve, release funds, implement, manage, operate, monitor and evaluate the Smart City development projects

Scale of Assistance :	Central - 60%, State - 40%
Implementing Agency	Municipal Corporation and Municipalities
Funding Pattern (%):	GoG- 40 GoI: 60 Others:
Expected Outcome:	1. Address occupational, social and residential vulnerabilities of urban poor 2. Special focus on construction worker, transportation worker, gig worker, care worker, waste worker and domestic worker.

Women and Child Development Department

Gujarat is continuously striving towards institutionalization of a strategy to bring a gender perspective to all aspects of development programmes and policies of the states to achieve gender equality and equity. The State government has adopted the concept of the women component plan under which a minimum of 30% share of beneficiary oriented schemes across the departments are earmarked for women. The land of Gujarat is witness to vibrant development including the development of people with the State Government putting in special efforts for the development of women and children and addressing their concerns in a multifaceted manner. Women and Child Development Department is the nodal department for implementation of the Integrated Child Development Services (ICDS) scheme in Gujarat. The state government is committed towards improving nutritional status of children, pregnant women, lactating mothers and adolescent girls. It has holistic approach for child health, nutrition and development.

The Commissioner for ICDS is the implementing wing of the department, in addition to Gujarat Women Economic Development Corporation. The Women Commission has also been set up to further improvement of women empowerment.

Objectives

The Integrated Child Development Services (ICDS) Scheme was launched with the following objectives:

- To improve the nutritional and health status of children in the age-group 0-6 years;
- To change the existing mind-set about women in the society.
- To lay the foundation for proper psychological, physical and social development of the child;
- To reduce the incidence of mortality, morbidity, malnutrition and school dropout;
- To achieve effective co-ordination of policy and implementation amongst the various departments to promote child development; and
- To enhance the capability of the mother to look after the health and nutritional needs of the child through proper nutrition and health education.

Strategies

The above objectives are sought to be achieved through a package of services comprising:

- Supplementary Nutrition

- Non-formal Pre-school Education
- Nutrition Health Education
- Immunization
- Referral
- Health Check-ups

Schemes

Name of Scheme	106-2236-02-101-19 Integrated child development Scheme
Components & Activities	Electricity Bill, Electricity connection, Wi-Fi, Maintenance and Renovation of AWCs Centre
Intended Beneficiaries:-	0 to 6 years Children, Adolescent girls, Pregnant and Lactating Women
Scale of Assistance (If Applicable)	State
Implementing Agency	District Panchayat
Funding Pattern (in %):-	100% State
Expected Outcome:-	Under its own building, the Anganwadi center will be able to provide beneficiaries with various infrastructural facilities.

Name of Scheme	106-2236-02-101-07/08 Rent of Anganwadi(General Area)
Components & Activities	Areas where Anganwadi centers do not have their own building, facilities for rented premises will be provided.
Intended Beneficiaries:-	0 to 6 years Children, Adolescent girls, Pregnant and Lactating Women
Scale of Assistance (If Applicable)	State
Implementing Agency:-	District Panchayat
Funding Pattern (in %):-	CSS:State:: 60:40
Expected Outcome:-	Areas where Anganwadi centers do not have their own building, facilities for rented premises will be provided to the beneficiaries

Name of Scheme	106-4235-02-102-03/04 Repairing of Anganwadi
Components & Activities	To carry out maintenance of AWCs so that they remain functional and durable for a long time
Intended Beneficiaries:-	0 to 6 years Children, Adolescent girls, Pregnant and Lactating Women
Scale of Assistance (If	State

Applicable)	
Implementing Agency:-	District Panchayat
Funding Pattern (in %):-	CSS:State:: 60:40
Expected Outcome:-	To ensure the longevity of the existing construction of Anganwadi centers, their maintenance should be carried out.

Name of Scheme	106-4235-02-102-01 Construction, Renovation and Repairing of Block Office
Components & Activities	Construction for C.D.P.O Class-2 Office
Intended Beneficiaries:-	Construction for C.D.P.O Class-2 Office
Scale of Assistance	State
Implementing Agency	District Panchayat
Funding Pattern (in %):-	100% State
Expected Outcome:-	Construction of Block Office for Administrative work for C.D.P.O Class-2

Name of Scheme	106-4235-02-102-02- Construction of Model AWC
Components & Activities	It will be Provided facilitated Own Angawadi Centre for Children aged 0-6 years
Intended Beneficiaries:-	0-6 Years Children
Scale of Assistance (If Applicable)	State
Implementing Agency:-	District Panchayat
Funding Pattern (in %):-	100% State
Expected Outcome:-	It will be Provided Comfortable Own Angawadi Centre for Children

Name of Schemes :	96-2236-02-796-16/17 Rent of Anganwadi(Tribal Areas)
Component & Activities :	Basic Infrastructure Facility of Anganwadi Centers in Tribal Areas
Intended Beneficiaries :	0 to 6 years Children, Adolescent girls, Pregnant and Lactating Women in Tribal Areas
Scale of Assistants :	State
Implementing Agency	District Panchayat
Funding Pattern (in %)	CSS:State:: 60:40
Expected Outcome	In tribal areas where Anganwadi centers do not have their own building, facilities for rented premises will be provided.

Name of Schemes :	PURNA scheme
Component & Activities :	Nutrition and non-nutrition services are provided to all girls aged 15 to 18 years in the district and municipal areas of the state except Dahod and Narmada districts.
Intended Beneficiaries :	Girls of age 15 to 18 Years
Scale of Assistants :	(1) In nutrition service, supplementary nutrition is provided to adolescent girls at Rs.9.50/- per day for 300 days per year. (2) Rs.140/- per Anganwadi per month for PURNA day celebration on 4th Tuesday for non-nutrition service.
Implementing Agency	Commissionerate Women and Child development
Funding Pattern (in %)	GoG : 100% GoI: Others:
Expected Outcome	The main objective of this scheme is to raise the nutritional level of adolescent girls.

Name of Scheme	Revised Scheme for Adolescent Girls scheme
Component & Activities	Nutrition and non-nutrition services are provided to all girls aged 14 to 18 years in the aspirational districts of Dahod and Narmada of the state.
Intended	Girls of age 14 to 18 Years

Beneficiaries:-	
Scale of Assistance (If Applicable)	(1) In nutrition service, supplementary nutrition is provided to adolescent girls at Rs.9.50/- per day for 300 days per year.
Implementing Agency:-	Commissionerate Women and Child development
Funding Pattern (in %):-	GoG : 50% GoI: 50% Others:
Expected Outcome:-	The main objective of this scheme is to raise the nutritional level of adolescent girls.

Name of Scheme	(1)106-2236-02-796-16/17 (2)96-2236-02-796-07/08
Component & Activities	Providing pre-school kit to children aged 3 to 6 years coming to Anganwadi
Intended Beneficiaries:-	All 53065 Anganwadi center of the state
Scale of Assistance (If Applicable)	Pre-school kit per Anganwadi center
Implementing Agency:-	Commissionerate of Women and child Development Department (ICDS)
Funding Pattern (in %):-	State -40% CSS-60%
Expected Outcome:-	Pre-primary education activities conducted by use these teaching learning material/PSE kit at Anganwadi centers helps in the intellectual, physical, social, emotional, linguistic, and creative development of the child.

Name of Scheme	106-2236-02-101-26/ 96-2236-02-796-12 (Dudh sanjeevani yojana)
Component & Activities	Children 6 months to 6 years 100 ml 5 days a week and pregnant/pregnant mothers 200 ml 2 days a week. Fortified flavored milk is provided.
Intended Beneficiaries:-	Children aged 0-6 years, pregnant and lactating mothers
Scale of Assistance (If Applicable)	This Scheme is implemented in 105 Tribal Blocks and 36 developing Blocks of 20 districts of the state
Implementing	By Aanganwadi centers

Agency:-	
Funding Pattern (in %):-	100% state contribution
Expected Outcome:-	To increase the nutrition level of children and pregnant and lactating mothers

Name of Scheme	96-2236-02-796-29 (Poshan sudha yojana)
Component & Activities	One time full meal for pregnant/ lactating mothers called to Anganwadi centers
Intended Beneficiaries:-	Registered pregnant/lactating mothers
Scale of Assistance (If Applicable)	In 106 tribal Blocks of 14 tribal districts
Implementing Agency	By Anganwadi centers
Funding Pattern (in %):-	100% state contribution
Expected Outcome:-	To increase the nutrition level of pregnant and lactating mothers

Name of Scheme	106-2236-02-101-09/10,96-2236-02-796-20/21, 95-2235-02-789-04/05 (THR+HCM)
Component & Activities	1) Children among 6 Months to 3 Years of age and 3 years to 6 years' of severely underweight children are being provided Balshakti packets as Take Home Ration (THR) whereas Pregnant Women and Lactating Mothers are being provided Matrushakti packets as THR under Supplementary Nutrition Program. 2) At Anganwadi Centre, morning breakfast prepared from 50 gm of raw ration and afternoon meal prepared from 80 gm of raw ration i.e. wheat, rice, oil, jaggery, vegetables etc. is given to 3-6years children as supplementary Nutrition.
Intended Beneficiaries:-	6 Months to 6 Years Children, Pregnant women, Lactating Mother
Scale of Assistance (If Applicable)	Entire state

Implementing Agency:-	Commissionerate of Women and child Development Office (I.C.D.S.)
Funding Pattern (in %):-	GoG : 50% GoI : 50%
Expected Outcome:-	To reduce the rate of malnutrition among 0-6 years children and Pregnant and Lactating mother and increase the coverage of Supplementary Nutrition Program.

Name of Scheme	106-2236-02-101-03 (MMY) Introduction of Integrated Child Development Service
Component & Activities	Provide 2 kg Chana, 1 Kg Tuver dal and 1 Ltr. oil per month.
Intended Beneficiaries:-	First time pregnant women and mother with first children under the age of 2 years.
Scale of Assistance (If Applicable)	Entire state
Implementing Agency:-	Commissionerate of Women and child Development Office (I.C.D.S.)
Funding Pattern (in %):-	GoG : 100% GoI : 00%
